## FOR IMMEDIATE RELEASE

### OPENING OF A NEW CHINO POLICE SUBSTATION

CHINO, CA – On June 5, 2023, the Chino Police Department opened a temporary police substation inside Chino Valley Fire District Station 63, located at 7550 Kimball Avenue in The Preserve area. The police substation will be staffed Monday through Friday from 8:00 am to 7:00 pm. During these hours a Police Service Officer will be available to assist the public in filing numerous reports, including crime reports with no available suspect information, missing person reports, identity theft reports, lost property reports, and more.

Police Officers assigned to patrol the southern portion of the City can deploy from the substation, helping to decrease response times and increase enforcement efforts. The public can contact police personnel during regular business hours at the pedestrian door on the west side of the fire station.

To report crimes in progress or crime reports with suspect information, the public should continue to call 911 or the police department non-emergency number at (909) 628-1234.
