A MESSAGE FROM OUR CHIEF

I am pleased to present the Chino Police Department's 2023 comprehensive Annual Report, highlighting our accomplishments and ongoing commitment to serving and protecting our community.

Over the past year, our officers have actively engaged with the community, fostering trust, and strengthening relationships that are crucial for effective policing. By continuing problem-solving partnerships, proactive strategies, and integrating advanced technology, we have worked diligently to disrupt criminal activity and state-wide crime trends, ensuring the safety of our residents remains paramount.

Our commitment to continue to make Chino a great place to live, work, and play is evident in our efforts to address various community concerns. We have focused on issues related to traffic, homelessness, and overall community well-being, to create a safer environment for all. We have partnered with other city entities and departments to implement programs to help our community such as D.A.R.E. (Drug Abuse Resistance Education) in our elementary schools and the expansion of our Community Academies to include a Spanish Academy and Mandarin Community Meetings.

Recognizing the importance of our personnel's well-being, we invested in a comprehensive wellness program. We also continued our professional development efforts through specialized trainings throughout the year. This ensures that our team remains resilient, skilled, and fully prepared to serve the community. I am privileged to lead a group of dedicated men and women in law enforcement, and I am continually humbled to work alongside them.

As your new police chief, I am excited about the future and the opportunity to work collaboratively with you to build upon the successes of 2023. I extend my deepest appreciation to you, the residents and community members of Chino, for your trust and partnership. Your continued support is invaluable as we strive to create a safer, more vibrant community together.

SCHOOL RESOURCE OFFICERS

The Chino Police Department continued its partnership with the Chino Valley Unified School District to have School Resource Officers (SRO) assigned to Chino High School, Don Lugo High School, and Buena Vista High School. These SROs play a vital role in school safety by being on campus every day. The SRO's job is multifaceted and includes fostering relationships with the students to serve as a mentor while still enforcing the campus rules and any criminal violations that occur.

The SROs from the high schools make hundreds of student contacts a week and assist school administrators with disciplinary hearings and investigations. There were 48 criminal citations issued for crimes ranging from assault to possession of drugs on campus last year.
