## Street Sweeping Enforcement Notification

**ATTN: Preserve and College Park Residents,**

The police department will be starting a routine enforcement program in June for street sweeping parking violations on the 1<sup>st</sup> and 3<sup>rd</sup> Mondays of each month. Numerous residents have asked for enforcement due to continuous violations where vehicles are blocking sweeper paths and their streets have not been cleaned. Chino Municipal Code 10.28.065(a) restricts parking between the hours of 9am to 2pm on those identified days and all affected neighborhoods have posted signs at the entrances to each development. Sweeping and enforcement will not be conducted on legal holidays.

Please ensure that your vehicles are properly moved to assist the sweepers with keeping our city clean. PD staff will not be ticketing vehicles who park on the identified roads after a sweeper has come through your neighborhood. If you have any questions, please contact Sergeant Cloke in the Traffic Unit at 909-334-3068.
