CHIEF'S PREFACE

I am pleased to introduce the Lexipol Policy to the Chino Police Department. This manual provides Chino Police employees with the most current guidelines available to law enforcement personnel and supports our continuing effort to attain organizational excellence.

Lexipol policies are written by experienced law enforcement professionals who specialize in defending police agencies. They understand the importance of maintaining a policy manual that contains relevant and current information. Keeping track of changing laws, court decisions and best practices in the public safety field is a difficult and time consuming task far beyond the resources available to most agencies. The risk of not having current, legally sound policies simply cannot be overstated.

This manual contains a set of comprehensive policies that have been specifically designed to assist you with the various situations that you are likely to encounter as you carry out your duties. It is essential that you become familiar with the valuable information contained in this manual and use it to guide you through the complexities of modern policing.

Wes Simmons, Chief of Police
LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Supervision

107.1 PURPOSE AND SCOPE

The Chief of Police shall insure that commanding officers are informed of changes, orders, and assignments within their command. Likewise, commanding officers shall keep the Chief of Police informed of significant events, manpower adjustments, and such other information as defined or designated by the Chief of Police. Commanding officers will also keep their subordinate ranking officers so informed, except in cases of emergency necessitating other action or by the nature of the business it does not warrant such procedure.

Staff meetings will be conducted at the discretion of the Chief of Police on a regular basis or whenever necessary to facilitate Department operations.

107.3 SUBORDINATE EXECUTIVES
Subordinate executives have supervisory powers to carry out Department objectives and policies. They shall supervise, administer and hold subordinates accountable for the completion of assigned duties at the various levels of execution.

107.4 CHAIN OF COMMAND
To insure unity of command, clearly defined lines of authority must be drawn so that a structural relationship exists between each employee and the Chief of Police.

Chain of Command: Knowledge of

It is the responsibility of every employee to know his or her position in the organization and to operate within the chain of command when supervisory contact is needed.

Employees shall not take Departmental matters directly to the Chief of Police which should ordinarily be taken to their immediate supervisor.

Any correspondence to be routed to the Office of the Chief shall be addressed to the employee's immediate supervisor for further action or disposition.
Chain of Command: Chief's Open Door Policy

The Chief of Police maintains an open door policy should the need arise to talk to him/her directly regarding a personal matter. Should the need arise, an appointment may be made through the Chief's secretary.

107.5 EXTENT OF SUPERVISION

Each member of the Department shall have a supervisor, namely, the next in the line of command. Said supervisory officer shall assume the responsibility for the supervision of all assigned subordinate members and shall be held accountable for the proper execution of every order. Supervisors will execute such orders by personal presence, written rules, oral instructions or delegation of authority. Supervisory responsibility does not cease absence of physical presence.

When two or more Officers are on duty together, the Officer of the highest rank is in command and should be held responsible. For a special detail and for a specific period, an Officer may be designated by the Commanding Officer to take command, regardless of rank. The beat Officer is the ranking Officer when others of like rank are dispatched to the Officer's assigned beat.

107.5.1 DELEGATION OF DUTIES

Supervisors may delegate to subordinates appropriate portions of their responsibilities together with equivalent authority, but may not delegate or relinquish overall responsibility for results or any portion of overall accountability. When any power or duty is temporarily granted or assigned to an employee, such power or duty shall be exercised in accordance with Department rules, regulations, and policies.

A supervisor must frequently command the actions of subordinates by order and directions in order to carry out proper law enforcement functions. This must be done aggressively and effectively and is essential to the control of the most critical police situations. A supervisor should make use of positive disciplinary techniques to promote satisfactory supervisor-subordinate relationships.

development of administrative and supervisory skills.

Each supervisory officer shall investigate the report of laxity of performance of duty or the violation
of Department rules and regulations on the part of a subordinate. After determining the facts,
findings must be reported, in writing, to the appropriate Commanding Officer.

A ranking Officer shall exercise the authority of that position under all conditions that require the
use of such authority in the best interests of the Department.
Authority in the Department shall be exercised with firmness and impartiality. Under no
circumstances should personal attitudes influence decisions.

107.5.7 FUNCTIONAL SUPERVISION
The particular authority delegated or granted to ranking Officers is not confined to their respective
Divisions but shall also include supervision over all Officers and civilian employees of the
Department as may be necessary in emergency situations or for the benefit of the Department.
Under normal circumstances, supervisory Officers shall avoid direct commands to subordinate
Officers not under their immediate control.

107.5.8 SUPERVISORY CONTROL
Each supervisor shall by act, manner, and attitude promote understanding of all procedures
essential to effective organizational control and the accomplishment of Department objectives.
All reasonable steps should be taken to determine that employees under their supervision
perform their duties completely and promptly and comply with all of the Department Rules and
Regulations. The principal responsibility for the employee's conformance with Department Rules
and Regulations is vested in the line supervisor at the level of immediate supervision.

107.6 AUDITS AND INSPECTIONS
Each Lieutenant will ensure on a monthly basis that at least one of the areas identified for
audit is reviewed. Such review will be for the purpose of verifying compliance with current
rules, regulations and procedures. These reviews will allow for improved quality control and
the identification of future training needs. Upon completion, a notation will be entered into the
Supervisor Log by the reviewing supervisor. The entry should include the specific area reviewed,
the results of such review and any follow-up action(s) taken, if necessary.

Areas for review may be but are not limited to the following:

- Use of Force Audit – IA Pro
- Axon Body Worn Camera Recordings & Categorization Audit
- Mobile Communications Audit / Policy Review
- Mission Statement / Department Core Values / Ethics
Supervision

- Post Training Requirement / Weapons Qualification & Certificate Qualifications Audit
- Uniform / Equipment Audit & Inspection
- Lockers, Work Area and Desk Inspection / Workplace Harassment Policy Review
- Supervisor File Audit
- Mobile Field Force Equipment Audit & Deployment Policy Review

107.7 LONE SUPERVISOR LEAVING THE CITY
Generally, a lone on-duty supervisor will not leave the City in response to an in-field emergency situation. There may be particular situations that may arise that would require a supervisor’s response. In the event that this does occur, the supervisor will assign a Corporal or senior officer remaining in the City as the Officer-In-Charge (OIC).

If it appears that the supervisor’s absence will be protracted, Communications personnel should be directed to notify the Patrol Bureau Lieutenant immediately. In the event the Patrol Lieutenant is unavailable, the Operations Division Commander shall be notified. Additionally, an attempt will be made to contact a supervisor who lives in close proximity to the City. The supervisor will be advised of the situation and be requested to respond to duty as soon as possible.

If practical, Communications personnel will be advised as to the progress and status of the supervisor who responded outside the City.

The Law Enforcement Code of Ethics shall be administered to all peace officer trainees during the Basic Academy course and to all other persons at the time of appointment (11 CCR 1013).

108.3 LAW ENFORCEMENT CODE OF ETHICS
AS A LAW ENFORCEMENT OFFICER, my fundamental duty is to serve; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I WILL keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I WILL never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I RECOGNIZE the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before god to my chosen profession... law enforcement.

108.3.1 OBJECTION TO RELIGIOUS AFFIRMATION
Reference to religious affirmation in the Law Enforcement Code of Ethics may be omitted where objected to by the officer.

Subject to administrative policies, as determined by the City Manager and City Council, the Chief of Police has full and final responsibility for the determination of policies and discharge of all law enforcement duties imposed by law.

As Chief Executive, the Chief must officially sanction and approve any organizational changes before they are put into effect. The detailed methods of directing and controlling specific functions of the Department and its Divisions and subdivisions may be developed by subordinate executives, but the final direction and approval of guiding principles rests with the Chief.

The Chief of Police maintains administrative control and governs operations and activities through subordinate executives. Likewise, commanding officers shall keep the Chief of Police informed of significant events, manpower adjustments, and such other information as defined or designated by the Chief of Police. Commanding officers will also keep their subordinate ranking officers so informed, except in cases of emergency necessitating other action or by the nature of the business it does not warrant such procedure.

200.4.3 STAFF MEETINGS
Staff meetings will be conducted at the discretion of the Chief of Police on a regular basis or whenever necessary to facilitate Department operations.
Departmental Directive

204.1 PURPOSE AND SCOPE
Departmental Directives establish an interdepartmental communication that may be used by

to which they pertain.

204.1.1 DEPARTMENTAL DIRECTIVE PROTOCOL
Departmental Directives will be incorporated into the manual as required upon approval of Staff.
Departmental Directives will modify existing policies or create a new policy as appropriate and will
be rescinded upon incorporation into the manual.

All existing Departmental Directives have now been incorporated in the updated Policy Manual
as of the below revision date.

Any Departmental Directives issued after publication of the manual shall be numbered
consecutively starting with the last two digits of the year, followed by the number "01" For example,
09-01 signifies the first Departmental Directive for the year 2009.

204.2.1 STAFF
The Command Staff shall review and approve revisions of the Policy Manual, which will
incorporate changes originally made by a Departmental Directive.

Emergency Operations Plan

206.1 PURPOSE AND SCOPE
The City has prepared an Emergency Management Plan for use by all employees in the event of a major disaster or other emergency event. The plan provides for a strategic response by all employees and assigns specific responsibilities in the event that the plan is activated (Government Code § 8610).

206.1.1 DISASTER SERVICE WORKER- DEFINED
All Chino Police Department employees are considered Disaster Service Workers as defined by California Government Code Section 3101.

California Government Code Sections 3100-3109 addresses all issues related to the Disaster Service Worker status.

206.1.2 DISASTER SERVICE WORKER- REPORTING FOR DUTY
As Disaster Service Workers, all employees are expected to report for duty following a major event.

A natural or man-made disaster may destroy portions of commercial, residential, highway facilities and telephone communications in or around our metropolitan area. Regardless of the type of disaster, it will be imperative to have as much manpower available as possible. It is also understood that each employee will have a major concern for the safety of their individual family, and will most likely not be able to keep their mind on the things at hand until assured their family is safe.

All personnel should develop individual family communication plans so that they can be notified of their family’s safety if they are on-duty at the time of a disaster.

Off-duty personnel will be expected to care for the immediate needs of their individual families and then respond to the Chino Police Department for duty assignment.

If off-duty employees live in an area that has been isolated because of collapsed freeway systems, etc., they should report to the nearest police department, sheriff’s office substation, or fire department. Employees should then give assistance to the agency as if they were working for that agency. The employee should advise this Department of their arrival and the condition of their family as soon as practical.

206.2 ACTIVATING THE EMERGENCY PLAN
The Emergency Operations Plan can be activated in a number of ways. For the Police Department, the Chief of Police or the highest ranking official on duty may activate the Emergency Operations Plan in response to a major emergency.

206.2.1 RECALL OF PERSONNEL
In the event that the Emergency Management Plan is activated, all employees of the Chino Police Department are subject to immediate recall. Employees may also be subject to recall
Emergency Operations Plan

during extraordinary circumstances as deemed necessary by the Chief of Police or the authorized
designee.

Failure to promptly respond to an order to report for duty may result in discipline.

206.3 LOCATION OF THE PLAN
The manual for the employees is available in Administrative Services and the Watch Commander's
office. All supervisors should familiarize themselves with the Emergency Operations Plan and
what roles police personnel will play when the plan is implemented.

206.4 UPDATING OF MANUALS
The Chief of Police or designee shall review the Emergency Management Plan Manual at least
once every two years to ensure that the manual conforms to any revisions made by the National
Incident Management System (NIMS) and the Standardized Emergency Management System
(SEMS) and should appropriately address any needed revisions.
PUBLIC MASS NOTIFICATION - "Chino Notify"

207.1 PURPOSE AND SCOPE
This policy is intended to establish a process for making emergency notifications to City of Chino residents and businesses through the utilization of the Department's Mass Notification System.

207.2 SYSTEM DESCRIPTION
The City’s mass notification system, "Chino Notify", has the ability to communicate interactively with City of Chino residents, businesses and City employees. The system allows users to register any type of device they wish to receive messages on and prioritize the order in which they receive them.

The public component allows the Department and the City to push out information to residents and businesses using GIS mapping. This component can be used for both emergency messages, and non-emergency community alert information.

The employee component allows the Department to communicate with City employees on a variety of issues. The system can be used to advise of a critical incident, overtime opportunities, hazardous weather conditions, evacuation orders for City facilities, or a City status update following a disaster. Employees are required to enter at least one (1) phone number (in addition to their work phone) where they can be reached in the event of an emergency.

207.3 AUTHORIZED ADMINISTRATORS
Several individuals have been designated as authorized administrators of Chino Notify. As authorized administrators they have been given individual logins and passwords. These codes are to be utilized by the authorized administrators only and not shared with other employees. Authorization to issue any notification to the public is described in Section 207.5.

207.4 USE OF THE SYSTEM
The public component of Chino Notify includes both an emergency database and a community notification database. The emergency database is to be used, as its name implies, for emergencies only. The community alert database is only to be used to deliver information on that fits into one of six pre-designated categories. And, only those residents and businesses registered to receive information from the particular category identified will be notified.

207.4.1 USE OF THE SYSTEM - EMERGENCY NOTIFICATIONS
The emergency database will be utilized when an urgent message needs to reach a group of residents and/or businesses within the City, and it is appropriate to deliver such a message by phone (voice, text, or email). Examples of emergency circumstances where the system can be used are:

- Escapes from local prison facilities
- Evacuation and/or Shelter-in-place notifications (i.e., several neighborhoods)
207.4.2 USE OF THE SYSTEM - COMMUNITY NOTIFICATIONS
The community alert database maybe used to deliver non-emergency but pertinent community information to residents/businesses who have requested to receive such information. The types of notifications that can be made using this system must fall into one of six categories. They are:

- Community Alerts (i.e., significant utility service interruptions)
- Crime Prevention Information
- Crime Bulletins
- Missing Persons
- Road Closures
- Press Releases

207.5 AUTHORIZATION FOR NOTIFICATIONS
The authorization for using Chino Notify is based on the type of message being sent.

207.5.1 AUTHORIZATION FOR EMERGENCY NOTIFICATIONS
Authorization to initiate an emergency Chino Notify message will be made by the City Manager, the Chief of Police, or their designee. All emergency notifications should be approved by the City's Public Information Officer, prior to being issued.

207.5.2 AUTHORIZATION FOR COMMUNITY NOTIFICATIONS
Community notifications can be made by authorized administrators with the permission of their Bureau Commander. Adequate consideration should be given to time of day before issuing a notification. Pre-dawn or late night notifications should be reserved for emergencies only.

207.6 BOUNDARIES/GEOGRAPHIC AREA OF NOTIFICATIONS
Determining the boundaries/geographic area of the notifications will be determined by the City Manager, the Chief of Police, or their designee. These areas can be defined by:

- Radius from a specific address
- Number of blocks in any direction from a particular location
- City-wide
207.7 SPANISH TRANSLATION OF NOTIFICATIONS
Whenever possible, a Spanish-speaking employee will be utilized to incorporate a Spanish translation in the recorded emergency message. All procedures for setting up the call and launching it will be performed by an authorized administrator.

207.8 FOLLOW-UP CALLS
Issuing follow-up calls to an area that was previously notified of an urgent message will be determined on a case-by-case basis. Whenever possible, efforts should be made in the initial call to direct citizens to an information line, website, or media source for updated information.

207.9 EMPLOYEE CALL GROUPS
The employee component of Chino Notify has the ability to store personalized call groups. Basic information for City employees (name, ID number, business phone, department, location) has been entered into the database. Employees are then given the opportunity to personalize their information and prioritize the order in which they receive it. The employee database is categorized into the following groups: 1) Department, and 2) Location. Additional groups can be added as needed.

207.10 RESIDENT PROVIDED DATA
Residents/Businesses have the opportunity to register their phone numbers, email addresses, text devices, fax numbers, and address using the web link located on the City of Chino and Chino Police Department's websites. For those without web access a message line is available for them to register by phone.

207.11 MAINTENANCE OF SYSTEM
Maintenance to the system with regards to call groups, authorized users and over all use of the system will be handled by the Administrative Services Manager.
Training Policy

208.1 PURPOSE AND SCOPE
It is the policy of this department to administer a training program that will provide for the professional growth and continued development of its personnel. By doing so, the Department will ensure its personnel possess the knowledge and skills necessary to provide a professional level of service that meets the needs of the community.

208.2 PHILOSOPHY
The Department seeks to provide ongoing training and encourages all personnel to participate in advanced training and formal education on a continual basis. Training is provided within the confines of funding, requirements of a given assignment, staffing levels, and legal mandates. Whenever possible, the Department will use courses certified by the California Commission on Peace Officer Standards and Training (POST).

208.3 OBJECTIVES
The objectives of the Training Program are to:
(a) Enhance the level of law enforcement service to the public
(b) Increase the technical expertise and overall effectiveness of our personnel
(c) Provide for continued professional development of department personnel

208.4 TRAINING PLAN
A training plan will be developed and maintained by the Training Sergeant. It is the responsibility of the Training Sergeant to maintain, review, and update the training plan on an bi-annual basis. The plan will address the following areas:
• State Mandated Training
• Critical Issues Training

208.5 TRAINING NEEDS ASSESSMENT
The Training Unit will conduct an annual training-needs assessment of the Department. The needs assessment will be reviewed by staff. Upon approval by the staff, the needs assessment will form the basis for the training plan for the fiscal year.

208.6 TRAINING PROCEDURES
(a) All employees assigned to attend training shall attend as scheduled unless previously excused by their immediate supervisor. Excused absences from mandatory training should be limited to the following:
1. Court appearances
2. First choice vacation
3. Sick leave
4. Physical limitations preventing the employee’s participation.
5. Emergency situations

(b) When an employee is unable to attend mandatory training, that employee shall:

1. Notify his/her supervisor as soon as possible but no later than one hour prior to the start of training.
2. Document his/her absence in a memorandum to his/her supervisor.
3. Make arrangements through his/her supervisor and the Training Sergeant to attend the required training on an alternate date.

208.7 DAILY TRAINING BULLETINS
The Lexipol Daily Training Bulletins (DTBs) is a web-accessed system that provides training on the Chino Police Department Policy Manual and other important topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Training Sergeant.

Personnel assigned to participate in DTBs should only use the password and login name assigned to them by the Training Sergeant. Personnel should not share their password with others and should frequently change their password to protect the security of the system. After each session, employees should log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

Employees who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift or as otherwise directed by their supervisor. Employees should not allow uncompleted DTBs to build up over time. Personnel may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any Internet active computer, employees shall only take DTBs as part of their on-duty assignment unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of personnel under their command to ensure compliance with this policy.
Range Policy

209.1 POLICE DEPARTMENT FIREARMS TRAINING RANGE
The Chino Police Department Firearms Training Range is designed to provide officers with a state of the art firearms range to maintain proficiency with firearms and improve tactical shooting skills.

209.2 USE OF DEPARTMENT RANGE
The use of the Department Range shall be subject to the approval of the Training Unit Sergeant or the Watch Commander for the following activities:

a) Department firearms training courses.
b) Department qualification courses.
c) Off-Duty firearms practice by officers of this Department.
d) Maintenance or zeroing of weapons.
e) Less lethal device training or qualification.
f) Other approved training activities.

No person will utilize the range for the discharge of firearms without the presence of a Department approved rangemaster. Non-sworn personnel shall not participate in live firearms training without the prior approval of the Administration Division Commander.

Off-duty use of the range is subject to range and rangemaster availability. Off-duty use of the range is voluntary and no compensation will be provided to employees who voluntarily seek to use the range during their off-duty hours. Use of the range is a privilege. Personnel who fail to follow range rules will lose the privilege of off-duty use and may be subject to discipline.

Use of the range by other than Chino Police Department personnel is prohibited without approval of the Chief of Police or his/her designee. Outside agency personnel utilizing the range will follow all Chino Police Department Range Policies and Safety Guidelines under the direction of a Department approved rangemaster.

209.3 SAFETY GUIDELINES
No person will be permitted to participate in firearms training or qualification without first having signed a written copy of the range safety rules for each session in which they participate. All personnel and instructors must wear body armor when conducting firearms training. A copy of the current range safety guidelines will be maintained by the Training Unit and will be updated as needed.

Firearms ranges are inherently dangerous due to the presence of guns and live ammunition. Horseplay or failing to follow safety guidelines and/or instructions from a rangemaster may result in injury or death. Violations of safety guidelines or rangemaster instructions will result in removal from the range and could result in discipline, up to and including termination.
209.4 APPROVED AMMUNITION
No person shall bring personally owned ammunition onto the range without having the ammunition inspected by a rangemaster. Employees voluntarily participating in firearms practice outside of normal Department sponsored training may be required to supply their own ammunition. Ammunition used must be from a major manufacturer approved by the Training Unit Sergeant. Reloaded ammunition, armor piercing ammunition, incendiary ammunition or ammunition other than .22, .25, .32, .38, .380, .357, .357 Sig, 9mm, .40, .44, .45, 12 ga. Slug /00 buck or .223/.556 calibers is prohibited. SWAT Snipers may use their currently assigned rifles on the range, up to .50 caliber BMG. Deviations from this policy may only be approved by the Training Unit Sergeant.

209.5 TARGETS
Only qualified personnel who have received training will operate the targeting system. The use of steel targets is generally prohibited without approval of the Training Unit Sergeant.

The use of the lateral moving target system requires special consideration of shooting angles to avoid strikes to side walls.

The 50 yard retractable targets shall be left fully downrange. Recall of these targets should only be used when sighting in rifles. The potential for wall, floor and ceiling strikes is increased when the targets are moved beyond the bullet trap system. The use of the 50 yard retractable targets other than in the fully downrange position must have Training Unit Sergeant approval.

Exploding or incendiary targets are prohibited without prior approval from the Training Unit Sergeant.

209.6 CARE AND MAINTENANCE
The Training Unit Sergeant is responsible for overseeing the operation and maintenance of the range. Prior to use of the range, the responsible rangemaster will conduct an inspection of the range to ensure no hazardous conditions exist and that all range equipment is in working order. Damage to range equipment or facilities shall be immediately reported to the rangemaster and the Training Unit Sergeant.

All damage, repairs and maintenance will be documented in the Range Log Book which is to be kept by the Training Unit. The Training Unit Sergeant will conduct periodic audits, no less than twice a year, to ensure that the range is being maintained according to regulatory and manufacturer standards.

209.7 LEAD HAZARD MITIGATION PLAN
The Training Unit will establish a Lead Hazard Mitigation Plan to comply with OSHA guidelines. The Training Unit Sergeant will be responsible for overseeing the plan and ensuring compliance with requirements.
Electronic Mail

212.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the proper use and application of the Department's electronic mail (email) system by employees of this department. E-mail is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law (e.g., California Public Records Act). Messages transmitted over the e-mail system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration, or practices of the Department.

212.2 E-MAIL RIGHT OF PRIVACY
All e-mail messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message including any attachment that is transmitted over its e-mail system or that is stored on any department system.

The e-mail system is not a confidential system since all communications transmitted on, to or from the system are the property of the Department. Therefore, the e-mail system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of e-mail. Employees using the Department's e-mail system shall have no expectation of privacy concerning communications utilizing the system.

Employees should not use personal accounts to exchange e-mail or other information that is related to the official business of the Department.

212.3 PROHIBITED USE OF E-MAIL
Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive and harassing or any other inappropriate messages on the e-mail system is prohibited and may result in discipline.

E-mail messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by the Chief of Police or a Division Commander. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual's e-mail, name and/or password by others.

212.4 MANAGEMENT OF E-MAIL
Because the e-mail system is not designed for long-term retention of messages, e-mail that the employee desires to save or that becomes part of an official record should be printed and/or stored
Electronic Mail

in another database. Users of e-mail are solely responsible for the management of their mailboxes. Messages should be purged manually by the user at regular intervals.
Administrative Communications

214.1 PURPOSE AND SCOPE
Administrative communications of this department are governed by the following policies.

214.2 MEMORANDUMS
Memorandums may be issued periodically by the Chief of Police to announce and document all promotions, transfers, hiring of new personnel, separations, personnel and group commendations, or other changes in status.

214.3 CORRESPONDENCE
In order to ensure that the letterhead and name of the Department are not misused, all external correspondence shall be on Department letterhead. All Department letterhead shall bear the signature element of the Chief of Police. Personnel should use Department letterhead only for official business and with approval of their supervisor.

214.4 SURVEYS
All surveys made in the name of the Department shall be authorized by the Chief of Police or a Division Commander.
Facility Security Protocol

216.1 PURPOSE AND SCOPE
The security and safety of the Chino Police facility is the responsibility of all employees. This policy is intended to ensure that all employees are aware of the security protocols for the facility as well as the process for identifying and escorting visitors within the station. Deviation from this policy shall only be made with approval of the Watch Commander.

216.2 VISITOR MANAGEMENT AND IDENTIFICATION
All non-department employees are required to display a visitor's pass while in the police facility. City employees, Department volunteers or employees of other police departments may display their official badge or identification in a clearly visible manner while inside the facility in lieu of a visitor's pass. Immediate family members of department employees are not required to display a visitor's pass as long as they remain with the employee.

216.2.1 VISITOR PASSES
Visitors to the police facility will be directed to the records counter during normal business hours to obtain a visitor's pass. Visitors to the police facility will be required to present a valid state issued identification card to obtain a visitor pass. Issuing personnel will need to contact the visitor's sponsoring employee to determine whether the visitor requires an escort prior to issuing a badge. If the employee issuing the badge cannot make contact with the sponsoring employee, the issuing employee will issue a "Red Escort" Required badge and will not permit entry until an escort can be located. During after hours, a visitor's pass may be obtained from the officer's service counter by following the instructions at the registration station. The visitor pass must be displayed at all times while in the police facility either on the left breast area of the shirt or on a lanyard.

Upon completion of the visit, it is the sponsoring employee's or escort's responsibility to ensure the visitor is checked out in the Visitor Management System and the visitor's pass is returned and destroyed.

216.2.2 VISITOR PASS TYPES
In order to manage the efficient movement of visitors while still maintaining effective station security, two types of visitor passes are available and described below.

Escorted Visitors:
Generally, visitors to the police station will be issued a Red "Escort Required" pass. The "Escort Required" badge means that this visitor should be continuously in the company of a Department Employee while in the facility. The "Escort Required" badge is identified by the red Visitor card and lanyard. The sponsoring employee's name can be located under the visitor's name. Examples of escorted visitors include but are not limited to:

- Ride-alongs
- Vendors
Facility Security Protocol

- Victims
- Suspects

Unescorted Guest

There may be occasions where a visitor may be permitted access to the facility and an escort is not required. In these situations a Green "Unescorted Visitor" pass may be issued. Supervisor approval must be obtained by the sponsoring employee prior to issuing an "Unescorted Visitor" pass. The sponsoring employee is responsible for the visitor and ensuring that the visitor does not pose a security risk to the facility. The "Unescorted Visitor" pass is identified by the green Guest card and lanyard. The sponsoring employee's name can be located above the barcode. Examples of unescorted visitors include:
  - Law enforcement personnel from another agency
  - City employees not in uniform or without ID
  - Others with Watch Commander approval.

216.3 UNIDENTIFIED PERSONS

Any employee who does not recognize a person inside the facility and such person is not wearing an official visitor's pass should challenge the unidentified person as to their identity and purpose. If a civilian employee is not comfortable challenging an unidentified person, they should immediately notify the nearest sworn member or the watch commander to the presence of the unidentified person. Any sworn employee who becomes aware of or is notified of an unidentified person in the station shall take all reasonable and appropriate steps to locate, detain and identify such persons.

216.4 MAGNETOMETERS

The Department maintains both walkthrough and handheld magnetometers to enhance facility security. Use of the magnetometers will be conducted in accordance with policy and established procedures. Appropriate signage will be maintained at visitor entrances providing notification of the presence of enhanced screening procedures.

216.4.1 USE OF MAGNETOMETERS

Visitors may be required to pass through a magnetometer prior to entering the police facility when there is a reasonable belief that any individual poses a potential security threat or when conditions exist that indicate an elevated threat level to the facility. Examples of potential situations where the use of magnetometer screening would be appropriate include but are not limited to:
  - Prior to interviewing a suspect
  - Specific threats to law enforcement facilities
  - Enhanced security postures due to Homeland Security Threat Warning

Due to the ability of the magnetometer to detect potential weapons, sworn personnel must be present during screening in case of a potential alert.
216.4.2   MAGNETOMETER PROCEDURES
When the use of a magnetometer has been deemed appropriate, the screening officer will ensure that all metal objects are removed from the subject prior to screening and placed in the appropriate tray. The subject will be directed to walk through the magnetometer. If the magnetometer alerts to the presence of a metallic object, the screening officer should use either a handheld magnetometer or a pat down search to identify a potential weapon. Any bags or cases which are being carried by a screened subject will be visually inspected prior to admittance. This policy is in no way intended to replace or limit the ability of an officer to conduct an otherwise reasonable pat down search as not all weapons or contraband can be detected with a magnetometer.

Persons who refuse additional screening, including the use of a magnetometer, will be refused admittance to the police facility. The Watch Commander should be contacted when an issue arises with a screening.

216.5   PHYSICAL SECURITY
The physical perimeter of the Police Facility is controlled by secured access points to include gates, walls, fences and doors. Physical security is dependent on the integrity of these barriers. Therefore, no person shall lock open or prop open any access point unless a Department employee is in constant attendance to prevent unauthorized access. Additionally several interior sections of the facility are controlled by proximity card access to restrict and track access to these areas. No person will lock or prop open any internal access controlled door unless an authorized employee is in constant attendance to prevent unauthorized access. Any storage area within the Department or within the perimeter of the police facility that is capable of being locked must remain in a locked condition when unattended. This requirement includes but is not limited to employee lockers, gear lockers, equipment storage containers and trailers. Any employee who becomes aware of a condition in violation of this policy shall take reasonable steps to remedy the situation and promptly report the condition to the Watch Commander.

216.6   SECURITY OF POLICE VEHICLES
Police vehicles contain sensitive equipment including weapons and computers. In order to provide for the security of the equipment contained within these vehicles, personnel shall ensure any police vehicle that they leave parked is locked to prevent unauthorized access.

216.6.1   ASSAULT ON STATION

216.7.1   PURPOSE AND SCOPE

The purpose of this policy is to provide employees with guidelines in the event of a threat to the police facility.

216.7.2   COMMAND RESPONSIBILITIES
In all matters of station security, the primary responsibility is that of the on-duty supervisor. In the absence of the supervisor, this responsibility shall rest with the highest ranking officer on duty.

216.7.3 STATION SECURITY - "CODE 900"

In the event of a threat to the police facility, the designation "CODE 900" will be used in order to notify police personnel via the radio and public address system. "CODE 900" will be the code used to initiate an action plan for station security and field operations.

216.7.4 STATION PERSONNEL DUTIES

When initial information of a "CODE 900" at the station is received, broadcast, and announced on the public address system, the on duty supervisor will immediately ensure the communication center is adequately protected. A tactical plan will be initiated to secure and guard the station.

Upon being notified of a "CODE 900" officers should immediately attempt to seal avenues of escape, call for assistance and if feasible, evacuate those who may be injured. Sworn personnel in the station at the time of the “CODE 900” will assess the situation. To minimize the possibility of injury to officers and others, employees NOT in uniform should be mindful that they may not be clearly identifiable in an unfolding chaotic situation and should remain hypervigilant about their level of involvement. Once the threat has been identified, every attempt should be made to isolate it. Once isolated, time is to the benefit of the officers and the full resources of the Department, if not already seized, are available to assist with the operation. Depending on the type of threat, sworn personnel will assist non-essential professional staff to locations of safety which may include escorting them out of the building.

The supervisor will ensure that surrounding agencies are notified to alert them should mutual aid be required. As soon as practical, notification shall be made to the Division Commanders and the Chief of Police.

216.7.5 FIELD UNIT RESPONSIBILITIES

A designated frequency determined by the supervisor in charge will be used by all field units once a "CODE 900" is broadcast. A supervisor or senior officer in the field will establish a command post and direct units into the area. Field units will move to a position to set up a containment
around the police facility. No units will come directly to the police facility unless directed to do so by a supervisor, or senior officer in charge. An attempt should be made to coordinate with sworn personnel inside the police facility in order to determine the level of the threat and how to best isolate it.

If no response from police facility personnel is received when the above inquiry is made, the field supervisor will assume that it is under attack and mutual aid will be requested. Efforts should be made to identify the best course of action to react to the threat.

216.6.2
License to Carry a Firearm

218.1 PURPOSE AND SCOPE
The Chief of Police is given the statutory discretion to issue a license to carry a firearm to residents within the community (Penal Code § 26150; Penal Code § 26155). This policy will provide a written process for the application and issuance of such licenses. Pursuant to Penal Code § 26160, this policy shall be made accessible to the public.

218.2 POLICY
The Chino Police Department will fairly and impartially consider all applications to carry firearms in accordance with applicable law and this policy.

218.3 QUALIFIED APPLICANTS
In order to qualify for a license to carry a firearm, the applicant must meet certain requirements, including:

(a) Be a resident of the City of Chino (Penal Code § 26150; Penal Code § 26155).
(b) Be at least 21 years of age (Penal Code § 29610).
(c) Fully complete an application that will include substantial personal information. Much of the information in the application may be subject to public access under the Public Records Act.
(d) Be free from criminal convictions that would disqualify the applicant from carrying a firearm. Fingerprint s will be required and a complete criminal background check will be conducted.
(e) Be of good moral character (Penal Code § 26150; Penal Code § 26155).
(f) Show good cause for the issuance of the license (Penal Code § 26150; Penal Code § 26155).
(g) Pay all associated application fees. These fees are set by statute and may not be refunded if the application is denied.
(h) Provide proof of ownership or registration of any firearm to be licensed.
(i) Be free from any psychological conditions that might make the applicant unsuitable for carrying a firearm (Penal Code § 26190).
(j) Complete required training (Penal Code § 26165).

218.4 APPLICATION PROCESS
The application process for a license to carry a firearm shall consist of two phases. Upon the successful completion of each phase, the applicant will advance to the next phase until the process is completed and the license is either issued or denied.
218.4.1 PHASE ONE (TO BE COMPLETED BY ALL APPLICANTS)

(a) Any individual applying for a license to carry a firearm shall first fully complete a California Department of Justice (DOJ) application to be signed under penalty of perjury. Any applicant who provides false information or statements on the application will be removed from further consideration and may be prosecuted for a criminal offense (Penal Code § 26180).

1. In the event of any discrepancies in the application or background investigation, the applicant may be required to undergo a polygraph examination, at no cost to the applicant.

2. If an incomplete application package is received, the Chief of Police or authorized designee may do any of the following:
   (a) Require the applicant to complete the package before any further processing.
   (b) Advance the incomplete package to phase two for conditional processing pending completion of all mandatory conditions.
   (c) Issue a denial if the materials submitted at the time demonstrate that the applicant would not qualify for a license to carry a firearm even if the package was completed (e.g., not a resident, disqualifying criminal conviction, absence of good cause).

(b) At the time the completed application is submitted, the applicant shall submit a check made payable to the California Department of Justice for the required California DOJ application fee, along with a separate check made payable to the City of Chino for a nonrefundable 20 percent of the application fee to cover the cost of processing the application (Penal Code § 26190).

1. Additional fees may be required for fingerprinting, training or psychological testing, in addition to the application fee.

2. Full payment of the remainder of the application fee will be required upon issuance of a license.

3. Payment of related fees may be waived if the applicant is a duly appointed reserve peace officer as defined in Penal Code § 830.6 (a) or (b) (Penal Code § 26170).

(c) The applicant shall be required to submit to fingerprinting and a complete criminal background check by the California DOJ. A second set of fingerprints may be required for retention in department files. Two recent passport-size photos (2 inches by 2 inches) of the applicant shall be submitted for department use. No person determined to fall within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100 or Welfare and Institutions Code § 8103 will be issued a license to carry a firearm. A license shall not be issued if the California DOJ determines that the applicant is prohibited by state or federal law from possessing, receiving, owning or purchasing a firearm (Penal Code § 26195).

(d) The applicant should submit at least three signed letters of character reference from individuals other than relatives.
(e) The applicant shall submit proof of ownership or registration of each firearm to be licensed.

Once the Chief of Police or authorized designee has reviewed the completed application package and relevant background information, the application will either be advanced to phase two or denied.

In the event that an application is denied at the conclusion of, or during, phase one, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant’s criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.4.2 PHASE TWO
This phase is to be completed only by those applicants successfully completing phase one.

(a) Upon successful completion of phase one, the applicant shall be scheduled for a personal interview with the Chief of Police or authorized designee. During this stage, there will be further discussion of the applicant’s statement of good cause and any potential restrictions or conditions that might be placed on the license.

1. The determination of good cause should consider the totality of circumstances in each individual case.

2. Any denial for lack of good cause should be rational, articulable and not arbitrary in nature.

3. The Department will provide written notice to the applicant as to the determination of good cause (Penal Code § 26202).

(b) The Chief of Police may, based upon criteria established by the Chief of Police, require that the applicant be referred to an authorized psychologist used by the Department for psychological testing. The cost of such psychological testing (not to exceed $150) shall be paid by the applicant. The purpose of any such psychological testing is intended only to identify any outward indications or history of psychological problems that might render the applicant unfit to carry a firearm. This testing is not intended to certify in any other respect that the applicant is psychologically fit. If it is determined that the applicant is not a suitable candidate for carrying a firearm, the applicant shall be removed from further consideration (Penal Code § 26190).

(c) The applicant shall complete a course of training approved by the department, which complies with Penal Code § 26165. The applicant will not be required to complete and pay for any training courses prior to any determination of good cause (Penal Code § 26165; Penal Code § 26202).

(d) The applicant shall submit any firearm to be considered for a license to the Range Manager or other department authorized gunsmith, at no cost to the applicant, for a full safety inspection. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer’s specifications or that is unsafe (Penal Code § 31910).

(e) The applicant shall successfully complete a firearms safety and proficiency examination with the firearm to be licensed, to be administered by the
License to Carry a Firearm

department Range Manager, or provide proof of successful completion of another department-approved firearms safety and proficiency examination, including completion of all releases and other forms. The cost of any outside inspection/examination shall be the responsibility of the applicant.

Once the Chief of Police or authorized designee has verified the successful completion of phase two, the license to carry a firearm will either be granted or denied.

Whether an application is approved or denied at the conclusion of or during phase two, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant’s criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.5 LIMITED BUSINESS LICENSE TO CARRY A CONCEALED FIREARM

The authority to issue a limited business license to carry a concealed firearm to a non-resident applicant is granted only to the Sheriff of the county in which the applicant works. A chief of a municipal police department may not issue limited licenses (Penal Code § 26150). Therefore, such applicants may be referred to the Sheriff for processing.

An individual who is not a resident of the county but who otherwise successfully completes all portions of phases one and two above, may apply for and be issued a limited license subject to approval by the Sheriff and subject to the following:

(a) The applicant physically spends a substantial period of working hours in the applicant’s principal place of employment or business within the City of Chino (Penal Code § 26150).

(b) Such a license will be valid for a period not to exceed 90 days from the date of issuance (Penal Code § 26220).

(c) The applicant shall provide a copy of the license to the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

(d) Any application for renewal or reissuance of such a license may be granted only upon concurrence of the original issuing authority and the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

218.6 ISSUED FIREARMS PERMITS

In the event a license to carry a firearm is issued by the Chief of Police, the following shall apply:

(a) The license will be subject to any and all reasonable restrictions or conditions the Chief of Police has deemed warranted, including restrictions as to the time, place, manner and circumstances under which the person may carry the firearm.

1. All such restrictions or conditions shall be conspicuously noted on any license issued (Penal Code § 26200).
2. The licensee will be required to sign a Restrictions and Conditions Agreement. Any violation of any of the restrictions and conditions may result in the immediate revocation of the license.

(b) The license shall be laminated, bearing a photograph of the licensee with the expiration date, type of firearm, restrictions and other pertinent information clearly visible.

1. Each license shall be numbered and clearly identify the licensee.

2. All licenses shall be subjected to inspection by the Chief of Police or any law enforcement officer.

(c) The license will be valid for a period not to exceed two years from the date of issuance (Penal Code § 26220).

1. A license issued to a state or federal magistrate, commissioner or judge will be valid for a period not to exceed three years.

2. A license issued to any reserve peace officer as defined in Penal Code § 830.6(a) or (b), or a custodial officer employed by the Sheriff as provided in Penal Code § 831.5 will be valid for a period not to exceed four years, except that such license shall be invalid upon the individual’s conclusion of service as a reserve officer.

(d) If the licensee’s place of residence was the basis for issuance of a license and the licensee moves out of the county of issuance, the license shall expire 90 days after the licensee has moved (Penal Code § 26210).

(e) The licensee shall notify this department in writing within 10 days of any change of place of residency.

218.6.1 LICENSE RESTRICTIONS

(a) The Chief of Police may place special restrictions limiting time, place, manner and circumstances under which any license shall be valid. In general, these restrictions will prohibit the licensee from:

1. Consuming any alcoholic beverage while armed.

2. Falsely representing him/herself as a peace officer.

3. Unjustified or unreasonable displaying of a firearm.

5. Being under the influence of any medication or drug while armed.

6. Interfering with any law enforcement officer’s duties.

7. Refusing to display his/her license or firearm for inspection upon demand of any peace officer.

8. Loading the permitted firearm with illegal ammunition.
License to Carry a Firearm

(b) The Chief of Police reserves the right to inspect any license or licensed firearm at any time.
(c) The alteration of any previously approved firearm including, but not limited to adjusting the trigger pull, adding laser sights or modifications shall void any license and serve as grounds for revocation.

218.6.2 AMENDMENTS TO LICENSES
Any licensee may apply to amend a license at any time during the period of validity by completing and submitting a written Application for License Amendment along with the current processing fee to the Department in order to (Penal Code § 26215):

(a) Add or delete authority to carry a firearm listed on the license.
(b) Change restrictions or conditions previously placed on the license.
(c) Change the address or other personal information of the licensee (Penal Code § 26210).

In the event that any amendment to a valid license is approved by the Chief of Police, a new license will be issued reflecting the amendment. An amendment to any license will not serve to extend the original expiration date and an application for an amendment will not constitute an application for renewal of the license.

218.6.3 REVOCATION OF LICENSES
Any license issued pursuant to this policy may be immediately revoked by the Chief of Police for any of the following reasons:

(a) The licensee has violated any of the restrictions or conditions placed upon the license.
(b) The licensee becomes psychologically unsuitable to carry a firearm.
(c) The licensee is determined to be within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100, Welfare and Institutions Code § 8103 or any state or federal law.
(d) The licensee engages in any conduct which involves a lack of good moral character or that might otherwise remove the good cause for the original issuance of the license.
(e) If the license is one to carry “loaded and exposed,” the license shall be revoked immediately upon a change of the licensee’s place of residence to another county (Penal Code § 26210).

The issuance of a license by the Chief of Police shall not entitle the holder to either a property or liberty interest as the issuance, amendment or revocation of such license remains exclusively within the discretion of the Chief of Police as set forth herein.

If any license is revoked, the Department will immediately notify the licensee in writing and the California DOJ (Penal Code § 26225).
License to Carry a Firearm

218.6.4 LICENSE RENEWAL
No later than 90 days prior to the expiration of any valid license to carry a firearm, the licensee may apply to the Chief of Police for a renewal by:

(a) Verifying all information submitted in the original application under penalty of perjury.

(b) Completing a department-approved training course pursuant to Penal Code § 26165. The applicant shall not be required to pay for a training course prior to the determination of good cause (Penal Code § 26165).

(c) Submitting any firearm to be considered for a license renewal to the Range Manager for a full safety inspection. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer’s specifications or that is unsafe (Penal Code § 31910).

(d) Paying a non-refundable renewal application fee.

Once the Chief of Police or authorized designee has verified the successful completion of the renewal process, the renewal of the license to carry a firearm will either be granted or denied. Prior issuance of a license shall not entitle any licensee to any property or liberty right to renewal.

Whether an application for renewal is approved or denied, the applicant shall be notified in writing within 90 days of the renewal application or within 30 days after receipt of the applicant’s criminal background check from the California DOJ, whichever is later (Penal Code § 26205).

218.7 DEPARTMENT REPORTING AND RECORDS
Pursuant to Penal Code § 26225, the Chief of Police shall maintain a record of the following and immediately provide copies of each to the California DOJ:

(a) The denial of a license

(b) The denial of an amendment to a license

(c) The issuance of a license

(d) The amendment of a license

(e) The revocation of a license

The Chief of Police shall annually submit to the State Attorney General the total number of licenses to carry firearms issued to reserve peace officers and judges.

218.8 CONFIDENTIAL RECORDS
The home address and telephone numbers of any peace officer, public defender, prosecutor, magistrate, court commissioner or judge contained in an application shall not be considered public record (Government Code § 6254(u)(2)).

Any information in an application for a license to carry a firearm that indicates when or where the applicant is vulnerable to attack or that concerns the applicant’s medical or psychological history or that of his/her family shall not be considered public record (Government Code § 6254(u)(1)).
Retiree Concealed Firearms

220.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the issuance, denial, suspension or revocation of Chino Police Department identification cards under the Law Enforcement Officers' Safety Act (LEOSA) and California law (18 USC § 926C; Penal Code § 25455).

220.2 QUALIFIED RETIREES
Any full-time sworn officer of this department who was authorized to, and did, carry a concealed firearm during the course and scope of his/her employment shall be issued an identification card with a “CCW Approved” endorsement upon honorable retirement (Penal Code § 25455). The Chino Police Department also adheres to guidelines set fourth in Ca Penal Code 26300 - 26325.

(b) No CCW Approved endorsement shall be issued to any officer retiring because of a psychological disability (Penal Code 26305).

220.3 LEOSA (LAW ENFORCEMENT OFFICER SAFETY ACT)
The Chief of Police may issue an identification card for LEOSA purposes to any qualified former officer of this department who (18 USC § 926C(c)):

(a) Separated from service in good standing from this department as an officer.

(b) Before such separation, had regular employment as a law enforcement officer for an aggregate of 10 years or more or, if employed as a law enforcement officer for less than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this department.

(c) Has not been disqualified for reasons related to mental health.

(d) Has not entered into an agreement with this department where the officer acknowledges that he/she is not qualified to receive a firearm qualification certificate for reasons related to mental health.

(e) Is not prohibited by federal law from receiving or possessing a firearm.

220.3.1 LEOSA IDENTIFICATION CARD FORMAT
The LEOSA identification card should contain a photograph of the former officer and identify him/her as having been employed as an officer.

If the Chino Police Department qualifies the former officer, the LEOSA identification card or separate certification should indicate the date the former officer was tested or otherwise found by the Department to meet the active duty standards for qualification to carry a firearm.
220.4 CALIFORNIA IDENTIFICATION CARD ISSUANCE
Any full-time sworn officer of this department who was authorized to, and did, carry a concealed firearm during the course and scope of his/her employment shall be issued an identification card with a Carrying Concealed Weapon endorsement, "CCW Approved," upon honorable retirement (Penal Code § 25455).

(a) For the purpose of this policy, honorably retired includes all peace officers who have qualified for, and accepted, a service or disability retirement. It shall not include any officer who retires in lieu of termination.

(b) No CCW Approved endorsement shall be issued to any officer retiring because of a psychological disability (Penal Code § 26305).

Upon meeting all the requirements for a CCW endorsement, the former officer will sign the retired CCW acknowledgment form that is in accordance with the Reporting of Employee Convictions policy.

A former officer with a card issued under this policy shall immediately notify the Watch Commander of his/her arrest or conviction in any jurisdiction, or that he/she is the subject of a court order, in accordance with the Reporting of Employee Convictions policy.

220.6 DENIAL, SUSPENSION OR REVOCATION OF A LEOSA IDENTIFICATION CARD
A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the Department. In the event that an identification card is denied, suspended or revoked, the former officer may request a review by the Chief of Police. The decision of the Chief of Police is final.
220.6.1 WATCH COMMANDER RESPONSIBILITY

Employees who have reason to suspect a retiree’s conduct has compromised public safety should notify the Watch Commander as soon as practical. The Watch Commander should take the following steps in these instances:

(a) Take appropriate steps to promptly look into the matter.

(b) If warranted, contact the retiree in person and advise him/her in writing of the following:
   1. The retiree's CCW endorsement is immediately and temporarily revoked.
   2. The retiree will have 15 days to request a hearing to determine whether the temporary revocation should become permanent.
   3. The retiree will forfeit his/her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.

(c) A current copy of Penal Code §§ 26305, 26312 and 26315 should be attached to the written notice.

For example, if a retiree was arrested or detained by a distant agency, the Watch Commander may request that a peace officer of that agency act as the Department’s agent to deliver the written notification.

(e) Notification of the temporary suspension should also be promptly mailed to the retiree via first class mail, postage prepaid, return receipt requested (Penal Code § 26312).

(f) The Watch Commander should document in a memo the investigation, the actions taken, and, if applicable, any notification made to the retiree. The memo should be forwarded to the Chief of Police.
Chapter 3 - General Operations
Use of Force

300.1 PURPOSE AND SCOPE
This policy provides guidelines on the reasonable use of force. While there is no way to specify
the exact amount or type of reasonable force to be applied in any situation, every member of
this department is expected to use these guidelines to make such decisions in a professional,
impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the
reasonable application of force contained in this policy shall apply to all policies addressing
the potential use of force, including but not limited to the Control Devices and Techniques and
Conducted Energy Device policies.

300.1.1 DEFINITIONS
Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily
injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Feasible - Reasonably capable of being done or carried out under the circumstances to
successfully achieve the arrest or lawful objective without increasing risk to the officer or another
person (Government Code § 7286(a)).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another
person. It is not a use of force when a person allows him/herself to be searched, escorted,
handcuffed, or restrained.

Serious bodily injury - A serious impairment of physical condition, including but not limited to
the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment
of function of any bodily member or organ; a wound requiring extensive suturing; and serious
disfigurement (Penal Code § 243(f)(4)).

Totality of the circumstances - All facts known to the officer at the time, including the conduct
of the officer and the subject leading up to the use of force (Penal Code § 835a).

300.2 POLICY
The use of force by law enforcement personnel is a matter of critical concern, both to the public
and to the law enforcement community. Officers are involved on a daily basis in numerous and
varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations.
This is especially true with respect to overcoming resistance while engaged in the performance
of law enforcement duties.

The Department recognizes and respects the value of all human life and dignity without prejudice
to anyone. Vesting officers with the authority to use reasonable force and to protect the public
welfare requires monitoring, evaluation and a careful balancing of all interests.
Use of Force

300.2.1 DUTY TO INTERCEDE
Any officer present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable officer under the circumstances, shall, when in a position to do so, intercede to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

300.2.2 DUTY TO REPORT EXCESSIVE FORCE
Any officer who observes a law enforcement officer or an employee use force that potentially exceeds what the officer reasonably believes to be necessary shall promptly report these observations to a supervisor as soon as feasible (Government Code § 7286(b)).

300.3 USE OF FORCE
Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Officers may only use a level of force that they reasonably believe is proportional to the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved tools, weapons, or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST
Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not...
Use of Force

Retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

(a) The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).
(b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time (Penal Code § 835a).
(c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
(d) The conduct of the involved officer leading up to the use of force (Penal Code § 835a).
(e) The effects of suspected drugs or alcohol.
(f) The individual's apparent mental state or capacity (Penal Code § 835a).
(g) The individual's apparent ability to understand and comply with officer commands (Penal Code § 835a).
(h) Proximity of weapons or dangerous improvised devices.
(i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
(j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
(k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
(l) Training and experience of the officer.
(m) Potential for injury to officers, suspects, bystanders, and others.
(n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
(o) The risk and reasonably foreseeable consequences of escape.
(p) The apparent need for immediate control of the subject or a prompt resolution of the situation.
(q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
(r) Prior contacts with the subject or awareness of any propensity for violence.
Use of Force

(s) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES
Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

(a) The degree to which the application of the technique may be controlled given the level of resistance.

(b) Whether the person can comply with the direction or orders of the officer.

(c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 ALTERNATIVE TACTICS - DE-ESCALATION
As time and circumstances reasonably permit, and when community and officer safety would not be compromised, officers should consider actions that may increase officer safety and may decrease the need for using force:

(a) Summoning additional resources that are able to respond in a reasonably timely manner.

(b) Formulating a plan with responding officers before entering an unstable situation that does not reasonably appear to require immediate intervention.

(c) Employing other tactics that do not unreasonably increase officer jeopardy.

In addition, when reasonable, officers should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

(a) Attempts to de-escalate a situation.

(b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

300.3.5 RESTRICTIONS ON THE USE OF A CHOKE HOLD
Officers of this department are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person’s trachea or windpipe (Government Code § 7286.5).
300.4 DEADLY FORCE APPLICATIONS
Where feasible, the officer shall, prior to the use of deadly force, make reasonable efforts to identify him/herself as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts (Penal Code 835a).

If an objectively reasonable officer would consider it safe and feasible to do so under the totality of the circumstances, officers shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably practical, officers should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force is only justified when the officer reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

(a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes is an imminent threat of death or serious bodily injury to the officer or another person.

(b) An officer may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Officers shall not use deadly force against a person based on the danger that person poses to him/herself, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the officer or to another person (Penal Code § 835a).

An “imminent” threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the officer or another person. An officer’s subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES
Shots fired at or from a moving vehicle are rarely effective and may involve additional considerations and risks. When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others (Government Code § 7286(b)).

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.
Use of Force

300.4.2 DISPLAYING OF FIREARMS
Given that individuals might perceive the display of a firearm as a potential application of force, officers should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

(a) If the officer does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.

(b) If the officer reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the officer no longer perceives such threat.

Once it is reasonably safe to do so, officers should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE
Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law to include Government Code 12525.2. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATION TO SUPERVISORS
Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

(a) The application caused a visible injury.

(b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.

(c) The individual subjected to the force complained of injury or continuing pain.

(d) The individual indicates intent to pursue litigation.

(e) Any application of a TASER device or control device.

(f) Any application of a restraint device other than handcuffs, shackles, or belly chains.

(g) The individual subjected to the force was rendered unconscious.

(h) An individual was struck or kicked.

(i) An individual alleges unreasonable force was used or that any of the above has occurred.

(j) Any force used to overcome the resistance of a juvenile.
300.6 MEDICAL CONSIDERATION

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the officer’s initial assessment of the nature and extent of the subject’s injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called “excited delirium”), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

300.7 USE OF FORCE REVIEW - RESPONSIBILITIES

All applications of force will be reviewed by the Lieutenant responsible for oversight of the incident and/or the involved employee(s). A supervisor will compile all materials (printed reports, recordings, etc.) related to the incident and forward them to the assigned Lieutenant for review in a timely manner. Based on the available information, the Lieutenant will complete the "Use of Force Supervisor Review" form, rendering an opinion as to whether the actions taken by Department personnel were reasonable and within policy or unreasonable based on guidelines set forth in this manual.

After completion of the review process, the Lieutenant will forward all materials and submit his/her findings to the Professional Standards Office. Professional Standards will determine if any follow-up is necessary before submitting the materials to the appropriate Division Commander.
300.8 SUPERVISOR RESPONSIBILITY
A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

(a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.

(b) Ensure that any injured parties are examined and treated.

(c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her Miranda rights, the following shall apply:
   1. The content of the interview should not be summarized or included in any related criminal charges.
   2. The fact that a recorded interview was conducted should be documented in a property or other report.
   3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.

(d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.

(e) Identify any witnesses not already included in related reports.

(f) Review and approve all related reports.

(g) Determine if there is any indication that the subject may pursue civil litigation.
   1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.

(h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.8.1 WATCH COMMANDER RESPONSIBILITY
The Watch Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy.

300.9 TRAINING
Officers, investigators, and supervisors will receive periodic training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).
Use of Force

Subject to available resources, the Training Sergeant should ensure that officers receive periodic training on de-escalation tactics, including alternatives to force.

Training should also include (Government Code § 7286(b)):

(a) Guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities.

(b) Training courses required by and consistent with POST guidelines set forth in Penal Code § 13519.10.

300.10 USE OF FORCE COMPLAINTS
The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).

300.11 POLICY REVIEW
The Chief of Police or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.12 POLICY AVAILABILITY
The Chief of Police or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

300.13 PUBLIC RECORDS REQUESTS
Requests for public records involving an officer’s personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records and Records Maintenance and Release policies (Government Code § 7286(b)).
Threshold Incident Protocol

303.1 PURPOSE AND SCOPE
The Threshold Incident Protocol provides members guidance on the procedures to utilize when handling incidents that give rise to liability and / or complaints. The goal of this protocol is to ensure that proper steps and actions are taken in the field to gather evidence, documents statements and preserve needed materials for future use.

303.2 THRESHOLD INCIDENT DEFINED
A Threshold Incident is any incident a member may become involved in that may lead to a citizen complaint or civil litigation against the city. They will most likely focus on allegations of civil rights violations, false arrest and use of force situations.

303.3 SUPERVISORY NOTIFICATION
Any member who becomes aware of an incident that may meet the definition of a Threshold Incident shall, as soon as is practical, ensure that a supervisor is notified of the potential for a Threshold Incident. If a supervisor is unable to immediately respond, the officer in charge of the incident shall take all steps reasonably practical to ensure the Threshold Incident Protocol is followed.

303.4 SUPERVISORY RESPONSIBILITY
A supervisor will immediately respond to the scene of a potential Threshold Incident. In the case where an immediate response is not practical, the supervisor will ensure the officer in charge of the incident implements the Threshold Incident Protocol. The supervisor will then respond, without delay, as soon as practical. The assigned supervisor bears responsibility for ensuring that the Threshold Incident Protocol is followed, including by those delegated responsibility in the absence of a supervisor.

303.5 THRESHOLD INCIDENT PROTOCOL
The following actions will be taken at the scene of a Threshold Incident as defined in this policy. Involved personnel should complete all steps of the protocol, unless it would be impractical. Deviation from this protocol must have Watch Commander approval and any explanation for such deviation must be documented in the related Supervisor's Log.

303.5.1 WITNESS STATEMENTS
Witness statements or the lack of witnesses are essential to document for civil liability and complaint purposes. All involved parties and witnesses to the incident are to be located and identified. All statements obtained shall be video recorded or if video is not available, audio recorded. Members will ensure that an area canvass is conducted to locate all potential witnesses and/or to document the lack of witnesses. Members conducting an area canvass
Threshold Incident Protocol

will document what locations were checked and the results of those checks in related crime or incident reports.

303.5.2 PHOTOGRAPHS
The scene and all involved parties shall be photographed and/or video recorded. The arrestee or involved parties entire body should be photographed to assist in documenting injuries or a lack of injuries.

If injuries were sustained by the involved party, photographs shall be taken after medical treatment has been administered and their injuries cleaned.

In the case of an Officer being injured or disarrangement of attire, they should be photographed as soon as possible to record their state after the incident to substantiate the force used by the arrestee.

303.5.3 PRE-BOOKING MEDICAL ATTENTION
If the incident has the potential of becoming an excessive force claim, the involved party should be pre-booked. A blood sample from the involved party should be obtained by Police personnel for evidentiary influence analysis. A medical records release should also be obtained from the involved party.

303.5.4 INVOLVED PARTY INTERVIEWS
If the party is interviewed criminally, the interview should also cover all aspects of the incident. The interview should address all areas where the involved party may have a misunderstanding as to what transpired, memorializing their statement.

Should the involved party invoke their rights under Miranda, they should still be interviewed for civil purposes. This interview will be conducted to substantiate the involved parties true knowledge of the incident and lock them in to a statement.

Any Administrative statement obtained outside of Miranda shall not be included or referenced in a criminal report and will only be used for civil liability or complaint resolution purposes. Any recording of such a statement will be marked as Administrative in the Department's Evidence.com database.

303.6 DOCUMENTATION
All Threshold Incidents will be documented in the Supervisor's Log for the shift in which it occurred. The Supervisor's Log will document whether the Threshold Incident Protocol was followed or the justification for any deviation from the protocol.
Handcuffing and Restraints

306.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

306.2 POLICY
The Chino Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

306.3 USE OF RESTRAINTS
Only members who have successfully completed Chino Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

306.3.1 RESTRAINT OF DETAINES
Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

306.3.2 RESTRAINT OF PREGNANT PERSONS
Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized
determination that such restraints are necessary for the safety of the arrestee, officers, or others (Penal Code § 3407; Penal Code § 6030).

306.3.3 RERAINT OF JUVENILES
A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer, or damage property.

306.3.4 NOTIFICATIONS
Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

306.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS
Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person’s hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person’s back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person’s size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

306.5 APPLICATION OF SPIT HOODS
Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or
distorting that person's vision. Officers should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use. All applications of a spit hood require notification to a supervisor. A supervisor will review each application of a spit hood for conformance to this policy and will document each use in a Supervisor Log. Any application of a spit hood which results in an injury or complaint of injury will be subject to a Use of Force Review.

306.6 APPLICATION OF SOFT SHELL PROTECTIVE HELMET

Soft Shell protective helmets are temporary protective devices designed to prevent the wearer from causing injury to himself/herself once they have been deemed a danger to themselves and taken into custody for a criminal violation or placed on a civil 5150 WIC hold.

The application of the soft shell protective helmet may be placed on an individual when an officer reasonably believes the person will attempt to injure themselves and there is a need to apply the soft shell helmet to prevent injury. The soft shell helmet should be removed once the subject has reached a safe location and turned over to the custody of the Detention Facility/ Mental Health Facility. The soft shell helmet shall be cleaned in accordance with the manufacturer’s guidelines after each application.

The application of the soft shell helmet shall warrant Supervisor Notification and be documented in the officer’s report justifying the application of the helmet. A supervisor will review each application of a soft shell protective helmet for conformance to this policy and will document each use in a Supervisor Log. Any application of a soft shell protective helmet which results in an injury or complaint of injury will be subject to a Use of Force Review.

306.7 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.
306.8 APPLICATION OF LEG RESTRAINT DEVICES
Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

(a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.

(b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).

(c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

306.8.1 GUIDELINES FOR USE OF LEG RESTRAINTS
When applying leg restraints, the following guidelines should be followed:

(a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.

(b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.

(c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person’s ability to breathe.

(d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.

(e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.

(f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

306.9 REQUIRED DOCUMENTATION
If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.
Handcuffing and Restraints

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

(a) The factors that led to the decision to use restraints.
(b) Supervisor notification and approval of restraint use.
(c) The types of restraint used.
(d) The amount of time the person was restrained.
(e) How the person was transported and the position of the person during transport.
(f) Observations of the person’s behavior and any signs of physiological problems.
(g) Any known or suspected drug use or other medical problems.

306.10 TRAINING

Subject to available resources, the Training Sergeant should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

(a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
(b) Response to complaints of pain by restrained persons.
(c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
(d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.
Use of Restraint Chair

307.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of a restraint chair in the Chino Police Department's Temporary Holding Facility.

307.2 POLICY
The Chino Police Department authorizes the use of a restraint chair in accordance with this policy. Restraint devices, to include a restraint chair shall not be used to punish, to display authority or as a show of force.

307.3 GUIDELINES FOR USE OF THE RESTRAINT CHAIR
The Chino Police Department restraint chair is a hard chair with wrist and ankle soft restraints and two retractable straps designed to securely hold a person in the chair. The restraint chair's purpose is to securely restrain an arrestee in a manner designed to minimize potential injury to the arrestee or others and to prevent property damage. Only members of the Chino Police Department who have successfully completed Chino Police Department approved training on the use of a restraint chair are authorized to use a restraint chair.

The restraint chair shall only be used on arrestees who either verbally or physically display an intention to resist lawful efforts to obtain a blood sample pursuant to a court order. The use of the restraint chair is designed to immobilize an arrestee's extremities and to prevent them from being ambulatory. The restraint chair should be utilized only when it appears less restrictive alternatives would be ineffective in controlling the displayed behavior. A person shall be removed from the restraint chair as soon as the blood sample has been obtained and in all cases, no longer than 20 minutes.

Officer shall do the following when utilizing the restraint chair:

(a) Obtain approval from the on-duty Watch Commander prior to the use of the restraint chair.

(b) Secure the arrestee in the restraint chair in a manner consistent with approved department training.

(c) Have direct visual observation to ensure that the restraints are properly employed, and to ensure the safety and well-being of the arrestee.

(d) While in the restraint chair, arrestees will not be unsupervised while another arrestee is present.

(e) The restraint chair shall not be used as a form of discipline or a substitute for medical treatment.
307.4 FORCED BLOOD DRAW
For the purpose of this policy a forced blood draw is defined as the arrestee is legally obligated to submit to a blood draw, but is refusing to cooperate with the blood draw. In all cases of forced blood draws the blood draw shall be carried out by an approved medical professional.

When the resistance is verbal, officers should inform the arrestee their objection to the blood draw will be documented in the investigative report and officers will facilitate the blood draw. When an arrestee is physically resisting a blood draw, officers shall follow established use of force policy and should consider using the restraint chair to minimize the chance of injury to the arrestee during the blood draw.

When utilizing the restraint chair for forced blood draws, the arrestee shall be removed from the restraint chair immediately after the blood draw has occurred.

Officers shall obtain Watch Commander approval prior to utilizing the restraint chair to obtain a forced blood draw and the blood draw should be done in the presence of a supervisor.

307.5 REQUIRED DOCUMENTATION
Any time an arrestee is detained in the restraint chair it shall be documented in the related incident report and reported pursuant to the Use of Force Policy.
Control Devices and Techniques

308.1 PURPOSE AND SCOPE
This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

308.2 POLICY
In order to control subjects who are violent or who demonstrate the intent to be violent, the Chino Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

308.3 ISSUING, CARRYING AND USING CONTROL DEVICES
Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

308.4 RESPONSIBILITIES

308.4.1 WATCH COMMANDER RESPONSIBILITIES
The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

308.4.2 RANGEMASTER RESPONSIBILITIES
The Training Unit shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Training Unit or the designated instructor for a particular control device. The inspection shall be documented.

308.4.3 USER RESPONSIBILITIES
All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.
Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Range Manager for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

308.5 BATON GUIDELINES
The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

During a Mobile Field Force incident, officers may use their baton to control crowd members who do not respond to verbal directions. The baton may be used to move those individuals who do not respond to verbal commands to disperse. During a Mobile Field Force incident, the use of the forward thrust technique with the baton will not be considered a use of force, but an extension of the hand to control or move a crowd. Any use of a baton, either forward thrust or other technique, will be reported to a supervisor for documentation in a supervisor log or after-action report.

During a Mobile Field Force incident, the baton may be used as an impact weapon based on the degree of active resistance or combative behavior demonstrated by suspects. In these circumstances, personnel shall follow the department's use of force policy. Any use of the baton, other than the forward thrust technique, shall be documented under the department's use of force policy as soon as practical.

308.6 TEAR GAS GUIDELINES
Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Watch Commander, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.
Control Devices and Techniques

308.7  OLEORESIN CAPSICUM (OC) GUIDELINES
As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

308.7.1  OC SPRAY
Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

308.7.2  PEPPER PROJECTILE SYSTEMS
Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

308.7.3  TREATMENT FOR OC SPRAY EXPOSURE
Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

308.8  KINETIC ENERGY PROJECTILE GUIDELINES
This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.
308.8.1 DEPLOYMENT
Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

(a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
(b) The suspect has made credible threats to harm him/herself or others.
(c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
(d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

308.8.2 DEPLOYMENT CONSIDERATIONS
Before discharging projectiles, the officer should consider such factors as:

(a) Distance and angle to target.
(b) Type of munitions employed.
(c) Type and thickness of subject’s clothing.
(d) The subject’s proximity to others.
(e) The location of the subject.
(f) Whether the subject’s actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer’s recommendations and their training regarding deployment distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the
Control Devices and Techniques

An officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

308.8.3 SAFETY PROCEDURES
Shotguns designated for the use of kinetic energy projectiles will be specially marked as such.

Officers carrying these shotguns will inspect the shotgun at the beginning of each shift to ensure that it is in proper working order and loaded only with approved projectiles.

308.9 TRAINING FOR CONTROL DEVICES
The Training Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

(a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.

(b) All training and proficiency for control devices will be documented in the officer’s training file.

(c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency’s Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency’s Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

308.10 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES
Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.
Conducted Energy Device (Taser)

309.1 PURPOSE AND SCOPE
This policy provides guidelines for the issuance and use of TASER devices.

309.2 POLICY
The TASER® device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

309.3 ISSUANCE AND CARRYING TASER DEVICES
Only members who have successfully completed department-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Officers shall only use the TASER device and cartridges that have been issued by the Department. Uniformed officers who have been issued the TASER device shall wear the device in an approved holster on their person. Non-uniformed officers may secure the TASER device in the driver's compartment of their vehicle.

Members carrying the TASER device should perform a spark test on the unit prior to every shift.

When carried while in uniform officers shall carry the TASER device in a weak-side holster on the side opposite the duty weapon.

  (a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.
  (b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the TASER device.
  (c) Officers shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.
  (d) Officers should not hold both a firearm and the TASER device at the same time.

309.4 VERBAL AND VISUAL WARNINGS
A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

  (a) Provide the individual with a reasonable opportunity to voluntarily comply.
  (b) Provide other officers and individuals with a warning that the TASER device may be deployed.
If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer’s lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the TASER device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the TASER device in the related report.

309.5 USE OF THE TASER DEVICE
The TASER device has limitations and restrictions requiring consideration before its use. The TASER device should only be used when its operator can safely approach the subject within the operational range of the device. Although the TASER device is generally effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

309.5.1 APPLICATION OF THE TASER DEVICE
The TASER device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

(a) The subject is violent or is physically resisting.

(b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, him/herself or others.

Mere flight from a pursuing officer, without other known circumstances or factors, is not good cause for the use of the TASER device to apprehend an individual.

309.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS
The use of the TASER device on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

(a) Individuals who are known to be pregnant.

(b) Elderly individuals or obvious juveniles.

(c) Individuals with obviously low body mass.

(d) Individuals who are handcuffed or otherwise restrained.
Conducted Energy Device (Taser)

(e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.

(f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the TASER device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

The TASER device shall not be used to psychologically torment, elicit statements or to punish any individual.

309.5.3 TARGETING CONSIDERATIONS
Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the TASER device probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

309.5.4 MULTIPLE APPLICATIONS OF THE TASER DEVICE
Officers should apply the TASER device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the TASER device against a single individual are generally not recommended and should be avoided unless the officer reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the TASER device appears to be ineffective in gaining control of an individual, the officer should consider certain factors before additional applications of the TASER device, including:

(a) Whether the probes are making proper contact.

(b) Whether the individual has the ability and has been given a reasonable opportunity to comply.

(c) Whether verbal commands, other options or tactics may be more effective.

Officers should generally not intentionally apply more than one TASER device at a time against a single subject.

309.5.5 ACTIONS FOLLOWING DEPLOYMENTS
Officers shall notify a supervisor of all TASER device discharges.
Conducted Energy Device (Taser)

309.5.6 DANGEROUS ANIMALS
The TASER device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

309.5.7 TASER® CAM™
The TASER CAM is activated any time the safety is in the off position. The safety should be in the safe position unless the officer intends to use the device. Because the TASER CAM memory is limited, the video and audio data should be downloaded frequently and retained as required by the department records retention schedule.

309.6 DOCUMENTATION
Officers shall document all TASER device discharges in the related arrest/crime report. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Officers shall document anytime the TASER device is pointed at an individual. Unintentional discharges will also be documented in writing.

309.6.1 TASER DEVICE FORM

309.6.2 REPORTS
The officer should include the following in the arrest/crime report:

(a) Identification of all personnel firing TASER devices
(b) Identification of all witnesses
(c) Medical care provided to the subject
(d) Observations of the subject’s physical and physiological actions
(e) Any known or suspected drug use, intoxication or other medical problems

309.7 MEDICAL TREATMENT
Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove TASER device probes from a person’s body. Used TASER device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by TASER device probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

(a) The person is suspected of being under the influence of controlled substances and/or alcohol.
(b) The person may be pregnant.
(c) The person reasonably appears to be in need of medical attention.
Conducted Energy Device (Taser)

(d) The TASER device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).

(e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the TASER device.

309.8 SUPERVISOR RESPONSIBILITIES
When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device’s onboard memory should be downloaded through the data port by a supervisor or Range Manager and saved with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

309.9 TRAINING
Personnel who are authorized to carry the TASER device shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the TASER device as a part of their assignment for a period of six months or more shall be recertified by a department-approved TASER device instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued TASER devices should occur every year. A reassessment of an officer’s knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Sergeant. All training and proficiency for TASER devices will be documented in the officer’s training file.

Command staff, supervisors and investigators should receive TASER device training as appropriate for the investigations they conduct and review.

Officers who do not carry TASER devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Sergeant is responsible for ensuring that all members who carry TASER devices have received initial and annual proficiency training. Periodic audits should be used for verification.
Conducted Energy Device (Taser)

Application of TASER devices during training could result in injury to personnel and should not be mandatory for certification.

The Training Sergeant should ensure that all training includes:

(a) A review of this policy.
(b) A review of the Use of Force Policy.
(c) Performing weak-hand draws or cross-draws to reduce the possibility of accidentally drawing and firing a firearm.
(d) Target area considerations, to include techniques or options to reduce the accidental application of probes near the head, neck, chest and groin.
(e) Handcuffing a subject during the application of the TASER device and transitioning to other force options.
(f) De-escalation techniques.
(g) Restraint techniques that do not impair respiration following the application of the TASER device.
Officer-Involved Shootings and Deaths

310.1 PURPOSE AND SCOPE
The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of other action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

310.2 INVESTIGATION RESPONSIBILITY
This department conforms to the most recent current San Bernardino Chiefs of Police and Sheriffs Association protocol for investigating officer-involved shootings.

310.3 TYPES OF INVESTIGATIONS
Officer-involved shootings involve several separate investigations. The investigations may include:

(a) A criminal investigation of the incident by the agency having jurisdiction where the incident occurred. This department may relinquish its criminal investigation to an outside agency with the approval of the Chief of Police or a Division Commander

(b) A criminal investigation of the involved officer(s) conducted by an outside agency

(c) A civil investigation to determine potential liability conducted by the involved officer's agency

(d) An administrative investigation conducted by the involved officer's agency, to determine if there were any violations of department policy

310.4 CONTROL OF INVESTIGATIONS
Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

310.4.1 CHINO POLICE DEPARTMENT OFFICER WITHIN THIS JURISDICTION
The on-duty Watch Commander at the time of the officer involved shooting shall confer with the supervisor of the San Bernardino Sheriff's Department Specialized Investigative Division (SID) to determine the level of assistance necessary. The on-duty Watch commander is also responsible for notifying the San Bernardino County District Attorney's Office. Upon notification, a Deputy District Attorney and a District Attorney Investigator will make a determination as to whether they
will respond to the scene. Depending on the circumstances, either the San Bernardino Sheriff's Department SID or the Chino Police Department will investigate the suspect's actions leading up to the shooting incident.

The Chino Police Department is responsible for the civil and the administrative investigations. The criminal investigation of the officer involved shooting and the suspect's actions during the shooting incident will be conducted by the San Bernardino County Sheriff's Department, Specialized Investigative Division. In the event the Sheriff's Department is unable to respond, a request will be made of the Ontario Police Department for their assistance with the criminal investigation.

If a situation arises wherein neither the San Bernardino Sheriff's Department or Ontario Police Department are unavailable, the Chief of Police or his designee may contact another uninvolved agency for assistance or may make the determination that the investigation should be conducted by investigators from the Chino Police Department.

If, in the opinion of the Chief of Police, a conflict of interest which may jeopardize the case exists or may develop with the outside investigating agency, the Chief of Police or his designee will appoint another uninvolved outside agency to conduct the criminal investigation.

The provisions of this policy shall apply to an off-duty Chino Police Officer involved in an incident whenever it takes place within the City of Chino.

310.4.2 ALLIED AGENCY'S OFFICER WITHIN THIS JURISDICTION
In the event that an officer employed by another Department or agency, in an off duty status, is involved in a shooting incident within the City of Chino, the Chino Police Department is responsible for the criminal investigation.

If an outside agency officer is in an on-duty status and is involved in a shooting incident within the City of Chino, the Chino Police Department will defer responsibility for the criminal investigation to the employing law enforcement agency. If that agency requests an independent investigation, the San Bernardino County Sheriff's Department will be requested to conduct the criminal investigation. The Chino Police Department will make efforts to extend any support services (traffic control, perimeter security, lighting, etc.) requested by the outside or investigating agency. The officer's employing agency will be responsible for any civil and/or administrative investigation(s).

The on-duty Watch commander is responsible for notifying the San Bernardino County District Attorney's Office, even when it is not the primary investigating agency. Upon notification, a Deputy District Attorney and a District Attorney Investigator will make a determination as to whether they will respond to the scene.

310.4.3 CHINO POLICE DEPARTMENT OFFICER IN ANOTHER JURISDICTION
In the event that a Chino Police Officer, whether on or off duty, is involved in a shooting incident in another jurisdiction, the agency where the incident occurred has criminal jurisdiction and is responsible for the criminal investigation of the incident. That agency may relinquish its criminal investigation to another agency. In the event that the primary agency elects to defer responsibility for the criminal investigation to the City of Chino, this Department shall implement a shooting
incident/criminal investigation response as outlined in Section 310.4.1 of this manual. The Chino Police Department will conduct timely civil and/or administrative investigations.

### 310.5 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

#### 310.5.1 DUTIES OF INITIAL ON SCENE SUPERVISOR

Upon arrival at the scene of an officer-involved shooting, the first uninvolved supervisor should:

(a) Take all reasonable steps to obtain emergency medical attention for all apparently injured individuals.

(b) Attempt to obtain a brief overview of the situation from any non-shooter officer(s).

1. In the event that there are no non-shooter officers, the supervisor should attempt to obtain a brief voluntary overview from one shooter officer.

(c) If necessary, the supervisor may administratively order any officer from this department to immediately provide public safety information necessary to secure the scene and pursue suspects.

1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of shots fired, parameters of the incident scene, identity of known witnesses and similar information.
(d) Absent a voluntary statement from any officer(s), the initial on scene supervisor should not attempt to order any officer to provide other than public safety information.

(e) Provide all available information to the Watch Commander and the Communications Center. If feasible, sensitive information should be communicated over secure networks.

(f) Take command of and secure the incident scene with additional personnel until relieved by a detective supervisor or other assigned personnel.

(g) As soon as practical, shooter officers should respond or be transported (separately, if feasible) to the station for further direction.

1. Each involved officer should be given an administrative order not to discuss the incident with other involved officers pending further direction from a supervisor.

2. When an officer's weapon is taken or left at the scene (e.g., evidence), the officer will be provided with a comparable replacement weapon or transported to the station by other officers.

310.5.2 WATCH COMMANDER DUTIES
Upon learning of an officer-involved shooting, the Watch Commander shall be responsible for coordinating all aspects of the incident until relieved by the Chief of Police or a Division Commander.

310.5.3 NOTIFICATIONS
The following person(s) shall be notified as soon as practical:

- Chief of Police
- Operations Division Commander
- Support Services Division Commander
- San Bernardino Sheriff's Department SID (if applicable)
- San Bernardino County District Attorney's Office
- Professional Standards Unit Supervisor
- Department and/or City PIO
- Psychological/Peer support personnel
- Coroner (if necessary)
- Officer representative (if requested)
- Criminal Investigation Bureau Supervisor
All outside inquiries about the incident shall be directed to the Watch Commander.

310.5.4 MEDIA RELATIONS
A single press release shall be prepared with input and concurrence from the supervisor and agency representative responsible for each phase of the investigation. This release will be available to the Chief of Police, Watch Commander, Support Services Division Commander, Operations Division Commander, Professional Standards Unit Supervisor and Public Information Officer(s) in the event of inquiries from the media.

It will be the policy of this department to not release the identities of involved officers absent their consent or as required by law. Moreover, no involved officer shall be subjected to contact from the media (Government Code § 3303(e)) and no involved officer shall make any comments to the press unless authorized by the Chief of Police or a Division Commander.

Law enforcement officials receiving inquiries regarding incidents occurring in other agency jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

310.5.5 INVOLVED OFFICERS
The following shall be considered for the involved officer:

(a) Any request for legal or union representation will be accommodated.
   1. Involved officers shall not be permitted to meet collectively or in a group with an attorney or any union representative prior to providing a formal interview or report.
   2. Requests from involved non-CPD officers should be referred to their employing agency.

(b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.

(c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information (Government Code § 3303(i)).

(d) A licensed psychotherapist shall be provided by the Department to each involved officer. A licensed psychotherapist may also be provided to any other affected members, upon request.
   1. Interviews with a licensed psychotherapist will be considered privileged.
   2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report.
   3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).

(e) Although the Department will honor the sensitivity of communications with peer counselors, there is no legal privilege to such communications. Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer.
Officer-Involved Shootings and Deaths

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Watch Commander to make schedule adjustments to accommodate such leave.

310.6 CRIMINAL INVESTIGATION
The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews.

The following shall be considered for the involved officer:

(a) CPD supervisors and Professional Standards Unit personnel should not participate directly in any voluntary interview of CPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.

(b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators (Government Code § 3303(i)). However, in order to maintain the integrity of each involved officer’s statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.

(c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.

(d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

310.6.1 REPORTS BY INVOLVED CPD OFFICERS
In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved CPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved CPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements
Officer-Involved Shootings and Deaths

of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved CPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

310.6.2 CRIMINAL INVESTIGATION

It shall be the policy of this department to utilize the District Attorney's Office to conduct an independent criminal investigation into the circumstances of any officer-involved shooting involving injury or death.

If available, detective personnel from this department may be assigned to partner with investigators from the District Attorney's Office so as to not duplicate efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators will be given the next opportunity to interview involved officers in order to provide them with an opportunity to give a voluntary statement. The following shall be considered for the involved officer:

(a) Supervisors and Professional Standards Unit personnel should not participate directly in any voluntary interview of officers. This will not prohibit such personnel from monitoring such interviews or indirectly providing areas for inquiry.

(b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney, prior to speaking with criminal investigators. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

(c) Any voluntary statement provided by the officer(s) will be made available for inclusion in the administrative or other related investigations.

(d) Absent consent from the involved officer or as required by law, no administratively coerced statement(s) will be provided to any criminal investigators.

310.6.3 REPORTS BY INVOLVED OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved officer may write the report, it is generally recommended that such reports be completed by assigned investigators who should interview involved officers as victims/witnesses.
Officer-Involved Shootings and Deaths

Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by involved suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures, but should also be included for reference in the investigation of the officer-involved shooting.

310.6.4 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

(a) Identification of all persons present at the scene and in the immediate area.
   1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
   2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
   1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.

(c) Promptly contacting the suspect’s known family and associates to obtain any available and untainted background information about the suspect’s activities and state of mind prior to the incident.

310.7 ADMINISTRATIVE INVESTIGATION
In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of CPD officers to determine conformance with department policy. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.

(c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.

However, in order to maintain the integrity of each individual officer’s statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).

3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).

Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to reduce the potential for pursuit-related collisions. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing officers.

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the potential risk to public safety created by vehicular pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a vehicular pursuit because of the risk involved. This includes circumstances where department policy would permit the initiation or continuation of the pursuit. It is recognized that vehicular pursuits are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit.

Officers must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Officer's conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable officer would do under the circumstances. An unreasonable individual's desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement.

314.1.1 VEHICLE PURSUIT DEFINED
A vehicle pursuit is an event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a motor vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to an officer's signal to stop.

314.2 OFFICER RESPONSIBILITIES
It shall be the policy of this department that a vehicle pursuit shall be conducted only with red light and siren as required by Vehicle Code § 21055 for exemption from compliance with the rules of the road. The following policy is established to provide officers with guidelines for driving with due regard and caution for the safety of all persons using the highway as required by Vehicle Code § 21056.

314.2.1 WHEN TO INITIATE A PURSUIT
Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle.
Vehicle Pursuits

The following factors individually and collectively shall be considered in deciding whether to initiate a pursuit:

(a) Seriousness of the known or reasonably suspected crime and its relationship to community safety.

(b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists and others.

(c) Apparent nature of the fleeing suspects (e.g., whether the suspects represent a serious threat to public safety).

(d) The identity of the suspects has been verified and there is comparatively minimal risk in allowing the suspects to be apprehended at a later time.

(e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic and the speed of the pursuit relative to these factors.

(f) Pursuing officers familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher/supervisor and the driving capabilities of the pursuing officers under the conditions of the pursuit.

(g) Weather, traffic and road conditions that substantially increase the danger of the pursuit beyond the worth of apprehending the suspect.

(h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.

(i) Vehicle speeds.

(j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).

(k) Availability of other resources such as helicopter assistance.

(l) The police unit is carrying passengers other than police officers. Pursuits should not be undertaken with a prisoner in the police vehicle.

314.2.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be discontinued whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect’s escape.

The factors listed in When to Initiate a Pursuit of this policy are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists and themselves when electing to continue a pursuit. In
the context of this policy, the term “terminate” shall be construed to mean discontinue or to stop chasing the fleeing vehicle.

In addition to the factors listed in When to Initiate a Pursuit of this policy, the following factors should also be considered in deciding whether to terminate a pursuit:

(a) Distance between the pursuing officers and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.

(b) Pursued vehicle’s location is no longer definitely known.

(c) Officer’s pursuit vehicle sustains any type of damage that renders it unsafe to drive.

(d) Extended pursuits of violators for misdemeanors not involving violence or risk of serious harm (independent of the pursuit) are discouraged.

(e) There are hazards to uninvolved bystanders or motorists.

(f) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, officers should strongly consider discontinuing the pursuit and apprehending the offender at a later time.

(g) Pursuit is terminated by a supervisor.

314.2.3 SPEED LIMITS
The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, officers and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

(a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.

(b) Pursuit speeds have exceeded the driving ability of the officer.

(c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

314.3 PURSUIT UNITS
Pursuit units should be limited to three vehicles (two units and a supervisor); however, the number of units involved will vary with the circumstances. An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the suspects. All other officers should stay out of the pursuit, but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.
Vehicle Pursuits

314.3.1 MOTORCYCLE OFFICERS
A distinctively marked patrol vehicle equipped with emergency overhead lighting should replace a police motorcycle as primary and/or secondary pursuit unit as soon as practical.

314.3.2 VEHICLES WITHOUT EMERGENCY EQUIPMENT
Vehicles not equipped with red light and siren are generally prohibited from initiating or joining in any pursuit. Officers in such vehicles, however, may become involved in emergency activities involving serious crimes or life threatening situations. Those officers should terminate their involvement in any pursuit immediately upon arrival of a sufficient number of emergency police vehicles or any police helicopter. The exemptions provided by Vehicle Code § 21055 do not apply to officers using vehicles without emergency equipment.

314.3.3 PRIMARY UNIT RESPONSIBILITIES
The initial pursuing unit will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless it is unable to remain reasonably close enough to the violator’s vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspects without unreasonable danger to him/herself or other persons.

Notify the Communications Center that a vehicle pursuit has been initiated and as soon as practicable provide information including, but not limited to:

(a) Reason for the pursuit.
(b) Location and direction of travel.
(c) Speed of the fleeing vehicle.
(d) Description of the fleeing vehicle and license number, if known.
(e) Number of known occupants.
(f) The identity or description of the known occupants.
(g) Information concerning the use of firearms, threat of force, injuries, hostages or other unusual hazards.

Unless relieved by a supervisor or secondary unit, the officer in the primary unit shall be responsible for the broadcasting of the progress of the pursuit. Unless practical circumstances indicate otherwise, and in order to concentrate on pursuit driving, the primary officer should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit.

314.3.4 SECONDARY UNITS RESPONSIBILITIES
The second officer in the pursuit is responsible for the following:

(a) The officer in the secondary unit should immediately notify the dispatcher of entry into the pursuit.
(b) Remain a safe distance behind the primary unit unless directed to assume the role of primary officer, or if the primary unit is unable to continue the pursuit.

(c) The secondary officer should be responsible for broadcasting the progress of the pursuit unless the situation indicates otherwise.

314.3.5 PURSUIT DRIVING TACTICS
The decision to use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit:

(a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.

(b) Because intersections can present increased risks, the following tactics should be considered:

1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.

2. Pursuing units should exercise due caution when proceeding through controlled intersections.

(c) As a general rule, officers should not pursue a vehicle driving left of center (wrong way) on a freeway. In the event that the pursued vehicle does so, the following tactics should be considered:

1. Requesting assistance from an air unit.

2. Maintaining visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.

3. Requesting other units to observe exits available to the suspects.

(d) Notifying the California Highway Patrol (CHP) and/or other jurisdictional agency if it appears that the pursuit may enter their jurisdiction.

(e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit.

314.3.6 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT
There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.
The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

314.3.7 PURSUIT TRAILING
In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspects.

The term trail means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

314.3.8 AIRCRAFT ASSISTANCE
When available, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, it should assume control over the pursuit. The primary and secondary ground units should consider the participation of aircraft assistance when determining whether to continue the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide officers and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether or not to continue the pursuit. If ground units are not within visual contact and the air unit determines that it is unsafe to continue the pursuit, the air unit has the authority to terminate the pursuit.

314.4 SUPERVISORY CONTROL AND RESPONSIBILITY
It is the policy of this department that available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for the following:

(a) Upon becoming aware of a pursuit, immediately ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit in order to ensure that the pursuit is conducted within established department guidelines.

(b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.

(c) Exercising management and control of the pursuit even if not engaged in it.

(d) Ensuring that no more than the number of required police units needed are involved in the pursuit under the guidelines set forth in this policy.
Vehicle Pursuits

(e) Directing that the pursuit be terminated if, in his/her judgment, it is unjustified to continue the pursuit under the guidelines of this policy.

(f) Ensuring that aircraft are requested if available.

(g) Ensuring that the proper radio channel is being used.

(h) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this agency.

(i) Controlling and managing CPD units when a pursuit enters another jurisdiction.

(j) Preparing post-pursuit critique and analysis of the pursuit for training purposes.

314.4.1 WATCH COMMANDER RESPONSIBILITY
Upon becoming aware that a pursuit has been initiated, the Watch Commander should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Watch Commander has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.

The Watch Commander shall review all pertinent reports for content and forward to the Division Commander.

314.5 COMMUNICATIONS
If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or communications dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units.

314.5.1 COMMUNICATION CENTER RESPONSIBILITIES
Upon notification that a pursuit has been initiated, the Communications Center will:

(a) Coordinate pursuit communications of the involved units and personnel.

(b) Notify and coordinate with other involved or affected agencies as practicable.

(c) Ensure that a field supervisor is notified of the pursuit.

(d) Assign an incident number and log all pursuit activities.

(e) Broadcast pursuit updates as well as other pertinent information as necessary.

(f) Notify the Watch Commander as soon as practicable.

314.5.2 LOSS OF PURSUED VEHICLE
When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspects. The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.
314.6 INTER-JURISDICTIONAL CONSIDERATIONS

When a pursuit enters another agency’s jurisdiction, the primary officer or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary officer or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

314.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

Units originally involved will discontinue the pursuit when advised that another agency has assumed the pursuit and assistance of the Chino Police Department is no longer needed. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

The role and responsibilities of officers at the termination of a pursuit initiated by this department shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local agencies and CHP units, a request for CHP assistance will mean that they will assume responsibilities for the pursuit. For the same reasons, when a pursuit leaves the freeway and a request for assistance is made to this department, the CHP should relinquish control.

314.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the agency whose officers are in pursuit. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a unit from this department may join the pursuit until sufficient units from the initiating agency join the pursuit.

When a request is made for this department to assist or take over a pursuit from another agency that has entered this jurisdiction, the supervisor should consider these additional following factors:

(a) Ability to maintain the pursuit
(b) Circumstances serious enough to continue the pursuit
(c) Adequate staffing to continue the pursuit
(d) The public's safety within this jurisdiction
(e) Safety of the pursuing officers
Vehicle Pursuits

As soon as practicable, a supervisor or the Watch Commander should review a request for assistance from another agency. The Watch Commander or supervisor, after consideration of the above factors, may decline to assist in, or assume the other agency’s pursuit.

Assistance to a pursuing allied agency by officers of this department will terminate at the City limits provided that the pursuing officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, officers shall provide appropriate assistance to officers from the allied agency including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

314.7 PURSUIT INTERVENTION

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Pursuit Intervention Technique), ramming or roadblock procedures. In this context, ramming shall be construed to mean maneuvering the police unit into contact with the pursued vehicle to mechanically disable or forcibly position it such that further flight is not possible or practicable.

314.7.1 WHEN USE IS AUTHORIZED

Use of pursuit intervention tactics should be employed only after approval of a supervisor. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances confronting the officer at the time of the decision.

It is imperative that officers act within the bounds of legality, good judgment and accepted practices.

314.7.2 DEFINITIONS

Blocking or vehicle intercept - A slow-speed coordinated maneuver where two or more patrol vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop, with the goal of containment and preventing a pursuit. Blocking is not a moving or stationary road block.

Boxing-in - A tactic designed to stop a violator’s vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

Pursuit Intervention Technique (PIT) - A low-speed maneuver designed to cause the suspect vehicle to spin out and terminate the pursuit.

Ramming - The deliberate act of impacting a violator’s vehicle with another vehicle to functionally damage or otherwise force the violator’s vehicle to stop.
Vehicle Pursuits

Roadblocks - A tactic designed to stop a violator’s vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the violator’s vehicle.

Spikes or tack strips - A device that extends across the roadway designed to puncture the tires of the pursued vehicle.

314.7.3 USE OF FIREARMS
The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Officers should not utilize firearms during an ongoing pursuit unless the conditions and circumstances dictate that such use reasonably appears necessary to protect life. Nothing in this section shall be construed to prohibit any officer from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

314.7.4 INTERVENTION STANDARDS
Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of deadly force and subject to the requirements for such use. Officers shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

(a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to public safety when officers reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this technique should only be employed by officers who have received training in such tactics after giving consideration to the following:

1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
2. All other reasonable intervention techniques have failed or reasonably appear ineffective.
3. Employing the blocking maneuver does not unreasonably increase the risk to officer safety.
4. The target vehicle is stopped or traveling at a low speed.
5. At no time should civilian vehicles be used to deploy this technique.

(b) Only those officers trained in the use of the Pursuit Intervention Technique (PIT) will be authorized to use this procedure and only then with approval of a supervisor upon consideration of the circumstances and conditions presented at the time, including the potential for risk of injury to officers, the public and occupants of the pursued vehicle.

(c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the officer’s disposal have been exhausted. This tactic should be reserved for
Vehicle Pursuits

situations where there does not appear to be another reasonable alternative method. This policy is an administrative guide to direct officers in their decision-making process before ramming another vehicle. When ramming is used as a means to stop a fleeing vehicle, one or more of the following factors should be present:

1. The suspect is an actual or suspected felon who reasonably appears to represent a serious threat to the public if not apprehended.
2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner.
3. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized.

(d) As with all intervention techniques, pursuing officers should obtain supervisor approval before attempting to box a suspect vehicle during a pursuit. The use of such a technique must be carefully coordinated with all involved units, taking into consideration the circumstances and conditions presented at the time as well as the potential risk of injury to officers, the public and occupants of the pursued vehicle.

(e) The use of spike strips should be approved in advance by a supervisor and deployed only when it is reasonably certain that only the pursued vehicle will be affected by their use. Officers should carefully consider the limitations of such devices as well as the potential risks to officers, the public and occupants of the pursued vehicle. If the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials, or a school bus transporting children, officers and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.

(f) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor and only then under extraordinary conditions when all other reasonable intervention techniques have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, officers or other members of the public.

314.7.5 CAPTURE OF SUSPECTS
Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force, which reasonably appears necessary under the circumstances, to properly perform their lawful duties.

Unless relieved by a supervisor, the primary officer should coordinate efforts to apprehend the suspects following the pursuit. Officers should consider safety of the public and the involved officers when formulating plans to contain and capture the suspects.
314.8 REPORTING REQUIREMENTS
The following reports should be completed upon conclusion of all pursuits:

(a) The primary officer should complete appropriate crime/arrest reports.

(b) The Watch Commander shall ensure that an Allied Agency Vehicle Pursuit Report (form CHP 187A) is filed with the CHP not later than 30 days following the pursuit (Vehicle Code § 14602.1). The primary officer should complete as much of the required information on the form as is known and forward the report to the Watch Commander for review and distribution.

(c) After first obtaining the available information, a field supervisor shall promptly complete a Supervisor's Log, briefly summarizing the pursuit, and submit it to his/her manager. This log should minimally contain the following information:

1. Date and time of pursuit
2. Length of pursuit
3. Involved units and officers
4. Initial reason for pursuit
5. Starting and termination points
6. Disposition (arrest, citation), including arrestee information if applicable
7. Injuries and/or property damage
8. Medical treatment
9. Name of supervisor at scene
10. A preliminary determination whether the pursuit appears to be in compliance with this policy and whether additional review or follow-up is warranted

314.8.1 REGULAR AND PERIODIC PURSUIT TRAINING
In addition to initial and supplementary Police Officer Standard Training (POST) training on pursuits required by Penal Code § 13519.8, all sworn members of this department will participate no less than annually in regular and periodic department training addressing this policy and the importance of vehicle safety and protecting the public at all times, including a recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others (Vehicle Code § 17004.7(d)).

314.8.2 POLICY REVIEW
Each sworn member of this department shall certify in writing that they have received, read and understand this policy initially and upon any amendments. The POST attestation form, or an equivalent form, may be used to document the compliance and should be retained in the member’s training file.
314.9 APPLICATION OF VEHICLE PURSUIT POLICY
This policy is expressly written and adopted pursuant to the provisions of Vehicle Code § 17004.7, with additional input from the POST Vehicle Pursuit Guidelines.
Officer Response to Calls

316.1 PURPOSE AND SCOPE
This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

316.2 RESPONSE TO CALLS
Officers electing to respond "Code-3" shall consider the call an emergency response and proceed immediately. Officers responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the officer of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Officers should only respond Code-3 when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

316.3 REQUESTING EMERGENCY ASSISTANCE
Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify the Communications Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

316.4 INITIATING CODE 3 RESPONSE
If an officer believes a Code-3 response to any call is appropriate, the officer shall immediately notify the Communications Center that he/she will be responding Code 3. Generally, only one unit should respond Code-3 to any situation. Should another officer believe a Code-3 response is appropriate, the Communications Center shall be notified and the Watch Commander or field supervisor will make a determination as to whether one or more officers driving Code-3 is appropriate.
316.5 RESPONSIBILITIES OF RESPONDING OFFICER(S)
Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle and are able to anticipate the actions of others on the highway.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify the Communications Center. An officer shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, an officer shall immediately give the location from which he/she is responding.

316.6 COMMUNICATIONS RESPONSIBILITIES
A dispatcher may assign a Code-3 response when an officer requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. The dispatcher shall:

(a) Attempt to assign the closest available unit to the location requiring assistance
(b) Immediately notify the Watch Commander
(c) Confirm the location from which the unit is responding
(d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
(e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
(f) Control all radio communications during the emergency and coordinate assistance under the direction of the Watch Commander or field supervisor

316.7 SUPERVISORY RESPONSIBILITIES
Upon being notified that a Code-3 response has been initiated, the Watch Commander or the field supervisor shall verify the following:

(a) The proper response has been initiated
(b) No more than those units reasonably necessary under the circumstances are involved in the response
(c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.
Officer Response to Calls

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Watch Commander or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

316.8 FAILURE OF EMERGENCY EQUIPMENT
If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall notify the Watch Commander, field supervisor, or the Communications Center of the equipment failure so that another unit may be assigned to the emergency response.
Officers Response To Emergency Requests For Assistance

317.1 PURPOSE AND SCOPE
The purpose of this policy is to reduce and minimize the potential for a traffic collision related to an Officer's request for emergency assistance.

Officer's must remember, while responding to a request for emergency assistance, the potential for a traffic collision increases upon convergence to the scene.

An Officer's primary responsibilities are:
(a) The safety of the public;
(b) The safe arrival to the scene to assist the requesting Officer.

317.2 REQUESTING EMERGENCY ASSISTANCE
Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is no longer required, the requesting officer shall immediately notify the Communications Center.

If circumstances permit, the requesting officer should give the following information:
- Unit number
- Location
- The reason for the request and type of emergency
- The number of units required

317.3 RESPONSE TO REQUESTS FOR EMERGENCY ASSISTANCE
Officer's responding Code 3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code Section 21055.

Responding with emergency light(s) and siren does not relieve the Officer of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

317.4 RESPONSIBILITES OF RESPONDING OFFICERS
Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency request for assistance. Officers shall reduce speed at all street
intersections to such a degree that they shall have complete control of the vehicle and are able to anticipate the actions of others on the highway.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify the Communications Center. An officer shall also discontinue the Code-3 response when directed by a supervisor.

317.5 COMMUNICATIONS RESPONSIBILITIES
A dispatcher may assign a Code-3 response when an officer requests emergency assistance or available information reasonably indicates that the public or the officer is threatened with serious injury or death and additional police response is needed. The dispatcher should:

(a) Attempt to assign the closest available unit to the location requiring assistance
(b) Immediately notify the Watch Commander
(c) Confirm the location from which the unit is responding
(d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
(e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
(f) Control all radio communications during the emergency and coordinate assistance under the direction of the Watch Commander or field supervisor

317.6 SUPERVISORY RESPONSIBILITIES
Upon being notified that a Code-3 response has been initiated, the Watch Commander or the field supervisor shall verify the following:

(a) The proper response has been initiated
(b) No more than those units reasonably necessary under the circumstances are involved in the response
(c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so. It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances. When making the decision to authorize a Code-3 response, the Watch Commander or the field supervisor should consider the following:

• The type of call
• The necessity of a timely response
• Traffic and roadway conditions
• The location of the responding units

317.7 FAILURE OF EMERGENCY EQUIPMENT
If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall broadcast the equipment failure so that another unit may be assigned to the emergency response.
Canines

318.1 PURPOSE AND SCOPE
This policy establishes guidelines for the use of canines to augment police services in the community, including but not limited to locating individuals and contraband and apprehending criminal offenders.

318.2 GUIDELINES FOR THE USE OF CANINES
When considering the use of a police canine, it is recognized that searches for hidden suspects are inherently dangerous. When searching for hidden suspects, the intent of using a canine is to locate the hidden suspect in advance of the search team and provide officers an opportunity to tactically deploy and coordinate the safe apprehension of the suspect and mitigate the chances of a deadly force encounter. While Chino Police canines are trained to guard and bark when locating a passive suspect, variables outside of the control of the handler may result in the canine apprehending the suspect, however; the intent is generally to locate the suspect.

A canine may be used to locate and / or apprehend a suspect if the canine handler reasonably believes that the individual has either committed or threatened to commit any serious offense and if any of the following conditions exist:

(a) There is a reasonable belief that the individual poses an imminent threat of violence or serious harm to the public, any officer, or the handler.
(b) The individual is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
(c) The individual(s) is/are believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. In any such case, a standard of objective reasonableness shall be used to review the decision to use a canine in view of the totality of the circumstances.

Absent reasonable belief that an individual has committed or threatened to commit a serious offense, mere flight from pursuing officer(s) shall not serve as good cause for the use of a canine to apprehend the individual.

Once the individual has been located and no longer reasonably appears to represent a threat or risk of escape, the canine should be secured as soon as it becomes reasonably practical.

318.2.1 PREPARATION FOR UTILIZING A CANINE
Prior to the use of a canine to search for or apprehend any individual, the canine handler and/or the supervisor on scene shall carefully consider all pertinent information that is reasonably available at the time. The information should include, but is not limited to the following:
Canines

(a) The individual’s age or estimate thereof.
(b) The nature of the suspected offense.
(c) Any potential danger to the public and/or other officers at the scene if the canine is released.
(d) The degree of resistance or threatened resistance, if any, the subject has shown.
(e) The potential for escape or flight if the police dog is not utilized.
(f) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved personnel to minimize the risk of unintended injury.

A canine handler shall have the ultimate authority not to deploy the dog. The handler will evaluate each situation and determine if the use of a canine is technically feasible. Generally, the decision whether to deploy the dog shall remain with the handler. However, a supervisor sufficiently apprised of the situation may decide not to deploy the dog.

318.2.2 WARNINGS GIVEN TO ANNOUNCE THE USE OF A CANINE
Unless it would otherwise increase the risk of injury or escape, a clearly audible warning to announce that a canine will be released if the person does not come forth, shall be made prior to releasing a canine. The canine handler, when practical, shall first advise the supervisor of his/her decision if a verbal warning is not given prior to releasing the canine. In the event of an apprehension, the handler shall document in any related report whether or not a verbal warning was given and, if none was given, the reasons why.

318.2.3 USE OF NARCOTIC-DETECTION CANINES
A narcotic-detection-trained canine may be used in accordance with current law under the following circumstances:
(a) To assist in the search for narcotics during a search warrant service.
(b) To obtain a search warrant by using the detection canine in support of probable cause.
(c) To search vehicles, buildings, bags and any other articles deemed necessary.

A narcotic-detection canine will not be used to search a person for narcotics.

318.2.4 GUIDELINES FOR NON-APPREHENSION USE
Because canines have senses far superior to those of humans, they may often be effectively utilized to track or search for non-criminals (e.g. lost children, individuals who may be disoriented or in need of medical attention) or even suspects wanted for minor criminal offenses. In such circumstances, it will be necessary for the handler to evaluate the conditions and ability of the canine to determine the feasibility of such an application.
Canines

(a) Absent a change in circumstances that present an immediate threat to officers, the canine or the public, such applications should be conducted on leash or under such conditions that will minimize the likelihood that the canine will bite or otherwise injure the individual.

(b) Throughout the deployment of the canine in such circumstances, the handler should consider issuing periodic verbal assurances that the canine will not bite or hurt the person.

(c) Unless otherwise directed by a supervisor, assisting personnel should take direction from the handler in order to minimize interference with the canine.

318.2.5 REPORTING CANINE USE, BITES AND INJURIES
Whenever the police service dog is deployed, a Canine Use Report shall be completed by the handler and entered into the K9 Tracking System (KATS) before going off-duty.

Whenever the use of the canine results in a bite or any injury a Canine Use Report Form shall be completed and included with any related incident report.

The injured party should be transported to an appropriate medical facility if the injury requires medical attention beyond first aid. If the injured party is in custody an officer should remain with the suspect until treatment has been rendered.

Photographs shall be taken of the bite or injury as soon as practicable after tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. If a subject alleges an injury that is not visible, a supervisor shall be notified and the location of the alleged injury should be photographed as described above.

The Unit Coordinator will maintain liaison with the Animal Control Department to ensure that information regarding canine bites is not retained by its office. Canines used by law enforcement agencies are exempt from impoundment and reporting requirements to the Animal Control Department (Food and Agriculture Code § 31609(b)).

318.2.6 REPORTING CANINE INJURIES
In the event that a canine is injured, the injury will be immediately reported to the Watch Commander and Unit Coordinator.

Medical care for any injured canine shall follow the protocol established in § 318.6 et seq.

The injury will be documented on a Canine Use Report Form.

318.2.7 ASSIGNMENT OF CANINES
The canine teams shall be assigned to the Operations Division to supplement and assist the Patrol Bureau.

Canine teams should function primarily as cover units however; they may be assigned by the Watch Commander to other functions based on the needs of the watch at the time.
Canine teams should not be assigned to handle matters that will take them out of service for extended periods of time unless absolutely necessary and only with the approval of the Watch Commander.

318.3 ASSIGNMENT
Canine teams should be assigned to assist and supplement the Operations Division to function primarily in assist or cover assignments. However, they may be assigned by the Watch Commander to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time. If such assignment is necessary, it should only be made with the approval of the Watch Commander.

318.3.1 REQUEST FOR ASSISTANCE FROM OTHER AGENCIES
The Watch Commander or the Unit Coordinator must approve all requests for canine assistance from outside agencies, subject to the following provisions:

(a) Canine teams shall not be used for any assignment that is not consistent with this policy.
(b) The handler has the ultimate authority to decide whether the canine should be used for any specific assignment.
(c) Canine teams shall not be called out while off-duty or used outside the boundaries of the City of Chino unless authorized by the Watch Commander or the Unit Coordinator.
(d) It shall be the responsibility of the canine handler to coordinate with outside agency personnel in order to minimize the risk of unintended injury.

318.3.2 REQUEST FOR PUBLIC DEMONSTRATIONS
All public requests for a canine team shall be approved by the Unit Coordinator prior to making any commitment.

Handlers shall not demonstrate any apprehension work to the public unless authorized to do so by the Unit Coordinator.

318.4 CANINE COORDINATOR
The canine coordinator shall be appointed by and directly responsible to the Operations Division or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

(a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
(b) Maintaining a liaison with the vendor kennel.
(c) Maintaining a liaison with command staff and functional supervisors.
Canines

(d) Maintaining a liaison with other agency canine coordinators.
(e) Maintaining accurate records to document canine activities.
(f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
(g) Scheduling all canine-related activities.
(h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

318.5 REQUESTS FOR CANINE TEAMS
Operations Division members are encouraged to request the use of a canine. Requests for a canine team from department units outside of the Operations Division shall be reviewed by the Watch Commander.

318.5.1 AVAILABILITY
There may be situations wherein a handler will be called during off-duty hours and asked to respond for a call-out. The handler may respond under those conditions specified by the Unit Coordinator.

318.5.2 PUBLIC DEMONSTRATION
All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

318.5.3 CANINE IN PUBLIC AREAS
All canines shall be kept on a leash when in areas that allow access to the public. Exceptions would include specific police operations for which the canines are trained.

(a) Canines shall not be left unattended in any area to which the public may have access.
(b) When the canine unit is left unattended all windows and doors shall be secured in such a manner as to prevent unauthorized access to the dog. The handler shall also insure that the unattended unit remains inhabitable for the canine.

318.5.4 HANDLER COMPENSATION
The canine handler shall be compensated for time spent in the care, feeding, grooming and other needs of the dog as provided in the Fair Labor Standards Act. The compensation shall be prescribed in the employee’s Memorandum of Understanding.
318.6 APPREHENSION GUIDELINES
A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

(a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer, or the handler.

(b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.

(c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Absent a reasonable belief that a suspect has committed, is committing, or is threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Watch Commander. Absent a change in circumstances that presents an imminent threat to officers, the canine or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

318.6.1 PREPARATION FOR DEPLOYMENT
Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

(a) The nature and seriousness of the suspected offense.
(b) Whether violence or weapons were used or are anticipated.
(c) The degree of resistance or threatened resistance, if any, the suspect has shown.
(d) The suspect’s known or perceived age.
(e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
Canines

(f) Any potential danger to the public and/or other officers at the scene if the canine is released.

(g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler’s responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

318.6.2 EMERGENCY MEDICAL CARE

The handler shall notify the Unit Coordinator as soon as practicable when emergency medical care for the canine is required.

Depending on the severity of the injury or illness, the canine shall either be treated by the designated veterinarian or transported to a designated emergency medical facility for treatment. If the handler and dog are out of the area, the handler may use the nearest available veterinarian.

318.7 NON-APPREHENSION GUIDELINES

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine’s suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:

(a) Absent a change in circumstances that presents an imminent threat to officers, the canine, or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.

(b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

(c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.

(d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.
318.7.1 CONTINUED TRAINING
Each canine team shall thereafter be recertified to current POST standards or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

(a) Canine teams shall receive training as defined in the current contract with the department's canine training provider.
(b) Canine handlers are encouraged to engage in additional training with approval of the Unit Coordinator.
(c) To ensure that all training is consistent, no handler, trainer, or outside vendor is authorized to train to a standard that is contrary to the policies of the Chino Police Department.
(d) Canine teams will be trained using the guard and bark principle. The guard and bark principle is a training standard and as such, field deployments of police dogs may or may not result in an apprehension.
(e) All canine training shall be conducted while on-duty unless otherwise approved by the Unit Coordinator or Watch Commander.

318.7.2 NARCOTICS DETECTION
A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

(a) The search of vehicles, buildings, bags, and other articles.
(b) Assisting in the search for narcotics during a search warrant service.
(c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

318.7.3 BOMB/EXPLOSIVE DETECTION
Because of the high risk of danger to the public and officers when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

(a) Assisting in the search of a building, structure, area, vehicle, or article where an actual or suspected explosive device has been reported or located.
(b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
(c) Preventive searches at special events, VIP visits, official buildings, and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
Canines

(d) Assisting in the search of scenes where an explosion has occurred and an explosive
device or secondary explosive device is suspected.

At no time will an explosive-detection trained canine be used to render a suspected device safe
or clear.

318.8 HANDLER SELECTION
The minimum qualifications for the assignment of canine handler include:

(a) An officer who is currently off probation.
(b) Residing in an adequately fenced single-family residence (minimum 5-foot-high fence
with locking gates).
(c) A garage that can be secured and can accommodate a canine vehicle.
(d) Living within 30 minutes travel time from the Chino City limits.
(e) Agreeing to be assigned to the position for a minimum of three years.

318.9 HANDLER RESPONSIBILITIES
The canine handler shall ultimately be responsible for the health and welfare of the canine and
shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection,
and living conditions.

The canine handler will be responsible for the following:

(a) Except as required during appropriate deployment, the handler shall not expose the
canine to any foreseeable and unreasonable risk of harm.
(b) The handler shall maintain all department equipment under his/her control in a clean
and serviceable condition.
(c) When not in service, the handler shall maintain the canine vehicle in a locked garage,
away from public view.
(d) When a handler is off-duty for an extended number of days, the assigned canine
vehicle should be stored at the Chino Police Department facility.
(e) Handlers shall permit the canine coordinator to conduct spontaneous on-site
inspections of affected areas of their homes as well as their canine vehicles to verify
that conditions and equipment conform to this policy.
(f) Any changes in the living status of the handler that may affect the lodging or
environment of the canine shall be reported to the canine coordinator as soon as
possible.
(g) When off-duty, the canine shall be in a kennel provided by the City at the home of the
handler. When a canine is kenneled at the handler’s home, the gate shall be secured
with a lock. When off-duty, the canine may be let out of the kennel while under the
direct control of the handler.
(h) The canine should be permitted to socialize in the home with the handler’s family for
short periods of time and under the direct supervision of the handler.
Canines

(i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Watch Commander.

(j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Watch Commander.

(k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

318.9.1 CANINE IN PUBLIC AREAS
The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

(a) A canine shall not be left unattended in any area to which the public may have access.

(b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

318.9.2 IMMUNITY
All duly authorized peace officers acting in the performance of their official duties and any person working under their immediate direction, supervision or instruction are immune from prosecution under the Uniform Controlled Substance Act while providing substance abuse training or canine drug detection training (Health & Safety Code § 11367.5(b)).
Unmanned Aerial Systems

319.1 PURPOSE AND SCOPE
This policy establishes guidelines for the use of Unmanned Aerial Systems (UAS) by the Chino Police Department. Specific operational procedures will be described in a separate UAS Operations Manual to be maintained by the Operations Division Commander or their designee.

319.1.1 DEFINITIONS
Definitions as used in this policy include:

Unmanned Aerial System (UAS)- Any system which provides for the flight of aircraft of any type where the pilot is not inside of or on the aircraft itself, also referred to as Remotely Piloted Aircraft. A UAS includes all components necessary for flight including the aircraft, controller and datalink.

Unmanned Aerial Vehicle (UAV)- An aircraft designed to be operated by a remote pilot.

Certificate of Authorization (COA)- A certificate issued by the Federal Aviation Administration (FAA) which authorizes a public agency to conduct flight activity related to the agency's public purpose. A COA exempts public agencies from complying with certain FAA regulations related to Airworthiness and Pilot Certification.

319.2 POLICY
UAS are intended to provide an aerial observation platform to enhance efficiency and safety of police operations. Use of UAS will be conducted in accordance with FAA Regulations and with a respect for constitutional requirements and individual privacy. UAS will only be used to effect a legitimate law enforcement purpose. UAS are not intended to replace manned aviation assets.

319.3 PRIVACY CONSIDERATIONS
The use of UAS by the Chino Police Department will be conducted with the privacy rights of citizens as a key component of operations. UAS operators will not intentionally record an area where a person has a constitutional right of protection absent a search warrant or exigent circumstances. UAS operators will only record incidents that are related to an official law enforcement function and will not conduct routine, general surveillance. Any recorded images will be kept in strict adherence to Department policy related to digital images.

319.4 USE OF UAS
UAS may be used to provide aerial imaging to police personnel to further a legitimate law enforcement operation. All operations must be in compliance with this policy, FAA regulation and with a respect for constitutional rights and privacy. The following are approved uses of UAS:

(a) Crime scene documentation
(b) Traffic collision scene documentation
(c) Searches for missing persons
Unmanned Aerial Systems

(d) Searches for evidence
(e) Disaster response
(f) Searches for suspects who are believed to be hiding within a defined incident perimeter
(g) In support of search warrant operations
(h) In support of tactical operations, such as barricaded suspects
(i) Mapping of critical infrastructure for Homeland Security purposes
(j) Security operations at large public gatherings, where images are not recorded except for criminal behavior
(k) Critical incident management
(l) Enforcement of City Municipal Codes related to Health and Safety, such as Fireworks
(m) Aerial imaging services to other units of government

The UAS Program Manager or the Watch Commander in their absence can approve the use of UAS outside of these guidelines in the interests of public safety where there is a specific and articulable threat to the safety of the public or police and other aviation assets are not available.

319.5 PROHIBITED USES
The UAS shall not be used to:

- Conduct random surveillance activities
- To target a person based solely on individual characteristics, such as, but not limited to race, ethnicity, national origin, religion, disability, gender or sexual orientation.
- To harass, intimidate or discriminate against any individual or group.

319.6 PROGRAM MANAGEMENT
UAS operations will be managed by the UAS Unit which is established under the Operations Division. The Operations Division Commander will appoint a Lieutenant to oversee the Unit and serve as the Program Manager.

319.6.1 PROGRAM MANAGER
The Program Manager will be responsible for the overall management of the UAS Unit. The Program Manager will ensure that policies and procedures established conform to applicable laws and best practices. The Program Manager will select a Sergeant to serve as the Program Coordinator and select additional personnel to staff the UAS Unit as needed, with the approval of the Operations Division Commander. The Program Manager will ensure that a UAS Unit Operations Manual is completed and approved by the Operations Division Commander.
Domestic Violence

320.1 PURPOSE AND SCOPE
The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

320.1.1 DEFINITIONS
The Chino Police Department "Domestic Violence" policy is drafted in compliance with guidelines established and approved by the Commission on Peace Officer Standards and Training. The following definitions are provided by Penal Code § 13700:

Abuse - means intentionally or recklessly causing or attempting to cause bodily injury, or placing another person in reasonable apprehension of imminent serious bodily injury.

Domestic Violence - is abuse committed against an adult or minor who is a spouse, former spouse, cohabitant, former cohabitant, or a person with whom the suspect has had a child or is having or has had a dating or engagement relationship.

- Whether the parties hold themselves out as husband and wife
- The continuity of the relationship

The above definition of cohabitant is used for the application of enforcing Penal Code § 273.5. Family Code § 6209 expands the definition of cohabitant to include a person who regularly resides in the household for the application of enforcing Penal Code § 836(d).

Officer/Deputy - means any law enforcement officer employed by a local police department or sheriff's department, consistent with Penal Code § 830.1.

Victim - means a person who is a victim of domestic violence.

320.2 POLICY
The Chino Police Department’s response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the
Domestic Violence

philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims’ and offenders’ access to appropriate civil remedies and community resources whenever feasible.

320.3 OFFICER SAFETY
The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

320.3.1 FELONY ARRESTS
In accordance with state law, an arrest should be made when there is probable cause to believe a felony has occurred.

320.3.2 MISDEMEANOR ARRESTS
In accordance with state law, an arrest should generally be made when there is probable cause to believe a misdemeanor has occurred.

(a) Police officers may make an arrest without a warrant for a misdemeanor assault or battery not committed in his/her presence when it is committed upon:

1. A current or former spouse.
2. A current or former cohabitant (Family Code § 6209 definition).

5. A person with whom the suspect has parented a child.
6. A child of the suspect or a child of one of the above listed categories.
7. Any person who is 65 years of age or older and who is related to the suspect by blood or legal guardianship.

(b) Both of the following conditions must be present in order to make an arrest in this situation pursuant to Penal Code § 836(d):

1. The peace officer has probable cause to believe that the person to be arrested has committed the assault or battery, whether or not it has in fact been committed.
2. The peace officer makes the arrest as soon as probable cause arises to believe that the person to be arrested has committed the assault or battery, whether or not it has in fact been committed.
320.3.3 FIELD RELEASE
A field release may not be used and a physical arrest should be made when there is a reasonable likelihood that the offense may continue or resume, or that the safety of persons or property would be imminently endangered by releasing the arrested person in the field (Penal Code § 853.6).

(a) Any of the following may support the likelihood of a continuing offense:

1. Whether the suspect has a prior history of arrests or citations involving domestic violence.
2. Whether the suspect is violating a Stay Away Order issued by a criminal court.
3. Whether the suspect has previously violated, or is currently violating, a valid temporary restraining order.
4. Whether the suspect has a prior history of other assaultive behavior (e.g., arrests or convictions for assault and battery or aggravated assaults).
5. Statements from the victim that the suspect has a history of physical abuse toward the victim.
6. Statements from the victim expressing fear of retaliation or further violence should the suspect be released.

(b) Officers shall not cite and release for the following offenses (Penal Code § 853.6(a)(3)):

1. Penal Code § 243(e)(1)
2. Penal Code § 273.5
3. Penal Code § 273.6 if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party.
5. Other offenses specified in Penal Code § 1270.1, such as serious or violent felonies.

320.3.4 PRIVATE PERSON'S ARREST
Officers will advise the victim of his/her right to make a private person's arrest when a crime has been committed outside the officer's presence which does not meet the requirements for an officer initiated arrest either because it is not a felony or a qualifying misdemeanor offense under Penal Code § 836(d). Advisements regarding private person's arrests should be held out of the presence of the suspect. Officers shall not dissuade victims from making a lawful private person's arrest. Officers should refer to the provisions of Policy Manual § 364 for further options regarding the disposition of private person's arrests.
320.3.5 PROTECTIVE ORDER VIOLATIONS
Absent exigent circumstances, if probable cause exists to believe an offender has violated a protective order as defined in Penal Code § 13701(b), an arrest shall be made. These court orders involve the following:

(a) Prohibit threats, harassment or violence
(b) Excludes a party from a dwelling
(c) Prohibit other behaviors specified by the court

320.3.6 TENANCY ISSUES

(a) Officers may request a person who is not in lawful possession of the premises to leave when:

1. The complainant is in lawful possession of the premise (as exhibited by rent receipts, lease, deed, verification by apartment manager, etc.)
2. The complainant has requested that the person leave the premises

(b) The officer will stand by until the suspect removes essential belongings

(c) If the suspect does not leave upon request, an arrest should be made under Penal Code § 602.5

(d) If the complainant requesting removal of the suspect cannot show proof of lawful possession, the officer should refer the complainant for a Temporary Restraining Order or other appropriate civil remedy
Domestic Violence

(e) If appropriate, a domestic violence situation involving a tenancy issue may be resolved through the proper application for an Emergency Protective Order.

320.4 INVESTIGATIONS
The following guidelines should be followed by officers when investigating domestic violence cases:

(a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.

(b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.

(c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.

(d) When practicable and legally permitted, video or audio record all significant statements and observations.

(e) All injuries should be photographed, regardless of severity, taking care to preserve the victim’s personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Detective Bureau in the event that the injuries later become visible.

(f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.

(g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.

(h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).

(i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.

(j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:

1. Whether the suspect lives on the premises with the victim.
2. Claims by the suspect that the victim provoked or perpetuated the violence.
3. The potential financial or child custody consequences of arrest.
4. The physical or emotional state of either party.
5. Use of drugs or alcohol by either party.
6. Denial that the abuse occurred where evidence indicates otherwise.
7. A request by the victim not to arrest the suspect.
8. Location of the incident (public/private).
9. Speculation that the complainant may not follow through with the prosecution.
10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
11. The social status, community status, or professional position of the victim or suspect.

320.4.1 IF A SUSPECT IS ARRESTED
If a suspect is arrested, officers should:

(a) Advise the victim that there is no guarantee the suspect will remain in custody.
(b) Provide the victim’s contact information to the jail staff to enable notification of the victim upon the suspect’s release from jail.
(c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

320.4.2 IF NO ARREST IS MADE
If no arrest is made, the officer should:

(a) Advise the parties of any options, including but not limited to:
   1. Voluntary separation of the parties.
   2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
(b) Document the resolution in a report.

320.4.3 PROOF OF SERVICE NOT VERIFIED
When the officer verifies that a restraining order exists but cannot verify proof of service or prior knowledge of the order by the suspect, the officer shall perform the following:

(a) At the request of the complainant and upon presentation of an endorsed copy of the restraining order and a proof of service form, serve a copy of the order on the suspect. Submit the completed proof of service form to the court, regardless of whether or not the suspect is taken into custody (Code of Civil Procedure § 527.8(i)(2)).
Domestic Violence

(b) Immediately inform the suspect of the terms of the order and place the suspect on notice that violation of the order will result in arrest.

(c) Obtain the suspect's address.

(d) Enforce the order but do not make an arrest for any violation of the order occurring prior to verified proof of service or before an officer's admonition of the terms of the order. If the suspect continues to violate the order after being advised of the terms, an arrest should be made (Code of Civil Procedure § 527.8(i)(4)).

If the suspect complies with the order the officer shall complete a report detailing the specific terms of the order and advisement, the name of the advising officer, and the date and time of the advisement (Penal Code § 13730(c)). The Department copy of the restraining order shall be updated to reflect the information listed above.

320.4.4 WHEN ORDERS ARE NOT VERIFIABLE
If the victim is not in possession of the restraining order and/or for any reason the officer can not verify the validity of the order the following action shall be taken:

(a) Write a report, give the police report number to the victim.

(b) Inform the victim of how to can contact the appropriate detective or investigation unit for further action (Penal Code § 13730(c)).

(c) Inform the victim of the right to make a private person's arrest for the appropriate violation.

In domestic violence cases where the suspect has left the scene, an investigation should be conducted to determine if a crime has been committed. In such circumstances a written report shall be completed and the victim shall be informed of the case number and the follow-up criminal procedure (Penal Code §§ 13730(c) and 13701(c)).

320.4.5 EMERGENCY PROTECTIVE ORDERS

(a) Family Code § 6241 mandates the Superior Court to provide a judge, commissioner, or referee to hear applications and issue Emergency Protective Orders based on criteria outlined in Family Code § 6250(c). A judicial officer may issue an Emergency Protective Order whenever a law enforcement officer asserts reasonable grounds that:

1. A person is in immediate and present danger of domestic violence based upon the person's allegation of a recent incident of abuse or threat of abuse by the person against whom the order is sought.

2. A child is in immediate and present danger of abuse by a family or household member, based on an allegation of a recent incident of abuse or threat of abuse by the family or household member.

3. A child is in immediate and present danger of being abducted by a parent or relative, based on a reasonable belief that a person has intent to abduct a child or
Domestic Violence

flee with the child from the jurisdiction or based on an allegation of a reasonable threat to abduct the child or flee with the child from the jurisdiction.

4. An elder or dependent adult is in immediate and present danger of abuse as defined in Welfare and Institutions Code § 15610.07 based on an allegation of a recent incident of abuse or threat of abuse by the person against whom the order is sought, except that no emergency protective order shall be issued based solely on an allegation of financial abuse.

(b) Under Penal Code § 646.91, a peace officer may also obtain an Emergency Protective Order when the officer has reasonable grounds to believe that a person or the person's immediate family is in immediate and present danger of being stalked.

1. Any such Emergency Protective Order shall be reduced to writing, signed by the officer and include all of the information required by Penal Code § 646.91(c).

2. Any officer seeking such an order shall serve the order on the restrained person if such person can be reasonably located and shall provide the person protected with a copy of the order. A copy of the order shall also be filed with the court as soon as practicable after issuance.

3. Any officer requesting such an order shall carry copies of the order while on duty and shall use every reasonable means to enforce the order.

(c) Emergency Protective Orders may be obtained by telephone to prohibit a suspect who resides with a complainant, regardless of their marital status or relationship from:

1. Physically or verbally contacting the victim or disturbing his/her peace.

2. Remaining or returning to the victim’s residence, regardless of who holds legal title to, or leases the residence.

3. Continuing a specified behavior as described in the order.

(d) Officers investigating the scene of current or recent situations of domestic violence should remain cognizant of the potential for continued and escalated violence. An Emergency Protective Order should be sought if there is reason to believe, based on factual evidence such as a recent history of violence that the victim may still be in danger.

(e) Officers should consider requesting an EPO if any of the following conditions exist:

1. The victim requests an EPO.

2. The investigating officer has grounds to believe that there is an immediate danger of continuing violence against the victim.

3. The investigating officer or victim believes that the suspect may be able to make bail and the potential for further violence exists.
320.4.6 COURT ORDERS
Stay-away orders are issued in criminal cases when the probability of victim intimidation exists. Violation of a stay-away order is a misdemeanor under Penal Code § 166(c)(1). Witness intimidation is also a violation of Penal Code § 136.1 and potentially a violation of Penal Code § 422. Examples of witness intimidation include attempting to prevent or dissuade a victim from attending or giving testimony at any proceeding, or using force or expressing or implying a threat of force or violence related to the court proceeding.

320.5 VICTIM ASSISTANCE
Victims may be traumatized or confused. Officers should:

(a) Recognize that a victim’s behavior and actions may be affected.
(b) Provide the victim with the department’s domestic violence information handout, even if the incident may not rise to the level of a crime.
(c) Alert the victim to any available victim advocates, shelters and community resources.
(d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
(e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
(f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
(g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
(h) Seek or assist the victim in obtaining an emergency order if appropriate.

An officer shall advise an individual protected by a Canadian domestic violence protection order of available local victim services (Family Code § 6452).

320.5.1 RECORDING INJURIES AND STATEMENTS
All visible injuries should be photographed regardless of severity, and all victims shall receive proper medical care prior to being photographed, if needed or desired. If feasible, officers may make a video recording of the injuries and victim statements.

Victims whose injuries are not visible at the time of the incident should be advised to contact the Detective Bureau in the event the injuries later become visible. An investigator may be assigned to ensure the injuries are photographed during the course of preparing the case for court.

320.6 DISPATCH ASSISTANCE
All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.
Domestic Violence

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

320.6.1 VICTIM INFORMATION AND NOTIFICATION EVERYDAY PROGRAM
When appropriate, officers should advise the victim of the availability of the Victim Information and Notification Everyday (VINE) Program. VINE is a free, computer-based telephone service that allows victims to check on an offender's custody status and register to receive automatic notification when an inmate is released from County Jail. The contact phone number for VINE is printed on the Chino Police Department Domestic Violence Information Pamphlet.

320.6.2 WRITTEN NOTICE TO VICTIMS
Penal Code § 13701 requires that victims of domestic violence be furnished written notice including the following information:

(a) A statement informing the victim that despite official restraint of the person alleged to have committed domestic violence, the restrained person may be released at any time

(b) A statement that provides information about a shelter they may contact in the area

(c) A statement that provides information about other community services they may contact in the area

(d) A statement informing the victim of domestic violence that he or she can ask the District Attorney to file a criminal complaint

(e) A statement that "For further information about the California Victim's Compensation Program, you may contact 1-800-777-9229."

(f) A statement informing the victim of the right to go to the Superior Court and file a petition requesting any of the following orders for relief:

1. An order restraining the attacker from abusing the victim and other family members

2. An order directing the attacker to leave the household

3. An order preventing the attacker from entering the residence, school, business, or place of employment of the victim

4. An order awarding the victim or the other parent custody of or visitation with a minor child or children

5. An order restraining the attacker from molesting or interfering with minor children in the custody of the victim

6. An order directing the party not granted custody to pay support of minor children, if that party has a legal obligation to do so
7. An order directing the defendant to make specified debt payments coming due while the order is in effect

8. An order directing that either or both parties participate in counseling

(g) A statement informing the victim of the right to file a civil suit for losses suffered as a result of the abuse. This includes medical expenses, loss of earnings, and other expenses for injuries sustained and damage to property, and any other related expenses incurred by the victim or any agency that shelters the victim

(h) In the case of an alleged violation of Penal Code §§ 243(e), 261, 261.5, 262, 273.5, 286, 288a, or 289, a Domestic Violence Information Pamphlet which shall include, but is not limited to, the following information:

1. The names and locations of rape victim counseling centers within the county, including those centers specified in Penal Code § 13837, and their 24-hour counseling service telephone numbers.

2. A simple statement on the proper procedures for a victim to follow after a sexual assault.

3. A statement that sexual assault by a person who is known to the victim, including sexual assault by a person who is the spouse of the victim, is a crime.

4. A statement that domestic violence or assault by a person who is known to the victim, including domestic violence or assault by a person who is the spouse of the victim, is a crime.

(i) The card should also provide information relating to the rights and duties of tenants and landlords regarding lock changes, evictions and related matters that may assist victims with housing and safety concerns (Code of Civil Procedure § 1161.3, Civil Code § 1941.5 and Civil Code § 1941.6).

320.6.3 DOMESTIC VIOLENCE SUPPORT

Victims of domestic violence or abuse have the right to have a domestic violence counselor (as defined in Evidence Code § 1037.1) and a support person of the victim’s choosing present at any interview by law enforcement authorities (Penal Code § 679.05)

The investigating officer must advise the victim of his/her right to have an advocate and support person present at any subsequent interview(s), including additional interviews by the reporting and/or detectives handling the case. The victim should be advised that any advocate working for the agencies listed on the Domestic Violence resource card would qualify.

(a) For the purposes of this section, an initial investigation by law enforcement to determine whether a crime has been committed and to determine the identity of the suspect(s) shall not constitute a law enforcement interview.
Domestic Violence

(b) The support person may be excluded from an interview if the law enforcement authority or the District Attorney determines the presence of that person would be detrimental to the purpose of the interview.

(c) The investigating officer should articulate in the report that the victim was advised of their right to a counselor and/or support person.

320.7 FOREIGN COURT ORDERS
Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe, or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court or foreign order shall be enforced, regardless of whether the order has been properly registered with this state (Family Code § 6403).

Canadian domestic violence protection orders shall also be enforced in the same manner as if issued in this state (Family Code § 6452).

320.7.1 RECORD-KEEPING RESPONSIBILITIES
Penal Code § 13730 also requires that all law enforcement agencies maintain records on the number of domestic violence related calls reported to their agency and to include whether or not weapons were used in the incident. This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Records Supervisor to maintain and report this information as required.

320.8 VERIFICATION OF COURT ORDERS
Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and where appropriate and practicable:

(a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
   1. If a determination is made that a valid foreign order cannot be enforced because the subject has not been notified or served the order, the officer shall inform the subject of the order, make a reasonable effort to serve the order upon the subject, and allow the subject a reasonable opportunity to comply with the order before enforcing the order. Verbal notice of the terms of the order is sufficient notice (Family Code § 6403).

(b) Check available records or databases that may show the status or conditions of the order.
   1. Registration or filing of an order in California is not required for the enforcement of a valid foreign order (Family Code § 6403).
Domestic Violence

(c) Contact the issuing court to verify the validity of the order.

(d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

320.8.1 RETURN OF FIREARMS

(a) If, within five days after the seizure, a firearm or other deadly weapon is not retained for use as evidence related to criminal charges brought as a result of the domestic violence incident and the officer has no reason to believe that such firearm or weapon would further endanger the victim or person reporting the domestic violence, the Department shall notify the lawful owner or other person who was in lawful possession of the firearm or weapon of its availability (Penal Code § 12028.5(b)).

(b) If, however, any officer has reasonable cause to believe that a firearm or other deadly weapon seized in a domestic violence incident would likely result in further danger to the victim or person reporting such incident or that further investigation of such firearm or weapon is required through the Department of Justice or other sources, the Department shall within five days of the seizure, notify the owner or other person who was in lawful possession of the firearm or weapon that such firearm or weapon will be retained for up to 60 days of the seizure.

(c) If, after 45 days, the Department has been unable to clear the firearm or other deadly weapon for release, the Department shall commence the process of preparing a petition to the Superior Court to determine if the firearm or other weapon should be returned. Such petition shall be filed within 60 days of the initial seizure or upon timely application to the court for an extension within no more than 90 days (Penal Code § 12028.5(f)).

(d) Under no circumstances shall any firearm be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice which conforms to the provisions of Penal Code § 12021.3(e).

(e) The Department is not required to retain any firearm or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal in accordance with applicable law (Penal Code § 12021.3(g)).

320.9 LEGAL MANDATES AND RELEVANT LAWS

California law provides for the following:
320.9.1   STANDARDS FOR ARRESTS

Officers investigating a domestic violence report should consider the following:

(a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is probable cause to do so requires supervisor approval.

1. Officers are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the officer makes the arrest as soon as probable cause arises (Penal Code § 836).

(b) An officer responding to a domestic violence call who cannot make an arrest will advise the victim of his/her right to make a private person’s arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Officers shall not dissuade victims from making a lawful private person’s arrest. Officers should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person’s arrests (Penal Code § 836(b)).

(c) Officers shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):

1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender’s child)
3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
4. Penal Code § 646.9 (stalking)
5. Other serious or violent felonies specified in Penal Code § 1270.1

(d) In responding to domestic violence incidents, including mutual protective order violations, officers should generally be reluctant to make dual arrests. Officers shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, an officer shall consider:

1. The intent of the law to protect victims of domestic violence from continuing abuse.
2. The threats creating fear of physical injury.
3. The history of domestic violence between the persons involved.
4. Whether either person acted in self-defense.

(e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code
Domestic Violence

§ 836), regardless of whether the offense was committed in the officer’s presence. After arrest, the officer shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).
Search & Seizure

322.1 PURPOSE AND SCOPE
Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Chino Police Department personnel to consider when dealing with search and seizure issues.

322.2 POLICY
It is the policy of the Chino Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

322.3 SEARCHES
The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.
322.4 SEARCH PROTOCOL
Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

(a) Members of this department will strive to conduct searches with dignity and courtesy.

(b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.

(c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.

(d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.

(e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:

1. Another officer or a supervisor should witness the search.

2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.
Temporary Custody of Juveniles

324.1 PURPOSE AND SCOPE
This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Chino Police Department (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

324.2 POLICY
The Chino Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Chino Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

324.2.1 CONSTITUTIONAL RIGHTS ADVISEMENT
In any case where a juvenile is taken into temporary custody, the juvenile should be promptly advised of his/her constitutional rights to ensure the admissibility of any spontaneous statements, whether or not questioning is intended (Welfare & Institutions Code § 625).

324.2.2 CHILDREN UNDER THE AGE OF 14
Whenever a child under the age of 14 is arrested, the arresting officer should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

324.3 JUVENILES WHO SHOULD NOT BE HELD
Juveniles who exhibit any of the following conditions should not be held at the Chino Police Department:

(a) Unconscious
(b) Seriously injured
(c) A known suicide risk or obviously severely emotionally disturbed
(d) Significantly intoxicated except when approved by the Watch Commander. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol, or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
(e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).
Temporary Custody of Juveniles

These juveniles should not be held at the Chino Police Department unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed (15 CCR 1142).

324.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY
When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Watch Commander shall be notified of the need for medical attention for the juvenile. Department members should administer first aid as applicable (15 CCR 1142).

324.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY
Department members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself, or any unusual behavior which may indicate the juvenile may harm him/herself while in either secure or non-secure custody (15 CCR 1142).

324.4 CUSTODY OF JUVENILES
Officers should take custody of a juvenile and temporarily hold the juvenile at the Chino Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Chino Police Department without authorization of the arresting officer’s supervisor or the Watch Commander. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile’s parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Chino Police Department (34 USC § 11133; Welfare and Institutions Code § 207.1(d)).

324.4.1 CUSTODY OF JUVENILE NON-OFFENDERS
Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Chino Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

Juveniles 11 years of age or younger who have committed an offense that would subject an adult to arrest may be held in non-secure custody for the offenses listed in Welfare and Institutions Code § 602(b) (murder and the sexual assault offenses) and should be referred to a probation officer for a placement determination.
Temporary Custody of Juveniles

324.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS
Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders shall not be held in secure custody (34 USC § 11133).

324.4.3 CUSTODY OF JUVENILE OFFENDERS
Juvenile offenders should be held in non-secure custody while at the Chino Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and suspected of using a firearm in violation of Welfare and Institutions Code § 625.3 shall be transported to a juvenile facility.

A juvenile offender suspected of committing murder or a sex offense that may subject a juvenile to criminal jurisdiction under Welfare and Institutions Code § 602(b), or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

(a) Released upon warning or citation.
(b) Released to a parent or other responsible adult after processing at the Department.
(c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
(d) Transported to his/her home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating officer or supervisor shall prefer the alternative that least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the officer should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

324.4.4 JUVENILE DETENTION ROOMS
The Chino Police Department has provided juvenile detention rooms outside of the adult jail facility. These rooms are designed for the temporary detention of juveniles meeting the criteria of secure custody. Officers or detectives placing juveniles in secure detention rooms shall comply with the following:
Temporary Custody of Juveniles

(a) It is the officer’s responsibility to notify the Watch Commander, desk personnel, and/or detective personnel that a detention has begun. The juvenile must be told the reason for incarceration, the length of time secure detention will last and that it may not exceed a total of six hours.

(b) Any juvenile placed in a locked detention room shall be separated according to sex and the severity of the crime (felony or misdemeanor) unless emergency circumstances will not allow for this type of segregation. When such separation is not possible, the Watch Commander shall be consulted for directions on how to proceed with the detention of the multiple juveniles involved.

(c) A written record will be maintained on a detention log located in the Watch Commander’s office. This log will include the charges for which the juvenile is being detained, the circumstances that warrant a secured detention, the time the detention began, and the time it ended. There will also be a place for the Watch Commander to initial the log approving the detention to occur and to initial the log when the juvenile is released.

(d) It is the responsibility of a detective (when available) to monitor the custody of the juvenile and to prepare the necessary paperwork to process the juvenile for release to a parent, guardian, or the appropriate juvenile custody facility. When a detective is not available, the Watch Commander, or his/her designee, shall be responsible for monitoring the detention of the juvenile, and ensuring that appropriate paperwork is prepared to process the juvenile out of the custody of this department. The Watch Commander shall be notified in all cases when a juvenile is detained at this department, and when applicable, shall be provided the name of the detective taking responsibility for the detention and processing of the juvenile.

(e) A thorough inspection of the detention room shall be conducted before placing a juvenile into the room. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room shall be photographed and documented in the crime report.

324.4.5 JUVENILE’S PERSONAL PROPERTY
The officer placing a juvenile into a detention room must make a thorough search of the juvenile’s property. This will ensure all items likely to cause injury to the juvenile or the facility are confiscated and placed in a property bag. The property shall be inventoried in the juvenile’s presence and sealed into the bag. The property will be maintained by the responsible detective or the desk personnel or locked in a juvenile property locker until the juvenile is released from the custody of the Chino Police Department.

324.4.6 MONITORING OF JUVENILES
The juvenile shall constantly be monitored by the audio/video system during the entire detention. An in-person visual inspection shall be done to ensure the welfare of the juvenile and shall be conducted at least once each half-hour, on an unscheduled basis, until the juvenile is released.
**Temporary Custody of Juveniles**

This inspection shall not be replaced by video monitoring. This inspection shall be conducted by a designee of the Watch Commander, and the visual inspection shall be logged on the Inspection Log in the Watch Commander's office.

More frequent visual inspections should be made as circumstances dictate as in the case of an injured or ill juvenile being detained, or if specific circumstances exist such as a disciplinary problem or suicide risk. In such instances the Watch Commander shall be fully informed about the special circumstances in order to evaluate continued detention of such a juvenile. Juvenile Security Report Logs and Confinements of Juvenile Logs shall be turned into the Records Supervisor or his/her designee at the end of each month.

324.4.7 MANDATED JUVENILE PROVISIONS

While a juvenile is being detained in the detention room, he/she shall be provided with the following provisions:

(a) Reasonable access to toilets and washing facilities  
(b) Food, if the juvenile has not eaten within the past four hours, or is otherwise in need of nourishment, including any special diet required for the health of the juvenile. All food given to a juvenile in custody shall be provided from the jail food supply  
(c) Reasonable access to drinking water  
(d) Privacy during family, guardian, and/or lawyer visits  
(e) Blankets and clothing necessary to ensure the comfort of the juvenile (clothing shall be provided by the jail if the juvenile's clothing is taken as evidence or is otherwise unsuitable or inadequate for the continued wear while in custody)

324.4.8 FORMAL BOOKING

No juvenile shall be formally booked (Welfare and Institutions Code § 602 only) without the authorization of the arresting officer's supervisor, or in his or her absence, the Watch Commander.

Any juvenile, 14-years of age or older, who is taken into custody for a felony, or any juvenile whose acts amount to a sex crime, shall be booked, fingerprinted, and photographed.

For all other acts defined as crimes, juveniles may be booked, fingerprinted, or photographed upon the approval from the Watch Commander or Detective Supervisor, giving due consideration to the following:

(a) The gravity of the offense  
(b) The past record of the offender  
(c) The age of the offender

324.4.9 DISPOSITIONS

(a) Any juvenile not transferred to a juvenile facility shall be released to one of the following:
Temporary Custody of Juveniles

1. Parent or legal guardian
2. An adult member of his/her immediate family
3. An adult person specified by the parent/guardian
4. An adult person willing to accept responsibility, when the juvenile’s parents are unavailable as approved by the Watch Commander

(b) If the six hour time limit has expired, the juvenile should be transported to the juvenile hall to accept custody

(c) After an officer has taken a juvenile into temporary custody for a violation of law, the following dispositions are authorized:

1. The arresting officer may counsel or admonish the juvenile and recommend no further action be taken.
2. If the arresting officer or the Watch Commander believes that further action is needed, the juvenile will be released to a responsible person as listed above, and such juvenile will be advised that follow-up action will be taken by a detective. The detective assigned to the case will then determine the best course of action, such as diversion or referral to court. The detective will contact the parents and advise them of the course of action.
3. The arresting officer may complete an Application for Petition form on behalf of the juvenile and forward it to the Criminal Investigations division for processing.
4. The juvenile may be transferred to Juvenile Hall with authorization of the appropriate supervisor or the Watch Commander when the violation falls within the provisions of Welfare and Institutions Code § 602.

(d) If a juvenile is to be transported to Juvenile Hall, the following forms shall accompany the juvenile:

1. Application for Petition.
2. Three copies of the applicable reports for each juvenile transported. In certain cases Juvenile Hall may accept custody of the juvenile based on the petition and the agreement that facsimile copies will be forwarded as soon as completed.
3. Any personal property taken from the juvenile at the time of detention

324.5 ADVISEMENTS
Officers shall take immediate steps to notify the juvenile’s parent, guardian, or a responsible relative that the juvenile is in custody, the location where the juvenile is being held, and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, he/she shall be given the Miranda rights advisement regardless of whether questioning is intended (Welfare and Institutions Code § 625).
Temporary Custody of Juveniles

Anytime a juvenile offender is placed in secure custody, he/she shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last, and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1(d)).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to his/her parent or guardian; one to a responsible relative or his/her employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

324.6 JUVENILE CUSTODY LOGS

Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

(a) Identifying information about the juvenile.
(b) Date and time of arrival and release from the Chino Police Department (15 CCR 1150).
(c) Watch Commander notification and approval to temporarily hold the juvenile.
(d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender, or non-offender.
(e) Any changes in status (e.g., emergency situations, unusual incidents).
(f) Time of all safety checks.
(g) Any medical and other screening requested and completed (15 CCR 1142).
(h) Circumstances that justify any secure custody (Welfare and Institutions Code § 207.1(d); 15 CCR 1145).
(i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Watch Commander shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.

324.6.1 RELEASE OF INFORMATION BY SUPERIOR COURT ORDER

A copy of the current policy of the Juvenile Court concerning authorized release of information and appropriate acknowledgment forms shall be kept with copies of this procedure in the Policy Manual. Such releases are authorized by Welfare and Institutions Code § 827.

324.6.2 RELEASE OF INFORMATION TO OTHER AGENCIES

Welfare and Institutions Code § 828 authorizes the release of certain information to other agencies. It shall be the responsibility of the Records Supervisor and the appropriate Detective Supervisors to ensure that personnel of those bureaus act within legal guidelines.
324.7 NO-CONTACT REQUIREMENTS
Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (34 USC § 11133; Welfare and Institutions Code § 207.1(d); Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Chino Police Department (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

324.7.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY
When emergency medical attention is required for a juvenile who is either in secure or non-secure custody, the paramedics will be called. The Watch Commander shall be notified of the need for medical attention for the juvenile.

In cases where injury or illness is life threatening and where lost minutes may be the deciding factor, the arresting officer or the discovering officer should administer first aid prior to the arrival of the paramedics. The juvenile will then be transported to a medical facility.

In the event of a serious illness, suicide attempt, injury or death of a juvenile, the following persons shall be notified as soon as possible:

(a) The Juvenile Court
(b) The parent, guardian, or person standing in loco parentis, of the juvenile

324.7.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY
The arresting officer should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill himself/herself, or any unusual behavior which may indicate the juvenile may harm himself/herself while in custody in either secure or non-secure detention.

The detaining or transporting officer is responsible to notify the Watch Commander if he/she believes the juvenile may be a suicide risk. The Watch Commander will then arrange to contact a mental health team for evaluation, or to contact Juvenile Hall and arrange for the transfer of the juvenile, providing the juvenile meets the intake criteria. The juvenile shall be under constant personal supervision until the transfer is completed.

324.7.3 USE OF RESTRAINT DEVICES
Policy Manual § 306 refers to the only authorized restraint device. It is the policy of this department that restraints will not be used for inmates retained in custody. This policy also applies to juveniles held in temporary custody. The use of a restraint is an extreme measure and only for a temporary
Temporary Custody of Juveniles

measure pending transportation to another facility or until other custodial arrangements can be made. The use of restraints shall only be used when the juvenile:

(a) Displays bizarre behavior that results in the destruction of property or shows intent to cause physical harm to self or others
(b) Is a serious and immediate danger to himself/herself or others
(c) Otherwise falls under the provisions of Welfare and Institutions Code § 5150

Restraint devices include devices which immobilize a juvenile’s extremities and/or prevent the juvenile from being ambulatory. Restraints shall only be used after less restrictive measures have failed and with the approval of the Watch Commander.

Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Direct visual observation shall be conducted at least twice every 30 minutes to ensure that the restraints are properly employed, and to ensure the safety and well-being of the juvenile.

The Watch Commander shall arrange to have the juvenile evaluated by a mental health team as soon as possible if there is evidence of mental impairment. When mental impairment is suspected, constant personal visual supervision shall be maintained in order to ensure that restraints are properly employed and to ensure the safety and well being of the juvenile. Such supervision shall be documented in the police report.

Juveniles who have been placed in restraint devices shall be isolated to protect them from abuse. Restraints shall not be used as a punishment, or as a substitute for treatment.

324.7.4 DISCIPLINE OF JUVENILES
Police personnel are prohibited from administering discipline to any juvenile.

324.7.5 DEATH OF A JUVENILE WHILE DETAINED
The District Attorney’s Office and the Sheriff-Coroner’s Office will conduct the investigation of the circumstances surrounding the death of any juvenile being detained at this department. The Support Services Division Commander or his/her designee will conduct an administrative review of the incident.

In any case in which a juvenile dies while detained at the Chino Police Department, the following shall apply:

(a) The Chief of Police or his or her designee shall provide to the California Department of Corrections and Rehabilitation a copy of the report submitted to the Attorney General under Government Code § 12525. A copy of the report shall be submitted to the Department of Corrections and Rehabilitation within ten calendar days after the death.

(b) Upon receipt of a report of death of a juvenile from the Chief of Police or his or her designee, the Department of Corrections and Rehabilitation may within 30 calendar days inspect and evaluate the juvenile facility, jail, lockup or court holding facility
Temporary Custody of Juveniles

(c) A medical and operational review of every in-custody death of a juvenile shall be conducted. The review team shall include the following:

1. Chief of Police or his or her designee
2. The health administrator
3. The responsible physician and other health care and supervision staff who are relevant to the incident

324.7.6 CURFEW VIOLATIONS

Juveniles detained for curfew violations may be released in the field or brought to the station but should only be released to their parent, legal guardian, or responsible adult.

324.7.7 PROTECTIVE CUSTODY

Pursuant to Welfare and Institutions Code § 300 et seq., a child may be taken into protective custody if he/she is the victim of suspected child abuse. Before taking any minor into protective custody, the officer should make reasonable attempts to contact the appropriate child welfare authorities to ascertain any applicable history or current information concerning the minor.

Under certain circumstances, officers can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs. Officers shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

324.8 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Chino Police Department shall ensure the following:

(a) The Watch Commander should be notified if it is anticipated that a juvenile may need to remain at the Chino Police Department more than four hours. This will enable the Watch Commander to ensure no juvenile is held at the Chino Police Department more than six hours.

(b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.

(c) Personal safety checks and significant incidents/activities shall be noted on the log.

(d) Juveniles in custody are informed that they will be monitored at all times, except when using the toilet.

1. There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware.
Temporary Custody of Juveniles

   (k) Blankets shall be provided as reasonably necessary (15 CCR 1143).
      1. The supervisor should ensure that there is an adequate supply of clean blankets.
   (l) Adequate shelter, heat, light, and ventilation should be provided without compromising security or enabling escape.
   (m) Juveniles shall have adequate furnishings, including suitable chairs or benches.
   (n) Juveniles shall have the right to the same number of telephone calls as an adult in temporary custody.
   (o) No discipline may be administered to any juvenile, nor may juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse (15 CCR 1142).

324.9 RELIGIOUS ACCOMMODATION
Juveniles have the right to the same religious accommodation as adults in temporary custody (see the Temporary Custody of Adults Policy).
Adult Abuse

326.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Chino Police Department members as required by law.

326.1.1 DEFINITIONS
Definitions related to this policy include:

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult’s care, or any other act that would mandate reporting or notification to a social service agency or law enforcement (Penal Code § 368).

Abuse of an elder (age 65 or older) or dependent adult - Physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment with resulting physical harm or pain or mental suffering; or the deprivation by a care custodian of goods or services that are necessary to avoid physical harm or mental suffering. Neglect includes self-neglect (Welfare and Institutions Code § 15610.07; Penal Code § 368.5).

326.2 DEFINITIONS
For purposes of this policy, the following definitions are provided (Welfare and Institutions Code § 15610 et seq. and Penal Code § 368).

Dependent Adult - Is any person residing in this state, between the ages of 18 and 64-years, who has physical or mental limitations that restrict his or her ability to carry out normal activities or to protect his or her rights including, but not limited to, persons who have physical or developmental disabilities or whose physical or mental abilities have diminished because of age. Dependent Adult includes any person between the ages of 18 and 64-years who is admitted as an inpatient to a 24-hour health facility, as defined in Health and Safety Code §§ 1250, 1250.2, and 1250.3.

Elder - Is any person residing in this state, 65-years of age or older.

Adult Protective Services Agency - Is a county welfare department, except persons who do not work directly with elders or dependent adults as part of their official duties, including members of support staff and maintenance staff.
Adult Abuse

Neglect - Is the negligent failure of any person having the care or custody of an elder or a dependent adult to exercise that degree of care which a reasonable person in a like position would exercise. Neglect includes, but is not limited to, all of the following:

(a) Failure to assist in personal hygiene, or in the provision of food, clothing, or shelter.
(b) Failure to provide medical care for physical and mental health needs. No person shall be deemed neglected or abused for the sole reason that he or she voluntarily relies on treatment by spiritual means through prayer alone instead of medical treatment.

326.3 MANDATORY REPORTING REQUIREMENTS
Members of the Chino Police Department are mandated reporters.

Employees who observe, have knowledge of, or are told by an elder or dependant adult about any form of abuse (physical abuse, abandonment, abduction, isolation, financial abuse, neglect) shall make a report and notify the appropriate social services representative as soon as practicable (see Welfare & Institutions Code § 15630 for reporting details). Failure to make a report within two working days is a misdemeanor (Welfare and Institution Code § 15630(h)).

The Detective Bureau Supervisor is responsible to ensure that cases of suspected elder abuse are forwarded to the District Attorney’s Office and any other regulatory agency that may be applicable based upon where the abuse took place (care facility, hospital) per Welfare and Institution Code § 15630(b).

326.3.1 RECORDS UNIT RESPONSIBILITY
The Records Unit is responsible for the following:

(a) Provide a copy of the elder/dependent abuse report to Adult Protective Services. This requirement is applicable even if the initial call was received from Adult Protective Services.
(b) Retain the original elder/dependent abuse report with the initial case file.

326.4 OFFICER’S RESPONSE
All incidents involving actual or suspected elder and dependent abuse shall be fully investigated and appropriately documented.

326.4.1 INITIAL RESPONSE
Officers may be called upon to effect a forced entry as the first responder to the scene of a suspected elder abuse. Entry should be immediate when it appears reasonably necessary to protect life or property. When the need for an emergency entry is not evident, officers should seek supervisory approval. Officers must be prepared to provide emergency care pending the arrival of medical personnel, if not already present.
326.4.2 STABILIZE THE SITUATION
Officers must quickly assess the situation in an effort to ensure the immediate safety of all persons. Officers shall also consider taking the following actions:

(b) Preserve the crime scene where evidence may be present. All persons should be removed from the scene until it has been photographed and processed. Any evidence that may change in appearance, injuries for example, should be photographed as soon as practicable.

(c) Assess and define the nature of the problem. Officers should assess the available information to determine the type of abuse that may have taken place or the potential for abuse in the future that may be eliminated by intervention.

(d) Make on-scene arrests when appropriate. Officers may arrest a person without a warrant when probable cause exists to believe that the person has committed an assault or battery, whether or not the assault or battery has in fact been committed, upon a victim 65 years of age or older to whom the suspect is related by blood or legal guardianship, provided the arrest is made at the time probable cause arises (Penal Code § 836). If an arrest is not otherwise required by law, officers should consider the consequences that the immediate arrest of a sole supporting family caretaker might have on the victim. The decision to arrest should be based on the best interests and caretaking needs of the elderly victim. The present and future safety of the victim is of utmost importance.

326.4.3 SUPPORT PERSONNEL
The following person(s) should be considered if it appears an in-depth investigation is appropriate:

• Patrol Supervisor
• Detective personnel
• Evidence collection personnel
• Protective Services Agency personnel
• Ombudsman shall be called if the abuse is in a long-term care facility

326.4.4 EMERGENCY PROTECTIVE ORDERS
In any situation which an officer reasonably believes that an elder or dependant adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the officer may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).
326.5 ELDER ABUSE REPORTING
Every allegation of elder abuse shall be documented. When documenting elder/dependent abuse cases the following information should also be included in the report:

- Current location of the victim
- Victim's condition/nature and extent of injuries, neglect or loss
- Names of agencies and personnel requested and on scene

Reporting of cases of elder/dependent abuse is confidential and will only be released as per Policy Manual § 810.

Officers investigating elder/dependent abuse shall complete State of California form SOC 341 (Report of Suspected Dependent Adult/Elder Abuse).

326.6 RECORDS BUREAU RESPONSIBILITIES
The Records Unit is responsible for:

(a) Providing a copy of the adult abuse report to the APS, ombudsman or other agency as applicable within two working days or as required by law (Welfare and Institutions Code § 15630; Welfare and Institutions Code § 15640(c)).

(b) Retaining the original adult abuse report with the initial case file.

326.7 JURISDICTION

Adult protective services agencies and local long-term care ombudsman programs also have jurisdiction within their statutory authority to investigate elder and dependent adult abuse and criminal neglect and may assist in criminal investigations upon request in such cases. However, this department will retain responsibility for the criminal investigations (Penal Code § 368.5).

326.8 TRAINING
The Department should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

(a) Participating in multidisciplinary investigations, as appropriate.

Discriminatory Harassment

328.1 PURPOSE AND SCOPE
The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

328.2 POLICY
The Chino Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

328.3 DISCRIMINATION PROHIBITED
Harassment includes, but is not limited to:

(a) Verbal Harassment- Epithets, derogatory comments or slurs on the basis of political opinions and affiliations, race, color, religious creed, national origin, ancestry, physical or mental disability, medical condition, marital status, gender, age, family care leave or pregnancy disability; sex oriented comments regarding appearance, including dress or physical features; sex oriented jokes or stories.

(b) Physical Harassment- Assault, impeding or blocking movement, or any physical interference with normal work or movement when directed at an individual on the basis of political opinions and affiliations, race, color, religious creed, national origin, ancestry, physical or mental disability, medical condition, marital status, gender, age, family care leave, or pregnancy disability.

(c) Visual Forms of Harassment- Derogatory posters, notices, bulletins, cartoons or drawings on the basis of political opinions and affiliations, race, color, religious creed, national origin, ancestry, physical or mental disability, medical condition, marital status, gender, age, family care leave, or pregnancy disability.

(d) Sexual Favors- Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature which is conditioned upon an employment benefit, unreasonably interferes with an individual's work performance or creates an offensive work environment.
Discriminatory Harassment

328.3.1 DISCRIMINATION
The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual’s protected class. It has the effect of interfering with an individual’s work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

328.4 RESPONSIBILITIES
This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member’s immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Director of Human Resources, or the City Manager.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

328.4.1 QUESTIONS OR CLARIFICATION
Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Director of Human Resources, the City Manager, or the California Department of Fair Employment and Housing (DFEH) for further information, direction, or clarification (Government Code § 12950).
Discriminatory Harassment

328.5 INVESTIGATION OF COMPLAINTS
Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented and promptly and thoroughly investigated.

328.6 WORKING CONDITIONS
The Administration Division Commander or the authorized designee should be responsible for reviewing facility design and working conditions for discriminatory practices. This person should collaborate with other City employees who are similarly tasked (2 CCR 11034).

328.7 REQUIRED POSTERS
The Department shall display the required posters regarding discrimination, harassment and transgender rights in a prominent and accessible location for members (Government Code § 12950).
Child Abuse

330.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Chino Police Department members are required to notify the county Child Protective Services (CPS) of suspected child abuse.

330.1.1 DEFINITIONS
Definitions related to this policy include:

**Child** - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

**Child abuse** - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child’s care or any other act that would mandate notification to a social service agency or law enforcement (Penal Code § 11165.9; Penal Code § 11166).

330.2 POLICY
The Chino Police Department will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

330.3 MANDATORY NOTIFICATION
The child protection agency shall be notified when (Penal Code § 11166):

(a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or

(b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

The District Attorney’s office shall be notified in all instances of known or suspected child abuse or neglect reported to this department. Reports only involving neglect by a person, who has the care or custody of a child, to provide adequate food, clothing, shelter, medical care or supervision where no physical injury to the child has occurred should not be reported to the District Attorney (Penal Code § 11166).

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority (Penal Code 11166.1; Penal Code 11166.2).
Child Abuse

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); the willful harming or injuring of a child or the endangering of the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). Child abuse or neglect does not include a mutual affray between minors, nor does it include an injury caused by the reasonable and necessary force used by a peace officer acting within the course and scope of his/her employment as a peace officer.

330.3.1 NOTIFICATION PROCEDURE
Notification should occur as follows (Penal Code § 11166):

(a) Notification shall be made immediately, or as soon as practicable, by telephone, fax or electronic transmission.

(b) A written follow-up report should be forwarded within 36 hours of receiving the information concerning the incident.

330.4 QUALIFIED INVESTIGATORS
Qualified investigators should be available for child abuse investigations. These investigators should:

(a) Conduct interviews in child appropriate interview facilities.

(b) Be familiar with forensic interview techniques specific to child abuse investigations.

(c) Present all cases of alleged child abuse to the prosecutor for review.

(d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.

(e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.

(f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 18961.7).

330.5 INVESTIGATIONS AND REPORTING
In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

(a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.

(b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
Child Abuse

(c) Any relevant statements the child may have made and to whom he/she made the statements.

(d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.

(e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.

(f) Whether the child victim was transported for medical treatment or a medical examination.

(g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.

(h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.

(i) Previous addresses of the victim and suspect.

(j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim’s environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

330.5.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, department members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller cannot be successfully transferred to the appropriate agency, a report shall be taken and immediately referred by telephone, fax or electronic transfer to the agency with proper jurisdiction (Penal Code 11165.9).

330.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact CPS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to CPS.
Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

(a) The officer reasonably believes the child is a person described in Welfare and Institutions Code § 300, or a commercially exploited child under Penal Code § 647 and Penal Code § 653.22, and further has good cause to believe that any of the following conditions exist:
   1. The child has an immediate need for medical care.
   2. The child is in immediate danger of physical or sexual abuse.
   3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child’s health or safety. In the case of a child left unattended, the officer shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.

(b) The officer reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
   1. It reasonably appears to the officer that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
   2. There is no lawful custodian available to take custody of the child.
   3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
   4. The child is an abducted child.

(c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 (Detainment or concealment of child from legal custodian) or Penal Code § 278.5 (Deprivation of custody of a child or right to visitation) (Penal Code § 279.6).

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

330.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW
An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.
Child Abuse

330.6.2 NEWBORNS TESTING POSITIVE FOR DRUGS
Under certain circumstances, officers can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Officers shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

330.7 INTERVIEWS

330.7.1 PRELIMINARY INTERVIEWS
Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

330.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW
An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

(a) Exigent circumstances exist, such as:
   1. A reasonable belief that medical issues of the child need to be addressed immediately.
   2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
   3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.

(b) A court order or warrant has been issued.

330.7.3 INTERVIEWS AT A SCHOOL
Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member’s presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

330.8 MEDICAL EXAMINATIONS
If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency.
having legal custody of the child. The officer should also arrange for the child’s transportation to
the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent
for the medical examination, officers should notify a supervisor before proceeding. If exigent
circumstances do not exist or if state law does not provide for officers to take the child for a
medical examination, the notified supervisor should consider obtaining a court order for such an
examination.

330.9   DRUG-ENDANGERED CHILDREN
A coordinated response by law enforcement and social services agencies is appropriate to
meet the immediate and longer-term medical and safety needs of children exposed to the
manufacturing, trafficking or use of narcotics.

330.9.1   SUPERVISOR RESPONSIBILITIES
The Detective Bureau supervisor should:

(a) Work with professionals from the appropriate agencies, including CPS, other law
enforcement agencies, medical service providers and local prosecutors to develop
community specific procedures for responding to situations where there are children
endangered by exposure to methamphetamine labs or the manufacture and trafficking
of other drugs.

(b) Activate any available interagency response when an officer notifies the Detective
Bureau supervisor that the officer has responded to a drug lab or other narcotics crime
scene where a child is present or where evidence indicates that a child lives there.

(c) Develop a report format or checklist for use when officers respond to drug labs or other
narcotics crime scenes. The checklist will help officers document the environmental,
medical, social and other conditions that may affect the child.

330.9.2   OFFICER RESPONSIBILITIES
Officers responding to a drug lab or other narcotics crime scene where a child is present or where
there is evidence that a child lives should:

(a) Document the environmental, medical, social and other conditions of the child using
photography as appropriate and the checklist or form developed for this purpose.

(b) Notify the Detective Bureau supervisor so an interagency response can begin.

330.10   STATE MANDATES AND OTHER RELEVANT LAWS
California requires or permits the following:
Child Abuse

330.10.1 RELEASE OF REPORTS
Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Penal Code 841.5; Penal Code § 11167.5).

330.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSE CENTRAL INDEX (CACI)
Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California’s CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

330.10.3 CACI HEARING OFFICER
The Detective Bureau supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person’s name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

330.10.4 CACI HEARING PROCEDURES
The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

(a) Case reports including any supplemental reports
(b) Statements by investigators
(c) Statements from representatives of the District Attorney’s Office
(d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party’s name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the
person’s name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

330.10.5 CHILD DEATH REVIEW TEAM
This department should cooperate with any interagency child death review team investigation. Written and oral information relating to the death of a child that would otherwise be subject to release restrictions may be disclosed to the child death review team upon written request and approval of a supervisor (Penal Code § 11174.32).

330.11 TRAINING
The Department should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

(a) Participating in multidisciplinary investigations, as appropriate.
(b) Conducting forensic interviews.
(c) Availability of therapy services for children and families.
(d) Availability of specialized forensic medical exams.
(e) Cultural competence (including interpretive services) related to child abuse investigations.
(f) Availability of victim advocate or guardian ad litem support.

These include the National Crime Information Center (NCIC), the California Law Enforcement Telecommunications System (CLETS), Missing Person System (MPS) and the Unidentified Persons System (UPS).

332.2 POLICY
The Chino Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until the facts reveal otherwise. The Chino Police Department gives missing person cases priority over property-related cases and will not require any time frame to pass before beginning a missing person investigation (Penal Code § 14205).

332.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS

Officers or other employees conducting the initial investigation of a missing person should take the following investigative actions as applicable:

(a) Respond to a dispatched call for service as soon as practicable.

(c) Notify a supervisor immediately if there is evidence that a missing person is at risk.
(d) Broadcast a “Be on the Look-Out#? (BOLO) bulletin if the person is under 16 years of age or there is evidence that the missing person is at risk. The BOLO should be broadcast as soon as practicable but in no event more than one hour after determining the missing person is under 16 or may be at risk (Penal Code § 14205).
(e) Ensure that entries are made into the appropriate networks as follows:
   1. Immediately when the missing person is at risk

4. Any other evidence that may assist in the investigation, including personal electronic devices (cell phones, computers, etc)

(i) Contact the lead agency if the report relates to a previously made missing person report and another agency is actively investigating that report. When this is not practical, the information should be documented in an appropriate report for transmission to the appropriate agency. If the information relates to an at risk missing person, the officer should notify a supervisor and proceed with reasonable steps to locate the missing person.

332.6 REPORT PROCEDURES AND ROUTING
Employees should complete all missing person reports and forms promptly and advise the appropriate supervisor as soon as a missing person report is ready for review.

332.6.1 SUPERVISOR RESPONSIBILITIES
The supervisor shall review and approve missing person reports upon receipt and ensure resources are deployed as appropriate. The reports should be promptly sent to Records Unit.

The supervisor shall also ensure applicable notifications and public alerts are made and documented and that records have been entered into the appropriate missing person networks.

The supervisor should also take reasonable steps to identify and address any jurisdictional issues to ensure cooperation between agencies.

332.6.2 RECORDS UNIT RESPONSIBILITIES
The receiving member shall:

(a) As soon as reasonable under the circumstances, notify and forward a copy of the report to the law enforcement agency having jurisdiction over the missing person’s residence in cases where the missing person is a resident of another jurisdiction (Penal Code § 14211).

(b) Notify and forward a copy of the report to the law enforcement agency in whose jurisdiction the missing person was last seen (Penal Code § 14211).

   1. The notice shall be in writing and should also include a photograph (Education Code § 49068.6).

The investigator should meet with school officials regarding the notice as appropriate to stress the importance of including the notice in the child’s student file, along with contact information if the school receives a call requesting the transfer of the missing child’s files to another school.

(b) Should recontact the reporting person and/or other witnesses within 30 days of the initial report and within 30 days thereafter to determine if any additional information has become available via the reporting party.

(c) Should consider contacting other agencies involved in the case to determine if any additional information is available.

Hate Crimes

338.1 PURPOSE AND SCOPE
This policy is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow-up, and reporting as related to law enforcement’s role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how the Chino Police Department may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy (Penal Code § 13519.6).

338.1.1 DEFINITION AND LAWS
In accordance with Penal Code § 422.55; Penal Code § 422.56; Penal Code § 422.6; and Penal Code § 422.87, for purposes of all other state law, unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply:

Bias motivation - Bias motivation is a pre-existing negative attitude toward actual or perceived characteristics referenced in Penal Code § 422.55. Depending on the circumstances of each case, bias motivation may include but is not limited to hatred, animosity, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seeking, desire for social dominance, desire for social bonding with those of one’s “own kind,” or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including but not limited to disability or gender.

Disability - Disability includes mental disability and physical disability as defined in Government Code § 12926, regardless of whether those disabilities are temporary, permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.

Disability bias - In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as but not limited to dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore “deserving victims,” a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

In recognizing suspected disability-bias hate crimes, officers should consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes but is not limited to situations where a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons, such as inebriated persons or persons with perceived disabilities different from those of the victim. Such circumstances could be evidence that the perpetrator’s motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.
**Gender** - Gender means sex and includes a person's gender identity and gender expression.

**Gender expression** - Gender expression means a person's gender-related appearance and behavior, whether or not stereotypically associated with the person's assigned sex at birth.

**Gender identity** - Gender identity means each person's internal understanding of their gender, or the perception of a person's gender identity, which may include male, female, a combination of male and female, neither male nor female, a gender different from the person's sex assigned at birth, or transgender (2 CCR § 11030).

**Hate crime** - “Hate crime” includes but is not limited to a violation of Penal Code § 422.6, and means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

(a) Disability
(b) Gender
(c) Nationality
(d) Race or ethnicity
(e) Religion
(f) Sexual orientation
(g) Association with a person or group with one or more of these actual or perceived characteristics:

1. “Association with a person or group with these actual or perceived characteristics” includes advocacy for, identification with, or being on the ground owned or rented by, or adjacent to, any of the following: a community center, educational facility, family, individual, office, meeting hall, place of worship, private institution, public agency, library, or other entity, group, or person that has, or is identified with people who have, one or more of those characteristics listed in the definition of “hate crime” under paragraphs 1 to 6, inclusive, of Penal Code § 422.55(a).

Note: A “hate crime” need not be motivated by hate but may be motivated by any bias against a protected characteristic.

**Hate incident** - A hate incident is an action or behavior motivated by hate or bias but legally protected by the First Amendment right to freedom of expression. Examples of hate incidents include:

- Name-calling
- Insults and epithets
- Distributing hate material in public places
- Displaying hate material on your own property
Hate Crimes

Hate speech - The First Amendment to the U.S. Constitution protects most speech, even when it is disagreeable, offensive, or hurtful. The following types of speech are generally not protected:

- Fighting words
- True threats
- Perjury
- Blackmail
- Incitement to lawless action
- Conspiracy
- Solicitation to commit any crime

In whole or in part - “In whole or in part because of” means that the bias motivation must be a cause in fact of the offense whether or not other causes also exist. When multiple concurrent motives exist, the prohibited bias must be a substantial factor in bringing about the particular result. There is no requirement that the bias be a main factor, or that a crime would not have been committed but for the actual or perceived characteristic.

Nationality - Nationality includes citizenship, country of origin, and national origin.

Race or ethnicity - Race or ethnicity includes ancestry, color, and ethnic background.

Religion - Religion includes all aspects of religious belief, observance, and practice and includes agnosticism and atheism.

Sexual orientation - Sexual orientation means heterosexuality, homosexuality, or bisexuality.

Victim - Victim includes but is not limited to:

- Community center
- Educational facility
- Entity
- Family
- Group
- Individual
- Office
- Meeting hall
- Person
- Place of worship
- Private institution
- Public agency
Hate Crimes

- Library
- Other victim or intended victim of the offense

338.2 POLICY
It is the policy of this department to safeguard the rights of all individuals irrespective of their disability, gender, nationality, race or ethnicity, religion, sexual orientation, and/or association with a person or group with one or more of these actual or perceived characteristics. This policy applies to all employees (full- and part-time), reserve officers and volunteers.

340.2 DISCIPLINE POLICY

The employee shall consider the following:

(a) This Skelly response is not intended to be an adversarial or formal hearing.

(b) Although the employee may be represented by an uninvolved representative or legal counsel, the Skelly response is not designed to accommodate the presentation of testimony or witnesses.

(c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.

(d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results of such subsequent investigation prior to the imposition of any discipline.

(a) Termination of a probationary employee for such failure to pass probation shall be so reflected in the employee's personnel file

(b) In the event that a probationary employee is disciplined or terminated for misconduct, the employee shall only be entitled to appeal the decision in the same manner as set forth in the Skelly procedure as set forth above. This appeal process may be held prior to or within a reasonable time after the imposition of discipline

(c) At all times during any investigation of allegations of misconduct involving a probationary officer, such officer shall be afforded all procedural rights set forth in Government Code § 3303 and applicable Department policies

(d) A probationary employee's appeal of disciplinary action shall be limited to an opportunity for the employee to attempt to establish that the underlying allegations should not be sustained. Nothing in this policy or procedure, however, should be construed to establish any sort of property interest in or right to the employee's continuation of employment

(e) The burden of proof for any probationary employee's appeal of disciplinary action shall rest with the employee and will require proof by a preponderance of the evidence
Disciplinary Policy

This includes records of all keystrokes or Web-browsing history made at any department computer or over any department network. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department computers, electronic devices, or networks.

344.1.1 REPORT PREPARATION

344.3 GENERAL POLICY OF EXPEDITIOUS REPORTING

Reports shall be processed according to established priorities or according to special priority necessary under exceptional circumstances.

344.3.1 GENERAL POLICY OF HANDWRITTEN REPORTS
Some incidents and report forms lend themselves to block print rather than typing. In general, the narrative portion of those reports where an arrest is made or when there is a long narrative should be typed or dictated.

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for department consistency.
Report Preparation

344.3.2 GENERAL USE OF OTHER HANDWRITTEN FORMS
County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

344.4 REPORT CORRECTIONS
Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor should return the report stating the reasons for rejection and the original report should be returned to the reporting employee for correction as soon as practical. It shall be the responsibility of the originating officer to ensure that any report returned for correction is processed in a timely manner.

344.5 REPORT CHANGES OR ALTERATIONS

Reviewed reports that have not yet been submitted to the Records Unit may be corrected or modified by the authoring officer only with the knowledge and authorization of the reviewing supervisor.
Media Relations

346.1 PURPOSE AND SCOPE
This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

346.2 RESPONSIBILITIES
The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police, however, in situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given prior approval, Division Commanders, Watch Commanders and designated Public Information Officer(s) may prepare and release information to the media in accordance with this policy and the applicable law.

In all circumstances, any police department representative interacting with the press will cause press contact information to be immediately forwarded, via email, to the City Public Information Officer and Assistant City Manager. The City Manager is to be notified of all press contacts via Department Director, Assistant City Manager or City Public Information Officer.

346.2.1 MEDIA REQUEST
Any media request for information or access to a law enforcement situation shall be referred to the designated media representative, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, employees shall consider the following:

(a) At no time shall any employee of this department make any comment or release any official information to the media without prior approval from a supervisor or the designated media representative;

(b) In situations involving multiple agencies, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department;

(c) Under no circumstance should any member of this department make any comment(s) to the media regarding any law enforcement incident not involving this department without prior approval of the Chief of Police.

346.3 MEDIA ACCESS
Authorized members of the media shall be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities subject to the following conditions (Penal Code § 409.5(d)):

(a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public.

(b) Media representatives may be prevented from interfering with emergency operations and criminal investigations.
1. Reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should be coordinated through the department Public Information Officer or other designated spokesperson.

2. Whenever the presence of media or other aircraft pose a threat to public or officer safety or significantly hampers incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Watch Commander. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration should be contacted (14 CFR § 91.137).

A tactical operation should be handled in the same manner as a crime scene, except the news media shall be permitted within the outer perimeter of the scene, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a tactical operation in order to accommodate the news media. All comments to the media shall be coordinated through a supervisor or the Public Information Officer.

346.3.1 PROVIDING ADVANCE INFORMATION
To protect the safety and rights of officers and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the news media, nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception the Chief of Police will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

346.4 SCOPE OF INFORMATION SUBJECT TO RELEASE
The Department will maintain a daily information log of significant law enforcement activities that shall be made available, upon request, to media representatives through the Watch Commander. This log will generally contain the following information:
(a) The date, time, location, case number, type of crime, extent of injury or loss, and names of individuals (except confidential informants) involved in crimes occurring within this jurisdiction unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation

(b) The date, time, location, case number, name, birth date and charges for each person arrested by this department unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation

(c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident subject to the restrictions of this policy and applicable law

At no time shall identifying information pertaining to a juvenile arrestee, victim or witness be publicly released without prior approval of a competent court.

Information concerning incidents involving certain sex crimes and other offenses set forth in Government Code § 6254(f) shall be restricted in accordance with applicable statutory provisions.

Identifying information concerning deceased individuals shall not be released to the media until notification of next of kin or otherwise cleared through the Coroner's Office.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated department media representative, the custodian of records, or if unavailable, to the Watch Commander. Such requests will generally be processed in accordance with the provisions of the Public Records Act (Government Code § 6250, et seq.)

Subpoenas and Court Appearances

348.1 PURPOSE AND SCOPE
This procedure has been established to provide for the acceptance of subpoenas and to ensure that employees appear when subpoenaed, or are available to appear in court when requested and present a professional appearance.

348.1.1 DEFINITIONS
On-Call - When an employee is subpoenaed to court but is not required to physically appear and, instead, remains available by phone or pager and agrees to respond to court within a reasonable period as determined or directed by the District Attorney's Office. It is the responsibility of the individual employee to personally contact the District Attorney's Office to obtain permission to be placed on-call (refer to Section 348.1.2 for on-call procedure implementation).

Employees of the Chino Police Department may be entitled to receive compensation for time spent in an on-call status if provided by an existing Memorandum of Understanding.

Subject to Recall - When an employee has appeared in court and indications are that the employee may be required for additional testimony at some later point in the proceeding. Subject to Recall can only be issued and relinquished by the Presiding Judge.

Subject to Recall is not intended to imply that an employee is in an on-call status, rather that the employee is subject to being recalled to court without the need to reissue a subpoena. Employees of the Chino Police Department are not entitled to receive compensation when ordered Subject to Recall on any court matter.

It is the responsibility of the individual employee to personally communicate to the Judge if he/she will be unavailable for any period of time during a court proceeding during which he/she are being ordered Subject to Recall. These issues should be addressed at the time the judge issues the order.

Mandatory Appearance - Subpoenas marked as mandatory appearance require an employee's physical appearance in the specified court unless other arrangements are made with the District Attorney's Office.

In all cases, failure to timely appear in the specified court, either intentionally or by negligence, may result in disciplinary action.

348.1.2 ON-CALL PROCEDURE
The following will serve as a guide for employees regarding the proper implementation of the on-call procedure.

(a) The employee will contact the Assistant District Attorney assigned to the case prior to the appearance date listed on the subpoena and request to be placed in an on-call status. If the Assistant District Attorney approves the request, the employee will then obtain approval from either their supervisor or the Watch Commander. The employee
will then provide the Assistant District Attorney with a number where he/she can be reached.

(b) Once the on-call status has been approved, the employee will remain on-call for the morning session of the court calendar (typically from 8:30 a.m. until 12:00 p.m.). If the employee does not receive notification from the Assistant District Attorney or his/her designee by 12:00 p.m., stating that the employee will be needed for the afternoon court session, the employee shall no longer be on-call and any entitlement to compensation will end at that time.

(c) If the employee is contacted by the Assistant District Attorney or his/her designee, authorizing him/her to remain on-call for the afternoon session (typically 1:30 p.m. until 5:00 p.m.). If the Assistant District Attorney requires the employee to be on-call for the following court day, the Assistant District Attorney or his/her designee will be responsible for notifying the employee by the end of the day. The employee will then be required to obtain permission from their supervisor or the Watch Commander to be placed in an on-call status for the following day. If the employee does not receive notification of such a necessity, he/she will no longer be on-call.

(d) The Assistant District Attorney or his/her designee may contact the employee at any time to discontinue his/her on-call status.

(e) In the event the employee is contacted by the Assistant District Attorney or his/her designee while in an on-call status and is ordered to respond to court, the employee will be compensated at the time he/she receives the notification for appearance in accordance with the existing Memorandum of Understanding.

348.2 COURT SUBPOENAS
Employees who receive subpoenas related to their employment with this department are subject to the provisions of this policy. Employees should be aware that their compliance is mandatory on all cases for which they have been properly subpoenaed, or properly notified. This policy applies to civil and criminal subpoenas. Employees are expected to cooperate with the prosecution to ensure the successful conclusion of a case.

348.2.1 SERVICE OF SUBPOENA
Service of a subpoena requiring the appearance of any department employee in connection with a matter arising out of the employee's course and scope of official duties may be accomplished by personal service on the employee or by delivery of two copies of the subpoena on the employee's supervisor or other authorized departmental agent (Government Code § 68097.1 and Penal Code § 1328(c)). Subpoena service is also acceptable by courier or court liaison from the court to this department.
Subpoenas and Court Appearances

348.2.2 VALID SUBPOENAS
No subpoena shall be accepted for an employee of this department unless it has been properly served and verified to have originated from a recognized legal authority.

348.2.3 ACCEPTANCE OF SUBPOENA
(a) Only the employee named in a subpoena, his/her immediate supervisor or the department subpoena clerk shall be authorized to accept service of a subpoena. (Penal Code § 1328(c)). Any authorized employee accepting a subpoena shall immediately provide a copy of the subpoena to the department subpoena clerk. The subpoena clerk shall maintain a chronological log of all department subpoenas and provide a copy of the subpoena to each involved employee.

(b) Any supervisor or other authorized individual accepting a subpoena on behalf of another employee shall immediately check available schedules to determine the availability of the named employee for the date listed on the subpoena.

(c) Once a subpoena has been received by a supervisor or other authorized individual, a copy of the subpoena shall be promptly provided to the subpoena clerk as well as a copy to the individually named employee.

348.2.4 REFUSAL OF SUBPOENA
Except where previous arrangements with the issuing court exist, training, vacations and regularly scheduled days off are not valid reasons for refusing a subpoena or missing court. If, due to illness or injury, the named employee is unable to appear in court as directed by a previously served subpoena, he/she shall, at least one hour before the appointed date and time, inform the subpoena clerk or the Watch Commander of his/her absence. It shall then be the responsibility of the subpoena clerk to notify the issuing authority of the employee’s unavailability to appear.

If the immediate supervisor or other authorized individual knows that he/she will be unable to deliver a copy of the subpoena to the named employee within sufficient time for the named employee to comply with the subpoena, the supervisor or other authorized individual may refuse to accept service (Penal Code § 1328(d)).

If a subpoena is presented for service to an immediate supervisor or other authorized individual less than five working days prior to the date listed for an appearance and the supervisor or other authorized individual is not reasonably certain that the service can be completed, he/she may refuse to accept service (Penal Code § 1328(e)).

If, after initially accepting service of a subpoena, a supervisor or other authorized individual determines that he/she will be unable to deliver a copy of the subpoena to the individually named employee within sufficient time for the named employee to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328(f)).
Subpoenas and Court Appearances

348.2.5 OFF-DUTY RELATED SUBPOENAS
Employees receiving valid subpoenas for actions taken off-duty not related to their employment with Chino Police Department shall comply with the requirements of the subpoena. Employees receiving these subpoenas are not compensated for their appearance and arrangements for time off shall be coordinated through their immediate supervisor.

348.2.6 FAILURE TO APPEAR
Any employee who fails to comply with the terms of any valid and properly served subpoena may be subject to discipline as well as court imposed civil and/or criminal sanctions.

348.3 CIVIL SUBPOENAS
The Department will compensate employees who appear in their official capacity on civil matters arising out of the employee's official duties as directed by the current Memorandum of Understanding. In such situations, the Department will also reimburse any officer for reasonable and necessary travel expenses.

The Department will receive reimbursement for the officer's compensation through the civil attorney of record who subpoenaed the officer.

348.3.1 PROCEDURE
To ensure that the officer is able to appear when required, that the officer is compensated for such appearance, and to protect the Department's right to reimbursement, officers shall follow the established procedures for the receipt of a civil subpoena.

348.3.2 CIVIL SUBPOENA ACCEPTANCE
Subpoenas shall not be accepted in a civil action in which the officer or Department is not a party without properly posted fees pursuant to Government Code § 68097.6.

348.3.3 PARTY MUST DEPOSIT FUNDS
The party in the civil action who seeks to subpoena an officer must deposit the statutory fee of $150 (Government Code § 68097.2) for each appearance before such subpoena will be accepted. Parties seeking to have the officer make multiple appearances must make an additional deposit in advance.

348.4 OVERTIME APPEARANCES
If the officer appeared on his/her off-duty time, he/she will be compensated in accordance with the current employee Memorandum of Understanding.

348.5 COURTROOM PROTOCOL
Employees must be punctual when appearing in court and shall be prepared to proceed immediately with the case for which they are subpoenaed.

Before the date of testifying, the subpoenaed officer shall request a copy of relevant reports and become familiar with their content in order to be prepared for court.

348.5.2 COURTROOM ATTIRE

During court proceedings, the officer's firearm will be hidden from view when not in uniform.

348.6 COURTHOUSE DECORUM
Employees shall observe all rules of the court in which they are appearing, refrain from smoking or chewing gum in the courtroom, and shall remain alert to changes in the assigned courtroom where their matter is to be heard.

348.7 TESTIFYING AGAINST THE INTEREST OF THE PEOPLE OF THE STATE
Any member or employee who is subpoenaed to testify, who has agreed to testify, or who anticipates testifying or providing information on behalf of or at the request of any party other than the People of the State of California, any county, any city, or any of their officers and employees in which any of those entities are parties, will notify their immediate supervisor without delay. The supervisor will then notify the Chief of Police, District Attorney’s Office in criminal cases, County Counsel or City Attorney, as may be indicated by the case.

This includes, but is not limited to the following situations:

Reserve Officers

350.1 PURPOSE AND SCOPE
The Chino Police Department Reserve Unit was established to supplement and assist regular sworn police officers in their duties. This unit provides professional, sworn volunteer reserve officers who can augment regular staffing levels.

350.2 SELECTION AND APPOINTMENT OF POLICE RESERVE OFFICERS
The Chino Police Department shall endeavor to recruit and appoint to the Reserve Unit only those applicants who meet the high ethical, moral and professional standards set forth by this department.

350.2.1 PROCEDURE
All applicants shall be required to meet and pass the same pre-employment procedures as regular police officers before appointment.

Before appointment to the Police Reserve Unit, an applicant must have completed, or be in the process of completing, a POST approved basic academy or extended basic academy.

350.2.2 APPOINTMENT
Applicants who are selected for appointment to the Police Reserve Unit shall, on the recommendation of the Chief of Police, be sworn in by the Chief of Police and take a loyalty oath to observe and obey all of the laws of the land and to carry out their duties to the best of their ability.

350.2.3 COMPENSATION FOR POLICE RESERVE OFFICERS
Compensation for reserve officers is provided as follows:

All reserve officer appointees are issued two sets of uniforms and all designated attire and safety equipment. All property issued to the reserve officer shall be returned to the Department upon termination or resignation. Reserves shall receive a yearly uniform allowance equal to 25% of that of regular officers. Reserve officers receive hourly compensation consistent with the figures outlined in the most current "Classification and Salary Schedule."

350.2.4 EMPLOYEES WORKING AS RESERVE OFFICERS
Qualified employees of this department, when authorized, may also serve as reserve officers. However, the Department must not utilize the services of a reserve or volunteer in such a way that it would violate employment laws or labor agreements (e.g., a detention officer working as a reserve officer for reduced or no pay). Therefore, the Reserve Coordinator should consult the Department of Human Resources prior to an employee serving in a reserve or volunteer capacity (29 C.F.R.553.30).

350.3 DUTIES OF RESERVE OFFICERS
Reserve officers assist regular officers in the enforcement of laws and in maintaining peace and order within the community. Assignments of reserve officers will usually be to augment the
Reserve Officers

Operations Division. Reserve officers may be assigned to other areas within the Department as needed. Reserve officers are required to work a minimum of 16 hours per month.

350.3.1 POLICY COMPLIANCE
Police reserve officers shall be required to adhere to all departmental policies and procedures. A copy of the policies and procedures will be made available to each reserve officer upon appointment and he/she shall become thoroughly familiar with these policies.

Whenever a rule, regulation, or guideline in this manual refers to a sworn regular full-time officer, it shall also apply to a sworn reserve officer unless by its nature it is inapplicable.

350.3.2 RESERVE OFFICER ASSIGNMENTS
All reserve officers will be assigned to duties by the Reserve Coordinator or his/her designee.

350.3.3 RESERVE COORDINATOR
The Chief of Police shall delegate the responsibility for administering the Reserve Officer Program to a Reserve Coordinator.

The Reserve Coordinator shall have the responsibility of, but not be limited to:

(a) Assignment of reserve personnel
(b) Conducting reserve meetings
(c) Establishing and maintaining a reserve call-out roster
(d) Maintaining and ensuring performance evaluations are completed
(e) Monitoring individual reserve officer performance
(f) Monitoring overall Reserve Program
(g) Maintaining liaison with other agency Reserve Coordinators

350.4 FIELD TRAINING
Penal Code § 832.6(a)(2) requires Level I reserve officers, who have not been released from the immediate supervision requirement per Policy Manual § 350.4.7, to work under the immediate supervision of a peace officer who possesses a Basic POST Certificate.

350.4.1 TRAINING OFFICERS
Officers of this department, who demonstrate a desire and ability to train reserve officers, may train the reserves, subject to Watch Commander approval.

350.4.2 PRIMARY TRAINING OFFICER
Upon completion of the Academy and/or appointment, reserve officers will be assigned to a primary training officer. The primary training officer will be selected from members of the Field Training Officer (FTO) Committee. The reserve officer will be assigned to work with his/her primary training officer until such time as there is a change made by the FTO Coordinator(s).
350.4.3 FIELD TRAINING MANUAL
Each new reserve officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly function as an officer with the Chino Police Department. The reserve officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

350.4.4 COMPLETION OF THE PRIMARY TRAINING PHASE
At the completion of each phase of training, the primary training officer will meet with the FTO Coordinator. The purpose of this meeting is to discuss the progress of the reserve officer in training.

If the reserve officer has progressed satisfactorily, he/she will then proceed to subsequent phases of training. If he/she has not progressed satisfactorily, the FTO Coordinator will determine the appropriate action to be taken.

350.4.5 COMPLETION OF THE FORMAL TRAINING PROCESS
When a reserve officer has satisfactorily completed all phases of formal training, he/she will no longer be required to ride with a reserve training officer. The reserve officer may now be assigned to ride with any officer as directed by the Watch Commander.

350.5 SUPERVISION OF RESERVE OFFICERS
Reserve officers who have attained the status of Level II shall be under the immediate supervision of a regular sworn officer (Penal Code 832.6(a)(2)). The immediate supervision requirement shall also continue for reserve officers who have attained Level I status unless special authorization is received from the Reserve Coordinator with the approval of the Division Commander.

350.5.1 SPECIAL AUTHORIZATION REQUIREMENTS
Reserve officers certified as Level I may, with prior authorization of the Reserve Coordinator and on approval of the Division Commander, be relieved of the "immediate supervision" requirement. Level I reserve officers may function under the authority of Penal Code § 832.6(a)(1) only for the duration of the assignment or purpose for which the authorization was granted.

In the absence of the Reserve Coordinator and the Division Commander, the Watch Commander may assign a certified Level I reserve officer to function under the authority of Penal Code § 832.6(a)(1) for specific purposes and duration.

350.5.2 RESERVE OFFICER MEETINGS
All reserve officer meetings will be scheduled and conducted by the Reserve Coordinator. All reserve officers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the Reserve Coordinator.

350.5.3 IDENTIFICATION OF RESERVE OFFICERS
All reserve officers will be issued a uniform badge and a Department identification card. The uniform badge shall be the same as that worn by a regular full-time officer. The identification card
Reserve Officers will be the standard identification card with the exception that "Reserve" will be indicated on the card.

350.5.4  UNIFORM
Reserve officers shall conform to all uniform regulation and appearance standards of this department.

350.5.5  INVESTIGATIONS AND COMPLAINTS
If a reserve officer has a complaint made against him/her or becomes involved in an internal investigation, that complaint or internal investigation may be investigated by the Reserve Coordinator, at the discretion of the Operations Division Commander.

Reserve officers are considered at-will employees. Government Code § 3300 et seq. applies to reserve officers with the exception that the right to hearing is limited to the opportunity to clear their name.

Any disciplinary action that may have to be administered to a reserve officer shall be accomplished as outlined in the Policy Manual.

350.5.6  RESERVE OFFICER EVALUATIONS
While in training reserves will be continuously evaluated using standardized daily and weekly observation reports. The reserve will be considered a trainee until all of the training phases have been completed. Reserves having completed their field training will be evaluated annually using performance dimensions applicable to the duties and authorities granted to that reserve.

350.6  FIREARMS REQUIREMENTS
Penal Code § 830.6(a)(1) designates a reserve officer as having peace officer powers during his/her assigned tour of duty, provided the reserve officer qualifies or falls within the provisions of Penal Code § 832.6.

350.6.1  CARRYING WEAPON ON DUTY
Penal Code § 830.6(a)(1) permits qualified reserve officers to carry a loaded firearm while on duty. It is the policy of this department to allow reserves to carry firearms only while on duty or to and from duty.

350.6.2  CONCEALED FIREARMS PROHIBITED
No reserve officer will be permitted to carry a concealed firearm while in an off-duty capacity, other than to and from work, except those reserve officers who possess a valid CCW permit. An instance may arise where a reserve officer is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the reserve officer may be permitted to carry a weapon more suited to the assignment with the knowledge and approval of the supervisor in charge of the detail.

Any reserve officer who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to departmental standards. The weapon must be
registered by the reserve officer and be inspected and certified as fit for service by a departmental armorer.

Before being allowed to carry any optional firearm during an assigned tour of duty, the reserve officer shall have demonstrated his/her proficiency with said weapon.

When a reserve officer has satisfactorily completed all phases of training (as outlined in Policy Manual § 350.4), he/she may be issued a permit to carry a concealed weapon. The decision to issue a concealed weapon permit will be made by the Chief of Police with input from the Reserve Program Coordinator and administrative staff. In issuing a concealed weapon permit a reserve officer's qualification will be individually judged. A reserve officer's dedication to the program and demonstrated maturity, among other factors, will be considered before a concealed weapon permit will be issued. Once issued, the concealed weapon permit will be valid only for as long as the reserve officer remains in good standing with the Chino Police Department Reserve Officer Program.

350.6.3 RESERVE OFFICER FIREARM TRAINING
All reserve officers are required to maintain proficiency with firearms used in the course of their assignments. Reserve officers shall comply with all areas of the firearms training section of the Policy Manual.

350.7 EMERGENCY CALL-OUT FOR RESERVE PERSONNEL
The Reserve Coordinator shall develop a plan outlining an emergency call-out procedure for reserve personnel.
Outside Agency Assistance

352.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

352.2 REPORTING REQUIREMENTS
Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in a general case report or as directed by the Watch Commander.

352.3 REQUESTING OUTSIDE ASSISTANCE
If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

352.4 POLICY
It is the policy of the Chino Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

352.5 ASSISTING OUTSIDE AGENCIES
Generally, requests for any type of assistance from another agency should be routed to the Watch Commander’s office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this department, the Watch Commander may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this department will not ordinarily be booked at this department. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.
352.5.1 INITIATED ACTIVITY
Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Chino Police Department shall notify his/her supervisor or the Watch Commander and the Communications Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

Additional auditing may be conducted where the supervisor reasonably believes information discovered during an audited recording requires additional follow up to either confirm or dispel a potential issue with the involved employee. When additional auditing is conducted a notation on the supervisor’s log will be made to indicate the reason and the number of extra files audited.

Nothing in this section is intended to interfere with an employee’s rights under Government Code Section 3300 et seq.

The following audits will be conducted at a minimum of bi-annually, and the audit results will be retained by the Professional Standards Unit.

354.4 AUDITS RELATED TO DEPARTMENT SAFE
The main department safe, evidence room safe, and the professional standards safe will be controlled and audited in accordance with Lexipol policy. For further details on the safe audits, see Lexipol Policy Sections 461.6 and 461.7.
Audit and Inspection(s)

354.5 AUDITS RELATED TO INTELLIGENCE SYSTEMS
Criminal Intelligence Systems must be approved for department use. The authorized designee should ensure the members using any such system are appropriately selected and trained, use of every criminal intelligence system is appropriately reviewed and audited, and any system security issues are reasonably addressed. For further details on criminal intelligence systems audits, see Lexipol Policy Section 440.3.

354.6 AUDITS RELATED TO AUTOMATED LICENSE PLATE READERS (ALPRS)
Automated License Plate Readers (ALPRs) are only to be used by the Chino Police Department for official law enforcement purposes. All installation, maintenance of equipment, data retention, and access shall be managed by the . The Operations Division Commander will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data. Data obtained ALPR will be downloaded to the server and stored for a minimum of one year and in accordance with the established records retention schedule. For further details on ALPR audits, see Lexipol Policy Sections 460.2 and 460.4.

354.7 GANG INTELLIGENCE FILE GUIDELINES
Only information meeting the Chino Police Department criteria / policy for file input will be stored in the Criminal Intelligence File. Chino Police Department Gang Files are 'Confidential, Criminal Intelligence Files', pursuant to Section 6254 (f) of the Government Code. The content of files will conform to the federal standards described in 28 CFR 23. Access to these files is restricted. Subject identification files shall be reviewed bi-annually to ensure they are up-to-date and within the guidelines established by the Chino Police Department Criminal Intelligence Policy. Each subject identification file having no entry indicating police contact for the proceeding five (5) year period shall be purged from the file and disposed of in accordance with department guidelines. For further details on gang file audits, see Lexipol Policy Sections 609.10, 609.10.1 and 609.11.

354.8 AUDITS RELATED TO FACIAL RECOGNITION
Primary responsibility for the operation of the Chino Police Department’s facial recognition program system, operations, and the coordination of personnel: the receiving, seeking, retention, evaluation, data quality, use, purging, sharing, disclosure, or dissemination of information: and the management is assigned to the Criminal Investigations Bureau (CIB) Commander or their designee. The Chino Police Department’s Professional Standards Bureau will maintain an audit report of requested, accessed, searched, or disseminated facial recognition information. For further details on facial recognition audits, see Lexipol Policy Sections 611.7 and 611.11.
Registered Offender Information

355.1 PURPOSE AND SCOPE
This policy establishes guidelines by which the Chino Police Department will address issues associated with certain offenders who are residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered sex, arson and drug offenders.

355.2 POLICY
It is the policy of the Chino Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

355.3 REGISTRATION
The Detective Bureau supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the California Department of Justice (DOJ) in accordance with applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

355.3.1 CONTENTS OF REGISTRATION
The information collected from the registering offenders shall include a signed statement as required by the California DOJ, fingerprints and a photograph, and any other information required by applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

355.4 MONITORING OF REGISTERED OFFENDERS
The Detective Bureau supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

(a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.
(b) Review of information on the California DOJ website for sex offenders.
(c) Contact with a registrant’s parole or probation officer.

Any discrepancies should be reported to the California DOJ.
Registered Offender Information

The Detective Bureau supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Chino Police Department personnel, including timely updates regarding new or relocated registrants.

355.5 DISSEMINATION OF PUBLIC INFORMATION
Members will not unilaterally make a public notification advising the community of a particular registrant’s presence in the community. Members who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on sex registrants should be provided the Megan's Law website or the Chino Police Department’s website. Information on sex registrants placed on the Chino Police Department’s website shall comply with the requirements of Penal Code § 290.46.

The Records Supervisor may release local registered offender information to residents only in accordance with applicable law (Penal Code § 290.45; Penal Code § 290.46; Penal Code § 457.1), and in compliance with a California Public Records Act (Government Code § 6250-6276.48) request.

355.5.1 LIMITED RELEASE WITHIN COLLEGE CAMPUS COMMUNITY
California law allows the following additional information regarding a registered sex offender on campus, whose information is not available to the public via the internet website, to be released to a campus community (Penal Code § 290.01(d)):

(a) The offender’s full name
(b) The offender’s known aliases
(c) The offender’s sex
(d) The offender’s race
(e) The offender’s physical description
(f) The offender’s photograph
(g) The offender’s date of birth
(h) Crimes resulting in the registration of the offender under Penal Code § 290
(i) The date of last registration

For purposes of this section, campus community shall be defined as those persons present at or regularly frequenting any place constituting campus property, satellite facilities, laboratories, public areas contiguous to the campus and other areas set forth in Penal Code § 290.01(d).
355.5.2 RELEASE NOTIFICATIONS

Registrant information that is released should include notification that:

(a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.

(b) The information is provided as a public service and may not be current or accurate.

(c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.

(d) The crime for which a person is convicted may not accurately reflect the level of risk.

(e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.

(f) The purpose of the release of information is to allow members of the public to protect themselves and their children from sex offenders (Penal Code 290.45).
### Major Incident Notification

#### 357.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance to members of this department in determining when, how and to whom notification of major incidents should be made.

#### 357.2 POLICY
The Chino Police Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

#### 357.3 MINIMUM CRITERIA FOR NOTIFICATION
Most situations where the media show a strong interest are also of interest to the Chief of Police and the affected Division Commander. The following list of incident types is provided as a guide for notification and is not intended to be all inclusive:

- Homicides
- Traffic accidents with fatalities
- Officer-involved shooting - on or off duty (see Officer-Involved Shootings and Deaths Policy for special notifications)
- Significant injury or death to employee - on or off duty
- Death of a prominent Chino official
- Arrest of a department employee or prominent Chino official
- Aircraft crash with major damage and/or injury or death
- In-custody deaths

#### 357.4 SUPERVISOR RESPONSIBILITY

The supervisor shall immediately cause the notification of the Bureau Lieutenant and Division Commander for any incidents requiring notification.

**Chief of Police** - It will be the responsibility of the Division Commander to notify the Chief of Police on those major incidents wherein notification would be appropriate.

In the unlikely event that the on-duty supervisor is unable to contact the Bureau Lieutenant or Division Commander, notification will be made directly to the Chief of Police.

**City Staff** - If notification of the incident is made to the Chief of Police by the Division Commander, the Chief of Police will assume responsibility to notify either the Assistant City Manager or City Manager.
Major Incident Notification

In the event, the Division Commander is unable to make notification to the Chief of police, the Division Commander will be responsible for notification to the Assistant City Manager or City Manager.

In the unlikely event that the Chief of Police or Division Commander cannot be contacted, the highest ranking on-duty staff officer will be responsible for making the notification.

357.4.1 DETECTIVE NOTIFICATION
If the incident requires that a detective respond from home, the immediate supervisor of the appropriate detail shall be contacted who will then contact the appropriate detective. The bureau supervisor will also determine the need for a crime scene investigation response and will coordinate that person's response as well. The Bureau supervisor will be responsible for making notification to the Criminal Investigations Lieutenant as soon as practical.

357.4.2 TRAFFIC BUREAU NOTIFICATION
In the event of a traffic fatality or major injury, the Traffic Sergeant shall be notified who will then contact the appropriate accident investigator. The Traffic Sergeant will notify the Traffic Lieutenant.

357.4.3 PUBLIC INFORMATION OFFICER (PIO)
The Public Information Officer shall be called after members of staff have been notified that it appears the media may have a significant interest in the incident.
Death Investigation

359.1 PURPOSE AND SCOPE
The investigations of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

359.2 INVESTIGATION CONSIDERATIONS
Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed). A supervisor shall be notified in all death investigations.

359.2.1 CORONER REQUEST
Government Code § 27491 and Health & Safety Code § 102850 direct the Coroner to inquire into and determine the circumstances, manner and cause of certain deaths. The Coroner shall be called in any of the following cases:

(a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. Also, includes all deaths outside hospitals and nursing care facilities).

(b) Deaths where the deceased has not been attended by either a physician or a registered nurse, who is a member of a hospice care interdisciplinary team, as defined by Health and Safety Code § 1746 in the 20 days prior to death.

(c) Physician unable to state the cause of death. Unwillingness does not apply. Includes all sudden, unexpected and unusual deaths and fetal deaths when the underlying cause is unknown.

(d) Known or suspected homicide.

(e) Known or suspected suicide.

(f) Involving any criminal action or suspicion of a criminal act. Includes child and dependent adult negligence and abuse.

(g) Related to or following known or suspected self-induced or criminal abortion.

(h) Associated with a known or alleged rape or crime against nature.

(j) Drowning, fire, hanging, gunshot, stabbing, cutting, starvation, exposure, alcoholism, drug addiction, strangulation or aspiration.

(k) Accidental poisoning (food, chemical, drug, therapeutic agents).
Death Investigation

(l) Occupational diseases or occupational hazards.
(m) Known or suspected contagious disease and constituting a public hazard.
(n) All deaths in operating rooms and all deaths where a patient has not fully recovered from an anesthetic, whether in surgery, recovery room or elsewhere.
(o) In prison or while under sentence. Includes all in-custody and police involved deaths.
(p) All deaths of unidentified persons.
(q) All deaths of state hospital patients.
(r) Suspected Sudden Infant Death Syndrome (SIDS) deaths.
(s) All deaths where the patient is comatose throughout the period of the physician's attendance. Includes patients admitted to hospitals unresponsive and expire without regaining consciousness.

The body shall not be disturbed or moved from the position or place of death without permission of the coroner.

359.2.2 SEARCHING DEAD BODIES
The Coroner or Deputy Coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in Government Code § 27491. The only exception is that an officer is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card (Government Code § 27491.3). If such a donor card is located, the Coroner or a designee shall be promptly notified. Should exigent circumstances indicate to an officer that any search of a known dead body is warranted prior to the arrival of the Coroner or a designee; the investigating officer shall first obtain verbal consent from the Coroner or a designee (Government Code § 27491.2).

Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the officer pending the arrival of the Coroner or a designee. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Coroner or a designee, a receipt shall be obtained. This receipt shall be attached to the death report.

359.2.3 DEATH NOTIFICATION
When practical, and if not handled by the Coroner’s Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner may be requested to make the notification. The Coroner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.
Death Investigation

359.2.4 UNIDENTIFIED DEAD BODIES
If the identity of a dead body cannot be established after the Coroner arrives, the Coroner’s office will issue a "John Doe" or "Jane Doe" number for the report.

359.2.5 DEATH INVESTIGATION REPORTING
All incidents involving a death shall be documented on the appropriate form.

359.2.6 SUSPECTED HOMICIDE
If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the Investigations Division shall be notified to determine the possible need for a detective to respond to the scene for further immediate investigation.

359.2.7 EMPLOYMENT RELATED DEATHS OR INJURIES
Any member of this agency who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment shall ensure that the nearest office of Cal-OSHA is notified by telephone immediately or as soon as practicable with all pertinent information (8 CCR 342(b)).
Identity Theft

361.1 PURPOSE AND SCOPE
Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

361.2 REPORTING

(a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims residing within the jurisdiction of this department when the crime occurred. For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:

1. For any victim not residing within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim’s residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.

(b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, officers of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).

(c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim’s name when the victim has never made such an application).

(d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.

(e) The reporting officer should inform victims of identity theft that the California Identity Theft Registry is available to help those who are wrongly linked to crimes. The registry can be checked by law enforcement and other authorized persons to investigate whether a criminal history or warrant was created in the victim’s name (Penal Code § 530.7). Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.

(f) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.
Private Persons Arrests

363.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

363.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS
Penal Code § 836(b) expressly mandates that all officers shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, officers should use sound discretion in determining whether or not to advise an individual of the arrest process.

(a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.

(b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

363.3 ARRESTS BY PRIVATE PERSONS
Penal Code § 837 provides that a private person may arrest another:

(a) For a public offense committed or attempted in his or her presence;
(b) When the person arrested has committed a felony, although not in his or her presence;
(c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

363.4 OFFICER RESPONSIBILITIES
Any officer presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

(a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
Private Persons Arrests

1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b)(1). The officer must include the basis of such a determination in a related report.

2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.

   (b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:

   1. Take the individual into physical custody for booking
   2. Release the individual pursuant to a Notice to Appear
   3. Release the individual pursuant to Penal Code § 849

363.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a department Private Person's Arrest form under penalty of perjury.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), officers shall complete a narrative report regarding the circumstances and disposition of the incident.
Anti-Reproductive Rights Crimes Reporting

365.1 PURPOSE AND SCOPE
This policy shall establish a procedure for the mandated reporting of Anti-Reproductive Rights Crimes (ARRC) to the Attorney General pursuant to the Reproductive Rights Law Enforcement Act (Penal Code § 13775 et seq.).

365.2 DEFINITIONS
Penal Code § 423.2 provides that the following acts shall be considered Anti-Reproductive Rights Crimes (ARRC) when committed by any person, except a parent or guardian acting towards his or her minor child or ward:

(a) By force, threat of force, or physical obstruction that is a crime of violence, intentionally injures, intimidates, interferes with, or attempts to injure, intimidate, or interfere with any person or entity because that person or entity is a reproductive health services client, provider, or assistant, or in order to intimidate any person or entity, or any class of persons or entities, from becoming or remaining a reproductive health services client, provider, or assistant

(b) By non-violent physical obstruction, intentionally injures, intimidates, or interferes with, or attempts to injure, intimidate, or interfere with, any person or entity because that person or entity is a reproductive health services client, provider, or assistant, or in order to intimidate any person or entity, or any class of persons or entities, from becoming or remaining a reproductive health services client, provider or assistant

(c) Intentionally damages or destroys the property of a person, entity, or facility, or attempts to do so, because the person, entity, or facility is a reproductive health services client, provider, assistant, or facility

365.3 REPORTING REQUIREMENTS TO THE ATTORNEY GENERAL

(a) Upon the receipt of the report of an ARRC, it shall be the responsibility of the employee taking such a report to also complete an ARRC Data Collection Worksheet (BCIA 8371) in accordance with the instructions contained on such forms.

(b) The ARRC Data Collection Worksheet shall be processed with all related reports and forwarded to the Investigation Division Commander.

(c) By the tenth day of each month, it shall be the responsibility of the Investigation Division Commander to ensure that a Summary Worksheet (BCIA 8370) is submitted to the Department of Justice Criminal Justice Statistics Center.

1. In the event that no ARRC(s) were reported during the previous month, a Summary Worksheet shall be submitted to Department of Justice with an indication that no such crimes were reported.
Anti-Reproductive Rights Crimes Reporting

2. Any ARRC(s) reported in the Summary Worksheet shall be accompanied by a copy of the related Data Collection Worksheet(s).
Limited English Proficiency Services

367.1 PURPOSE AND SCOPE
Language barriers can sometimes inhibit or even prohibit individuals with limited English proficiency (LEP) from gaining meaningful access to, or an understanding of important rights, obligations and services. It is therefore the policy of this department to take all reasonable steps to ensure timely and equal access to all individuals, regardless of national origin or primary language (Title VI of the Civil Rights Act of 1964, § 601, 42 USC 2000d).

367.1.1 DEFINITIONS
Definitions related to this policy include:

**Authorized interpreter** - Any employee who is bilingual and has successfully completed department-prescribed interpreter training and is authorized to act as an interpreter or translator.

**Bilingual** - The ability to communicate in two languages fluently, including the ability to communicate technical and law enforcement terminology. Bilingual includes a variety of skill levels. For example, some bilingual individuals may be fluent enough to engage in direct communications in a non-English language but insufficiently fluent to interpret or translate from one language into another. For example, a bilingual individual, depending on his/her skill level, could be utilized to communicate fluently in a non-English language but not to interpret between two languages if he/she does not possess the specialized skills necessary to interpret between two languages effectively. In order to be utilized to interpret or translate from one language into another, an individual must possess the skill, training and demonstrated competence to do so. For purposes of this policy, employees, in order to be identified as bilingual, must initially and periodically demonstrate, through a procedure to be established by the Department, their level of skill and competence such that the Department is able to determine the purposes for which an employee's language skills may be used.

**Interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language) while retaining the same meaning.

**Limited English Proficient (LEP)** - Designates individuals whose primary language is not English and who have a limited ability to read, write, speak or understand English. LEP individuals may be competent in certain types of communication (e.g., speaking or understanding), but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific: An individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

**Translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

367.2 FOUR FACTOR ANALYSIS
Since there are potentially hundreds of languages department personnel could encounter, the Department will utilize the four-factor analysis outlined in the Department of Justice LEP *Guidance*.
Limited English Proficiency Services

to Federal Financial Assistance Recipients available at the DOJ website in determining which measures will provide reasonable and meaningful access to various rights, obligations, services and programs to everyone. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis therefore, must remain flexible and requires an ongoing balance of the following four factors:

(a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department personnel or who may benefit from programs or services within the Department’s jurisdiction or a particular geographic area.

(b) The frequency with which LEP individuals are likely to come in contact with department personnel, programs or services.

(c) The nature and importance of the contact, program, information or service provided.

(d) The cost of providing LEP assistance and the resources available.

As indicated above, the intent of this analysis is to provide a balance that reasonably ensures meaningful access by LEP individuals to critical services while not imposing undue burdens on the Department its personnel.

While this department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right, the above analysis will be utilized to determine the availability and level of assistance provided to any LEP individual or group.

367.2.1 IDENTIFICATION OF LEP INDIVIDUAL’S LANGUAGE

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language in an effort to avoid misidentifying that language.

367.3 TYPES OF LEP ASSISTANCE AVAILABLE

Depending on the balance of the above four factors, this department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services, where available. LEP individuals may elect to accept interpreter services offered by the Department at no cost or choose to provide their own interpreter services at their own expense. Department personnel should document in any related report whether the LEP individual elected to use interpreter services provided by the Department or some other source. Department-provided interpreter services may include, but are not limited to, the assistance methods described in this section.

367.3.1 BILINGUAL PERSONNEL

Personnel utilized for LEP services need not be certified as interpreters, but must have demonstrated, through established department procedures, a level of competence to ascertain whether his/her language skills are best suited to monolingual communications, interpretation, translation, or all or none of these functions.
Limited English Proficiency Services

All personnel used for communication with LEP individuals must demonstrate knowledge of the functions of an interpreter and the ethical issues involved when acting as a language conduit. In addition, employees who serve as interpreters and/or translators must have demonstrated competence in both English and the non-English language. When bilingual personnel from this department are not available, personnel from other city departments who have the requisite training may be requested.

367.3.2 WRITTEN FORMS AND GUIDELINES
This department will determine the most frequently used and critical forms and guidelines and translate these documents into the languages most likely to be requested. The Department will arrange to make these translated forms available to department personnel and other appropriate individuals.

367.3.3 AUDIO RECORDINGS
The Department may develop audio recordings of information that is either important to or frequently requested by LEP individuals for broadcast in a language most likely to be understood by involved LEP individuals.

367.3.4 TELEPHONE INTERPRETER SERVICES
The Watch Commander and the Public Safety Dispatch Supervisor will maintain a list of qualified interpreter services. These services shall be available, with the approval of a supervisor, to assist department personnel in communicating with LEP individuals via official cellular telephones.

367.3.5 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF INTERPRETATION
Where competent bilingual departmental personnel or other City-certified staff are unavailable to assist, responsible members of the community who have demonstrated competence in either monolingual (direct) communication and/or in interpretation and translation (as noted in above) may be called upon to assist in communication efforts. Sources for these individuals may include neighboring police departments, university languages and linguistics departments, local businesses, banks, churches, neighborhood leaders and school officials. Department personnel should ensure that community members are able to provide unbiased assistance. The nature of the contact and relationship between the LEP individual and the individual offering services must be carefully considered (e.g., victim/suspect).

Except for exigent or very informal and non-confrontational circumstances, the use of an LEP individual’s bilingual friends or family members, particularly children, are generally not recommended and department personnel shall make case-by-case determinations on the appropriateness of using such individuals (for further guidance see: Section V(3) of the DOJ Final Guidance available at the DOJ website).

367.4 LEP CONTACT SITUATIONS AND REPORTING
While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize language services so that they may be targeted where they are most needed.
Whenever any member of this department is required to complete a report or when other documentation and interpretation or translation services are provided to any involved LEP individual, such services should be noted in the related report.

367.4.1 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE
In order to provide LEP individuals with meaningful access to police services when they are victims of, or witnesses to, alleged criminal activity or other emergencies, this department has designated its 9-1-1 lines as its top priority for language services. Department personnel will make every reasonable effort to promptly accommodate such LEP individuals utilizing 9-1-1 lines through any or all of the above resources.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

367.4.2 EMERGENCY CALLS TO 9-1-1
When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker should quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in the Communications Center, the call-taker should immediately connect the LEP caller to the interpreter.

If an appropriate authorized interpreter is not available, the call-taker will promptly connect the LEP caller to the contracted telephonic interpretation service directly for assistance in completing the call. Dispatchers will make every reasonable effort to dispatch a bilingual officer to the assignment, if available.

The Chino Police Department will take reasonable steps and will work with the Department of Human Resources to hire and develop in-house language capacity in the Communications Center by hiring qualified personnel with specific language skills.

367.4.3 FIELD ENFORCEMENT AND INVESTIGATIONS
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts which may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Department personnel must assess each situation to determine the need and availability for translation services to all involved LEP individuals and utilize the methods outlined in § 368.3 to provide appropriate language assistance.

Although not every situation can be addressed in this policy, it is important that department personnel are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action taken with an LEP individual. It would, for example, be meaningless to request consent to search if the person requesting is unable to effectively communicate with an LEP individual.
367.4.4 INVESTIGATIVE INTERVIEWS
In any situation where the translation of an interview may contain information that might be used in a criminal trial, it is important to take certain steps to improve the chances of admissibility. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

Any person selected as an interpreter and/or translator must have demonstrated competence in both English and the non-English language involved and knowledge of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the case. The person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation to the court.

367.4.5 CUSTODIAL INTERROGATIONS AND BOOKINGS
In an effort to ensure the rights of LEP individuals are protected during arrest and custodial interrogation, this department places a high priority on providing competent interpretation during such situations. It is further recognized that miscommunication during custodial interrogations may have a substantial impact on the evidence presented in any related criminal prosecution. As such, department personnel providing interpretation services or translated forms in these situations will have demonstrated competence in interpretation/translation and make every reasonable effort to accurately interpret/translate all communications with LEP individuals.

In order to ensure that translations during criminal investigations are documented accurately and admissible as evidence, audio recordings of interrogations, victim interviews and witness interviews should be used whenever reasonably possible.

Employees providing interpretation or translation services shall also be aware of the inherent communication impediments to gathering information from the LEP individual throughout the booking process or any other situation in which an LEP individual is within the control of department personnel. Medical screening questions are commonly used to elicit information on an individual’s medical needs, suicidal inclinations, presence of contagious diseases, potential illness, resulting symptoms upon withdrawal from certain medications, or the need to segregate the arrestee from other prisoners, therefore it is important for members of this department to make every reasonable effort to provide effective language services in these situations.

367.4.6 COMPLAINTS
The Department shall ensure access to LEP persons who wish to file a complaint regarding the discharge of department duties. The Department may do so by providing interpretation assistance or translated forms to such individuals. If the Department responds to complaints filed by LEP individuals, the Department shall attempt to communicate its response in an accessible manner.
Limited English Proficiency Services

367.4.7 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department have become increasingly recognized as important to the ultimate success of more traditional law enforcement duties. As such, this department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services to LEP individuals and groups.

367.5 TRAINING
In an effort to ensure that all employees in public contact positions (or having contact with those in custody) are properly trained, the Department will provide periodic training to personnel about departmental LEP policies and procedures, including how to access department-authorized, telephonic and in-person interpreters and other available resources. LEP training will be provided for new employees and refresher training will be provided at least once every two years thereafter.

367.6 SUPPLEMENTAL MATERIALS PROVIDED TO DEPARTMENT EMPLOYEES
The following materials will be made available to employees to assist in providing access and service to LEP individuals:

(a) A list of departmental bilingual employees, languages spoken and contact and shift information
(b) A list of department-certified interpretation services, bilingual interpreters, languages spoken and contact and availability information
(c) The telephone number and access code of telephonic interpretation services
(d) Language identification cards
(e) Translated Miranda warning cards and other frequently used documents
(f) Audio recordings/warnings that are developed in non-English languages
Communications with Persons with Disabilities

369.1 PURPOSE AND SCOPE
This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

369.1.1 DEFINITIONS
Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

**Disability or impairment** - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

**Qualified interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

369.2 POLICY
It is the policy of the Chino Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

369.2.1 INITIAL AND IMMEDIATE CONSIDERATIONS
Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, department employees should remain alert to the possibility of communication problems and exercise special care in the use of all gestures, and verbal and written communication in an effort to minimize initial confusion and misunderstanding when dealing with any individual(s) with known or suspected disabilities or communication impairments.

369.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR
The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Operations Division Commander or the authorized designee.
Communications with Persons with Disabilities

The responsibilities of the ADA Coordinator shall include, but not be limited to:

(a) Working with the City ADA coordinator regarding the Chino Police Department’s efforts
to ensure equal access to services, programs and activities.

(b) Developing reports, new procedures, or recommending modifications to this policy.

(c) Acting as a liaison with local disability advocacy groups or other disability groups
regarding access to department services, programs and activities.

(d) Ensuring that a list of qualified interpreter services is maintained and available to each
Watch Commander and Public Safety Dispatch Supervisor. The list should include
information regarding the following:

1. Contact information
2. Availability

(e) Developing procedures that will enable members to access auxiliary aids or services,
including qualified interpreters, and ensure the procedures are available to all
members.

(f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are
available free of charge to people with disabilities.

(g) Ensuring appropriate processes are in place to provide for the prompt and equitable
resolution of complaints and inquiries regarding discrimination in access to department
services, programs and activities.

369.3.1 FIELD RESOURCES

Individual officers and employees are encouraged to utilize resources immediately available to
them in any contact with a known or suspected disabled or impaired person. Examples of this
would include such simple methods as:

(a) Hand gestures or written communications exchanged between the employee and a
deaf or hearing impaired individual

(b) Facing an individual utilizing lip reading and speaking slowly and clearly

(c) Slowly and clearly speaking or reading simple terms to any visually or mentally
impaired individual

369.3.2 AUDIO RECORDINGS AND ENLARGED PRINT

From time to time, the Department may develop audio recordings of important information needed
by blind or visually impaired individuals. In the absence of such audio recordings, employees
may elect to read aloud a Department form or document such as a citizen complaint form to a
visually impaired individual or utilize a photocopier to enlarge printed forms for a visually impaired
individual.
369.3.3 TELEPHONE INTERPRETER SERVICES
The Watch Commander and Public Safety Dispatch Supervisor will maintain a list of qualified interpreter services to be contacted at department expense to assist deaf or hearing impaired individuals upon approval of a supervisor. When utilized, notification to such interpreters shall be made at the earliest reasonable opportunity and the interpreter should be available to respond within a reasonable time (generally not to exceed three hours).

369.3.4 TTY AND RELAY SERVICES
Individuals who are deaf or hearing impaired must be given the opportunity to use available text telephones (TTY or TDD). All calls placed by such individuals through such services shall be accepted by this department.

369.3.5 COMMUNITY VOLUNTEERS
Depending on the circumstances, location and availability, responsible members of the community may be available to provide qualified interpreter services, such as those who are proficient in American Sign Language (ASL). Sources for these individuals may include local businesses, banks, churches, neighborhood leaders and school officials. In addition to such sources developed by individual officers, the Department will attempt to maintain and update a list of qualified community volunteers who may be available to respond within a reasonable time.

369.3.6 FAMILY AND FRIENDS OF DISABLED OR IMPAIRED INDIVIDUAL
While family and friends of a disabled or impaired individual may frequently offer to assist with interpretation, employees should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in emergency or critical situations. Further, the nature of the contact and relationship between the disabled individual and the individual offering services must be carefully considered (e.g., victim/suspect).

369.4 FACTORS TO CONSIDER
Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

(a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.

(b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).

(c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
Communications with Persons with Disabilities

(d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

369.4.1 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE
In order to provide disabled and impaired individuals with meaningful access to law enforcement services when they are victims of, or witnesses to, alleged criminal activity or other emergencies, this department has designated its 911 lines as its top priority for assistance with such services. Department personnel will make every reasonable effort to promptly accommodate such disabled and impaired individuals utilizing 911 lines through any or all of the above resources.

While 911 calls shall receive top priority, it is also important that reasonable efforts be made to accommodate disabled and impaired individuals seeking more routine access to services and information from this department.

369.4.2 CUSTODIAL INTERROGATIONS AND BOOKINGS
In an effort to ensure the rights of all disabled and impaired individuals are protected during arrest and custodial interrogation, this department places a high priority on providing reasonable communication assistance during such situations. It is further recognized that miscommunication during custodial interrogations may have a substantial impact on the evidence presented in any related criminal prosecution. As such, department personnel providing communication assistance in these situations will make every reasonable effort to accurately and effectively communicate with disabled or impaired individuals.

Employees providing such assistance shall also be aware of the inherent communication impediments to gathering information from disabled or impaired individuals throughout the booking process or any other situation in which a disabled or impaired individual is within the control of department personnel. Medical screening questions are commonly used to elicit information on individual’s medical needs, suicidal inclinations, presence of contagious diseases, potential illness, resulting symptoms upon withdrawal from certain medications, or the need to segregate the arrestee from other prisoners, therefore it is important for this department to make every reasonable effort to provide effective communication assistance in these situations.

(a) Individuals who require communication aids (e.g., hearing aids) should be permitted to retain such devices while in custody.

(b) While it may present officer safety or other logistical problems to allow a physically disabled individual to retain devices such as a wheel chair or crutches during a custodial situation, the removal of such items will require that other reasonable accommodations be made to assist such individuals with access to all necessary services.

(c) Whenever a deaf or hearing impaired individual is detained or arrested and placed in handcuffs, officers should consider, safety permitting, placing the handcuffs in front of the body in order to allow the individual to sign or write notes.
369.4.3 FIELD ENFORCEMENT AND INVESTIGATIONS
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts which may involve disabled or impaired individuals. The scope and nature of these activities and contacts will inevitably vary, therefore the Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every officer in the field. Each officer and/or supervisor must, however, assess each such situation to determine the need and availability for communication assistance to any and all involved disabled or impaired individuals. Although not every situation can be addressed within this policy, it is important that employees are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action taken with a disabled or impaired individual. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with a deaf individual.

369.4.4 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department have become increasingly recognized as important to the ultimate success of more traditional law enforcement duties. As such, this department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services to disabled individuals and groups.

369.5 INITIAL AND IMMEDIATE CONSIDERATIONS
Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems. Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual’s choice of auxiliary aid or service.

The individual’s preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

(a) The methods of communication usually used by the individual.
(b) The nature, length and complexity of the communication involved.
(c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services
Communications with Persons with Disabilities

of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Chino Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

369.6 TYPES OF ASSISTANCE AVAILABLE
Chino Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

369.7 AUDIO RECORDINGS AND ENLARGED PRINT
The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

369.8 QUALIFIED INTERPRETERS
A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

(a) Available within a reasonable amount of time but in no event longer than one hour if requested.

(b) Experienced in providing interpretation services related to law enforcement matters.
Communications with Persons with Disabilities

(c) Familiar with the use of VRS and/or video remote interpreting services.
(d) Certified in either American Sign Language (ASL) or Signed English (SE).
(e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
(f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

369.9 COMMUNITY VOLUNTEERS
Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

369.10 TTY AND RELAY SERVICES
In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

369.11 FAMILY AND FRIENDS
While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).
Communications with Persons with Disabilities

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

(a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.

(b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

369.12 REPORTING
Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual’s express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

369.13 FIELD ENFORCEMENT
Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual’s preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.
Communications with Persons with Disabilities

369.13.1 FIELD RESOURCES
Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

(a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.

(b) Exchange of written notes or communications.

(c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.

(d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.

(e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

369.14 CUSTODIAL INTERROGATIONS
In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. Miranda warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written Miranda warning card.

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

369.15 ARREST AND BOOKINGS
If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee’s health and welfare, the safety and security of the facility and to protect individual...
Communications with Persons with Disabilities

rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

369.16 COMPLAINTS
The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

369.17 COMMUNITY OUTREACH
Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

369.18 TRAINING
To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

(a) Awareness and understanding of this policy and related procedures, related forms and available resources.

(b) Procedures for accessing qualified interpreters and other available resources.

(c) Working with in-person and telephone interpreters and related equipment.

The Training Sergeant shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.
369.18.1 CALL-TAKER TRAINING
Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

(a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.

(b) ASL syntax and accepted abbreviations.

(c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.

(d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Communications Center members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.
Mandatory Employer Notification

371.1 PURPOSE AND SCOPE
The purpose of this policy is to describe the requirements and procedures to follow when a public or private school employee (teacher and non-teacher) has been arrested under certain circumstances.

371.2 MANDATORY SCHOOL EMPLOYEE ARREST REPORTING
In the event a school employee is arrested for any offense enumerated below, the Chief of Police or his/her designee is required to report the arrest as follows.

371.2.1 ARREST OF PUBLIC SCHOOL TEACHER
In the event a public school teacher is arrested for any controlled substance offense enumerated in Health and Safety Code § 11591 or Health and Safety Code § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(12), or for any of the offenses enumerated in Penal Code § 290, Penal Code § 261(a), or Education Code § 44010, the Chief of Police or his/her designee is mandated to immediately notify by telephone the superintendent of the school district employing the teacher and to immediately give written notice of the arrest to the Commission on Teacher Credentialing and to the superintendent of schools in the county where the person is employed (Health and Safety Code § 11591; Penal Code § 291).

371.2.2 ARREST OF PUBLIC SCHOOL NON-TEACHER EMPLOYEE
In the event a public school non-teacher employee is arrested for any controlled substance offense enumerated in Health and Safety Code § 11591 or Health and Safety Code § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(12), or for any of the offenses enumerated in Penal Code § 290, Penal Code § 261(a), or Education Code § 44010, the Chief of Police or his/her designee is mandated to immediately notify by telephone the superintendent of the school district employing the non-teacher and to immediately give written notice of the arrest to the governing board of the school district employing the person (Health and Safety Code § 11591; Penal Code § 291).

371.2.3 ARREST OF PRIVATE SCHOOL TEACHER
In the event a private school teacher is arrested for any controlled substance offense enumerated in Health and Safety Code § 11591 or Health and Safety Code § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(12), or for any of the offenses enumerated in Penal Code § 290 or Education Code § 44010, the Chief of Police or his/her designee is mandated to immediately notify by telephone the private school authority employing the teacher and to immediately give written notice of the arrest to the private school authority employing the teacher (Health and Safety Code § 11591; Penal Code § 291.1).
371.2.4 ARREST OF COMMUNITY COLLEGE INSTRUCTOR
In the event a teacher or instructor employed in a community college district school is arrested for any controlled substance offense enumerated in Health and Safety Code § 11591.5 or Health and Safety § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(9), or for any of the offenses enumerated in Penal Code § 290 or in Penal Code § 261(a)(1), the Chief of Police or the authorized designee is mandated to immediately notify by telephone the superintendent of the community college district employing the person, and shall immediately give written notice of the arrest to the California Community Colleges Chancellor’s Office (Health and Safety Code § 11591.5; Penal Code § 291.5).

371.3 POLICY
The Chino Police Department will meet the reporting requirements of California law to minimize the risks to children and others.

371.4 ARREST OF PERSONS EMPLOYED IN COMMUNITY CARE FACILITIES
In the event an employee of a community treatment facility, a day treatment facility, a group home, a short-term residential therapeutic program or a foster family agency is arrested for child abuse (as defined in Penal Code § 11165.6) and the employee is free to return to work where children are present, the investigating member shall notify the licensee of the charge of abuse (Health and Safety Code § 1522.2).
Biological Samples

373.1 PURPOSE AND SCOPE
This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples from those required to register, for example, sex offenders.

373.2 POLICY
The Chino Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

373.3 PERSONS SUBJECT TO DNA COLLECTION
Those who must submit a biological sample include (Penal Code § 296):

(a) A person, including a juvenile, upon conviction or other adjudication of any felony offense.

(b) A person, including a juvenile, upon conviction or other adjudication of any offense if the person has a prior felony on record.

(c) An adult arrested or charged with any felony.

373.4 PROCEDURE
When an individual is required to provide a biological sample, a trained employee shall obtain the sample in accordance with this policy.

373.4.1 COLLECTION
The following steps should be taken to collect a sample:

(a) Verify that the individual is required to provide a sample pursuant to Penal Code § 296; Penal Code § 296.1.

(b) Verify that a biological sample has not been previously collected from the offender by querying the individual’s criminal history record for a DNA collection flag or, during regular business hours, calling the California Department of Justice (DOJ) designated DNA laboratory. There is no need to obtain a biological sample if one has been previously obtained.

(c) Use a DNA buccal swab collection kit provided by the California DOJ to perform the collection and take steps to avoid cross contamination.
373.5 USE OF FORCE TO OBTAIN SAMPLES
If a person refuses to cooperate with the sample collection process, officers should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

(a) The person’s parole or probation officer when applicable.
(b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
(c) The judge at the person’s next court appearance.
(d) The person’s attorney.
(e) A chaplain.
(f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.
(g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

373.5.1 VIDEO RECORDING
A video recording should be made anytime force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department’s records retention schedule (15 CCR 1059).

373.5.2 CELL EXTRACTIONS
If the use of force includes a cell extraction, the extraction shall be video recorded, including audio. Video shall be directed at the cell extraction event. The video recording shall be retained by the Department for the length of time required by statute. Notwithstanding the use of the video as evidence in a criminal proceeding, the tape shall be retained administratively (15 CCR 1059).

373.6 LEGAL MANDATES AND RELEVANT LAWS
California law provides for the following:

373.6.1 DOCUMENTATION RELATED TO FORCE
The Watch Commander shall prepare prior written authorization for the use of any force (15 CCR 1059). The written authorization shall include information that the subject was asked to provide the requisite specimen, sample or impression and refused, as well as the related court order authorizing the force.
Biological Samples

373.6.2 BLOOD SAMPLES
A blood sample should only be obtained under this policy when:

   (a) The California DOJ requests a blood sample and the subject consents, or

   (b) A court orders a blood sample following a refusal.

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298(a); Penal Code § 298(b)(2)).

373.6.3 LITIGATION
The Chief of Police or authorized designee should notify the California DOJ’s DNA Legal Unit in the event this department is named in a lawsuit involving the DNA Data Bank sample collection, sample use or any aspect of the state’s DNA Data Bank Program.

The function of the coordinator is to provide a central coordinating point for effective chaplain management within the Department, and to direct and assist efforts to jointly provide more productive chaplain services. Under the general direction of the Chief of Police or the authorized designee, chaplains shall report to the chaplain coordinator and/or Watch Commander.

Child and Dependent Adult Safety

379.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Adult Abuse policies.

379.1.1 POLICY
It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience children may have when their parent or caregiver is arrested. The Chino Police Department will endeavor to create a strong cooperative relationship with local, state and community-based child social services to ensure an effective, collaborative response that addresses the needs of affected children.

379.2 POLICY
It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Chino Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

379.2.1 AFTER AN ARREST
Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee’s disclosed or discovered, dependent minor children.

Officers should allow the arrestee reasonable time to arrange for care of minor children. Temporary placement of the child with family or friends may be appropriate. However, any decision should give priority to a child-care solution that is in the best interest of the child. In such cases the following guidelines should be followed:

   (a) Allow the person reasonable time to arrange for the care of minor children with a responsible party, as appropriate.

      1. Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent’s judgment regarding arrangements for child care. It is generally best if the child remains with relatives or family friends the child knows and trusts. Consideration regarding the child’s familiarity with the surroundings, comfort, emotional state and safety should be paramount.

      2. Except when a court order exists limiting contact, the officer should attempt to locate and place dependent children with the non-arrested parent or guardian.
(b) Provide for the immediate supervision of minor children until an appropriate caregiver arrives.
(c) Notify Child Protective Services if appropriate.
(d) Notify the field supervisor or Watch Commander of the disposition of minor children.

If children are at school or at a known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the parent’s arrest and of the arrangements being made for the care of the arrestee’s children, and then record the result of such actions in the associated report.

379.2.2 DURING THE BOOKING PROCESS
During the booking process the arrestee shall be allowed to make additional free local phone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any minor dependent child. These phone calls shall be given immediately upon request or as soon as practicable and are in addition to any other phone calls allowed by law (Penal Code § 851.5(c)).

379.2.3 REPORTING
For all arrests where children are present or living in the household, the reporting employee will include information about the children, including names, gender, age and how they were placed.

379.3 PROCEDURES DURING AN ARREST
When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

(a) Inquire about and confirm the location of any children or dependent adults.
(b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
(c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent
or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

379.3.1 AFTER AN ARREST
Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee’s disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

(a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
   1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.

(b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver’s judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
   1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.

(c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.

(d) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.

(e) Notify the field supervisor or Watch Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver’s arrest and of the arrangements being made for the care of the arrestee’s dependent. The result of such actions should be documented in the associated report.

379.3.2 DURING THE BOOKING PROCESS
During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any
child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

379.3.3 REPORTING
(a) For all arrests where children are present or living in the household, the reporting member will document the following information:
1. Name
2. Sex
3. Age
4. Special needs (e.g., medical, mental health)
5. How, where and with whom or which agency the child was placed
6. Identities and contact information for other potential caregivers
7. Notifications made to other adults (e.g., schools, relatives)
(b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
1. Name
2. Sex
3. Age
4. Whether he/she reasonably appears able to care for him/herself
5. Disposition or placement information if he/she is unable to care for him/herself

379.3.4 SUPPORT AND COUNSELING REFERRAL
If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

379.4 DEPENDENT WELFARE SERVICES
Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).
Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car, or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

379.5 TRAINING
The Training Sergeant is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive approved POST-approved training on effective safety measures when a parent, guardian or caregiver is arrested (Penal Code § 13517.7).
Service Animals

381.1 PURPOSE AND SCOPE
Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The Chino Police Department recognizes this need and is committed to making reasonable modifications to its policies, practices, and procedures in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

381.2 SERVICE ANIMALS
The ADA defines a service animal as any dog or miniature horse that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the owner's disability (28 CFR 35.104).

California expands the definition of a service animal to include other animals that are individually trained to provide assistance to an individual with a disability (Healthy and Safety Code § 113903).

381.2.1 USE OF SERVICE ANIMALS
Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist people with disabilities.

The following examples are some of the ways service animals may be used to provide assistance:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.
Service Animals

381.3 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Chino Police Department affords to all members of the public.

If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations, an officer may direct the owner to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the animal. Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with the disability.

If it is apparent or if an officer is aware the animal is a service animal, the owner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the officer should ask the individual only the following questions:

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal’s status should be asked. The person should not be questioned about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their owner into all areas that other customers or members of the public are allowed.

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice.
Volunteer Program

383.1 PURPOSE AND SCOPE
It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn officers and civilian personnel. Volunteers can be an important part of any organization and are proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

383.1.1 DEFINITION OF VOLUNTEER
An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid reserve officers, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

383.2 VOLUNTEER MANAGEMENT

383.2.1 VOLUNTEER COORDINATOR
The Volunteer Coordinator shall be appointed by the Administration Division Commander. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

(a) Recruiting, selecting and training qualified volunteers for various positions.
(b) Facilitating the implementation of new volunteer activities and assignments.
(c) Maintaining records for each volunteer.
(d) Tracking and evaluating the contribution of volunteers.
(e) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers.
(f) Maintaining a record of volunteer schedules and work hours.
(g) Completion and dissemination as appropriate of all necessary paperwork and information.
(h) Planning periodic recognition events.
(i) Administering discipline when warranted.
Volunteer Program

(j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

383.2.2 RECRUITMENT
Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester’s immediate supervisor. A complete position description and a requested time-frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

383.2.3 SCREENING
All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

(a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the California Criminal Information Index.

(b) Employment

(c) References

(d) Credit check

A polygraph exam may be required of each applicant depending on the type of assignment.

383.2.4 SELECTION AND PLACEMENT
Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.
Volunteer Program

383.2.5 TRAINING
Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

383.2.6 FITNESS FOR DUTY
No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

(a) Driver license
(b) Medical condition
(c) Arrests
(d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

383.2.7 DRESS CODE
As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn officers. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.
383.3 SUPERVISION OF VOLUNTEERS
Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

(a) Take the time to introduce volunteers to employees on all levels.
(b) Ensure volunteers have work space and necessary office supplies.
(c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

383.4 CONFIDENTIALITY
With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

383.5 PROPERTY AND EQUIPMENT
Volunteers will be issued an identification card that must be worn at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

383.5.1 VEHICLE USE
Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

(a) A driving safety briefing.
Volunteer Program

(b) Verification that the volunteer possesses a valid California Driver License.

(c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should insure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle Code-3.

383.5.2 RADIO AND MDC USAGE
Volunteers shall successfully complete CLETS and radio procedures training prior to using the police radio or MCT and comply with all related provisions. The Volunteer Coordinator should ensure that radio and CLETS training is provided for volunteers whenever necessary.

383.6 DISCIPLINARY PROCEDURES/TERMINATION
A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

383.6.1 EXIT INTERVIEWS
Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer’s suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.
Off-Duty Law Enforcement Actions

385.1 PURPOSE AND SCOPE
The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Chino Police Department with respect to taking law enforcement action while off-duty.

385.2 POLICY
Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

385.3 FIREARMS
Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the officer’s senses or judgment.

385.4 DECISION TO INTERVENE
There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

(a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
(b) The inability to communicate with responding units.
Off-Duty Law Enforcement Actions

(c) The lack of equipment, such as handcuffs, OC or baton.
(d) The lack of cover.
(e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
(f) Unfamiliarity with the surroundings.
(g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

385.4.1 INTERVENTION PROCEDURE
If involvement is reasonably necessary the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as a Chino Police Department officer until acknowledged. Official identification should also be displayed.

385.4.2 INCIDENTS OF PERSONAL INTEREST
Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

385.4.3 PROFESSIONAL STAFF RESPONSIBILITIES
Professional Staff personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

385.4.4 OTHER CONSIDERATIONS
When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

385.5 REPORTING
Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Watch Commander as soon as practicable. The Watch Commander shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.
Native American Graves Protection and Repatriation

389.1 PURPOSE AND SCOPE
This policy is intended to ensure the protection and security of ancient or historic grave sites, including notification of personnel responsible for cultural items, in compliance with the Native American Graves Protection and Repatriation Act (NAGPRA) (25 USC § 3001 et seq.).

389.1.1 DEFINITIONS
Definitions related to this policy include (43 CFR 10.2):

**Funerary objects and associated funerary objects** - Objects that, as part of the death rite or ceremony of a culture, are reasonably believed to have been placed intentionally at the time of death or later with or near individual human remains, or that were made exclusively for burial purposes or to contain human remains.

**Native American human remains** - The physical remains of the body of a person of Native American ancestry.

**Objects of cultural patrimony** - Objects having ongoing historical, traditional or cultural importance that is central to the Native American group or culture itself and therefore cannot be appropriated or conveyed by any individual, including members of the Native American group or Native Hawaiian organization. Such objects must have been considered inalienable by the Native American group at the time the object was separated from the group.

**Sacred objects** - Specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions.

389.2 POLICY
It is the policy of the Chino Police Department that the protection of Native American human remains, funerary objects, associated funerary objects, sacred objects or objects of cultural patrimony is the responsibility of all members. Such protection includes minimizing destruction, contamination, inadvertent disruption or complicated custody transfer processes.

389.3 COMPLIANCE WITH THE NATIVE AMERICAN GRAVES PROTECTION AND REPATRIATION ACT
Upon discovery or arrival upon a scene where it reasonably appears that a Native American grave, human remains, funerary objects, associated funerary objects, sacred objects or objects of cultural patrimony are exposed or otherwise unsecured, members shall secure the site in the same manner as a crime scene. All activity at the scene other than scene preservation activity must cease (43 CFR 10.4).

No photography or video recording may be permitted by the media or any group or individual who may wish to exhibit the remains.
Without delay, the appropriate agency or group shall be notified to respond and take control of the scene. These include the following (43 CFR 10.4):

- Federal land - Appropriate agency at the U.S. Department of the Interior or U.S. Department of Agriculture
- State land/Private land - Coroner, when appropriate (Health and Safety Code § 7050.5)
- Tribal land - Responsible Indian tribal official

389.4 EVIDENCE AND PROPERTY
If the location has been investigated as a possible homicide scene prior to identification as a NAGPRA site, investigators shall work with other appropriate agencies and individuals to ensure the proper transfer and repatriation of any material collected. Members shall ensure that any remains or artifacts located at the site are expediently processed (43 CFR 10.6).
Patrol Function

400.1 PURPOSE AND SCOPE
The purpose of this policy is to define the patrol function and address intraorganizational cooperation and information sharing.

400.2 INFORMATION SHARING
To the extent feasible, all information relevant to the mission of the Department should be shared among all divisions and specialized units on a timely basis. Members should be provided with opportunities on a regular basis to share information during the daily briefings and to attend briefings of other divisions or specialized units.

Additionally, information should be shared with outside agencies and the public in conformance with department policies and applicable laws. Members are encouraged to share information with other units and divisions.

400.3 CROWDS, EVENTS AND GATHERINGS
Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action.

Generally, officers should consider seeking compliance through advisements and warnings for minor violations and should reserve greater enforcement options for more serious violations or when voluntary compliance with the law is not achieved.

Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, such as Penal Code 602.1 (obstructing or intimidating business operators), when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

400.3.1 CAMPUS LIAISON
A college or university in this jurisdiction should designate a liaison between our department and students exercising rights guaranteed by the First Amendment to the United States Constitution, a similar provision of the California Constitution or both (Education Code § 66303). The School Resource Officer Supervisor will work with this liaison regarding relevant issues, scheduled events, training and crowd control.
400.4 POLICY
The Chino Police Department provides patrol services 24 hours a day, seven days a week and will prioritize responses to requests for emergency services using available resources to enhance the safety of the public and department members.

400.5 FUNCTION
Patrol will generally be conducted by uniformed officers in clearly marked law enforcement vehicles in assigned jurisdictional areas of Chino. The function of patrol is to respond to calls for assistance and reports of criminal activity, act as a deterrent to crime, enforce state and local laws, identify community needs, provide support and assistance to the community and respond to emergencies.

Patrol services include, but are not limited to:

(a) Responding to emergency calls for service.
(b) Apprehending criminal offenders.
(c) Providing mutual aid and assistance to other agencies for emergency and law enforcement-related activities.
(d) Preventing criminal acts, traffic violations and collisions, maintaining public order and discovering hazardous situations or conditions.
(e) Responding to reports of criminal and non-criminal acts.
(f) Responding to routine calls for service, such as public assistance or public safety.
(g) Carrying out crime prevention activities such as residential inspections, business inspections and community presentations.
(h) Carrying out community oriented policing and problem-solving activities including the application of resources to improve or resolve specific problems or situations and contacting or assisting members of the public in a positive way.
(i) Directing and controlling traffic.
SHIFT SCHEDULE SIGN-UP AND SHIFT TRADES

401.1 PATROL SHIFT ROTATION
Patrol shift rotation will occur every six months. The sign up schedules will be posted within 45—60 days prior to the rotation date, unless prevailing circumstances arise that would dictate otherwise.

401.2 SHIFT SELECTION - TIME RESTRICTIONS
Once the schedule is posted, the sign-ups will begin with the senior most ranking employee. Employees will be required to sign up by the end of their second duty day that their name becomes eligible. If that employee fails to sign up during that shift, they will be skipped in order of seniority, allowing the next officer in line to sign-up. This process will continue until the skipped employee signs up. When the skipped employee makes their selection, it will be made from the days off that remain open. Once an employee has signed up, the employee can only change by way of shift trade, or by selecting a day off slot that is still vacant.

In cases where an employee intends to take time off during the period that schedules are posted for sign-ups, that employee will provide their supervisor with a list of choices preferred or make themselves available to be reached by phone so that they may be signed up at the appropriate time. Any employee failing to sign up within three (3) days of their name becoming eligible, either while on vacation or extended leave will be skipped in the manner described above.

401.3 SHIFT SELECTION - SENIORITY
Selection for shifts and days off will be based on established seniority within their respective classification, i.e, Sergeants, Corporals, Police Officers, etc.

401.4 SHIFT TRADES
Shift trades will be permitted at the convenience of the department. Employees working in like qualifications may work for one another upon mutual agreement. When an employee is desirous of trading shifts with another employee, a “Shift Trade” approval form will be completed. Upon the completion of the form, it will be submitted to the requesting employee's supervisor for approval. If approved, the supervisor will check approved, sign the form and make the necessary adjustment(s) on the schedule.

When a specific repayment date is indicated on the Shift Trade Form, the approving supervisor is responsible to coordinate with and inform any other supervisor whose shift might be affected by such shift trade. Once approved, the yellow copy of the form will be routed to the initiating employee, the pink copy will be routed to the employee agreeing to trade shifts, and the white copy will be retained in the requestors supervisor's file. Once an employee signs the agreement to work for another employee and the schedule is adjusted by the supervisor, the trading employee
becomes fully accountable and responsible for the duty day in question. Failure to appear for such duty day will be charged against that employee. The Department is not responsible for the repayment of shift trades. It is the sole responsibilities of the members involved to ensure repayment is met. If the supervisor denies the shift trade, they will mark "denied," sign the form and return the form to the requesting employee with an explanation for the denial.

401.5  ROTATION FROM SPECIAL ASSIGNMENTS
When a member rotates back to patrol during a time other than shift sign-up's, the member will exchange days off with the person he or she is replacing. That member will maintain those days off until the next seniority sign up time.

401.6  EXCEPTIONS
Any employee may have their schedule rotation or days off changed if warranted by the department needs or emergency circumstances. Staff will make every effort to avoid making such change. In addition, if circumstances arise where the sign-up schedules will not be completed in time, employees may be called on their off-duty time and be required to sign up.
Bias-Based Policing

402.1 PURPOSE AND SCOPE
This policy provides guidance to department members that affirms the Chino Police Department's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

402.1.1 DEFINITIONS
Definitions related to this policy include:

Bias-based policing - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement (Penal Code § 13519.4).

402.2 POLICY
The Chino Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

402.3 BIAS-BASED POLICING PROHIBITED
Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

402.3.1 CALIFORNIA RELIGIOUS FREEDOM ACT
Members shall not collect information from a person based on religious belief, practice, affiliation, national origin or ethnicity unless permitted under state or federal law (Government Code § 8310.3).

Members shall not assist federal government authorities (Government Code § 8310.3):

(a) In compiling personal information about a person’s religious belief, practice, affiliation, national origin or ethnicity.

(b) By investigating, enforcing or assisting with the investigation or enforcement of any requirement that a person register with the federal government based on religious belief, practice, or affiliation, or national origin or ethnicity.
402.4 MEMBER RESPONSIBILITIES
Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable to do so, intervene to prevent any biased-based actions by another member.

402.5 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE
The Professional Standards Unit Manager and the Records Supervisor or the authorized designee shall ensure that all data required by the Department of Justice (DOJ) regarding citizen complaints of racial bias against officers is collected and reported annually to DOJ (Penal Code § 13012; Penal Code § 13020).
Briefing Training

404.1 PURPOSE AND SCOPE
Briefing training is generally conducted at the beginning of the officer’s assigned shift. Briefing provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Briefing; however officers may conduct Briefing for training purposes with supervisor approval.

Briefing should accomplish, at a minimum, the following basic tasks:

(a) Briefing officers with information regarding daily patrol activity, with particular attention given to unusual situations and changes in the status of wanted persons, stolen vehicles, and major investigations

(b) Notifying officers of changes in schedules and assignments

(c) Notifying officers of new Departmental Directives or changes in Departmental Directives

(d) Reviewing recent incidents for training purposes

(e) Providing training on a variety of subjects

404.2 PREPARATION OF MATERIALS
The supervisor conducting Briefing is responsible for preparation of the materials necessary for a constructive briefing. Supervisors may delegate this responsibility to a subordinate officer in his or her absence or for training purposes.
Crime and Disaster Scene Integrity

405.1 PURPOSE AND SCOPE
The protection and integrity of a crime scene is of the utmost importance for the successful apprehension of criminals and successful prosecution. The integrity of a disaster scene is equally as critical for the protection of life and property and investigation by proper authorities.

405.2 CRIME SCENE RESPONSIBILITY
The first officer at the scene of a crime or major incident is generally responsible for taking reasonable efforts to preserve the scene. Officers shall also consider officer safety and public safety, including reasonable efforts to render medical aid to any obviously injured parties. Once an officer has assumed or been assigned to maintain the integrity of the crime/disaster scene, the officer shall continue to do so until he/she is relieved by a supervisor.

405.2.1 FIRST RESPONDER CONSIDERATIONS
The following list generally describes the functions which the first responder should reasonably attempt to take at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation, the availability of resources, capacity of personnel and totality of each circumstance:

(a) Ensure no suspects are still in the area.
(b) Broadcast emergency information, including all requests for additional assistance.
(c) Provide first aid to injured parties if it can be done safely.
(d) Evacuate the location as required.
(e) Secure the inner and outer perimeter if needed.
(f) Protect items of apparent evidentiary value.
(g) Identify potential witnesses.
(h) Start a chronological log noting critical times and personnel allowed access.

405.2.2 EXECUTION OF HEALTH ORDERS
Any sworn member of this department is authorized to enforce all orders of the local health officer that have been issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (Health and Safety Code § 120155).

405.3 SEARCHES AT CRIME OR DISASTER SCENES
Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims and determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until proper authority for the search is obtained.
405.3.1 CONSENT
Officers should seek consent to search from authorized individuals where possible. However, in
the case of serious crimes or major investigations, it may be prudent to obtain a search warrant.
Consent may be sought even in cases where a search warrant has been granted.

405.4 POLICY
It is the policy of the Chino Police Department to secure crime or disaster scenes so that evidence
is preserved, and to identify and mitigate the dangers associated with a major crime or disaster
scene for the safety of the community and those required to enter or work near the scene.
Crisis Response Unit

407.1 PURPOSE AND SCOPE
The Crisis Response Unit (CRU) is comprised of two specialized teams: the Crisis Negotiation Team (CNT) and the Special Weapons and Tactics Team (SWAT). The unit has been established to provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appear to be necessary. This policy is written to comply with the guidelines established in the Attorney General's Commission on Special Weapons and Tactics Report (September 2002) and the POST 2005 SWAT Operational Guidelines and Standardized Training Recommendations (Penal Code § 13514.1).

407.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY
The Policy Manual sections pertaining to the Crisis Response Unit are divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a police response vary greatly from incident to incident and such events often demand on-the-scene evaluation, the Operational Policy outlined in this manual section serves as a guideline to department personnel allowing for appropriate on scene decision making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

407.2 LEVELS OF CAPABILITY/TRAINING

407.2.1 LEVEL I
A level I SWAT team is a basic team capable of providing containment and intervention with critical incidents that exceed the training and resources available to line-level officers. This does not include ad hoc teams of officers that are formed around a specific mission, detail or incident (e.g. active shooter response). Generally 5% of the basic team's on-duty time should be devoted to training.

407.2.2 LEVEL II
A level II, Intermediate level SWAT team is capable of providing containment and intervention. Additionally, these teams possess tactical capabilities above the Level I teams. These teams may or may not work together on a daily basis, but are intended to respond to incidents as a team. At
least 5% of their on-duty time should be devoted to training with supplemental training for tactical capabilities above the Level I team.

407.2.3 LEVEL III
A Level III, Advanced level SWAT team is a SWAT team whose personnel function as a full-time unit. Generally 25% of their on-duty time is devoted to training. Level III teams operate in accordance with contemporary best practices. Such units possess both skills and equipment to utilize tactics beyond the capabilities of Level I and Level II teams.

407.3 POLICY
It shall be the policy of this department to maintain a SWAT team and to provide the equipment, manpower, and training necessary to maintain a SWAT team. The SWAT team should develop sufficient resources to perform three basic operational functions:

(a) Command and Control
(b) Containment
(c) Entry/Apprehension/Rescue

It is understood it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

407.3.1 POLICY CONSIDERATIONS
A needs assessment should be conducted to determine the type and extent of SWAT missions and operations appropriate to this department. The assessment should consider the team’s capabilities and limitations and should be reviewed annually by the SWAT Commander or his/her designee.

407.3.2 ORGANIZATIONAL PROCEDURES
This department shall develop a separate written set of organizational procedures which should address, at minimum, the following:

(a) Locally identified specific missions the team is capable of performing.
(b) Team organization and function.
(c) Personnel selection and retention criteria.
(d) Training and required competencies.
(e) Procedures for activation and deployment.
(f) Command and control issues, including a clearly defined command structure.
(g) Multi-agency response.
(h) Out-of-jurisdiction response.
(i) Specialized functions and supporting resources.

407.3.3 OPERATIONAL PROCEDURES
This department shall develop a separate written set of operational procedures in accordance with
the determination of their level of capability, using sound risk reduction practices. The operational
procedures should be patterned after the National Tactical Officers Association Suggested SWAT
Best Practices. Because such procedures are specific to CRU members and will outline tactical
and officer safety issues, they are not included within this policy. The operational procedures
should include, at minimum, the following:

(a) Designated personnel responsible for developing an operational or tactical plan prior
to, and/or during SWAT operations (time permitting).
   1. All SWAT team members should have an understanding of operational planning.
   2. SWAT team training should consider planning for both spontaneous and planned
events.
   3. SWAT teams should incorporate medical emergency contingency planning as
      part of the SWAT operational plan.

(b) Plans for mission briefings conducted prior to an operation, unless circumstances
    require immediate deployment.
    1. When possible, briefings should include the specialized units and supporting
       resources.

(c) Protocols for a sustained operation should be developed which may include relief,
    rotation of personnel and augmentation of resources.

(d) A generic checklist to be worked through prior to initiating a tactical action as a
    means of conducting a threat assessment to determine the appropriate response and
    resources necessary, including the use of SWAT.

(e) The appropriate role for a trained negotiator.

(f) A standard method of determining whether or not a warrant should be regarded as
    high-risk.

(g) A method for deciding how best to serve a high-risk warrant with all reasonably
    foreseeable alternatives being reviewed in accordance with risk/benefit criteria prior
    to selecting the method of response.

(h) Post incident scene management including:
   1. Documentation of the incident.
   2. Transition to investigations and/or other units.
   3. Debriefing after every deployment of the SWAT team.
(a) After-action team debriefing provides evaluation and analysis of critical incidents and affords the opportunity for individual and team assessments, helps to identify training needs, and reinforces sound risk management practices.

(b) Such debriefing should not be conducted until involved officers have had the opportunity to individually complete necessary reports or provide formal statements.

(c) In order to maintain candor and a meaningful exchange, debriefing will generally not be recorded.

(d) When appropriate, debriefing should include specialized units and resources.

(i) Sound risk management analysis.

(j) Standardization of equipment deployed.

407.4 TRAINING NEEDS ASSESSMENT
The SWAT/CRU Commander shall conduct an annual SWAT Training needs assessment to ensure that training is conducted within team capabilities, department policy and the training guidelines as established by POST (11 C.C.R. § 1084).

407.4.1 INITIAL TRAINING
SWAT team operators and SWAT supervisors/team leaders should not be deployed until successful completion of the POST-certified Basic SWAT Course or its equivalent.

(a) To avoid unnecessary or redundant training, previous training completed by members may be considered equivalent when the hours and content (topics) meet or exceed department requirements or POST standardized training recommendations.

407.4.2 UPDATED TRAINING
Appropriate team training for the specialized SWAT functions and other supporting resources should be completed prior to full deployment of the team.

SWAT team operators and SWAT supervisors/team leaders should complete update or refresher training as certified by POST, or its equivalent, every 24 months.

407.4.3 SUPERVISION AND MANAGEMENT TRAINING
Command and executive personnel are encouraged to attend training for managing the SWAT function at the organizational level to ensure personnel who provide active oversight at the scene of SWAT operations understand the purpose and capabilities of the teams.

Command personnel who may assume incident command responsibilities should attend SWAT or Critical Incident Commander course or its equivalent. SWAT command personnel should attend a POST-certified SWAT commander or tactical commander course, or its equivalent.
407.4.4 SWAT ONGOING TRAINING
Training shall be coordinated by the CRU Commander. The CRU Commander may conduct monthly training exercises that include a review and critique of personnel and their performance in the exercise in addition to specialized training. Training shall consist of the following:

(a) Each SWAT member shall perform a physical fitness test once each year. A minimum qualifying score must be attained by each team member.

(b) Any SWAT team member failing to attain the minimum physical fitness qualification score will be notified of the requirement to retest and attain a qualifying score. Within 30 days of the previous physical fitness test date, the member required to qualify shall report to a team supervisor and complete the entire physical fitness test. Failure to qualify after a second attempt may result in dismissal from the team.

(c) Those members who are on vacation, ill, or are on light duty status with a doctor’s note of approval on the test date, shall be responsible for reporting to a team supervisor and taking the test within 30 days of their return to regular duty. Any member, who fails to arrange for and perform the physical fitness test within the 30-day period, shall be considered as having failed to attain a qualifying score for that test period.

(d) Quarterly, each SWAT team member shall perform the mandatory SWAT handgun qualification course. The qualification course shall consist of the SWAT Basic Drill for the handgun. Failure to qualify will require that officer to seek remedial training from a team range master approved by the CRU Commander. Team members who fail to qualify must retest within 30 days. Failure to qualify within 30 days with or without remedial training may result in dismissal from the team.

407.4.5 TRAINING SAFETY
Use of a designated safety officer should be considered for all tactical training.

407.4.6 SCENARIO BASED TRAINING
SWAT teams should participate in scenario-based training that simulates the tactical operational environment. Such training is an established method of improving performance during an actual deployment.

407.4.7 TRAINING DOCUMENTATION
Ongoing inhouse SWAT team training shall be documented and records maintained by the SWAT Commander or his designee. Advanced training received from outside providers will be documented and records maintained by the Training Unit. Duplicate records of outside training may also be kept in training files maintained by the SWAT Commander.

407.5 UNIFORMS, EQUIPMENT, AND FIREARMS
407.5.1 UNIFORMS
SWAT teams from this agency should wear uniforms that clearly identify team members as law enforcement officers. It is recognized that certain tactical conditions may require covert movement. Attire may be selected appropriate to the specific mission.

407.5.2 EQUIPMENT
SWAT teams from this agency should be adequately equipped to meet the specific mission(s) identified by the agency.

407.5.3 FIREARMS
Weapons and equipment used by SWAT, the specialized units, and the supporting resources should be agency-issued or approved, including any modifications, additions, or attachments.

407.6 MANAGEMENT/SUPERVISION OF CRISIS RESPONSE UNIT
The Commander of the CRU shall be selected by the Chief of Police upon recommendation of staff.

407.6.1 PRIMARY UNIT MANAGER
Under the direction of the Chief of Police, the Crisis Response Unit shall be managed by a Captain.

407.6.2 TEAM SUPERVISORS
The Negotiation Team and Special Weapons and Tactics Team will generally be managed by a Lieutenant. The CRU may assign a Sergeant to fulfill this role if a need exists.

The team commanders shall be selected by the Chief of Police upon specific recommendation by staff and the CRU Captain.

The following represent the supervisor responsibilities for the Crisis Response Unit.

(a) The Negotiation Team supervisor's primary responsibility is to supervise the operations of the Negotiation Team which will include deployment, training, first line participation, and other duties as directed by the CRU Commander.

(b) The Special Weapons and Tactics Team supervisor's primary responsibility is to supervise the operations of the SWAT Team, which will include deployment, training, first line participation, and other duties as directed by the CRU Commander.

407.7 CRISIS NEGOTIATION TEAM ADMINISTRATIVE PROCEDURES
The Crisis Negotiation Team has been established to provide skilled verbal communicators who may be utilized to attempt to de-escalate and effect surrender in critical situations where suspects have taken hostages, barricaded themselves, or have suicidal tendencies.

The following procedures serve as directives for the administrative operation of the Crisis Negotiation Team.
407.7.1 SELECTION OF PERSONNEL
This Department shall develop a separate written set of organizational procedures which will address the selection of personnel.

407.7.2 TRAINING OF NEGOTIATORS
Those officers selected as members of the Negotiation Team should attend the Basic Negotiators Course as approved by the Commission on Peace Officer Standards and Training (POST) prior to primary use in an actual crisis situation. Untrained officers may be used in a support or training capacity. Additional training will be coordinated by the team supervisor.

A minimum of one training day per quarter will be required to provide the opportunity for role playing and situational training necessary to maintain proper skills. This will be coordinated by the team supervisor.

Continual evaluation of a team member’s performance and efficiency as it relates to the positive operation of the unit shall be conducted by the team supervisor. Performance and efficiency levels, established by the team supervisor, will be met and maintained by all team members. Any member of the Negotiation Team who performs or functions at a level less than satisfactory shall be subject to dismissal from the unit.

407.8 SWAT TEAM ADMINISTRATIVE PROCEDURES
The Special Weapons and Tactics (SWAT) Team was established to provide a skilled and trained team which may be deployed during events requiring specialized tactics in such situations as cases where suspects have taken hostages and/or barricaded themselves as well as prolonged or predictable situations in which persons armed or suspected of being armed pose a danger to themselves or others.

407.8.1 SELECTION OF PERSONNEL
This Department shall develop a separate written set of organizational procedures which will address the selection of personnel.

407.8.2 TEAM EVALUATION
Continual evaluation of a team member’s performance and efficiency as it relates to the positive operation of the unit shall be conducted by the CRU Commander. The performance and efficiency level, as established by the team supervisor, will be met and maintained by all SWAT Team members. Any member of the SWAT Team who performs or functions at a level less than satisfactory shall be subject to dismissal from the team.

407.9 OPERATION GUIDELINES FOR CRISIS RESPONSE UNIT
The following procedures serve as guidelines for the operational deployment of the Crisis Response Unit. Generally, the Special Weapons and Tactics Team and the Crisis Negotiation Team will be activated together. It is recognized, however, that a tactical team may be used in a situation not requiring the physical presence of the Crisis Negotiation Team such as warrant service operations. This shall be at the discretion of the CRU Commander.
407.9.1 ON-SCENE DETERMINATION
The supervisor or Watch Commander in charge on the scene of a particular event will assess the need for the Crisis Response Unit. Upon final determination by the Watch Commander, he/she will notify the CRU Commander. The final decision to activate a CRU response will belong with the CRU Commander or his/her designee.

407.9.2 APPROPRIATE SITUATIONS FOR USE OF CRISIS RESPONSE UNIT
The following are examples of incidents which may result in the activation of the Crisis Response Unit:

(a) Barricaded suspects who refuse an order to surrender.
(b) Incidents where hostages are taken.
(c) Cases of suicide threats.
(d) Arrests of dangerous persons.
(e) Any situation that could enhance the ability to preserve life, maintain social order, and ensure the protection of property.

407.9.3 OUTSIDE AGENCY REQUESTS
Requests by field personnel for assistance from outside agency crisis units must be approved by the CRU Commander. Deployment of the Chino Police Department Crisis Response Unit in response to requests by other agencies must be authorized by the CRU Commander.

407.9.4 MULTI-JURISDICTIONAL SWAT OPERATIONS
The SWAT team, including relevant specialized units and supporting resources, should develop protocols, agreements, MOU's, or working relationships to support multi-jurisdictional or regional responses.

(a) If it is anticipated that multi-jurisdictional SWAT operations will regularly be conducted; SWAT multi-agency and multi-disciplinary joint training exercises are encouraged.
(b) Members of the Chino Police Department SWAT team shall operate under the policies, procedures and command of the Chino Police Department when working in a multi-agency situation.

407.9.5 MOBILIZATION OF CRISIS RESPONSE UNIT
Once the CRU Commander decides to activate the Crisis Response Unit, he/she will direct Communications Center personnel to initiate an "all page" to all CRU team members. The "all page" will inform team members they are to respond to the event in question. The CRU Commander will also make personal notification to the SWAT Commander and the CNT Commander.
407.9.6 FIELD UNIT RESPONSIBILITIES
While waiting for the Crisis Response Unit, field personnel should, if safe, practical and sufficient resources exist:

(a) Establish an inner and outer perimeter.
(b) Establish a command post outside of the inner perimeter.
(c) Establish an arrest/response team. The team actions may include:
   1. Securing any subject or suspect who may surrender.
   2. Taking action to mitigate a deadly threat or behavior.
(d) Evacuate any injured persons or citizens in the zone of danger.
(e) Attempt to establish preliminary communication with the suspect. Once the CRU has arrived, all negotiations should generally be halted to allow the negotiators and SWAT time to set up.
(f) Be prepared to brief the CRU Commander on the situation.
(g) Plan for, and stage, anticipated resources.

407.9.7 ON-SCENE COMMAND RESPONSIBILITIES
Upon arrival of the Crisis Response Unit at the scene, the existing Incident Commander will retain command of the personnel and operations until formally relieved by the CRU Commander. The existing Incident Commander shall brief the CRU Commander, SWAT Commander and CNT Commander about the situation. Once a transfer of command has been made to the CRU Commander, he/she will only be responsible for the tactical portion of the operation; typically involving personnel and operations pertaining to the inner perimeter inward to the event location. The existing Incident Commander shall continue supervision of the command post operation, outer perimeter security, and support for the Crisis Response Unit. The Incident Commander and the CRU Commander (or his or her designee) shall maintain communications at all times.

407.9.8 COMMUNICATION WITH CRISIS RESPONSE UNIT PERSONNEL
All of those persons who are non-Crisis Response Unit personnel should refrain from any non-emergency contact or interference with any member of the unit during active negotiations. Operations require the utmost in concentration by involved personnel and, as a result, no one should interrupt or communicate with Crisis Team personnel directly. All non-emergency communications shall be channeled through the Negotiation Team Sergeant or his or her designee.
Civil Disturbance Or Unusual Occurrence Plan

408.1 PURPOSE AND SCOPE
This policy is provided as an operational plan should a civil disturbance or unusual occurrence require a departmental response beyond the capabilities of those personnel normally scheduled and on-duty.

In the face of a Civil Disturbance or an Unusual Occurrence, the Department resources will be directed in the most efficient manner possible toward the goal of restoring the City to a state of normalcy.

Members of this Department shall conduct themselves in a manner that reflects impartial application and enforcement of any and all laws necessary to accomplish this objective as rapidly, efficiently and effectively as possible.

408.2 POLICY
The Chief of Police or his designee will be the command officer authorized to shift the Department into a "Civil Disturbance" (CD) or "Unusual Occurrence" (UO) staffing configuration. Additionally, should information or intelligence sources suggest that a situation is developing that could trigger a CD or UO, the Chief may declare a Departmental "Tactical Alert", which could cause the Department to move into an emergency schedule, i.e., 12 hours shifts.

The major objective in the face of civil unrest is the restoration and maintenance of order. The priority of those objectives will be:

(a) Protect lives
(b) Restore and maintain order
(c) Protect vital facilities
(d) Arrest law violators
(e) Protect property

"Flash points" such as specific locations, i.e., housing developments, high schools, municipal facilities, and gun dealers are examples of sites that will require high visibility patrol in anticipation of a disturbance.

408.2.1 PROTECTION OF LIFE
The protection of life shall be the highest priority when assigning missions. Examples would include aggravated assaults on police officers or civilians and the protection of fire fighters and paramedics responding to emergencies in riotous areas.

408.2.2 PROTECTION OF PROPERTY
The protection of specific types of property should also be provided. Priority locations such as gun stores, governmental and Department facilities and businesses essential to the welfare of
the community such as shopping centers, markets, hospitals and banks shall be identified and designated as high priority mission assignments.

408.2.3 ARRESTS
The arrest of law violators whose activities are directed against property shall be undertaken based upon the availability of sufficient personnel and resources to effectively protect life and/or property, in combination with the satisfactory completion of higher priority missions.

408.3 DEFINITIONS
Modified Tactical Alert - Allows an Incident Commander or Watch Commander to prevent on-duty personnel from going end of watch, so as not to impact police services. During a Modified Tactical Alert, on-duty personnel are not permitted to go end of watch without the express permission of the Incident Commander or Watch Commander. Normal police operations will continue during a Modified Tactical Alert, including Code-7, routine and emergency calls for service as well as self-initiated activity.

Tactical Alert - May be declared by an Incident Commander or Watch Commander when an unusual occurrence depletes or is anticipated to deplete the on-duty police resources. During a Tactical Alert, no personnel are permitted to go end of watch or Code-7. Communications personnel will not dispatch non-priority calls for service and field personnel will refrain from non-life threatening self-initiated activity (i.e. traffic stops, pedestrian checks etc.). A "Tactical Alert" is the first step in the department mobilization process.

Mobilization - This is the principle plan for marshalling Department personnel and resources in response to a major unusual occurrence. The preliminary stage of a Mobilization is a "Tactical Alert". A Mobilization includes the implementation of 12-Hour shifts as well as canceling of days off and the recalling of off-duty officers.

408.4 CONCEPT OF OPERATION
In the event that the Chief of Police orders the Department into a 12-hour emergency schedule, the station command structure will be as follows:

- The Operations Division Commander will be the command officer of police operations during the hours of 0700 - 1900.
- The Support Services Division Commander will be the command officer of police operations during the hours of 1900 - 0700.

In the event the Chief of Police directs the Department into 12-hour shift configurations, the scheduling will be completed by the Patrol Bureau Lieutenant or his designee.

408.5 MOBILE FIELD FORCE TEAM - COMMAND AND CONTROL STRUCTURE
The West End Mobile Field Force (MFF) Team currently consists of sworn officers from the Chino Police Department, the Ontario Police Department, the Upland Police Department and the Montclair Police Department. In the event that the West End MFF Team is activated,
unless otherwise directed, all members from the four police agencies will be utilized in a team configuration for the incident deployment.

The West End Mobile Field Force Team Commander will be the rank of Lieutenant. The West End MFF Commander will normally be a MFF trained Lieutenant from the jurisdiction where the OC or CD has occurred and is responsible for the deployment of the Team, tactical decision-making, and tactical resolution of the incident. Unless the West End MFF Team Commander relinquishes his control to another person outside the West End MFF Team, no other person who is not in a leadership position within the West End MFF Team will attempt to direct, supervise, or control any element or member of the West End MFF Team.

**408.6 MOBILE FIELD FORCE TEAM - ACTIVATION**

Upon the direction of the Chief of Police of the Chino Police Department or the Chief of Police of the, Ontario, Upland or Montclair Police Departments, or their designees, the West End Mobile Field Force Team may be activated as needed depending on the location of the disturbance which would require such activation. Once the Chief of Police or his designee has given direction to activate the West End Mobile Field Force Team, Chino Police Communications Center personnel will have the responsibility for calling those Chino PD members who are off-duty and advising them of their assignment. When the West End Mobile Field Force (MFF) Team has been assembled, it may be deployed directly from the Chino Police Department or to an event or to a team rally point (Code Alpha location); however, it will remain under the direction of the West End MFF Commander. A West End MFF Team does not need to consist solely of dedicated MFF Team members. SWAT Team members will generally not be assigned to Mobile Field Force duties.

MFF Team activation takes precedence over most other assignments within the Department. MFF Team members assigned to the Unit become subordinate to the MFF Team Commander until he determines that the activation is over.

The on-duty patrol Watch Commander will make a request directly to the Chino PD MFF Commander or his designee to initiate an activation of the MFF Team. This notification should preferably be done in person or via the telephone from the Watch Commander to the Chino PD Mobile Field Force Commander as opposed through the communication center so that the Chino PD MFF Commander can obtain the best possible information for making the decision.

The Chino PD MFF Team Commander will evaluate the facts and make a determination as to whether the West End MFF Team will be activated. If the Team Commander decides to activate the MFF Team, he will make notification to the Chief of Police or his designee for formal approval.

**408.7 MOBILE FIELD FORCE TEAM - COMPOSITION AND POSITIONS**

The West End Mobile Field Force Team currently consists of sworn supervisors and officers from the Chino Police Department, Ontario Police Department, Upland Police Department and the Montclair Police Department. Unless otherwise indicated, all activations of this team will include members from the four departments.
Team Commander - Overall command responsibilities for the Team to include the approval of all tactical operations. Each Team Leader reports directly to the Team Commander.

Team Leaders - Responsible for direct supervision of Team members regarding planning, deployment and execution of specific operations. Each Team Leader reports directly to the Team Commander. May serve as the Team Commander in the absence of the Lieutenant when designated by the Lieutenant. Team Leaders should be the rank of Sergeant.

Grenadiers - Reports directly to the Team Leader and assists with Team functions. Responsible for deploying chemical agents and/or less lethal specialty impact munitions.

Team Member - Reports directly to the Team Leader and may be assigned duties such as; employing O.C., less lethal force, crowd control tactics, utilizing specialized tactics, and other duties as directed by the Team Leader.

408.8 MOBILE FIELD FORCE TEAM - CALL OUT PROCEDURE
When a MFF deployment has been authorized, the following procedure will be utilized to initiate a response:

Communications personnel will make a MFF group text and/or telephonic contact. The MFF Commander, or Acting MFF Commander will instruct the Communications Officer what particular language will be sent over the text system. This will usually include: type of incident, (mutual aid, spontaneous event, crowd control, etc., location of the incident, and/or a team rally point (Code Alpha location).

Once a Team member receives an all text or phone call, he/she is to call in to the Chino Police Department Communications Center acknowledging receipt of the text and/or phone call and provide an estimated time of arrival to the station or rally point. This information will be logged by the receiving dispatcher and made available to the MFF Commander upon his arrival.

Once MFF Team members begin to arrive at the station, each person will check in with the Communications Center. A team deployment roster will also be maintained by a designated MFF Team Member scribe.

408.9 FIELD FORCE MISSIONS
The missions of the Field Force may include, but are not limited to:

(a) Securing sectors
(b) Crowd control, including deploying chemical agents
(c) High profile patrol in hostile areas
(d) Mass arrests and bookings
(e) Personnel reserves.
(f) Mutual Aid.
408.10 FIELD FORCE RESPONSE KIT
The Field Force Response Kit is to be maintained fully equipped and ready for deployment on a twenty-four hour basis. The kit will contain the following recommended equipment:

(a) One copy of the Civil Disturbance Order (Spanish and English)
(b) One legal size tablet
(c) Five pens/pencils
(d) One hundred plastic handcuffs
(e) Two plastic handcuff cutters
(f) Fifty (00) buck shotgun shells
(g) One hundred .45 caliber rounds
(h) One hundred .357 caliber rounds

(r) Field arrest forms
(s) 18 C Batteries
(t) One citywide map
(u) Digital photography equipment

408.11 USE OF CHEMICAL AGENTS
Only those personnel who are properly trained may discharge chemical agents. The supervisor in charge of a squad has authorization to deploy chemical agents provided his squad is properly equipped to function in a chemical agent environment.
408.12 MUTUAL AID
Local mutual aid may be necessary to deal with the onset of an incident of CD or an UO. The on-duty Watch Commander will summon and deploy mutual aid forces as directed by current policy while transitioning the Department into a CD staffing configuration.

408.13 PROTECTION OF EMERGENCY RESPONDERS
Field Officers shall be deployed to protect Fire Department, City Yards, Ambulance and other emergency personnel so that they may carry out their assigned duties. This protection may include escorting fire equipment to the affected area.

The on-duty Operations Commander is responsible for making the decision regarding the level of protection supplied to fire personnel. When faced with life threatening situations and/or a critical shortage of personnel, it may be necessary to deny or suspend this protection until such time as it is once again feasible.

408.14 MASS ARRESTS
When there is the likelihood that a mass arrest situation may occur, the Operations Commander should contact the San Bernardino County Sheriff's Department and request assistance in the form of a transportation vehicle. The Operations Commander will designate a single Officer to write an overall crime report, listing all persons arrested.

408.14.1 DISPERSAL ORDERS
If the situation allows for the advisement of a dispersal order, an announcement should be made prior to making any arrests. The dispersal order required in Penal Code section 726 should be made over a loud speaker. There must be proof beyond a reasonable doubt that the crowd could hear the order. The order should be similar to as follows:

This is _____________________ of the Chino /Ontario/ Upland/ Montclair Police Department. I hereby declare this to be an unlawful assembly. In the name of the People of the State of California, you are ordered to disperse immediately. Failure to do so will result in your immediate arrest and possible injury.

A dispersal order similar to the above was approved in People vs. Cipriani supra. There are no legal requirements as to the number of orders to be given, the intervals between the orders, or the interval between the final order and an arrest. It is recommended that the dispersal order be repeated three times and that it also be video taped.

408.15 RECOVERY PHASE/STAND DOWN
When a situation has stabilized, the Operations Commander should consult with the Chief of Police as to deciding the time and method of returning to normal operations and staffing levels. The following should be considered prior to taking steps to return to normal staffing:

Is the situation stable enough that there is little likelihood that it may flare up again and necessitate a recall of manpower?
Civil Disturbance Or Unusual Occurrence Plan

The specific hour of the transition should be that of normal shift change to facilitate moving out of the 12-hour shifts.

Once the decision is made to return to normal staffing, a single person is to be assigned to notify all off-duty personnel of the stand down. Additionally, when making notifications, the off-duty personnel will need to be notified as to when to report back to duty.

408.16 AFTER ACTION REPORT
At the conclusion of a Civil Disturbance or Unusual Occurrence, an involved staff Officer (as assigned by the Operations Division Commander) will complete a detailed after action situation report.
Ride-Along Policy

Members of the Explorer Post who have ride along privileges are limited to a ride-along once per month.

409.2  PROCEDURE TO REQUEST A RIDE-ALONG
Generally, ride-along requests will be scheduled by the Watch Commander. The participant will complete a ride-along waiver form. Information requested will include a valid ID or California driver's license, address, and telephone number. If the participant is under 18 years of age, a parent/guardian must be present to complete the Ride-Along Form.

The Watch Commander will schedule a date, based on availability, at least one week after the date of application. If approved, a copy will be forwarded to the respective Watch Commander as soon as possible for his/her scheduling considerations.

Everyone who participates in the Ride-Along Program must complete and sign a Waiver/Request to Ride-Along form. This form includes sections wherein the applicant acknowledges and accepts the potential danger associated with the ride along and the acknowledgement that during the ride-along, the rider is not considered an employee of the City of Chino, for the purpose of compensation or other renumerations.

The Waiver/Request to Ride-Along form will be signed in the presence of a Department employee who will also sign the form as having witnessed it being signed by the applicant. If the applicant is below the age of 18 years, the Waiver/Request to Ride-Along form must also be signed by the applicant's parent or guardian in the presence of a witnessing Department employee.

409.2.1  PROGRAM REQUIREMENTS
Once approved, civilian ride-alongs will be allowed to ride no more than once every twelve months. An exception would apply to the following: Cadets, Explorers, CST, Chaplains, Reserves, police applicants, and all others with approval of the Watch Commander.

An effort will be made to ensure that no more than one citizen will participate in a ride-along during any given time period. Normally, no more than one ride-along will be allowed in the officer's vehicle at a given time.

409.2.2  SUITABLE ATTIRE
Any person approved to ride along is required to be suitably dressed in collared shirt, blouse or jacket, slacks and shoes. Sandals, T-shirts, tank tops, shorts and jeans are not permitted. The Watch Commander or field supervisor may refuse a ride-along to anyone not properly dressed or groomed.

409.2.3  PEACE OFFICER RIDE-ALONGS
Off-duty members of this department or any other law enforcement agency will not be permitted to ride-along with on-duty officers without the expressed consent of the Watch Commander. In
the event that such a ride-along is permitted, the off-duty employee shall not be considered on-duty and shall not represent themselves as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

409.2.4 RIDE-ALONG CRIMINAL HISTORY CHECK
All Ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Department of Justice Automated Criminal History System check through CLETS prior to their approval as a ride-along with a law enforcement officer (provided that the ride-along is not an employee of the Chino Police Department) (CLETS Policies, Practices and Procedures Manual § 1.6.1.F.2.).

409.3 OFFICER’S RESPONSIBILITY
The officer shall advise the dispatcher that a ride-along is present in the vehicle before going into service. Officers shall consider the safety of the ride-along at all times. Officers should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The dispatcher will be advised of the situation and as soon as practical have another police unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

The Watch Commander is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, the form shall be returned to the Watch Commander with any comments which may be offered by the officer.

409.4 CONTROL OF RIDE-ALONG
The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit their participation. These instructions should include:

(a) The ride-along will follow the directions of the officer
(b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects, or handling any police equipment
(c) The ride-along may terminate the ride at any time. The officer may return the observer to their home or to the station if the ride-along interferes with the performance of the officer’s duties
(d) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety
(e) Officers will not allow any ride-alongs to be present in any residences or situations that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other citizen
(f) Under no circumstance shall a civilian ride along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person
(g) Responding to calls for service is inherently more dangerous than most other activities. The ride-along will be made to understand that an officer has a mandate to, as best as possible, limit the ride-along’s exposure to harm.

(h) Should it become necessary for the officer to drop off the ride along at a location deemed safe by the officer, the ride-along will remain at the location until retrieved by another officer or department employee. When dropping off the ride-along, the officer should weigh, based on experience and information at hand, the potential of the call presenting a serious danger to the ride-along, compared with leaving the ride-along at the selected drop off point.

(i) Officers should take special precautions to prevent a ride-along from getting too close to a potential crime scene, collision scene, or other situation which might be particularly horrific, gory or potentially hazardous to their physical or mental health.

(j) Cameras or recording devices of any kind are prohibited from being taken into the police vehicle by a ride-along without the specific authorization of the Chief of Police.
Hazardous Material Response

411.1 PURPOSE AND SCOPE
Hazardous materials present a potential harm to employees resulting from their exposure. To comply with Title 8, California Code of Regulations, § 5194, the following is to be the policy of this department.

411.1.1 HAZARDOUS MATERIAL DEFINED
A hazardous material is a substance which by its nature, containment and reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

411.2 HAZARDOUS MATERIAL RESPONSE
Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

(a) Attempt to identify the type of hazardous substance. (Identification can be determined by placard, driver's manifest or statements from the person transporting).
(b) Notify the Fire Department.
(c) Provide first-aid for injured parties if it can be done safely and without contamination.
(d) Begin evacuation of the immediate area and surrounding areas, depending on the substance. Voluntary evacuation should be considered; however, depending on the substance, mandatory evacuation may be necessary.
(e) Notify the local health authority. Such notification is mandatory when a spilled or released item is a pesticide (Health and Safety Code § 105215).
(f) Notify the Department of Toxic Substances Control. This is mandatory when an officer comes in contact with, or is aware of, the presence of a suspected hazardous substance at a site where an illegal controlled substance is or was manufactured (Health and Safety § 25354.5).

411.3 REPORTING EXPOSURE(S)
Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the supervisor in an incident report that shall be forwarded to the professional Standards Unit.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report.
411.3.1 SUPERVISOR RESPONSIBILITY
When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of employees, safety equipment is issued to sworn officers. Safety items are maintained by the Department’s Training Unit.
Hostage and Barricade Incidents

413.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

413.1.1 DEFINITIONS
Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is:

(a) Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

(b) Unlawfully held against his/her will under threat or actual use of force.

413.2 POLICY
It is the policy of the Chino Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

413.3 FIRST RESPONDER RESPONSIBILITY
Until the Incident Commander has been designated, the first officer on the scene of an actual or potential hostage/barricade situation shall consider the following:

(a) Attempt to avoid confrontation in favor of controlling and containing the situation until the arrival of trained personnel and/or trained hostage negotiation personnel

(b) Notification of tactical and hostage negotiation personnel

(c) Notification of appropriate persons within and outside the agency, such as command officers, dog handlers, or helicopter pilots

(d) Establishment of inner and outer perimeters

(e) Evacuation of bystanders and injured persons

(f) Establishment of central command post and appropriate chain of command
Hostage and Barricade Incidents

(g) Request for ambulance, rescue, fire and surveillance equipment
(h) Authorization for news media access and news media policy
(i) Pursuit/surveillance vehicles and control of travel routes

413.3.1 SUBJECT CONTACT
It may become necessary to make contact with the subject via telephone or voice communication. When trained negotiators are on-duty, they should be utilized for this initial contact. Absent trained negotiators being readily available, any on scene officer designated by the supervisor may make the contact. The contact officer shall consider the following:

• Use the contact to calm and/or distract him/her and to gain information and time
• Listen carefully for clues as to the subject's emotional state
• Reassure the subject the police will not enter the residence or building
• Avoid soliciting demands, bargaining, making concessions or promises
• Avoid giving orders to the subject
• Do not ask outsiders, friends or family to speak with the subject
• If the subject is believed to be suicidal, attempt to confirm with him/her on whether this is his/her intention
• Avoid tricks and strive for honesty (rapport building)
• Never say "no" to a demand
• Minimize the seriousness of the subject’s actions
• Keep a list of any demands the subject has made for future reference by the negotiators

413.4 FIRST RESPONDER CONSIDERATIONS
First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor’s response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.
Response to Bomb Calls

415.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to assist members of the Chino Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

415.2 FOUND EXPLOSIVES/SUSPECT DEVICES
When handling an incident involving a suspected explosive device, the following guidelines should be followed:

(a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging. The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.

(b) A minimum perimeter of 300 feet should be established around the device. An access point should be provided for support personnel.

(c) As much information as is available should be promptly relayed to the Watch Commander including:
   1. The stated threat.
   2. Exact comments.
   3. Time of discovery.
   4. Exact location of the device.
   5. Full description (e.g., size, shape, markings, construction) of the device.

(d) The device should not be touched or moved except by qualified bomb squad personnel.

(e) All equipment within 300 feet of the suspected device capable of producing radio frequency energy should be turned off. This includes two-way radios, cell phones and other personal communication devices.

(f) Consideration should be given to evacuating any buildings near the device.

(g) A search of the area should be conducted for secondary devices or other objects that are either hazardous or foreign to the area and a perimeter should be established around any additional suspicious device found.

Explosive or military ordnance of any type should be handled only by the bomb squad or military ordnance disposal team.
415.3 EXPLOSION/BOMBING INCIDENTS
When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic incidents, a rapid response may help to minimize injury to victims, contamination of the scene by gathering crowds, or additional damage by resulting fires or unstable structures. Whether the explosion was the result of an accident or a criminal act, the responding officers should consider the following actions:

(a) Assess the scope of the incident, including the number of victims and extent of injuries.
(b) Assist with first aid (Fire Department has primary responsibility).
(c) Assist with evacuation of victims (Fire Department has primary responsibility).
(d) Identify and take appropriate precautions to mitigate scene hazards such as collapsed structures, bloodborne pathogens, hazardous materials and secondary explosive devices.
(e) Request additional resources as needed.
(f) Identify witnesses.
(g) Preserve evidence.

415.3.1 NOTIFICATIONS
When an explosion has occurred, the following people shall be notified as soon as practicable if their assistance is needed:

(a) Fire Department
(b) Bomb Squad
(c) Additional officers
(d) Field supervisor
(e) Watch Commander
(f) Detectives
(g) Forensic Science Services

415.3.2 CROWD CONTROL
Only authorized personnel with a legitimate need shall be permitted access to the scene. Spectators and other unauthorized individuals shall be excluded to a safe distance as is reasonably practicable given the available resources and personnel.

415.3.3 SCENE OF INCIDENT
As in any other crime scene, steps should immediately be taken to preserve the scene. The scene could extend over a long distance. Evidence may be imbedded in nearby structures or hanging in trees and bushes.
415.4 BOMB THREATS RECEIVED AT POLICE FACILITY
This procedure shall be followed should a bomb threat call be received at the police facility.

415.4.1 BOMB THREATS RECEIVED BY TELEPHONE
The following questions should be asked if a call of a bomb threat is received at the Police Department:

- When is the bomb going to explode?
- Where is the bomb?
- What kind of bomb is it?
- What does it look like?
- Why did you place the bomb?
- Who are you? (to avoid possible termination of the call this should be the last question asked)

Attempt to keep the caller on the line as long as possible and obtain expanded answers to these five basic questions.

During this time, document the following:

- Time of the call.
- Exact words of the person as accurately as possible.
- Estimated age and gender of the caller.
- Speech patterns and/or accents.
- Background noises.

If the incoming call is received at the police facility on a recorded line, steps shall be taken to ensure that the recording is preserved in accordance with current department evidence procedures.

415.4.2 RESPONSIBILITIES
The employee handling the call shall ensure that the Watch Commander is immediately advised and fully informed of the details. The Watch Commander will then direct and assign officers as required for coordinating a general building search or evacuation as he/she deems appropriate.
Mental Illness Commitments

417.1 PURPOSE AND SCOPE
This policy provides guidelines for when officers may take a person into custody for psychiatric evaluation and treatment (5150 commitment) (Welfare and Institutions Code § 5150).

417.2 POLICY
It is the policy of the Chino Police Department to protect the public and individuals through legal and appropriate use of the 72-hour treatment and evaluation commitment (5150 commitment) process.

417.3 AUTHORITY
An officer having probable cause may take a person into custody and place the person in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the person is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).

When determining whether to take a person into custody, officers are not limited to determining the person is an imminent danger and shall consider reasonably available information about the historical course of the person’s mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

(a) An individual who is providing or has provided mental health treatment or related support services to the person
(b) A family member
(c) The person subject to the determination or anyone designated by the person

417.3.1 VOLUNTARY EVALUATION
If an officer encounters an individual who may qualify for a 5150 commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the officers should:

(a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
(b) If at any point the person changes his/her mind regarding voluntary evaluation, officers should proceed with the 5150 commitment, if appropriate.
(c) Document the circumstances surrounding the individual’s desire to pursue voluntary evaluation and/or admission.

417.3.2 RESTRAINTS
If the patient is violent or potentially violent, the officer will notify the staff of this concern. The staff member in charge will have discretion as to whether soft-restraints will be used. If these restraints
are desired, the officer will wait while they are being applied to help provide physical control of the patient, if needed.

417.3.3 MENTAL HEALTH DOCUMENTATION
The officer will complete an Application For 72-Hour Detention for Evaluation and Treatment form (MH-302) and provide it to the staff member assigned to that patient. The officer will retain a copy of the 72-hour evaluation for inclusion in the case report. The officer shall also provide a verbal summary to an emergency department staff member regarding the circumstances leading to the involuntary detention.

417.3.4 SECURING OF WEAPONS
If a receiving and secured facility prohibits weapons or if an extraordinary event occurs in the treatment facility and officers determine a need to secure their firearms, the firearm shall be secured in the appropriate gun locker at the facility or in the police unit.

417.4 CONSIDERATIONS AND RESPONSIBILITIES
Any officer handling a call involving an individual who may qualify for a 5150 commitment should consider, as time and circumstances reasonably permit:

(a) Available information that might assist in determining the cause and nature of the person’s action or stated intentions.
(b) Community or neighborhood mediation services.
(c) Conflict resolution and de-escalation techniques.
(d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Officers should consider a 5150 commitment over arrest when mental health issues appear to be a mitigating factor for people who are suspected of committing minor crimes or creating other public safety issues.

417.5 TRANSPORTATION
When transporting any individual for a 5150 commitment, the transporting officer should have the Communications Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Officers may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Watch Commander approval is required before transport commences.
417.5.1 RETURN OF CONFISCATED FIREARMS AND WEAPONS

(a) Whenever the handling officer has cause to believe that the future return of any confiscated weapon(s) might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Detective Bureau which shall be responsible for initiating a petition to the superior court for a hearing in accordance with Welfare and Institutions Code § 8102(b), to determine whether or not the weapon(s) will be returned.

(b) The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon(s) have been confiscated unless the Department makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Department shall send written notice to the individual informing him or her of the right to a hearing on the issue and that he or she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon(s).

(c) If no petition is initiated within the above period, the Department shall make the weapon(s) available for return in accordance with subsection (d) below. If the person does not confirm a desire for a hearing within the prescribed 30 days, the Department may file a petition for an order of default.

(d) Under no circumstances shall any firearm be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice which conforms to the provisions of Penal Code § 33865.

(e) In no case in which a firearm or other deadly weapon is not retained as evidence shall the Department be required to retain such firearms or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal in accordance with applicable law (Penal Code § 33875).

417.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written application for a 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.
Cite and Release Policy

419.1 PURPOSE AND SCOPE
This policy provides guidance on when to release adults who are arrested for a criminal misdemeanor offense on a written notice to appear (citation) and when to hold for court or bail.

419.2 POLICY
It is the policy of the Chino Police Department to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the Department’s mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

419.2.1 DISCRETION TO ARREST
While this department recognizes the statutory power of peace officers to make arrests throughout the state, officers are encouraged to use sound discretion in the enforcement of the law. On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot and/or fresh pursuit, while following up on crimes committed within the City, or while assisting another agency. On-duty officers who discover criminal activity outside the jurisdiction of the City should, when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

Off-duty officers observing criminal activity should generally take enforcement action only when it reasonably appears that imminent risk to life or property exists and the reasonable opportunity does not exist to contact the law enforcement agency with primary jurisdiction. In such situations the involved officer shall clearly identify him/herself as a police officer.

Officers are authorized to use verbal or written warnings to resolve minor traffic and criminal violations when appropriate.

419.3 DEPARTMENT PROCEDURE
The following procedure will be followed to comply with this law.

419.3.1 FIELD CITATIONS
In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting officer should check the booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court.

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.
419.3.2 RELEASE AFTER BOOKING
In some cases it may not be feasible or desirable to release a person in the field. The person should instead be released on citation after booking at the jail. All bookings shall be approved by the Watch Commander or the authorized designee.

419.3.3 DISQUALIFYING CIRCUMSTANCES
A person arrested for a misdemeanor shall be released on a notice to appear unless one of the following situations is present (Penal Code § 853.6(i)):

(a) The person arrested is so intoxicated that he/she could be a danger to him/herself or to others. Release may occur as soon as this condition no longer exists.

(b) The person arrested requires medical examination or medical care or is otherwise unable to care for his/her own safety
   1. The Chino Police Department shall not release an arrestee from custody for the purpose of allowing that person to seek medical care at a hospital, and then immediately re-arrest the same individual upon discharge from the hospital, unless the hospital determines this action will enable it to bill and collect from a third-party payment source (Penal Code § 4011.10).

(c) The person is arrested for one or more of the offenses listed in Vehicle Code §§ 40302, 40303 and 40305.
   1. Any person arrested for any offense listed in Vehicle Code § 40303(b) shall, in the judgment of the arresting officer, either be given a 10 day notice to appear or be taken without delay before a magistrate in the county of arrest.
   2. If a person under Vehicle Code §§ 40303 or 40305 does not have satisfactory identification, the officer may require the individual to provide a right thumbprint (or other finger). However such print may not be used for other than law enforcement purposes.
   3. Should any person arrested on a notice to appear claim under penalty of perjury not to be the person listed in the notice, such person may request that his/her thumbprint be taken for comparison at a fee not to exceed the actual cost of such service.

(d) There are one or more outstanding arrest warrants for the person.

(e) The person could not provide satisfactory evidence of personal identification.

(f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.

(g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.
(h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.

(i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented.

(j) The charges fall under Penal Code § 1270.1 (serious or violent felonies, domestic violence, etc.)

When a person is arrested on a misdemeanor offense and is not released by criminal citation, the reason for non-release shall be noted on the booking form. This form shall be submitted to the Watch Commander for approval and included with the case file in the Records Unit.

419.3.4 OTHER REASONS FOR NON-RELEASE
If the person arrested is not released for one or more of the reasons specified in Policy Manual § 420.33, the Watch Commander shall state specifically on the booking form the reason for non-release. Such reasons for non-release may include:

(a) Previous failure to appear is on record

(b) The person lacks ties to the area, such as a residence, job, or family

(c) Unusual circumstances lead the officer responsible for the release of prisoners to conclude that the suspect should be held for further investigation

419.3.5 INSTRUCTIONS TO CITED PERSON
The citing officer shall, at the time he/she asks the defendant to sign the notice to appear, call attention to the time and place for appearance and take any other steps he/she deems necessary to ensure that the defendant understands his/her written promise to appear.

419.4 CITATION RELEASE ON MISDEMEANOR WARRANTS
Penal Code § 827.1 allows the release by citation of a person designated in a warrant of arrest unless one of the following conditions exist:

(a) The misdemeanor cited in the warrant involves violence

(b) The misdemeanor cited in the warrant involves a firearm

(c) The misdemeanor cited in the warrant involves resisting arrest

(d) The misdemeanor cited in the warrant involves giving false information to a peace officer

(e) The person arrested is a danger to himself or herself or others due to intoxication or being under the influence of drugs or narcotics

(f) The person requires medical examination or medical care or was otherwise unable to care for his or her own safety
(g) The person has other ineligible charges pending against him/her

(h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person

(i) The person refuses to sign the notice to appear

(j) The person cannot provide satisfactory evidence of personal identification

(k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear

Release under this section shall be done in accordance with the provisions of this section.

419.5 MISDEMEANOR WARRANTS

An adult arrested on a misdemeanor warrant may be released, subject to Watch Commander approval, unless any of the following conditions exist:

(a) The misdemeanor cited in the warrant involves violence.

(b) The misdemeanor cited in the warrant involves a firearm.

(c) The misdemeanor cited in the warrant involves resisting arrest.

(d) The misdemeanor cited in the warrant involves giving false information to a peace officer.

(e) The person arrested is a danger to him/herself or others due to intoxication or being under the influence of drugs or narcotics.

(f) The person requires medical examination or medical care or was otherwise unable to care for his/her own safety.

(g) The person has other ineligible charges pending against him/her.

(h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person.

(i) The person refuses to sign the notice to appear.

(j) The person cannot provide satisfactory evidence of personal identification.

(k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear.

Release under this section shall be done in accordance with the provisions of this policy.

419.6 REQUESTING CASE NUMBERS

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Penal Code sections will require a case number to document the incident
Cite and Release Policy

properly in a report. This section does not preclude an officer from requesting a case number if he/she feels the situation should be documented more thoroughly in a case report.
Foreign Diplomatic and Consular Representatives

421.1 PURPOSE AND SCOPE
This policy provides guidelines to ensure that members of the Chino Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

421.1.1 DEFINITIONS
Foreign National - Anyone who is not a citizen of the United States (U.S.). A person with dual-citizenship, U.S. and foreign, is not a foreign national.

Immunity - Refers to various protections and privileges extended to the employees of foreign governments who are present in the U.S. as official representatives of their home governments. These privileges are embodied in international law and are intended to ensure the efficient and effective performance of their official "missions" (i.e., embassies, consulates, etc.) in foreign countries. Proper respect for the immunity to which an individual is entitled is necessary to ensure that U.S. diplomatic relations are not jeopardized and to maintain reciprocal treatment of U.S. personnel abroad. Although immunity may preclude U.S. courts from exercising jurisdiction, it is not intended to excuse unlawful activity. It is the policy of the U.S. Department of State's Office of Foreign Missions (OFM) that illegal acts by Foreign Service personnel should always be pursued through proper channels. Additionally, the host country's right to protect its citizens supersedes immunity privileges. Peace officers may intervene to the extent necessary to prevent the endangerment of public safety or the commission of a serious crime, regardless of immunity claims.

421.2 ARREST OR DETENTION OF FOREIGN NATIONALS
Officers should take appropriate enforcement action for all violations observed, regardless of claims of diplomatic or consular immunity received from violators. A person shall not, however, be subjected to in-custody arrest when diplomatic or consular immunity is claimed by the individual or suspected by the officer, and the officer has verified or reasonably suspects that the claim of immunity is valid.

421.3 CLAIMS OF IMMUNITY
If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

(a) Notify a supervisor.

(b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person’s status.
Foreign Diplomatic and Consular Representatives

(c) Request the person’s identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.

(d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.

(e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating “US” as the state.

421.3.1 DIPLOMATIC AGENTS
Diplomatic agents (e.g., ambassadors and United Nations representatives) are afforded the highest levels of immunity. They are exempt from arrest or detention and are immune from all criminal (and most civil) prosecution by the host state. The family members of diplomatic agents enjoy these same immunities. Currently there are no diplomatic agents permanently assigned to California; but they do occasionally visit the state.

421.3.2 CONSULAR OFFICERS
Consular officers are the ranking members of consular posts who perform various formal functions on behalf of their own governments. Typical titles include consul general, consul, and vice consul. These officials are immune from arrest or detention, except pursuant to a felony warrant. They are only immune from criminal and civil prosecution arising from official acts. Official acts immunity must be raised as an affirmative defense in the court jurisdiction, and its validity is determined by the court. Under this defense, the prohibited act itself must have been performed as an official function. It is not sufficient that the consular agent was on-duty or in an official capacity at the time of the violation. The family members of consular officers generally enjoy no immunity, however, any family member who enjoys a higher level of immunity is issued an identification card by Department of State (DOS) enumerating any privileges or immunities on the back of the card. Examples are consular officers and family members from Russia or China.

There are approximately 600 consular officers in California, with most located in Los Angeles, San Francisco and San Diego.

421.3.3 HONORARY CONSULS
Honorary consuls are part-time employees of the country they represent and are either permanent residents of the U.S. or U.S. nationals (unlike career consular officers, who are foreign nationals on temporary assignment to the U.S.). Honorary consuls may be arrested and detained;
immunity for official acts may be available as a subsequent defense. Family members have no immunity. There are less than 100 honorary consuls in California.

### 421.4 ENFORCEMENT

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

(a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.

(b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety or the prevention of serious criminal acts.

(c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.

1. Investigations, including the request for field sobriety tests, chemical tests and any other tests regarding impaired driving may proceed but they shall not be compelled.

(d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:

1. Diplomatic-level staff of missions to international organizations and recognized family members
2. Diplomatic agents and recognized family members
3. Members of administrative and technical staff of a diplomatic mission and recognized family members
4. Career consular officers, unless the person is the subject of a felony warrant

(e) The following persons may generally be detained and arrested:

1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.
2. Support staff of missions to international organizations
3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
4. Honorary consular officers
5. Whenever an officer arrests and incarcerates, or detains for investigation for over two hours, a person with diplomatic and consular privileges and immunities, the officer shall promptly advise the person that he/she is entitled to have his/her government notified of the arrest or detention (Penal Code § 834c). If the individual wants his/her government notified, the officer shall begin the notification process.
421.4.1 VEHICLE REGISTRATION
Vehicles that are owned by foreign missions or Foreign Service personnel and their dependents are registered with the Department of State OFM and display distinctive red, white, and blue license plates. Vehicles assigned to diplomatic or consular officers will generally have license plates labels with the words "diplomat" or "consul." Vehicles owned by honorary consuls are not issued OFM license plates; but may have California license plates with an "honorary consul" label. Driver's identity or immunity status should not be presumed from the type of license plates displayed on the vehicle. The status of an OFM license plate should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state, if the officer has reason to question the legitimate possession of the license plate.

421.5 DOCUMENTATION
All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

421.5.1 CITABLE OFFENSES
An enforcement document shall be issued at the scene for all violations warranting such action, regardless of the violator’s immunity status. The issuance of a citation is not considered an arrest or detention under current Department of State guidelines. Whenever the equivalent of a notice to appear is issued to an immunity claimant, the following additional procedures shall be followed by the arresting officer:

(a) Identification documents are to be requested of the claimant

(b) The title and country represented by the claimant are to be recorded on the back of the officer’s copy of the Notice to Appear for later reference. Do not include on the face of the notice to appear

(c) The claimant shall be requested to sign the notice to appear. If the claimant refuses, the identity and immunity status of the individual shall be conclusively established

(d) Verified diplomatic agents and consular officers, including staff and family members from countries with which the U.S. has special agreements, are not required to sign the Notice to Appear. The word “Refused#? shall be entered in the signature box, and the violator shall be released

(e) Verified consular staff members, excluding those from countries with which the U.S. has special agreements, are generally obligated to sign the Notice to Appear, but a signature shall not be required if their immunity status is uncertain

(f) All other claimants are subject to the provisions of Vehicle Code § 40302(b) and policy and procedures outlined in this chapter

(g) The violator shall be provided with the appropriate copy of the notice to appear
421.5.2 IN-CUSTODY ARRESTS

Diplomatic agents and consular officers are immune from arrest or detention (unless they have no identification and the detention is to verify their diplomatic status). Proper identification of immunity claimants is imperative in potential in-custody situations. Claimants who are not entitled to immunity shall be placed in custody in accordance with the provisions outlined in Policy Manual § 422.6 of this policy.

A subject who is placed under arrest and claims diplomatic or consular immunity shall not be physically restrained before verification of the claim (unless restraint is necessary for the protection of the officer or others.)

A supervisor shall be promptly notified and should respond to the scene when possible.

Field verification of the claimant’s identity is to be attempted as follows:

(a) Identification cards issued by the Department of State, Protocol Office, are the only valid evidence of diplomatic or consular immunity. The following types of identification cards are issued: Diplomatic (blue bordered), Consular (red bordered), and Official (green bordered). The Department of State identification cards are 3-3/4 inch by 1-1/2 inch and contain a photograph of the bearer.

(b) Initiate telephone verification with the Department of State. Newly arrived members of diplomatic or consular missions may not yet have official Department of State identity documents. Verify immunity by telephone with the Department of State any time an individual claims immunity and cannot present satisfactory identification, the officer has reason to doubt the claim of immunity, or there is a possibility of physical arrest. Law enforcement personnel should use the following numbers in order of preference:

Members of diplomatic or consular missions also may have other forms of identification. These include identification cards issued by California Emergency Management Agency (Cal EMA), local law enforcement agencies, the foreign embassy, or consulate; driver licenses issued by Department of State; and, Department of State license indicia on the vehicle. All these items are only an indication that the bearer may have some form of immunity.

Subjects verified through the above procedures as being officials entitled to immunity (diplomatic agent, consular officers and consular staff and family members from countries with which the U.S. has special agreements) may not be arrested. The procedures below shall be followed. These procedures should also be used in the event immunity cannot be verified, but another form of identification indicates that immunity is probable.

If the release of the violator will not create an additional hazard, adequate information to properly identify the violator shall be obtained then the official shall be released. A supervisor’s approval for the release shall be obtained whenever possible. The necessary release documents and/or a Certificate of Release form should only be issued under the proper conditions.

If the violator appears to have been driving while under the influence, field sobriety tests, including Preliminary Alcohol Screening (PAS) device tests and chemical tests should be offered and obtained whenever possible, however, these tests cannot be compelled. The subject shall not be permitted to drive. A supervisor’s approval for release shall be obtained whenever possible and alternative transportation should be arranged.

All facts of the incident shall be documented in accordance with this policy in a Driving Under the Influence (DUI) Arrest-Investigation Report, Arrest-Investigation Report and/or any other relevant Report form. Notwithstanding the field release of the subject, prosecution is still appropriate and should be pursued by the command concerned. The Department of State will take appropriate sanctions against errant foreign service personnel, even where prosecution is not undertaken by the agency.
421.6 TRAFFIC COLLISIONS
Persons involved in traffic collisions who possess a Department of State OFM Diplomatic Driver License, issued by the DMVO, shall have "D" coded in the license "class" box of the Traffic Collision Report. The actual driver license class (e.g., 1, 2, 3, or A, B, C, M) shall be entered in the miscellaneous box on page two of the traffic report. If subsequent prosecution of the claimant is anticipated, the claimant's title, country, and type of identification presented should be recorded for future reference. Issuance of a citation to, or arrest of, an immunity claimant at the accident scene should be handled in accordance with the procedures specified in Policy Manual § 422.5 of this chapter.

421.6.1 VEHICLES
Vehicles, which are owned by subjects with full immunity, may not be searched, stored, or impounded without the owner's permission. (Such permission may be assumed if the vehicle has been stolen.) These vehicles may, however, be towed the necessary distance to remove them from obstructing traffic or creating any other hazard.

421.6.2 REPORTS
A photocopy of each traffic collision report involving an identified diplomat and/or immunity claimant shall be forwarded to the office of the Chief of Police within 48 hours whether or not the claim is verified. The words "Immunity Claim" shall be marked on the photocopy, together with a notation of the claimant's title, country, and type of identification presented (if applicable). In addition to the report, a follow-up cover memorandum should be submitted if the violation was flagrant, if the claimant was uncooperative, or if there were any other unusual aspects of the enforcement contact that should be reported to the Department of State for further action. The Watch Commander/Supervisor apprised of the incident/accident shall also send a copy of all documents and reports submitted by the investigating officer along with any supervisor's notes, materials and/or logs to the Chief of Police's office within 48 hours of the incident. The Chief of Police's office will check to ensure that notification of Department of State and all necessary follow-up occur.

421.7 FOREIGN NATIONALS WHO DO NOT CLAIM IMMUNITY
These policies and procedures apply to foreign nationals who do not claim diplomatic or consular immunity.

Officers shall arrest foreign nationals only under the following circumstances:

(a) There is a valid warrant issued for the person's arrest
(b) There is probable cause to believe that the foreign national has violated a federal criminal law, a state law, or a local ordinance
(c) Officers shall not arrest foreign nationals solely for alleged undocumented entry into the U.S. unless the undocumented entry is committed in the officer's presence

After a lawful detention or criminal arrest, officers may detain foreign nationals solely for alleged undocumented presence in the U.S. if the U.S. Immigration and Customs Enforcement (ICE)
is contacted and can respond to take custody within a reasonable time. Officers shall not arrest foreign nationals for undocumented presence. Federal courts have consistently held that undocumented presence is not a crime but a federal civil violation only enforceable by federal officers.

- Officers shall not stop or detain persons solely for determining immigration status.
- International treaty obligations provide for notification of foreign governments when foreign nationals are arrested or otherwise detained in the U.S.
- Whenever an officer arrests and incarcerates a foreign national or detains a foreign national for investigation for over two hours, the officer shall promptly advise the individual that he/she is entitled to have his/her government notified of the arrest or detention. (Penal Code § 834c). If the individual wants his/her government notified, the officer shall begin the notification process.

421.7.1 ARREST PROCEDURE
Whenever an officer physically arrests or detains an individual for criminal investigation and the officer reasonably believes the person to be a foreign national, the officer shall inquire to determine the person’s citizenship.

This procedure applies to detentions of more than two hours. An inquiry is not required if the individual is detained less than two hours for criminal investigation.

If the individual indicates that he/she is other than a U.S. citizen, the officer shall advise the individual that he/she has a right to have the nearest appropriate embassy or consulate notified of the arrest/detention (Vienna Convention on Consular Relations, Art. 36, (1969)).

If the individual requests such notification, the officer shall contact the Communications Center as soon as practical and request the appropriate embassy/consulate be notified. Officers shall provide the Communications Center with the following information concerning the individual:

- Country of citizenship
- Full name of individual, including paternal and maternal surname, if used
- Date of birth or age
- Current residence
- Time, date, place, location of incarceration/detention and the 24-hour telephone number of the place of detention if different from the Department itself

If the individual claims citizenship of one of the countries for which notification of the consulate/embassy is mandatory, officers shall provide the Communications Center with the information above as soon as practicable, regardless of whether the individual desires that the embassy/consulate be notified. This procedure is critical because of treaty obligations with the particular countries. The list of countries and jurisdictions that require notification can be found on the U.S. Department of State website.
Foreign Diplomatic and Consular Representatives

421.7.2 DOCUMENTATION
Officers shall document on the face page and in the narrative of the appropriate Arrest-Investigation Report the date and time the Communications Center was notified of the foreign national's arrest/detention and his/her claimed nationality.
Rapid Response and Deployment

423.1 PURPOSE AND SCOPE
Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers in situations that call for rapid response and deployment.

423.2 POLICY
The Chino Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

423.3 FIRST RESPONSE
If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

(a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
(b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
(c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
(d) Whether the suspect can be contained or denied access to victims.
(e) Whether the officers have the ability to effectively communicate with other personnel or resources.
Rapid Response and Deployment

(f) Whether planned tactics can be effectively deployed.

(g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

423.4 CONSIDERATIONS
When dealing with a crisis situation members should:

(a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.

(b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.

(c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.

(d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

423.5 PLANNING
The Operations Division Commander should coordinate critical incident planning. Planning efforts should consider:

(a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.

(b) Availability of building plans and venue schematics of likely critical incident target sites.

(c) Communications interoperability with other law enforcement and emergency service agencies.

(d) Training opportunities in critical incident target sites, including joint training with site occupants.

(e) Evacuation routes in critical incident target sites.

(f) Patrol first-response training.

(g) Response coordination and resources of emergency medical and fire services.

(h) Equipment needs.

(i) Mutual aid agreements with other agencies.

(j) Coordination with private security providers in critical incident target sites.
423.6 TRAINING
The Training Sergeant should include rapid response to critical incidents in the training plan. This training should address:

(a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.

(b) Communications interoperability with other law enforcement and emergency service agencies.

(c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
   1. This should include the POST terrorism incident training required for officers assigned to field duties (Penal Code § 13519.12).

(d) First aid, including gunshot trauma.

(e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).
Active Shooter Response

424.1 PURPOSE AND SCOPE
The trend of violence perpetrated by individuals or groups of individuals presents a difficult situation for law enforcement. The responsibility of law enforcement is, to the best of its ability, to protect the lives of every person involved in these types of circumstances and to control these situations to the degree that the responsible subjects are taken into custody and the scene is rendered safe.

424.2 POLICY
The Chino Police Department is dedicated to the safety of our community. Officers responding to an "active shooter" incident shall accomplish this goal by immediately using any legal means at their disposal to make contact with and stop the active shooter. This may include arrest, containment, or use of deadly force.

This policy recognizes that the active shooter must be stopped before he/she can destroy or injure innocent victims. This shall be the duty and responsibility of the initial responding officers, and they shall use all legal means to accomplish it.

The prioritization of activities, in order of importance, is:

(a) Stop the active shooter from committing additional violence
(b) Rescue victims
(c) Provide for medical assistance
(d) Preserve the crime scene

While it is important to provide medical treatment to the wounded, our first responsibility is to prevent any additional victims from being injured or killed by stopping the actions of the active shooter. As soon as practical, emergency medical treatment and evacuation of injured victims will be provided.

424.3 DEFINITION
Active Shooter- One or more subjects who participate in a random or systematic spree of violence, demonstrating their intent to harm others. Their activity is immediately causing death or great bodily injury (or the suspect is threatening to cause such injury or death). Their activity is not contained, and there is an immediate risk of continuing violence. Their overriding objective appears to be that of inflicting mass harm or death to others, rather than other criminal conduct.

For the purpose of this policy, the term "active shooter" will also include anyone who use any other deadly weapon (including but not limited to knives, clubs, bows and arrows, explosives, etc.) in a manner described above.
424.4 LEGAL PROVISIONS
Pursuant to Section 835a of the penal Code, any officer that has reasonable cause to believe that the person to be arrested has committed a public offense may use reasonable force to effect the arrest, to prevent escape, or to overcome resistance.

A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of the resistance or threatened resistance of the person being arrested; nor shall such officer be deemed an aggressor or lose his right to self-defense by the use of reasonable force to effect the arrest or to prevent escape or to overcome resistance.

The use of deadly force against an active shooter will be governed by Policy Manual Section 300.

424.5 USE OF SUPPRESSIVE FIRE
Suppressive fire towards the active shooter may be necessary, especially if the active shooter has gained an advantage by height, cover, or barricade. Suppressive fire towards the position of an active shooter is permissible, taking into consideration innocent victims that may be in the line of fire.

424.6 EQUIPMENT
Officers shall follow established policy provisions relating to authorized weapon usage when responding to active shooter incidents. When able, qualified officers responding to active shooter incidents should arm themselves with an authorized tactical rifle.

If a patrol rifle is not available, officers should arm themselves with an authorized 12-gauge shotgun loaded with slug rounds.

In addition, officers should wear a ballistic vest and helmet, if available.

424.7 PROCEDURE
All sworn personnel who are not otherwise committed to an emergency call shall respond to the scene of an active shooter. This will include sworn personnel from all divisions and bureaus within the Department.

424.7.1 INITIAL OFFICER ON SCENE- RESPONSIBILITIES
The first officer arriving on scene will become the officer in charge until relieved by a supervisor. This officer will be responsible for the initial collection and broadcasting of pertinent information from on-scene sources, directing responding units to a staging area, and assembling a "Contact Team." The officer in charge will not be part of the Contact Team. He/She should remain outside the location to direct additional responding units.

424.7.2 CONTACT TEAM- RESPONSIBILITIES
The next four responding officers will form a Contact Team and go in immediate pursuit of the active shooter. The focus is to make contact as soon as possible and stop the active shooter by arrest, containment, or use of deadly force. The Contact Team will not conduct a detailed or
thorough clearing of any structure or area. The Contact Team will pass by victims or other harmless distractions. The location of victims and injured should be relayed to the Rescue Team.

424.7.3 RESCUE TEAM RESPONSIBILITIES
The second set of four officers arriving on the scene will form a Rescue Team. This team will locate and remove, or direct injured victims to an area of safety. The Rescue Team members are to remain constantly vigilant as the rapidly changing dynamics of the incident may put them in contact with the active shooter.

424.7.4 TEAM LEADER
In the context of a "Contact Team" or "Rescue Team," the Team Leader is a designated member of the four person team who is responsible for directing the team's movement and actions. The team Leader will be the ranking officer within the team unless otherwise designated by the officer in charge.

In the absence of a sergeant or above and a SWAT Team member is on scene, the SWAT Team member should be given consideration as to being designated the Team Leader.

424.8 BARRICADED SUSPECTS
If the Contact team determines that the suspect(s) has become barricaded and the shooting has stopped, the goal of the Contact Team should change from contacting the suspect(s) to containing the suspect(s). The Team Leader should then direct available personnel toward the effective containment of all possible avenues of escape. Once a secure containment perimeter has been established, the OIC will request the activation of the Department's Crisis Response Unit.

If, however; the suspect(s) reinitiates violent behavior toward others, and the SWAT Team has not deployed on scene, the Contact Team's goal shall revert to contacting the suspect(s) and stopping the aggression, either by arrest, containment, or use of deadly force.

424.9 INCIDENT COMMAND
The first staff officer on the scene, who is not part of the Contact or Rescue Team, will become the Incident Commander and will assume command of the incident from the officer in charge. He/She will establish a command post in a safe and tactically sound location. An example of duties should include:

(a) Coordinate the containment of inner and outer perimeters
(b) Choose and designate a safe staging area for arriving personnel
(c) Form additional Contact and Rescue Teams, as necessary
(d) Request and coordinate traffic control devices to block surrounding streets
(e) Designate a media relations location
(f) Arrange for a safe staging area for medical units and treatment of injured
(g) Post additional responding officers to preserve crime scenes
(h) Identify additional needs and deploy available resources as necessary

Once the suspect is arrested or incapacitated and the situation is stabilized, regular agency policies and procedures will be followed regarding the investigation and evidence preservation.

424.10 TRAINING
The Department shall insure that an appropriate training program is maintained for response to active shooter incidents. This training will be consistent with contemporary and accepted practices.
Immigration Violations

427.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines to members of the Chino Police Department relating to immigration and interacting with federal immigration officials.

427.1.1 DEFINITIONS
The following definitions apply to this policy (Government Code § 7284.4):

Criminal immigration violation - Any federal criminal immigration violation that penalizes a person's presence in, entry, or reentry to, or employment in, the United States. This does not include any offense where a judicial warrant already has been issued.

Immigration enforcement - Any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal civil immigration law, including any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal criminal immigration law that penalizes a person's presence in, entry or reentry to, or employment in the United States.

Judicial warrant - An arrest warrant for a violation of federal criminal immigration law and issued by a federal judge or a federal magistrate judge.

427.2 POLICY
It is the policy of the Chino Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

427.3 VICTIMS AND WITNESSES
To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

427.4 DETENTIONS AND ARRESTS
An officer shall not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant (Government Code § 7284.6).

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of 8 USC § 1326(a) (unlawful reentry) that may be subject to an enhancement due to a previous conviction of an aggravated felony under 8 USC § 1326(b) (2), may detain the person for a reasonable period of time to contact federal immigration officials.
to verify whether the United States Attorney General has granted the individual permission for reentry and whether the violation is subject to enhancement (Government Code § 7284.6). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual’s status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has violated 8 USC § 1326(a) and the penalty may be subject to enhancement due to prior conviction for specified aggravated felonies, he/she may arrest the individual for that offense (Government Code § 7284.6).

An officer shall not detain any individual, for any length of time, for any other criminal immigration violation of federal immigration laws (Government Code § 7284.6).

An officer should notify a supervisor as soon as practicable whenever an individual is arrested for violation of 8 USC § 1326(a).

427.4.1 SUPERVISOR RESPONSIBILITIES
When notified that an officer has arrested an individual for violation of 8 USC § 1326(a) or under the authority of a judicial warrant, the supervisor should determine whether it is appropriate to:

(a) Transfer the person to federal authorities.
(b) Transfer the person to jail.

427.5 FEDERAL REQUESTS FOR ASSISTANCE
Absent an urgent issue of officer safety or other emergency circumstances, requests by federal immigration officials for assistance from this department should be directed to a supervisor. The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).

427.6 INFORMATION SHARING
No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373; Government Code § 7284.6):

(a) Sending information to, or requesting or receiving such information from federal immigration officials
(b) Maintaining such information in department records
(c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

427.6.1 IMMIGRATION DETAINERS
No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 (Government Code § 7284.6).
Notification to a federal authority may be made prior to release of an individual who is the subject of a notification request only if the individual meets one of the following conditions (Government Code § 7282.5; Government Code § 7284.6):

(a) The individual has been arrested and had a judicial probable cause determination for a serious or violent felony identified in Penal Code § 667.5(c) or Penal Code § 1192.7(c).

(b) The individual has been arrested and had a judicial probable cause determination for a felony punishable by time in a state prison.

(c) The individual has been convicted of an offense as identified in Government Code § 7282.5(a).

(d) The individual is a current registrant on the California Sex and Arson Registry.

(e) The individual is identified by the U.S. Department of Homeland Security’s Immigration and Customs Enforcement as the subject of an outstanding federal felony arrest warrant.

427.6.2 NOTICE TO INDIVIDUALS
Individuals in custody shall be given a copy of documentation received from U.S. Immigration and Customs Enforcement (ICE) regarding a hold, notification, or transfer request along with information as to whether the Chino Police Department intends to comply with the request (Government Code § 7283.1).

If the Chino Police Department provides ICE with notification that an individual is being, or will be, released on a certain date, the same notification shall be provided in writing to the individual and to his/her attorney or to one additional person who the individual may designate (Government Code § 7283.1).

427.6.3 ICE INTERVIEWS
Before any interview regarding civil immigration violations takes place between ICE personnel and an individual in custody, the Chino Police Department shall provide the individual with a written consent form that explains the purpose of the interview, that the interview is voluntary, and that he/she may decline to be interviewed or may choose to be interviewed only with his/her attorney present. The consent form must be available in the languages specified in Government Code § 7283.1.

427.6.4 TRANSFERS TO IMMIGRATION AUTHORITIES
Members shall not transfer an individual to immigration authorities unless one of the following circumstances exist (Government Code § 7282.5; Government Code § 7284.6):

(a) Transfer is authorized by a judicial warrant or judicial probable cause determination.

(b) The individual has been convicted of an offense as identified in Government Code § 7282.5(a).

(c) The individual is a current registrant on the California Sex and Arson Registry.
Immigration Violations

(d) The individual is identified by the U.S. Department of Homeland Security’s Immigration and Customs Enforcement as the subject of an outstanding federal felony arrest warrant.

427.6.5 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE
The Detective Bureau supervisor shall ensure that data regarding the number of transfers of an individual to immigration authorities, as permitted by Government Code § 7284.6(a)(4), and the offense that allowed for the transfer is collected and provided to the Records Supervisor for required reporting to the DOJ (Government Code § 7284.6(c)(2)(see the Records Unit Policy).

427.7 U VISA AND T VISA NONIMMIGRANT STATUS
Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)). Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Detective Bureau supervisor assigned to oversee the handling of any related case. The Detective Bureau supervisor should:

(a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.

(b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.

(c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.

1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.

2. Form I-918 Supplement B certification shall be completed if the victim qualifies under Penal Code § 679.10 (multiple serious offenses). Form I-914 Supplement B certification shall be completed if the victim qualifies under Penal Code § 236.5 or Penal Code § 679.11 (human trafficking).

(d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

(e) Inform the victim liaison of any requests and their status.

427.7.1 TIME FRAMES FOR COMPLETION
Officers and their supervisors who are assigned to investigate a case of human trafficking as defined by Penal Code § 236.1 shall complete the above process and the documents needed for indicating the individual is a victim for the T visa application within 15 business days of the first encounter with the victim, regardless of whether it is requested by the victim (Penal Code § 236.5).
Officers and their supervisors shall complete the above process and the documents needed certifying victim cooperation for a U visa or T visa application pursuant to Penal Code § 679.10 and Penal Code § 679.11 within 30 days of a request from the victim, victim’s family, or authorized representative (as defined in Penal Code § 679.10 and Penal Code § 679.11) related to one of their assigned cases. If the victim is in removal proceedings, the certification shall be processed within seven days of the first business day following the day the request was received.

427.7.2 REPORTING TO LEGISLATURE
The Detective Bureau supervisor or the authorized designee should ensure that certification requests are reported to the Legislature in January of each year and include the number of certifications signed and the number denied. The report shall comply with Government Code § 9795 (Penal Code § 679.10; Penal Code § 679.11).

427.7.3 POLICE REPORTS
Upon request, an officer or supervisor should provide a victim or authorized representative with a copy of the report filed by the victim within seven days of the request (Penal Code § 679.10).

427.8 PUBLIC FORUM
If the Chino Police Department has provided ICE access to an individual during the last year it shall hold at least one community forum during the following year, that is open to the public, in an accessible location, and with at least 30 days’ notice to provide information to the public about ICE’s access to individuals and to receive and consider public comment. As part of this forum, the Chino Police Department may provide the governing body with data it maintains regarding the number and demographic characteristics of individuals to whom the agency has provided ICE access, the date ICE access was provided, and whether the ICE access was provided through a hold, transfer, or notification request or through other means. Data may be provided in the form of statistics or, if statistics are not maintained, individual records, provided that personally identifiable information shall be redacted (Government Code § 7283.1(d)).
Emergency Utility Service

429.1 PURPOSE AND SCOPE
The City Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

429.1.1 BROKEN WATER LINES
The City’s responsibility ends at the water meter; any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer’s responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the City side of the meter, emergency personnel should be called as soon as practical by the Communications Center.

429.1.2 ELECTRICAL LINES
City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The Electric Company or Public Works should be promptly notified, as appropriate.

429.1.3 RESERVOIRS, PUMPS, WELLS, ETC.
Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

429.1.4 EMERGENCY NUMBERS
A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by the Communications Center.

429.2 TRAFFIC SIGNAL MAINTENANCE
The City of Chino contracts with a private maintenance company to furnish maintenance for all traffic signals within the City, other than those maintained by the State of California.

429.2.1 OFFICER’S RESPONSIBILITY
Upon observing a damaged or malfunctioning signal, the officer will advise the Communications Center of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.
Patrol Rifles

432.1 PURPOSE AND SCOPE
In order to more effectively and accurately address the increasing level of fire power and body armor utilized by criminal suspects, the Chino Police Department will make patrol rifles available to qualified patrol officers as an additional and more immediate tactical resource.

432.2 PATROL RIFLE
432.2.1 DEFINITION
A patrol rifle is an authorized weapon which is owned by the Department and which is made available to properly trained and qualified officers as a supplemental resource to their duty handgun or shotgun. No personally owned rifles may be carried for patrol duty unless pre-approved in writing by the Training Sergeant and the department armorer.

432.3 SPECIFICATIONS
Only weapons and ammunition that meet agency authorized specifications, approved by the Chief of Police may be used by officers in their law enforcement responsibilities.

432.4 RIFLE MAINTENANCE
(a) Primary responsibility for maintenance of patrol rifles shall fall on the Range Manager, who shall inspect and service each patrol rifle on a monthly basis.
(b) Each patrol officer carrying a patrol rifle may be required to field strip and clean an assigned patrol rifle as needed.
(c) Each patrol officer shall be responsible for promptly reporting any damage or malfunction of an assigned patrol rifle.
(d) Any patrol rifle found to be unserviceable shall be removed from service. The rifle shall be clearly labeled as "out of service" and details regarding the weapon's condition shall be included on the label.
(e) Each patrol rifle shall be subject to inspection by a supervisor or the Range Manager at any time.
(f) No modification shall be made to any patrol rifle without prior written authorization from the Range Manager.

432.5 TRAINING
Officers shall not carry or utilize the patrol rifle unless they have successfully completed departmental training. This training shall consist of an initial 18-hour patrol rifle user's course and qualification score with a certified patrol rifle instructor. Officers shall thereafter be required
to successfully complete quarterly training and qualification conducted by a certified patrol rifle instructor.

Any officer who fails to qualify or who fails to successfully complete department sanctioned training/qualification will no longer be authorized to carry the patrol rifle without successfully retaking the initial patrol officers user's course and qualification.

432.6 DEPLOYMENT OF THE PATROL RIFLE
Officers may deploy the patrol rifle in any circumstance where the officer can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

(a) Situations where the officer reasonably anticipates an armed encounter.
(b) When an officer is faced with a situation that may require the delivery of accurate and effective fire at long range.
(c) Situations where an officer reasonably expects the need to meet or exceed a suspect's firepower.
(d) When an officer reasonably believes that there may be a need to deliver fire on a barricaded suspect or a suspect with a hostage.
(e) When an officer reasonably believes that a suspect may be wearing body armor.
(f) When authorized or requested by a supervisor.
(g) When needed to euthanize an animal.

432.7 DISCHARGE OF THE PATROL RIFLE
The discharge of the patrol rifle shall be governed by the Department's Deadly Force Policy, Policy Manual § 300.

432.8 PATROL READY
Any qualified officer carrying a patrol rifle in the field shall maintain the weapon in the "patrol ready" until deployed. A rifle is considered "patrol ready" when it has been inspected by the assigned officer and meets the following conditions:

(a) The chamber is empty
(b) The rifle bolt is forward with the hammer down
(c) The rifle safety is off
(d) There is a loaded magazine in the rifle with no more than 27 rounds
(e) The dust cover is closed
(f) The rifle is stored in the locked patrol vehicle's rifle rack or trunk
Aircraft Accidents

432.1 PURPOSE AND SCOPE
This policy describes situations involving aircraft accidents including responsibilities of personnel, making proper notification, and documentation.

432.2 RESPONSIBILITIES
In the event of an aircraft crash the employee responsibilities are as follows:

432.2.1 OFFICER RESPONSIBILITY
Officers should treat an aircraft crash site as a crime scene until it is determined that such is not the case. If a military aircraft is involved, additional dangers, such as live ordnance or hazardous materials, may be present. The scene may require additional security due to the potential presence of confidential equipment or information.

The duties of the field officer at the scene of an aircraft accident include the following:

(a) Determine the nature and extent of the accident.
(b) Request additional personnel and other resources to respond as needed.
(c) Provide assistance for the injured parties until the arrival of Fire Department personnel and/or other emergency personnel.
(d) Cordon off and contain the area to exclude unauthorized individuals as soon as practicable.
(e) Provide crowd control and other assistance until directed otherwise by a supervisor.
(f) Ensure the Coroner's office is notified if a death occurs.

Entering an aircraft or tampering with parts or debris is only permissible for the purpose of removing injured or trapped occupants, protecting the wreckage from further damage or protecting the public from danger. If possible, the investigating authority should first be consulted before entering or moving any aircraft or any crash debris. Photographs or sketches of the original positions should be made whenever feasible.

The Fire Department will be responsible for control of the accident scene until the injured parties are cared for and the accident scene has been rendered safe for containment. Thereafter, police personnel will be responsible for preserving the scene until relieved by the investigating authority.

Once the scene is relinquished to the investigating authority, personnel from this agency may assist in containment of the scene until the investigation is completed or assistance is no longer needed.

An airport service worker or the airport manager may respond to the scene to assist the on-scene commander with technical expertise, should it be needed during the operation.
Aircraft Accidents

432.2.2 NATIONAL TRANSPORTATION SAFETY BOARD

The National Transportation Safety Board (NTSB) has the primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft incident, the appropriate branch of the military will be involved in the investigation. The NTSB is concerned with several aspects of a crash as described in this section.

Every effort should be made to preserve the scene to the extent possible in the condition in which it was found until such time as NTSB or other authorized personnel arrive to take charge of the scene.

Military personnel will respond to take charge of any military aircraft involved, whether or not injuries or deaths have occurred.

If the accident did not result in a death or injury and the NTSB elects not to respond, the pilot or owner may assume control of the aircraft.

Removal of the wreckage shall be done under the guidance of the NTSB or military authorities or, if the NTSB is not responding for an on-site investigation, at the discretion of the pilot or the owner.

432.2.3 THE COMMUNICATIONS CENTER RESPONSIBILITIES

Dispatchers are responsible to make notifications as directed once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. Generally, the dispatcher will need to notify the following agencies or individuals when an aircraft accident has occurred.

(a) Fire Department
(b) The affected airport tower
(c) Closest military base if a military aircraft is involved
(d) Ambulances or other assistance as required

When an aircraft accident is reported to the Police Department by the airport tower personnel the dispatcher receiving such information should verify that the tower personnel will contact the Federal Aviation Administration (FAA) Flight Standards District Office and the National Transportation Safety Board (NTSB). In the event that airport personnel are not involved, the dispatcher should notify the FAA and the NTSB.

432.2.4 RECORDS SUPERVISOR RESPONSIBILITIES

The Records Supervisor is responsible for the following:

(a) Forward and maintain an approved copy of the accident report to the California Department of Aeronautics
(b) Forward a copy of the report to the Operations Division Commander and the manager of the affected airport
Aircraft Accidents

432.2.5 PUBLIC INFORMATION OFFICER RESPONSIBILITIES
The Department Public Information Officer is responsible for the following:

(a) Obtain information for a press release from the on-scene commander or his or her designee

(b) When practical, the Department Public Information Officer should coordinate with the FAA Press Information Officer to prepare a press release for distribution to the Media

Information released to the press regarding any aircraft accident should be handled by the Department Public Information Officer or in accordance with existing policy.

432.3 DOCUMENTATION
Any aircraft accident (crash) within the City, regardless of whether injuries or deaths occur, shall be documented.

The training period for a lateral officer may be modified depending on the trainee’s demonstrated performance and level of experience. A lateral officer may be exempt from the Field Training Program requirement if the officer qualifies for an exemption as provided in 11 CCR 1005(a)(B).

To the extent practicable, entry level and lateral officers should be assigned to a variety of Field Training Officers, shifts, and geographical areas during their Field Training Program.

434.5.1 FIELD TRAINING MANUAL
Each new officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly function as an officer with the Chino Police Department. The officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules, and regulations adopted by the Chino Police Department.

434.6 EVALUATIONS
Evaluations are an important component of the training process and shall be completed as outlined below.
Field Training Officer Program

434.6.1 FIELD TRAINING OFFICER
The FTO will be responsible for the following:

(a) Complete and submit a written evaluation on the performance of his/her assigned trainee to the FTO Coordinator on a daily basis.
(b) Review the Daily Trainee Performance Evaluations with the trainee each day.
(c) Complete a detailed end-of-phase performance evaluation on his/her assigned trainee at the end of each phase of training.

434.7 DOCUMENTATION
All documentation of the Field Training Program will be retained in the officer’s training files and will consist of the following:

(a) Daily Trainee Performance Evaluations
(b) End-of-phase evaluations
(c) A Certificate of Completion certifying that the trainee has successfully completed the required number of hours of field training
Obtaining Air Support

436.1 PURPOSE AND SCOPE
The use of a police helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

436.2 REQUEST FOR HELICOPTER ASSISTANCE
If a supervisor or officer in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

436.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY
After consideration and approval of the request for a helicopter, the Communications Center will call the designated agency having helicopter support available. The Communications Center will apprise that agency of the specific details of the incident prompting the request.

436.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED
Police helicopters may be requested under any of the following conditions:

(a) When the helicopter is activated under existing mutual aid agreements
(b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard
(c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community
(d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard
(e) Vehicle pursuits

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for officers on the ground.
Contacts and Temporary Detentions

438.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

438.1.1 DEFINITIONS
Definitions related to this policy include:

Consensual encounter - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Field interview - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person’s freedom of movement.

438.2 POLICY
The Chino Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.
438.3 FIELD INTERVIEWS
Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer’s suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Chino Police Department to strengthen community involvement, community awareness, and problem identification.

438.3.1 INITIATING A FIELD INTERVIEW
When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual’s:

(a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
(b) Actions suggesting that he/she is engaged in a criminal activity
(c) Presence in an area at an inappropriate hour of the day or night
(d) Presence in a particular area is suspicious
(e) Carrying of suspicious objects or items
(f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
(g) Location in proximate time and place to an alleged crime
(h) Physical description or clothing worn that matches a suspect in a recent crime
(i) Prior criminal record or involvement in criminal activity as known by the officer

438.4 PAT-DOWN SEARCHES
Once a valid stop has been made, and consistent with the officer’s training and experience, an officer may pat a suspect’s outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

(a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
(b) Where more than one suspect must be handled by a single officer.
(c) The hour of the day and the location or neighborhood where the stop takes place.
(d) Prior knowledge of the suspect’s use of force and/or propensity to carry weapons.
(e) The actions and demeanor of the suspect.
Contacts and Temporary Detentions

(f) Visual indications which suggest that the suspect is carrying a firearm or other weapon. Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

438.5 FIELD PHOTOGRAPHS
All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

438.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT
Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

438.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT
Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer’s reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

438.5.3 SUPERVISOR RESPONSIBILITIES
While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

438.5.4 DISPOSITION OF PHOTOGRAPHS
All detainee photographs must be adequately labeled and submitted with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the photograph should be forwarded to one of the following locations:

(a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the photograph and documents will be
forwarded to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.

(b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Unit.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

438.6 WITNESS IDENTIFICATION AND INTERVIEWS
Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

(a) Identifying all persons present at the scene and in the immediate area.
   1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
   2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.

(b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by Chino Police Department members.
   1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.
Criminal Organizations

440.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that the Chino Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

440.2 POLICY
The Chino Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

440.3 CRIMINAL INTELLIGENCE SYSTEMS
No department member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

(a) Members using any such system are appropriately selected and trained.
(b) Use of every criminal intelligence system is appropriately reviewed and audited.
(c) Any system security issues are reasonably addressed.

440.4 TEMPORARY INFORMATION FILE
No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

440.4.1 FILE CONTENTS
A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:
Criminal Organizations

(a) Must only be included upon documented authorization of the responsible department supervisor.

(b) Should not be originals that would ordinarily be retained by the Records Unit or Evidence Unit, but should be copies of, or references to, retained documents such as copies of reports, FI forms, the Communications Center records or booking forms.

(c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.

(d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

440.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

440.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

(a) Gang indicia associated with a person or residence.

(b) Information related to a drug-trafficking operation.

(c) Vandalism indicating an animus for a particular group.

(d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Training Sergeant to train members to identify information that may be particularly relevant for inclusion.

440.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor.
Criminal Organizations

responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

440.7 CRIMINAL STREET GANGS
The Special Enforcement supervisor should ensure that there are an appropriate number of department members who can:

(a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:

1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).

2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.

3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).

(b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.

(c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

440.8 REPORTING CRITERIA AND ROUTING
Incidents that appear to be criminal street gang related shall be documented on a report form and shall at minimum include the following:

(a) A description of any document, statements, actions, dress or other information that would tend to support the officer’s belief that the incident may be related to the activities of a criminal street gang.

(b) Whether any photographs were taken and a brief description of what they depict.

(c) What physical evidence, if any, was observed, collected or booked.

(d) A specific request to that a copy of the report be routed to the Gang Unit.

Any photographs taken or evidence collected shall be booked in accordance with current evidence booking procedures.
Watch Commanders

442.1 PURPOSE AND SCOPE
Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Lieutenant heads each watch.

442.2 DESIGNATION AS ACTING WATCH COMMANDER
When a Lieutenant is unavailable for duty as Watch Commander, in most instances the senior qualified sergeant shall be designated as acting Watch Commander. This policy does not preclude designating a less senior sergeant as an acting Watch Commander when operational needs require or training permits.
Mobile Computer Terminal Use

446.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Computer Terminal (MCT) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and the Communications Center.

446.2 POLICY
Chino Police Department members using the MCT shall comply with all appropriate federal and state rules and regulations and shall use the MCT in a professional manner, in accordance with this policy.

446.3 PRIVACY EXPECTATION
Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

446.4 RESTRICTED ACCESS AND USE
MCT use is subject to the Information Technology Use and Protected Information policies. Members shall not access the MCT system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MCT by another member to their supervisors or Watch Commanders.

Use of the MCT system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MCT system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member’s name or to use the password of another member to log in to the MCT system unless directed to do so by a supervisor. Members are required to log off the MCT or secure the MCT when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

446.4.1 USE WHILE DRIVING
Use of the MCT by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.
Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

**446.5 DOCUMENTATION OF ACTIVITY**
Except as otherwise directed by the Watch Commander or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and electronically via the MCT unless security or confidentiality prevents such broadcasting. MCT and voice transmissions are used to document the member's daily activity. To ensure accuracy:

(a) All contacts or activity shall be documented at the time of the contact.
(b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
(c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MCT.

**446.5.1 STATUS CHANGES**
All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MCT system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MCT when the vehicle is not in motion.

**446.5.2 EMERGENCY ACTIVATION**
If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Watch Commander are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

**446.6 EQUIPMENT CONSIDERATIONS**

**446.6.1 MALFUNCTIONING MCT**
Whenever possible, members will not use vehicles with malfunctioning MCTs. Whenever members must drive a vehicle in which the MCT is not working, they shall notify the Communications Center. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the police radio.
Mobile Computer Terminal Use

446.6.2 BOMB CALLS
When investigating reports of possible bombs, members should not communicate on their MCTs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MCT could cause some devices to detonate.
Portable Audio/Video Recorders

448.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Chino Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

448.2 POLICY
The Chino Police Department has provided designated personnel with audio or video, or both types of recorders for use while on-duty. These recorders are intended to assist personnel in the performance of their duties by providing an unbiased audio record of a contact.

The types of public contacts to be recorded include; traffic stops, detentions, 415PC type calls, domestic disputes, high risk or other potentially volatile situations, traffic collisions, any prisoner transport until such time as the prisoner is booked or no longer under the member's immediate control and those situations that are defined as a threshold incident. Personnel who respond as backing or assisting officers on any call where a recording is required by the primary officer shall also activate their recorders in accordance with Department policy.

The recording of such contacts is required, except in those situations where it can be articulated that it would have jeopardized personal safety in order to have activated, or otherwise adjust the recorder. It is also recognized that as with any mechanical device, there may be times that the recorder may malfunction, and/or as a result of other circumstances become disabled during an incident.

Personnel have the discretion to record other types of activities, such as; routine investigations, witness and suspect interviews and general public contacts. The recording device may also be used to facilitate police report transcriptions.

Personnel should use caution in recording conversations, where the recording on an individual, informant, or witness would otherwise remain unknown, and where such recording could compromise an investigation or subject the person to unreasonable risk. Personnel should also consider that the use of video may sensitive at times and should take care, when practical, to avoid recording sensitive images. Such images, when captured should be assigned to a sensitive material category when uploaded.

The following uniformed personnel, while on duty, are required to carry the Department issued audio / video recorder:

• Patrol Sergeants
• Patrol Corporals
Portable Audio/Video Recorders

- Patrol Officers
- Police Service Officers who have specific field assignments
- Police Cadets who have specific field assignments
- Any other employee deemed appropriate when their supervisor reasonably believes such recorder would be beneficial to a particular assignment or function.

448.3 MEMBER PRIVACY EXPECTATION
All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity for this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

448.4 MEMBER RESPONSIBILITIES
Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder, issued by the Department, and that the recorder is in good working order. Uniformed members should wear the recorder in an approved manner where the controls are ready accessible.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful or as directed by a supervisor.

Prior to going off duty, members will ensure that all recordings are appropriately categorized and in situations where a recording is related to a case, members will also ensure that the case number is added to the video prior to uploading. After all videos are appropriately tagged with a category and, when required, a case number, members will ensure the camera is docked or videos are uploaded to the Department server. Employees who are unable to upload their recordings at the end of watch shall notify a supervisor and make arrangements to ensure recordings are uploaded as soon as practical.

448.5 ACTIVATION OF THE AUDIO / VIDEO RECORDER
Members should activate the recorder during all enforcement stops and field interrogation situations, as required above and any other time the member reasonably believes that a recording of an on-duty contact may be useful. Members should ensure the entire contact is recorded, except for situations where it is not desirable to have a recording present, such as: private conversations, confidential information such as computer databases, or other material which a member reasonably believes may impede an investigation or compromise a source.

In lieu of stopping a recording, members will use the Mute feature of the recorder to disable the audio where a conversation should be private as noted above. Prior to activating the Mute feature, members will dictate the reason for disabling the audio recording. As soon as the need for privacy is gone, members will immediately disable the mute feature. In situations where video recordings would be detrimental such as contacts with a confidential source or viewing a
confidential database, the member should either direct the camera away from the source or if that is not feasible, stop the recording. Prior to stopping a recording or directing the camera away from the source, the member will dictate the reason for stopping the recording. As soon as the need for privacy has dissipated, the member will reactivate the recorder as required and/or return the camera to correctly oriented position.

At no time is a member expected to jeopardize his/her safety in order to activate a recorder or change the recording media. However, the recorder should be activated in required situations as soon as the situation safely allows.

448.6 PROHIBITED USE OF PORTABLE RECORDERS
Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Watch Commander. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

448.6.1 PROHIBITED USE OF BIOMETRIC SURVEILLANCE SYSTEM
The installation, activation, or use of biometric surveillance systems, including facial recognition, in connection with portable recorders is prohibited (Penal Code § 832.19).

448.7 RETENTION OF RECORDINGS
Any time a member records any portion of a contact that the member reasonably believes constitutes evidence in a criminal case, the member shall record the related case number and download the file in accordance with the Computers and Digital Evidence Policy and document the existence of the recording in the related case report.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.
448.7.1 RETENTION REQUIREMENTS
All recordings shall be retained for a period consistent with the requirements of the organization’s records retention schedule but in no event for a period less than 120 days.

448.8 RELEASE OF RECORDINGS
Recordings made using portable recording devices pursuant to this policy are department records and may only be released as provided in the Release of Records and Information Policy or for other authorized legitimate department business purposes.

448.9 REVIEW OF RECORDED MEDIA FILES
When preparing written reports, members should review their recordings as a resource. Members should consider when writing reports that there are instances where a report may be less detailed where the recording clearly documents the facts to the extent that the detailed narrative would be repetitive. Members should still clearly reference the fact that more detailed information is contained in the recordings. When a member’s mind set is the subject of the information, a less detailed report shall not be written, such as when completing a Use of Force Report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct, reports of meritorious conduct, when a recording would be beneficial to understanding or clarifying a police report, when conducting a use of force review or during the prescribed audit period (Manual Section 405.2.1).

Recorded files may also be reviewed:
(a) By the personnel who originally recorded the incident. A member is allowed to review their recordings prior to completing any police report or providing a statement in connection with any official investigation.
(b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
(c) By media personnel with permission of the Chief of Police or the authorized designee.
(d) In compliance with a public records request, if permitted, and in accordance with the Release of Records and Information Policy.
(e) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
Medical Marijuana

450.1 PURPOSE AND SCOPE
The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California’s medical marijuana laws.

450.1.1 DEFINITIONS
Definitions related to this policy include:

**Cardholder** - A person issued a current identification card.

**Compassionate Use Act (CUA)** (Health and Safety Code § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

**Identification card** - A valid document issued by the California Department of Public Health to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

**Medical marijuana** - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

**Medical Marijuana Program (MMP)** (Health and Safety Code § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

**Patient** - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

**Primary caregiver** - A person designated by the patient, who has consistently assumed responsibility for the patient’s housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

**Statutory amount** - No more than 8 ounces of dried, mature, processed female marijuana flowers (“bud”) or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered) (Health and Safety Code § 11362.77).
450.2 POLICY
It is the policy of the Chino Police Department to prioritize resources to forgo making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

California’s medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Chino Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

450.3 INVESTIGATION
Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

(a) Investigations when no person makes a medicinal claim.
(b) Investigations when a medicinal claim is made by a cardholder.
(c) Investigations when a medicinal claim is made by a non-cardholder.

450.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM
In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1; Health and Safety Code § 11362.2). A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

450.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER
A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

(a) The information contained in the card is false or falsified.
(b) The card has been obtained or used by means of fraud.
(c) The person is otherwise in violation of the provisions of the MMP.
(d) The person possesses marijuana but not for personal medical purposes.
Medical Marijuana

Officers who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.

Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient’s medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

450.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER
No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the officer reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient’s current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Officers are not obligated to accept a person’s claim of having a physician’s recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person’s medical-use claim.

Officers should review any available written documentation for validity and whether it contains the recommending physician’s name, telephone number, address and medical license number for verification.

Officers should generally accept verified recommendations by a physician that statutory amounts do not meet the patient’s needs (Health and Safety Code § 11362.77).

450.3.4 ADDITIONAL CONSIDERATIONS
Officers should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

(a) Because enforcement of medical marijuana laws can be complex, time consuming, and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:

1. The suspect has been identified and can be easily located at a later time.
2. The case would benefit from review by a person with expertise in medical marijuana investigations.
3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
4. Other relevant factors, such as available department resources and time constraints prohibit making an immediate arrest.

(b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, officers should consider the following when determining whether the form and amount is reasonably related to the patient’s needs:

1. The amount of marijuana recommended by a medical professional to be ingested.
2. The quality of the marijuana.
3. The method of ingestion (e.g., smoking, eating, nebulizer).
4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
5. Whether the marijuana is being cultivated indoors or outdoors.

(c) Before proceeding with enforcement related to collective gardens or dispensaries, officers should consider conferring with a supervisor, an applicable state regulatory agency or other member with special knowledge in this area, and/or appropriate legal counsel (Business and Professions Code § 26010; Business and Professions Code § 26060). Licensing, zoning, and other related issues can be complex. Patients, primary caregivers, and cardholders who collectively or cooperatively cultivate marijuana for medical purposes may be licensed or may have a defense in certain circumstances (Business and Professions Code § 26032; Business and Professions Code § 26033).

(d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

450.3.5 INVESTIGATIONS INVOLVING A STATE LICENSEE
No person issued a state license under the Business and Professions Code shall be arrested or cited for cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution or sale of medical cannabis or a medical cannabis product related to qualifying patients and primary caregivers when conducted lawfully. Whether conduct is lawful may involve questions of license classifications, local ordinances, specific requirements of the Business and Professions Code and adopted regulations. Officers should consider conferring with a supervisor, the applicable state agency or other member with special knowledge in this area and/or appropriate legal counsel before taking enforcement action against a licensee or an employee or agent (Business and Professions Code § 26032).

450.3.6 EXCEPTIONS
This policy does not apply to, and officers should consider taking enforcement action for the following:

(a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).
Medical Marijuana

(b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).

(c) Smoking marijuana (Health and Safety Code § 11362.79):
   1. In any place where smoking is prohibited by law.
   2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
   3. On a school bus.
   4. While in a motor vehicle that is being operated.
   5. While operating a boat.

(d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

450.4 FEDERAL LAW ENFORCEMENT
Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

450.5 EVIDENCE UNIT SUPERVISOR RESPONSIBILITIES
The Evidence Unit supervisor should ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed pending any charges and without a court order. The Evidence Unit supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor’s decision to forgo prosecution, or the dismissal of charges or an acquittal, the Evidence Unit supervisor should, as soon as practicable, return to the person from whom it was seized any useable medical marijuana, plants, drug paraphernalia or other related property.

The Evidence Unit supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Detective Bureau supervisor.
Bicycle Patrol Unit

452.1 PURPOSE AND SCOPE
The Chino Police Department has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

452.2 POLICY
Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Watch Commander.

452.3 SELECTION OF PERSONNEL
The Bicycle Patrol Unit is an ancillary assignment. Only those personnel certified by the Department will be permitted to deploy a bicycle.

452.4 UNIFORMS AND EQUIPMENT
Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

The bicycle patrol unit uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Optional equipment includes a radio head set and microphone, and jackets in colder weather. Turtleneck shirts or sweaters are permitted when worn under the uniform shirt.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

452.5 CARE AND USE OF PATROL BICYCLES
Officers will be assigned a specially marked and equipped patrol bicycle, attached gear bag, two batteries and a charger.
Bicycles utilized for uniformed bicycle patrol shall be primarily black or white in with a "POLICE" decal affixed to each side of the crossbar or the bike’s saddlebag. Every such bicycle shall be equipped with front and rear reflectors front lights and a siren/horn satisfying the requirements of Vehicle Code §2800.1(b).

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry all necessary equipment to handle routine patrol calls including report writing, vehicle storage and citations.

Each bicycle shall be equipped with a steady or flashing blue warning light that is visible from the front, sides, or rear of the bicycle. (Vehicle Code § 21201.3)

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to insure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to the individual responsible for bicycle repair/maintenance for repair by an approved technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Electric patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty. During prolonged periods of non-use, assigned personnel shall periodically rotate the batteries on the respective charges to increase battery life.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the expressed approval of a supervisor, or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

452.6 OFFICER RESPONSIBILITY

Officers must operate the bicycle in compliance with the vehicle code under normal operation. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

Officers are exempt from the rules of the road under the following conditions (Vehicle Code § 21200(b)(1)):

(a) In response to an emergency call.

(b) While engaged in rescue operations.
Bicycle Patrol Unit

(c) In the immediate pursuit of an actual or suspected violator of the law.
Foot Pursuits

456.1 PURPOSE AND SCOPE
This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

456.2 POLICY
It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.
Automated License Plate Readers (ALPRs)

460.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

460.2 ADMINISTRATION
The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Chino Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Operations Division Commander. The Operations Division Commander will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

460.2.1 ALPR ADMINISTRATOR
The Operations Division Commander shall be responsible for developing guidelines and procedures to comply with the requirements of Civil Code § 1798.90.5 et seq. This includes, but is not limited to (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

(a) A description of the job title or other designation of the members and independent contractors who are authorized to use or access the ALPR system or to collect ALPR information.

(b) Training requirements for authorized users.

(c) A description of how the ALPR system will be monitored to ensure the security of the information and compliance with applicable privacy laws.

(d) Procedures for system operators to maintain records of access in compliance with Civil Code § 1798.90.52.

(e) The title and name of the current designee in overseeing the ALPR operation.

(f) Working with the Custodian of Records on the retention and destruction of ALPR data.

(g) Ensuring this policy and related procedures are conspicuously posted on the department’s website.

460.3 OPERATIONS
Use of an ALPR is restricted to the purposes outlined below. Department members shall not use, or allow others to use the equipment or database records for any unauthorized purpose (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

(a) An ALPR shall only be used for official law enforcement business.
Automated License Plate Readers (ALPRs)

(b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.

(c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.

(d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.

(e) No ALPR operator may access department, state or federal data unless otherwise authorized to do so.

(f) If practicable, the officer should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

460.4 DATA COLLECTION AND RETENTION

The Operations Division Commander is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

All ALPR data downloaded to the server should be stored for a minimum of one year (Government Code § 34090.6) and in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

460.5 ACCOUNTABILITY

All data will be closely safeguarded and protected by both procedural and technological means. The Chino Police Department will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

(a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).
Automated License Plate Readers (ALPRs)

(b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.

(c) ALPR system audits should be conducted on a regular basis.

For security or data breaches, see the Records Release and Maintenance Policy.

460.5.1 RELEASING ALPR DATA
The ALPR data may be shared only with other law enforcement agencies for legitimate law enforcement purposes or as otherwise permitted by law.

460.6 POLICY
The policy of the Chino Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this department. Because such data may contain confidential information, it is not open to public review.

460.7 RELEASING ALPR DATA
The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

(a) The agency makes a written request for the ALPR data that includes:
   1. The name of the agency.
   2. The name of the person requesting.
   3. The intended purpose of obtaining the information.

(b) The request is reviewed by the Operations Division Commander or the authorized designee and approved before the request is fulfilled.

(c) The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

460.8 TRAINING
The Training Sergeant should ensure that members receive department-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

2. Currency may be temporarily housed in the evidence room safe and will generally be disposed of within 10 days of receipt of the funds, either by returning it to the owner, depositing into the City evidence account, or upon justification, depositing it into the main department safe. In rare cases, and if approved by the Professional Standards Lieutenant, monies may be kept for an extended period of time for evidentiary reasons.

The Support Services Division Commander will ensure that all Department safes are maintained in compliance with this policy.

The Criminal Investigations Lieutenant is responsible for maintenance of the funds stored in the main department safe. A copy of the combination and a secondary key will be placed into a sealed envelope and delivered to the Office of the Chief, maintained by the professional Standards Lieutenant in a secure location. The Criminal Investigations Lieutenant may call upon the professional Standards Lieutenant to maintain control of the safe in his/her absence.

The Property and Evidence Technicians are responsible for maintenance of the funds in the Evidence Room safe. A copy of the combination and a secondary key will be placed into a sealed envelope and delivered to the office of the Chief, maintained by the Professional Standards Lieutenant in a secure location. The Professional Standards Sergeant may be designated as the alternate to this safe.

The Professional Standards Lieutenant is responsible for maintenance of the funds stored in the Professional Standards safe. The Professional Standards Sergeant may be designated as an alternate to this safe.

If any of the aforementioned personnel receive a change in their assignment or duties to maintain the safes, the combinations of the safes will be changed and delivered to the new custodian. If a change occurs in the Office of the Chief, as long as the sealed envelope has remained sealed, no change of combination is necessary.

461.8 VERIFICATION AND HANDLING OF MONEY
Money or negotiable instruments must be counted and verified by a supervisor. Furthermore, should the initial deposit of money be unsealed and/or moved, or recounted for deposit, it will again be witnessed by another supervisor or member of the Finance Department.

461.9 WITHDRAWAL OF CASH FROM DEPARTMENT SAFE
There may be occasions wherein it will be necessary to withdrawal monies from the department safes in furtherance of various operations undertaken by our personnel. The following are guidelines for the withdrawal of monies:
(a) A Chino Police Department "Expense Report" will be completed when withdrawing funds from the main department safe for the purpose of "buys", informant payments or in furtherance of investigations.

(b) The Criminal Investigations Lieutenant or his/her designee must authorize the release of funds for "buys", informant payments or investigations requiring cash expenditures from the accounts maintained within the department safe.

(c) Expense reports must be approved by the Criminal Investigations Lieutenant or Support Services Division Commander and must be signed by the person taking possession of the money.

(d) Funds will then be dispersed to the officer in whose name the Expense Report was drawn.

(e) The withdrawal of funds will be recorded in the account ledger of that particular account.

(f) Once the "buy", informant payment or investigation is completed, receipts and a completed expense form to justify the expenditures, will be submitted to the Criminal Investigations Lieutenant as soon as possible, generally no longer than 5 days after the transaction.

(g) The expenditures will be recorded in the account ledger and remaining cash will be returned to the account/safe. The receipts and/or expense form will be retained in the safe for future reference.

(h) Expense forms are available from the Criminal Investigations Lieutenant.
Medical Aid and Response

466.1 PURPOSE AND SCOPE
This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

466.2 POLICY
It is the policy of the Chino Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

466.3 FIRST RESPONDING MEMBER RESPONSIBILITIES
Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Communications Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Communications Center with information for relay to EMS personnel in order to enable an appropriate response, including:

(a) The location where EMS is needed.
(b) The nature of the incident.
(c) Any known scene hazards.
(d) Information on the person in need of EMS, such as:
   1. Signs and symptoms as observed by the member.
   2. Changes in apparent condition.
   3. Number of patients, sex, and age, if known.
   4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
   5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.
466.4 TRANSPORTING ILL AND INJURED PERSONS
Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

466.5 PERSONS REFUSING EMS CARE
If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

466.6 MEDICAL ATTENTION RELATED TO USE OF FORCE
Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

466.7 AIR AMBULANCE
Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are
victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Operations Division Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider’s minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider’s minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft’s tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

**466.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE**

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

**466.8.1 AED USER RESPONSIBILITY**

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Sergeant who is responsible for ensuring appropriate maintenance.
Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact the Communications Center as soon as possible and request response by EMS.

466.8.2 AED REPORTING
Any member using an AED will complete an incident report detailing its use.

466.8.3 AED TRAINING AND MAINTENANCE
The Training Sergeant should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

The Training Sergeant is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100021).

466.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION
Trained members may administer opioid overdose medication (Civil Code § 1714.22; Business and Professions Code § 4119.9).

466.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES
Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Sergeant.

Any member who administers an opioid overdose medication should contact the Communications Center as soon as possible and request response by EMS.

466.9.2 DESTRUCTION OF OPIOID OVERDOSE MEDICATION
The Training Sergeant shall ensure the destruction of any expired opioid overdose medication (Business and Professions Code § 4119.9).

466.9.3 OPIOID OVERDOSE MEDICATION REPORTING
Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Sergeant will ensure that the Records Supervisor is provided enough information to meet applicable state reporting requirements.
466.9.4 OPIOID OVERDOSE MEDICATION RECORD MANAGEMENT
Records regarding acquisition and disposition of opioid overdose medications shall be maintained and retained in accordance with the established records retention schedule and at a minimum of three years from the date the record was created (Business and Professions Code § 4119.9).

466.9.5 OPIOID OVERDOSE MEDICATION TRAINING
The Training Sergeant should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication. Training should be coordinated with the local health department and comply with the requirements in 22 CCR 100019 and any applicable POST standards (Civil Code § 1714.22).

466.10 SICK OR INJURED ARRESTEE
If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor’s approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer’s training.

466.11 FIRST AID TRAINING
The Training Sergeant should ensure officers receive initial first aid training within one year of employment and refresher training every two years thereafter (22 CCR 100016; 22 CCR 100022).
First Amendment Assemblies

467.1 PURPOSE AND SCOPE
This policy provides guidance for responding to public assemblies or demonstrations.

467.2 POLICY
The Chino Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

467.3 GENERAL CONSIDERATIONS
Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

(a) Harass, confront or intimidate participants.

(b) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members’ interaction with participants and their response to crowd dynamics is appropriate.
467.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS
Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

467.4 UNPLANNED EVENTS
When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Communications Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

467.5 PLANNED EVENT PREPARATION
For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

467.5.1 INFORMATION GATHERING AND ASSESSMENT
In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.
First Amendment Assemblies

• The potential time, duration, scope, and type of planned activities.
• Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

467.5.2 OPERATIONAL PLANS
An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

   (a) Command assignments, chain of command structure, roles and responsibilities.
   (b) Staffing and resource allocation.
   (c) Management of criminal investigations.
   (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
   (e) Deployment of specialized resources.
   (f) Event communications and interoperability in a multijurisdictional event.
   (g) Liaison with demonstration leaders and external agencies.
   (h) Liaison with City government and legal staff.
   (i) Media relations.
   (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
   (k) Traffic management plans.
   (l) First aid and emergency medical service provider availability.
   (m) Prisoner transport and detention.
   (n) Review of policies regarding public assemblies and use of force in crowd control.
   (o) Parameters for declaring an unlawful assembly.
   (p) Arrest protocol, including management of mass arrests.
   (q) Protocol for recording information flow and decisions.
   (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
   (s) Protocol for handling complaints during the event.
First Amendment Assemblies

(t) Parameters for the use of body-worn cameras and other portable recording devices.

467.5.3 MUTUAL AID AND EXTERNAL RESOURCES
The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Mutual Aid and Outside Agency Assistance Policy).

467.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS
If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

467.7 USE OF FORCE
Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and TASER® devices should be considered only when the participants’ conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).
Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

467.8 ARRESTS
The Chino Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

(a) Reasonable measures to address the safety of officers and arrestees.
(b) Dedicated arrest, booking and report writing teams.
(c) Timely access to medical care.
(d) Timely access to legal resources.
(e) Timely processing of arrestees.
(f) Full accountability for arrestees and evidence.
(g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

467.9 MEDIA RELATIONS
The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences, and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

467.10 DEMOBILIZATION
When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.
467.11 POST EVENT
The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

(a) Operational plan
(b) Any incident logs
(c) Any assignment logs
(d) Vehicle, fuel, equipment and supply records
(e) Incident, arrest, use of force, injury and property damage reports
(f) Photographs, audio/video recordings, the Communications Center records/tapes
(g) Media accounts (print and broadcast media)

467.11.1 AFTER-ACTION REPORTING
The Incident Commander is responsible for preparing a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

(a) Date, time and description of the event
(b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
(c) Problems identified
(d) Significant events
(e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

467.12 TRAINING
Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The Department should, when practicable, train with its external and mutual aid partners.
Chapter 5 - Traffic Operations
Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE
The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER DEPLOYMENT
Several factors are considered in the development of deployment schedules for officers of the Chino Police Department. Information provided by the California Statewide Integrated Traffic Reporting System (SWITRS) is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are requests from the public, construction zones or special events.

500.3 ENFORCEMENT
Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance (Vehicle Code § 41603). The visibility and quality of an officer’s work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:
Traffic Function and Responsibility

500.3.1 WARNINGS
Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

500.3.2 CITATIONS
Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

(a) Explanation of the violation or charge
(b) Court appearance procedure including the optional or mandatory appearance by the motorist
(c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court

500.3.3 PHYSICAL ARREST
Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

(a) Vehicular manslaughter
(b) Felony and misdemeanor driving under the influence of alcohol/drugs
(c) Felony or misdemeanor hit-and-run
(d) Refusal to sign notice to appear
(e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances

500.4 SUSPENDED OR REVOKED DRIVERS LICENSES
If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the officer. The officer shall verbally advise the traffic violator of the suspension or revocation and issue the citation. The officer will be responsible for filling out the Verbal Notice form (DMV form DL-310) and causing that form and license to be forwarded to the Department of Motor Vehicles.

500.5 HIGH-VISIBILITY VESTS
The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; 8 CCR 1598).
Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

500.5.1 REQUIRED USE
Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

500.5.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS
High-visibility vests shall be issued to designated personnel. The vest shall be maintained in such a manner as to be readily accessible to the employee. Each vest should be stored inside the re-sealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is available.

A supply of high-visibility vests will be maintained in the Training Unit for replacement of damaged or unserviceable vests. The Training Sergeant should be promptly notified whenever the supply of vests needs replenishing.
Traffic Collision Reporting

502.1 PURPOSE AND SCOPE
The Chino Police Department prepares traffic collision reports in compliance with the California Highway Patrol Collision Investigation Manual (CIM) and as a public service makes traffic collision reports available to the community with some exceptions.

502.2 RESPONSIBILITY
The Traffic Sergeant will be responsible for distribution of the Collision Investigation Manual. The Traffic Sergeant will receive all changes in the state manual and ensure conformity with this policy.

502.3 TRAFFIC COLLISION REPORTING
All traffic collision reports taken by members of this department shall be forwarded to the on-duty supervisor for approval and data entry into the Records Management System. The Traffic Sergeant will be responsible for monthly and quarterly reports on traffic collision statistics to be forwarded to the Administrative Services Lieutenant, or other persons as required.

502.4 REPORTING SITUATIONS

502.4.1 TRAFFIC COLLISIONS INVOLVING CITY VEHICLES
Traffic collision investigation reports shall be taken when a City-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report (CHP 555 form) at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle. Whenever there is damage to a City vehicle, a Vehicle Damage Report shall be completed and forwarded to the appropriate Division Commander.

Photographs of the collision scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

502.4.2 TRAFFIC COLLISIONS WITH POLICE DEPARTMENT EMPLOYEES
When an employee of this department, either on-duty or off-duty, is involved in a traffic collision within the jurisdiction of the Chino Police Department resulting in a serious injury or fatality, the Traffic Sergeant or the Watch Commander, may notify the California Highway Patrol for assistance.

The term serious injury is defined as any injury that may result in a fatality.

502.4.3 TRAFFIC COLLISIONS WITH OTHER CITY EMPLOYEES OR OFFICIALS
The Traffic Sergeant or on-duty Watch Commander may request assistance from the California Highway Patrol for the investigation of any traffic collision involving any City official or employee where a serious injury or fatality has occurred.
Traffic Collision Reporting

502.4.4 TRAFFIC COLLISIONS ON PRIVATE PROPERTY
In compliance with the Collision Investigation Manual, traffic collision reports generally shall not be taken for traffic collisions occurring on private property, unless there is a death or injury to any person involved, a hit and run violation, or Vehicle Code violation. A collision or Incident Report may be taken at the discretion of any supervisor.

502.4.5 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS
Traffic collision reports shall be taken when they occur on a roadway or highway within the jurisdiction of this department under any of the following circumstances:

(a) When there is a death or injury to any persons involved in the collision

(b) When a report is requested by any involved driver

502.5 NOTIFICATION OF TRAFFIC BUREAU SUPERVISION
In the event of a serious injury or death related traffic collision, the Watch Commander shall notify the Traffic Sergeant to relate the circumstances of the traffic collision and seek assistance from the Traffic Bureau. In the absence of a Traffic Sergeant, the Watch Commander or any supervisor may assign an accident investigator or motor officer to investigate the traffic collision.
Vehicle Towing and Release

510.1 PURPOSE AND SCOPE
This policy provides the procedures for towing a vehicle by or at the direction of the Chino Police Department. Nothing in this policy shall require the Department to tow a vehicle.

510.2 STORAGE AND IMPOUNDS
When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

510.2.1 VEHICLE STORAGE REPORT
Department members requesting towing, storage or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should be given to the tow truck operator and the original shall be submitted to the Records Unit as soon as practicable after the vehicle is stored.

510.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES
When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer should have the driver select a towing company with a reasonable response time, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in the Communications Center.

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call the official towing garage for the City of Chino. The officer will then store the vehicle using a CHP Form 180.

510.2.3 STORAGE AT ARREST SCENES
Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by storing the arrestee’s vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high-crime area).
Vehicle Towing and Release

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases, the owner shall be informed that the Department will not be responsible for theft or damages.

510.2.4 IMPOUNDMENT AT SOBRIETY CHECKPOINTS
Whenever a driver is stopped at a sobriety checkpoint and the only violation is that the operator is driving without a valid driver’s license (12500 CVC), the officer shall make a reasonable attempt to identify the registered owner of the vehicle (Vehicle Code § 2814.2). The officer shall release the vehicle to the registered owner if the person is a licensed driver, or to another licensed driver authorized by the registered owner, provided the vehicle is claimed prior to the conclusion of the checkpoint operation.

If the vehicle is released at the checkpoint, the officer shall list on his/her copy of the notice to appear the name and driver’s license number of the person to whom the vehicle is released.

When a vehicle cannot be released at the checkpoint, it shall be towed (Vehicle Code § 22651(p)). When a vehicle is removed at the checkpoint, it shall be released during the normal business hours of the storage facility to the registered owner or his/her agent upon presentation of a valid driver’s license and current vehicle registration.

510.2.5 DRIVING A NON-CITY VEHICLE
Vehicles which have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

510.2.6 DISPATCHER’S RESPONSIBILITIES
Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.
510.2.7 RECORDS UNIT RESPONSIBILITY
Records personnel shall promptly enter pertinent data from the completed storage form (CHP Form 180) into the Stolen Vehicle System and return the form to the Watch Commander for approval (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5).

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or review should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Records Unit to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by first-class mail (Vehicle Code § 22851.3(d); Vehicle Code § 22852(a); Vehicle Code § 14602.6(a)(2)). The notice shall include the following (Vehicle Code § 22852(b)):

(a) The name, address, and telephone number of this Department.
(b) The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage.
(c) The authority and purpose for the removal of the vehicle.
(d) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, in writing, or by telephone within 10 days of the date appearing on the notice.

510.3 TOWING SERVICES
The City of Chino periodically selects a firm to act as the official tow service and awards a contract to that firm. This firm will be used in the following situations:

(a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
(b) When a vehicle is being held as evidence in connection with an investigation.
(c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal of vehicles obstructing traffic in violation of state or local regulations.

510.4 VEHICLE INVENTORY
All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner’s property while in police custody, to provide for the safety of officers, and to protect the Department against fraudulent claims of lost, stolen, or damaged property.
Vehicle Towing and Release

510.5 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft, or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

510.6 RELEASE OF VEHICLE

The Department will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

(a) Vehicles removed pursuant to Vehicle Code § 22850 shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3; Vehicle Code § 22850.5).

(b) Vehicles removed that require payment of parking fines or proof of valid driver's license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit, and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3; Vehicle Code § 22850.5).

(c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver's license, and applicable fees paid prior to the end of the 30-day impoundment period under any of the following circumstances:

1. The vehicle was stolen.
2. If the driver reinstates his/her driver's license or acquires a license and provides proof of proper insurance.
4. When there is no remaining community caretaking need to continue impound of the vehicle or the continued impound would not otherwise comply with the Fourth Amendment.

(d) An autonomous vehicle removed under authority of Vehicle Code § 22651(o)(1)(D) shall be released to the registered owner or person in control of the autonomous vehicle if the requirements of Vehicle Code § 22651(o)(3)(B) are met.

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was impounded in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without...
Vehicle Towing and Release

requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.
Vehicle Impound Hearings

512.1 PURPOSE AND SCOPE
This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

512.2 STORED OR IMPOUND HEARING
When a vehicle is stored or impounded by any member of the Chino Police Department, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code §§ 22650(a) and 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)).

512.2.1 HEARING PROCEDURES
The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(d)).

The Traffic Sergeant will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code §§ 22851.3(e)(2) and 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code §§14602.6(b) and 14602.8(b)).

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code §§ 14602.6(b) or 14608(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations
where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

The legislative intent and this department's policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

(a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.

1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.

(b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department's expense (Vehicle Code § 22852(e)).

(c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Division Commander. The hearing officer will recommend to the appropriate Division Commander that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.
Impaired Driving

514.1 PURPOSE AND SCOPE
This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

514.2 POLICY
The Chino Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California’s impaired driving laws.

514.2.1 COLLECTING BLOOD EVIDENCE
Only a certified phlebotomy technician, licensed physician, nurse or other individual authorized by Vehicle Code § 23158(a) may withdraw a blood sample. Whether such evidence is collected at the Department or other location, the withdrawal of the blood sample shall be witnessed by the assigned officer.

When a person cannot submit to a blood test because he/she is a hemophiliac or is using an anticoagulant under the direction of a physician for a heart condition, he or she shall not be required to take a blood test (Vehicle Code § 23612(b) and (c)).

All blood samples shall be booked into evidence for later transfer to the crime laboratory for analysis.

514.2.2 COLLECTING BREATH AS EVIDENCE
If the arrested person chooses a breath test and it can be accomplished without undue delay, the arrested person shall first be transported to the jail for breath testing preparatory to booking. At the jail, an officer trained in the use of the alcohol breath machine will record the blood alcohol level by obtaining samples of the person’s breath.

When the arrested person chooses a breath test the handling officer shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

514.2.3 COLLECTING URINE AS EVIDENCE
If the arrested person chooses a urine test, as permitted by law, he/she shall be promptly transported to the jail. The officer shall follow the directions listed on the instruction sheet accompanying the urine evidence collection kit. If the arrested person’s urine is necessarily collected elsewhere, the procedure will remain the same.

Urine samples shall be collected and/or witnessed by an officer or matron of the same gender as the person giving the sample. The person tested shall be given such privacy in the taking of the urine specimen as will ensure the accuracy of the specimen and, at the same time, maintain the dignity of the individual involved (Vehicle Code § 23158(i)).
Impaired Driving

The urine evidence collection kit shall be marked with the arrestee’s name, offense, department, case number and the name of the witnessing officer. The urine evidence collection kit shall then be placed in the evidence refrigerator to await transportation to the crime laboratory.

514.2.4 TESTING OF CONSCIOUS PERSON AT A HOSPITAL
Most blood, breath and urine tests will be administered at the jail. However, if a timely breath or urine test cannot be administered because the person is transported to a medical facility where such tests cannot be facilitated, the person shall be advised that a blood test will be the only choice available and a blood sample may be taken at the medical facility (Vehicle Code § 23612(a)(3)).

Based on probable cause, the officer should place the conscious person under arrest in the presence of a witnessing officer or medical personnel and advise the attending physician of the intention to collect a sample of the person’s blood. Unless the attending physician objects for medical reasons a blood sample will be collected in the prescribed manner.

514.2.5 TESTING OF UNCONSCIOUS PERSON AT A HOSPITAL
When a person is suspected of driving under the influence of alcohol and/or drugs and the person is unconscious or in a condition rendering him or her incapable of refusal, that person is deemed not to have withdrawn his or her consent and a blood test may be ordered by the arresting officer. The officer shall advise the attending physician of the intention to collect a sample of the person’s blood as evidence. If the physician does not object based on medical reasons, the blood will be collected in the prescribed manner.

A person who is dead is deemed not to have withdrawn his or her consent and a test or tests may be administered. In such cases the handling officer should coordinate with the Coroner’s Office to ensure that a viable test will be obtained (Vehicle Code § 23612(a)(5)).

514.2.6 EXIGENT CIRCUMSTANCES DOCTRINE
Under the exigent circumstances doctrine, the level of influence of an intoxicant can be important evidence. Since it is not of a permanent nature, it will be lost if not seized immediately. The above sections will generally come within the guidelines of the exigent circumstances doctrine.

514.3 INVESTIGATIONS
Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

The Traffic Sergeant will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

(a) The field sobriety tests (FSTs) administered and the results.
Impaired Driving

(b) The officer’s observations that indicate impairment on the part of the individual, and the officer’s health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
(c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
(d) Information about any audio and/or video recording of the individual’s driving or subsequent actions.
(e) The location and time frame of the individual’s vehicle operation and how this was determined.
(f) Any prior related convictions in California or another jurisdiction.

514.4 FIELD TESTS
The Traffic Sergeant should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DUI laws.

514.5 CHEMICAL TESTS
A person implies consent to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Vehicle Code § 23612):

(a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.
(b) The person is under 21 years of age and is arrested by an officer having reasonable cause to believe that the person’s blood alcohol content is 0.05 or more (Vehicle Code § 23140).
(c) The person is under 21 years of age and detained by an officer having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).
(d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

514.5.1 STATUTORY NOTIFICATIONS
Officers requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

514.5.2 PRELIMINARY ALCOHOL SCREENING
Officers may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The officer shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs,
or a combination of the two. Unless the person is under the age of 21, he/she shall be advised that the PAS test is voluntary. The officer shall also advise the person that submitting to a PAS test does not satisfy his/her obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

514.5.3 PRELIMINARY ALCOHOL SCREENING FOR A PERSON UNDER AGE 21
If an officer lawfully detains a person under 21 years of age who is driving a motor vehicle and the officer has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the officer shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the officer may request the person to submit to chemical testing of his/her blood, breath or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the officer shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

514.5.4 CHOICE OF TESTS
Officers shall respect a viable choice of chemical test made by an arrestee, as provided for by law (e.g., breath will not be acceptable for suspected narcotics influence).

A person arrested for DUI has the choice of whether the test is of his/her blood or breath, and the officer shall advise the person that he/she has that choice. If the person arrested either is incapable, or states that he/she is incapable, of completing the chosen test, the person shall submit to the remaining test.

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the officer may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

514.5.5 BREATH SAMPLES
The Traffic Sergeant should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Traffic Sergeant.

When the arrested person chooses a breath test, the handling officer shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).
The officer should also require the person to submit to a blood test if the officer has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an alcoholic beverage and any drug. Evidence of the officer’s belief shall be included in the officer’s report (Vehicle Code § 23612(a)(2)(C)).

514.5.6 BLOOD SAMPLES
Only persons authorized by law to draw blood shall collect blood samples (Vehicle Code § 23158). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

514.5.7 URINE SAMPLES
If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample (Vehicle Code § 23158(i)).

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

514.6 REFUSALS
When an arrestee refuses to provide a viable chemical sample, officers should:

(a) Advise the arrestee of the requirement to provide a sample (Vehicle Code § 23612).
(b) Audio- and/or video-record the admonishment when it is practicable.
(c) Document the refusal in the appropriate report.

514.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL
Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of order of suspension upon the arrestee and take possession of any state-issued license to operate a motor vehicle that is held by that individual (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).
Impaired Driving

514.6.2 BLOOD SAMPLE WITHOUT CONSENT
A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

(a) A search warrant has been obtained (Penal Code § 1524).
(b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person’s bloodstream. Exigency can be established by the existence of special facts such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

514.6.3 FORCED BLOOD SAMPLE
If an arrestee indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

(a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
(b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
(c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the individual to submit to such a sample without physical resistance.
   1. This dialogue should be recorded on audio and/or video if practicable.
(d) Ensure that the blood sample is taken in a medically approved manner.
(e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
(f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
   1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
   2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
   3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
(g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.
Impaired Driving

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

514.7 ARREST AND INVESTIGATION

514.7.1 WARRANTLESS ARREST
In addition to the arrest authority granted to officers pursuant to Penal Code § 836, an officer may make a warrantless arrest of a person that the officer has reasonable cause to believe has been driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

(a) The person is involved in a traffic accident.
(b) The person is observed in or about a vehicle that is obstructing the roadway.
(c) The person will not be apprehended unless immediately arrested.
(d) The person may cause injury to him/herself or damage property unless immediately arrested.
(e) The person may destroy or conceal evidence of a crime unless immediately arrested.

514.7.2 OFFICER RESPONSIBILITIES
The officer serving the arrested person with a notice of an order of suspension shall immediately (Vehicle Code § 23612):

(a) Forward a copy of the completed notice of suspension or revocation form and any confiscated driver's license to the Department of Motor Vehicles (DMV).
(b) Forward a sworn report to DMV that contains the required information in Vehicle Code § 13380.
(c) Forward the results to the appropriate forensic laboratory if the person submitted to a blood or urine test.

514.8 RECORDS UNIT RESPONSIBILITIES
The Records Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney’s office.

514.9 ADMINISTRATIVE HEARINGS
The Records Supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any officer who receives notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

An officer called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.
514.10 TRAINING
The Training Sergeant should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Sergeant should confer with the prosecuting attorney’s office and update training topics as needed.
Traffic Citations

516.1 PURPOSE AND SCOPE
This policy outlines the responsibility for traffic citations, the procedure for dismissal, correction, and voiding of traffic citations.

516.2 RESPONSIBILITIES
The Traffic Sergeant shall be responsible for the development and design of all Department traffic citations in compliance with state law and the Judicial Council.

The Records Unit shall be responsible for the supply and accounting of all traffic citations issued to employees of this department.

516.3 DISMISSAL OF TRAFFIC CITATIONS
Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any request from a recipient to dismiss a citation shall be referred to the Traffic Bureau Manager. Upon a review of the circumstances involving the issuance of the traffic citation, the Traffic Bureau Manager may request the Operations Division Commander to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate court with a request for dismissal. All recipients of traffic citations whose request for the dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the officer may request the court to dismiss the citation. Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Operations Division Commander for review.

516.4 VOIDING TRAFFIC CITATIONS
Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Traffic Unit.

516.5 CORRECTION OF TRAFFIC CITATIONS
When a traffic citation is issued and in need of correction, the officer issuing the citation shall submit the citation and a letter requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to the Traffic Unit. The Traffic Unit shall prepare a letter of correction to the court having jurisdiction and to the recipient of the citation.
516.6 DISPOSITION OF TRAFFIC CITATIONS
The court and file copies of all traffic citations issued by members of this department shall be forwarded to the employee’s immediate supervisor for review. The citation copies shall then be filed with the Records Unit.

Upon separation from employment with this department, all employees issued traffic citation books shall return any unused citations to the Records Unit.

516.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE
Disposition of notice of parking violation appeals is conducted pursuant to Vehicle Code § 40215.

516.7.1 APPEAL STAGES
Appeals may be pursued sequentially at three different levels (Vehicle Code § 40215; Vehicle Code § 40230):

(a) Administrative reviews are conducted by the Traffic Unit who will review written/ documentary data. Requests for administrative reviews are available at the front desk or Traffic Unit of the Chino Police Department. These requests are informal written statements outlining why the notice of parking violation should be dismissed. Copies of documentation relating to the notice of parking violation and the request for dismissal must be mailed to the current mailing address of the processing agency.

(b) If the appellant wishes to pursue the matter beyond administrative review, an administrative hearing may be conducted in person or by written application, at the election of the appellant. Independent referees review the existent administrative file, amendments, and/or testimonial material provided by the appellant and may conduct further investigation or follow-up on their own.

(c) If the appellant wishes to pursue the matter beyond an administrative hearing, a Superior Court review may be presented in person by the appellant after an application for review and designated filing fees have been paid to the Superior Court of California.

516.7.2 TIME REQUIREMENTS
Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

(a) Requests for an administrative review must be postmarked within 21 calendar days of issuance of the notice of parking violation, or within 14 calendar days of the mailing of the Notice of Delinquent Parking Violation (Vehicle Code § 40215(a)).

(b) Requests for administrative hearings must be made no later than 21 calendar days following the notification mailing of the results of the administrative review (Vehicle Code § 40215(b)).

(c) An administrative hearing shall be held within 90 calendar days following the receipt of a request for an administrative hearing, excluding time tolled pursuant to Vehicle Code § 40220 - 40225. The person requesting the hearing may request one continuance, not to exceed 21 calendar days (Vehicle Code § 40215).
(d) Registered owners of vehicles may transfer responsibility for the violation via timely affidavit of non-liability when the vehicle has been transferred, rented or under certain other circumstances (Vehicle Code § 40209; Vehicle Code § 40210).

516.7.3 COSTS

(a) There is no cost for an administrative review.

(b) Appellants must deposit the full amount due for the citation before receiving an administrative hearing, unless the person is indigent, as defined in Vehicle Code § 40220, and provides satisfactory proof of inability to pay (Vehicle Code § 40215).

(c) An appeal through Superior Court requires prior payment of filing costs, including applicable court charges and fees. These costs will be reimbursed to the appellant in addition to any previously paid fines if appellant's liability is overruled by the Superior Court.

516.7.4 PAYMENT PLANS AND APPLICATION FOR INDIGENCY DETERMINATION

(a) Payment plans for outstanding parking citation fines may be requested for an additional fee. The request for a payment plan must be requested through the city’s parking citation processing provider.

(b) Requests for reduced fees and alternate payment plans, upon proof of indigency will be accepted (CVC 40220). Any requests must be submitted within 60 days from the date of the citation being issued or within 10 days of any administrative hearing.

(1) Requests shall be submitted online through the city’s contracted parking citation processing provider.

(2) Proof of indigency can be any of the following:

   (i) The person meets the income criteria set forth in subdivision (b) of Section 68632 of the Government Code.

   (ii) The person received public benefits from any of the programs listed in subdivision (a) of Section 68632 of the Government Code.

Proof of income from a pay stub or another form of proof of earning, such as a bank statement, that shows that the individual meets the income criteria set forth in subdivision (b) of Section 68632 of the Government Code, subject to review and approval of the processing agency or its designee is acceptable.

Proof of receipt of benefits under the programs described in subdivision (a) of Section 68632 of the Government Code may include but are not limited to: an electronic benefits transfer card or another card, which are subject to review and approval of the processing agency or its designee.

If an applicant’s indigent status is found to be willfully fraudulent, the fines and fees reduction shall be overturned and the full amount of the fines and fees shall be restored.
Traffic Citations

The Chino Police Department does not accept community service in lieu of payments for an approved indigent person.

516.8 JUVENILE CITATIONS
Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile’s age, place of residency, and the type of offense should be considered before issuing the juvenile a citation.
Disabled Vehicles

520.1 PURPOSE AND SCOPE
Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

520.2 OFFICER RESPONSIBILITY
When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available officer to respond for assistance as soon as practical.

520.3 EXTENT OF ASSISTANCE
In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of department resources, and the vulnerability of the disabled motorist.

520.3.1 MECHANICAL REPAIRS
Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

520.3.2 USE OF PUSH BARS
Generally, police personnel should not use push bars to relocate a disabled vehicle unless the vehicle is creating an immediate hazard which jeopardizes the safety of the disabled motorist, the public or police personnel.

520.3.3 RELOCATION OF DISABLED VEHICLES
The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

520.3.4 RELOCATION OF DISABLED MOTORIST
The relocation of a disabled motorist should only occur with the person’s consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

520.4 PUBLIC ACCESS TO THIS POLICY
This written policy is available upon request.
72-Hour Parking Violations

524.1 PURPOSE AND SCOPE
This policy provides procedures for the marking, recording, and storage of vehicles parked in violation of the Chino City Ordinance regulating 72-hour parking violations and abandoned vehicles under the authority of Vehicle Code § 22669.

524.2 MARKING VEHICLES
Vehicles suspected of being in violation of the City of Chino 72-Hour Parking Ordinance shall be marked and noted on the Chino Police Department Marked Vehicle Card. No case number is required at this time.

A visible chalk mark should be placed on the left rear tire tread at the fender level unless missing tires or other vehicle conditions prevent marking. Any deviation in markings shall be noted on the Marked Vehicle Card. The investigating employee should make a good faith effort to notify the owner of any vehicle subject to towing prior to having the vehicle removed. This may be accomplished by personal contact, telephone or by leaving notice attached to the vehicle at least 24 hours prior to removal.

All Marked Vehicle Cards shall be submitted to the Traffic Bureau for computer data entry. If a marked vehicle has been moved or the markings have been removed during a 72-hour investigation period, the vehicle shall be marked again for the 72-hour parking violation and a Marked Vehicle Card completed and forwarded to the Traffic Bureau.

Parking citations for the 72-hour parking ordinance shall not be issued when the vehicle is stored for the 72-hour parking violation.

524.2.1 MARKED VEHICLE FILE
The Traffic Bureau shall be responsible for maintaining a file for all Marked Vehicle Cards.

Police personnel assigned to parking enforcement shall be responsible for the follow up investigation of all 72-hour parking violations noted on the Marked Vehicle Cards.

524.2.2 VEHICLE STORAGE
Any vehicle in violation shall be stored by the authorized towing service and a vehicle storage report shall be completed by the officer authorizing the storage of the vehicle.

The storage report form shall be submitted to the Records Unit immediately following the storage of the vehicle. It shall be the responsibility of the Records Unit to immediately notify the Stolen Vehicle System (SVS) of the Department of Justice in Sacramento (Vehicle Code § 22851.3(b)). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS) (Vehicle Code § 22854.5).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Records Unit to determine the names and addresses of any individuals
72-Hour Parking Violations

having an interest in the vehicle through DMV or CLETS computers. Notice to all such individuals shall be sent first-class or certified mail pursuant to Vehicle Code § 22851.3(d).
Administrative Per Se Law (APS)

526.1 PURPOSE AND SCOPE
This policy provides for the immediate suspension of California driver's licenses in certain Driving Under the Influence (DUI) cases and in Zero Tolerance incidents. Vehicle Code §§ 13382 (a) and (b), and 13388 (b) require that peace officers immediately suspend driving privileges in certain situations involving arrests for Vehicle Code §§ 23152 and 23153. This policy also describes the policy dealing with Zero Tolerance laws.

526.2 SUSPENSION OF CALIFORNIA DRIVER'S LICENSES
The driver's license of a person suspected of driving under the influence of alcohol, shall immediately be suspended under any of the following circumstances:

(a) The arrestee refuses to submit to a chemical test
(b) The arrestee fails to complete the selected test
(c) The arrestee declines a breath test and demands a blood or urine test, and, the arresting officer has reasonable cause to believe that the arrestee's Blood Alcohol Content (BAC) will be at, or exceed the .08-percent level
(d) The arrestee completes the breath tests which show a BAC of .08-percent or higher

526.2.1 ZERO TOLERANCE LAW
Vehicle Code §§ 23136 & 23140 were enacted to reduce alcohol related incidents by persons under the age of 21-years. A person under 21-years years of age may have his or her license suspended under the following circumstances:

(a) When suspected of consuming alcohol and refusing a PAS test
(b) Who has a blood-alcohol level of .01-percent or greater

Zero Tolerance requires a Preliminary Alcohol Screening (PAS) device as the primary test. If the device is not available, one of the other chemical tests must be completed. Under Zero Tolerance, only the PAS device result is required. If, based on the PAS results, the driver's blood alcohol reading warrants arrest and further chemical testing, the Department of Motor Vehicles does not require completion of the chemical test section of the DS367m form. Once the PAS certification is complete, the Zero Tolerance requirement has been met.

526.3 PEACE OFFICER'S RESPONSIBILITY
In any of the above situations, the peace officer, acting on behalf of the Department of Motor Vehicles, shall do the following:

(a) Confiscate any California driver's license(s) in the possession of the driver. If the subject has an Admin Per Se (APS) temporary license document, do not confiscate.
Administrative Per Se Law (APS)

(b) Complete and serve the Administrative Per Se Order of Suspension (DMV form DS367, DS367m or DS367s - Officer's Statement and Order of Suspension), 4th page on the driver, regardless of license status.

(c) The officer will inform the driver that the "Administrative Per Se Order of Suspension", form DS367, DS367m or DS367s' along with his/her violator's notice to appear (except Zero Tolerance) or other release from custody document, will serve as the driver's temporary license. If the driver's privilege to drive is suspended or revoked, the order will not be a valid temporary license. If the subject presents an Admin Per Se suspension order/temporary license, do not confiscate the order but do issue another order pursuant to the current DUI arrest.

526.4 DEPARTMENT OF MOTOR VEHICLES NOTIFICATION
The following specified items must be forwarded to the Department of Motor Vehicles within five regular business days:

(a) Officer's Statement form DS367 or DS367m (Minor) or DS367s (Spanish)
(b) Order of suspension (form DS367, DS367m or DS367s, pages 2 and 3)
(c) Copy of the printout of the breath test (if taken)
(d) Traffic collision report if applicable
(e) The offender's driver's license

526.5 PROCESSING OF FORMS
In order to ensure that the Department of Motor Vehicles and Police Department forms are routed properly, the following responsibilities are identified:

526.5.1 SUPERVISORY APPROVAL
The Watch Commander, or the supervisor responsible for approving reports, shall review all documents for completeness (dates, times, signatures, etc.) and forward the originals of the documents to the Records Bureau.

526.5.2 TRAFFIC BUREAU RESPONSIBILITY
The Traffic Bureau is responsible for the following:

(a) Receiving original documents required by DMV from the Records Bureau and forwarding them to the Department of Motor Vehicles;
(b) The Traffic Bureau is also responsible for keeping and updating a case log on all persons arrested for drunk driving. Information on that log shall include:
   1. Case number
   2. Arrested driver's name
   3. The date the forms were returned to the officer for corrections if applicable
4. The date form DS367 was mailed to the DMV
5. Which test the arrested driver chose

If the Department of Motor Vehicles should return form DS367, DS367m or DS367s for corrections, the Traffic Bureau must notify the officer who made the arrest of the needed corrections. The officer shall make the corrections by lining out the incorrect information with a single line and initialing above the corrected area. White out and strikeouts are not acceptable forms of correction. The form(s) shall then be returned to the Traffic Bureau to be returned to the Department of Motor Vehicles.

526.5.3 PROPERTY AND EVIDENCE TECHNICIAN RESPONSIBILITY
It is the responsibility of the property and evidence technician to promptly deliver physiological specimens to the designated crime lab as soon as possible after receipt to ensure that the above time requirements are met.

526.5.4 RECORDS BUREAU RESPONSIBILITY
The Records Bureau is responsible for the following:

(a) Copies of documents required by DMV are to be made for the department files and the originals are then to be forwarded to the Traffic Bureau for processing;

(b) One copy of the Forensic Alcohol Examination Report shall be included in the case file maintained in the Records Bureau.
Chapter 6 - Investigation Operations
Investigation and Prosecution

600.1 PURPOSE AND SCOPE
The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

600.2 POTENTIALLY EXCULPATORY EVIDENCE OR FACTS
Officers must include in their reports adequate reference to all material evidence and facts which are reasonably believed to be exculpatory to any individual in the case. If an officer learns of potentially exculpatory information anytime after submission of the case, the officer must notify the prosecutor as soon as practicable.

Evidence or facts are considered material if there is a reasonable probability that they may impact the result of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the department case file.

600.3 POLICY
It is the policy of the Chino Police Department to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

600.4 INITIAL INVESTIGATION
600.4.1 OFFICER RESPONSIBILITIES
An officer responsible for an initial investigation shall complete no less than the following:

(a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:

1. An initial statement from any witnesses or complainants.
2. A cursory examination for evidence.

(b) If information indicates a crime has occurred, the officer shall:

1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Watch Commander.
Investigation and Prosecution

4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
5. Collect any evidence.
6. Take any appropriate law enforcement action.
7. Complete and submit the appropriate reports and documentation.

(c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

600.4.2 PROFESSIONAL STAFF MEMBER RESPONSIBILITIES
A professional staff member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of an officer shall be requested.

600.5 CUSTODIAL INTERROGATION REQUIREMENTS
Suspects who are in custody and subjected to an interrogation shall be given the Miranda warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.5.1 AUDIO/VIDEO RECORDINGS
Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Detective Bureau supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

600.5.2 MANDATORY RECORDING OF ADULTS
Any custodial interrogation of an adult who is suspected of having committed any murder shall be recorded in its entirety. The recording should be video with audio if reasonably feasible (Penal Code § 859.5).
This recording is not mandatory when (Penal Code § 859.5):

(a) Recording is not feasible because of exigent circumstances that are later documented in a report.

(b) The suspect refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.

(c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.

(d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.

(e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of an officer, the individual being interrogated or another individual. Such circumstances shall be documented in a report.

(f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.

(g) The questions are part of a routine processing or booking, and are not an interrogation.

(h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

The Department shall maintain an original or an exact copy of the recording until a conviction relating to the interrogation is final and all appeals are exhausted or prosecution is barred by law (Penal Code § 859.5).

600.6 DISCONTINUATION OF INVESTIGATIONS
The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

(a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.

(b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.

1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.

2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
(c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.

(d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted or requested, and there is no need to take the suspect into custody.

(e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.

(f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

600.7 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

600.8 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment. Information obtained via the Internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

600.8.1 ACCESS RESTRICTIONS

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for
accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party’s account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any Internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an Internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.8.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

600.9 CELLULAR COMMUNICATIONS INTERCEPTION TECHNOLOGY

The Criminal Investigations Division Commander is responsible for ensuring the following for cellular communications interception technology operations (Government Code § 53166):

(a) Security procedures are developed to protect information gathered through the use of the technology.

(b) A usage and privacy policy is developed that includes:

1. The purposes for which using cellular communications interception technology and collecting information is authorized.

2. Identification by job title or other designation of employees who are authorized to use or access information collected through the use of cellular communications interception technology.

3. Training requirements necessary for those authorized employees.

4. A description of how the Department will monitor the use of its cellular communications interception technology to ensure the accuracy of the information collected and compliance with all applicable laws.

5. Process and time period system audits.

6. Identification of the existence of any memorandum of understanding or other agreement with any other local agency or other party for the shared use of cellular communications interception technology or the sharing of information collected through its use, including the identity of signatory parties.

7. The purpose of, process for and restrictions on the sharing of information gathered through the use of cellular communications interception technology with other local agencies and persons.
Investigation and Prosecution

8. The length of time information gathered through the use of cellular communications interception technology will be retained, and the process the local agency will utilize to determine if and when to destroy retained information. Members shall only use approved devices and usage shall be in compliance with department security procedures, the department’s usage and privacy procedures and all applicable laws.

600.10 MODIFICATION OF CHARGES FILED
Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Division Commander or the Chief of Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.
Sexual Assault Investigations

602.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

602.1.1 DEFINITIONS
Definitions related to this policy include:

**Sexual assault** - Any crime or attempted crime of a sexual nature, to include but not limited to offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

**Sexual Assault Response Team (SART)** - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

602.2 TRAINING
Subject to available resources, periodic training should be provided to:

(a) Members who are first responders. Training should include:

1. Initial response to sexual assaults.
2. Legal issues.
3. Victim advocacy.
4. Victim’s response to trauma.
5. Proper use and handling of the California standardized SAFE kit (Penal Code § 13823.14).

(b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:

1. Interviewing sexual assault victims.
2. SART.
3. Medical and legal aspects of sexual assault investigations.
4. Serial crimes investigations.
5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
6. Techniques for communicating with victims to minimize trauma.
602.3  RELEASING INFORMATION TO THE PUBLIC
In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Detective Bureau supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

602.4  CASE REVIEW
The Detective Bureau supervisor should ensure case dispositions are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police.

602.5  DISPOSITION OF CASES
If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Detective Bureau supervisor.

Classification of a sexual assault case as unfounded requires the Detective Bureau supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

602.6  POLICY
It is the policy of the Chino Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

602.7  QUALIFIED INVESTIGATORS
Qualified investigators should be available for sexual assault investigations. These investigators should:

(a)  Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.

(b)  Conduct follow-up interviews and investigation.
Sexual Assault Investigations

(c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
(d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
(e) Provide referrals to therapy services, victim advocates and support for the victim.
(f) Participate in or coordinate with SART.

602.8 REPORTING
In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

602.9 VICTIM INTERVIEWS
The primary considerations in sexual assault investigations, which begin with the initial call to the Communications Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of SART should be included in the initial victim interviews. An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; Penal Code § 637.4).

Victims should be apprised of applicable victim’s rights provisions, as outlined in the Victim and Witness Assistance Policy.

602.9.1 VICTIM RIGHTS
Whenever there is an alleged sexual assault, the assigned officer shall accomplish the following:

(a) Advise the victim in writing of the right to have a victim advocate and a support person of the victim’s choosing present at any interview or contact by law enforcement, any other rights of a sexual assault victim pursuant to Penal Code § 680.2, and the right to have a person of the same or opposite gender present in the room during any interview with a law enforcement official unless no such person is reasonably available (Penal Code § 679.04).

(b) If the victim is transported to a hospital for any medical evidentiary or physical examination, the officer shall immediately cause the local rape victim counseling center to be notified (Penal Code § 264.2).
Sexual Assault Investigations

1. The officer shall not discourage a victim from receiving a medical evidentiary or physical examination (Penal Code § 679.04).
2. A support person may be excluded from the examination by the officer or the medical provider if his/her presence would be detrimental to the purpose of the examination (Penal Code § 264.2).

602.9.2 VICTIM CONFIDENTIALITY
Officers investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim’s parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting officer shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim’s parent or guardian (Penal Code § 293).

Except as authorized by law, members of this department shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

602.10 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE
Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

602.10.1 STANDARDIZED SEXUAL ASSAULT FORENSIC MEDICAL EVIDENCE KIT
The Evidence Unit should make California standardized sexual assault forensic medical evidence (SAFE) kits available to members who may investigate sexual assault cases. Members investigating a sexual assault should use these SAFE kits when appropriate and follow related usage guidelines issued by the California Clinical Forensic Medical Training Center (Penal Code § 13823.14).

602.10.2 COLLECTION AND TESTING REQUIREMENTS
Members investigating a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g). SAFE kits should be submitted to the crime lab within 20 days after being booked into evidence (Penal Code § 680).
In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned investigator shall ensure that an information profile for the SAFE kit evidence has been created in the California Department of Justice (DOJ) SAFE-T database within 120 days of collection and should further ensure that the results of any such test have been timely entered into and checked against both the DOJ Cal-DNA database and the Combined DNA Index System (CODIS) (Penal Code § 680.3).

If the assigned investigator determines that a SAFE kit submitted to a private laboratory for analysis has not been tested within 120 days after submission, the investigator shall update the SAFE-T database to reflect the reason for the delay in testing. The assigned investigator shall continue to update the status every 120 days thereafter until the evidence has been analyzed or the statute of limitations has run (Penal Code § 680.3).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned investigator shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18-month period (Penal Code § 680).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

602.10.3 DNA TEST RESULTS
A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

(a) Upon receipt of a written request from a sexual assault victim or the victim’s authorized designee, members investigating sexual assault cases shall inform the victim of the status of the DNA testing of any evidence from the victim’s case (Penal Code § 680).

1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.

2. Absent a written request, no member of this department is required to, but may, communicate with the victim or the victim’s authorized designee regarding the status of any DNA testing.

(b) Subject to the commitment of sufficient resources to respond to requests for information, sexual assault victims shall further have the following rights (Penal Code § 680):

1. To be informed if a DNA profile of the assailant was obtained from the testing of the SAFE kit or other crime scene evidence from their case.
Sexual Assault Investigations

2. To be informed if there is a match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the DOJ Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.

3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the DOJ Databank of case evidence. (c) Provided that the sexual assault victim or the victim’s authorized designee has kept the assigned officer informed with regard to current address, telephone number, and email address (if available), any victim or the victim’s authorized designee shall, upon request, be advised of any known significant changes regarding the victim’s case (Penal Code § 680).

1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.

2. No officer shall be required or expected to release any information which might impede or compromise any ongoing investigation.

### 606.2 POLICY

The Chino Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person’s due process rights.

It is the policy of the Chino Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

### 606.3 ASSET FORFEITURE PROCEDURE

Upon seizing any currency, vehicle, or personal property pursuant to Health & Safety Code § 11470, a patrol officer should contact a narcotics investigator or SET Supervisor. The following guidelines will be observed:

(a) The seizing officer or the detective will serve all persons with Notice of Seizure and Intended Forfeiture forms which includes an attached County of Origin Claim form Opposing Forfeiture, and a forfeiture receipt. Disclaimers (English/Spanish) will be completed on all persons disclaiming ownership of currency, vehicle, or property seized.

(b) When someone has made notification other than the Asset Forfeiture detective, a copy of all reports and all applicable asset forfeiture paperwork must be forwarded to the Asset Forfeiture detective in Narcotics, for review. If it is later determined that a seizure will be processed federally, the seizing federal agency will be responsible for the seizure process.

(c) Interview all persons involved concerning their possession of the seized assets, financial situation, employment, income, and other resources. If a defendant has not given a Miranda waiver before an interview regarding assets, the detective will conduct a further criminal interview as necessary. A Miranda waiver is not necessary for civil asset seizure interviews.
Asset Forfeiture

(d) Attempt to promptly determine all lienholders or all persons who may have a legal interest in the seized currency, vehicle or property for further contact, investigation and notification.

(e) The seizure of assets subject to forfeiture is a civil proceeding filed through the county of origin, Office of the District Attorney Forfeiture Unit or Narcotic Enforcement Team. Federal forfeitures will be processed by the seizing federal agency.

606.3.1 PROPERTY SUBJECT TO SEIZURE
The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

(a) Property subject to forfeiture authorized for seizure under the authority of a search warrant or court order.

(b) Property subject to forfeiture not authorized for seizure under the authority of a search warrant or court order when any of the following apply (Health and Safety Code § 11471; Health and Safety Code § 11488):
   1. The property subject to forfeiture is legally seized incident to an arrest.
   2. There is probable cause to believe that the property was used or is intended to be used in a violation of the Uniform Controlled Substances Act and the seizing officer can articulate a nexus between the property and the controlled substance offense that would lead to the item being property subject for forfeiture.

Officers aware of assets that may be forfeitable as a result of criminal profiteering or human trafficking should consider contacting the district attorney regarding a court order to protect the assets (Penal Code § 186.6; Penal Code § 236.6).

Whenever practicable, a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

606.3.2 PROPERTY NOT SUBJECT TO SEIZURE
The following property should not be seized for forfeiture:

(a) Cash and property that does not meet the forfeiture counsel’s current minimum forfeiture thresholds should not be seized.

(b) Real property is not subject to seizure, absent exigent circumstances, without a court order (Health and Safety Code § 11471).

(c) A vehicle which may be lawfully driven on the highway if there is a community property interest in the vehicle by a person other than the suspect and the vehicle is the sole vehicle available to the suspect’s immediate family (Health and Safety Code § 11470).
Asset Forfeiture

(d) Vehicles, boats or airplanes owned by an “innocent owner,” such as a common carrier with no knowledge of the suspected offense (Health and Safety Code § 11490).

(e) Any property when the associated activity involves the possession of marijuana or related paraphernalia that is permissible under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1).

606.3.3 SEIZED VEHICLES
Vehicles seized subject to forfeiture will be taken to a designated secure storage facility. A seized vehicle should not be impounded. The officer seizing the vehicle shall notify his/her supervisor, the Asset Forfeiture Investigator and the detective supervisor of the seizure of the vehicle and circumstances of the seizure as soon as possible.

If the vehicle cannot be driven, a tow truck will be used to tow the vehicle to the storage facility.

Personal property located in a seized vehicle shall be removed and released to a responsible party or booked into Property as either evidence or for safekeeping. This applies to those items that are not involved in a seizure.

606.4 ASSET FORFEITURE LOG
A computerized inventory of all asset forfeiture cases shall be kept by the Management Analyst. The inventory shall include the following:

- Case number
- Date of seizure
- Value
- Type of seizure (federal or state)
- Status of the seizure

Information maintained on the log will be provided to the Chief of Police or authorized staff, as requested.

606.5 PROCEEDS FROM FORFEITURE
Equitable shares received from seized assets shall be maintained in separate funds and shall be subject to accounting controls and annual financial audits.

606.6 DISPOSITION OF FORFEITED PROPERTY
Forfeited funds distributed under Health and Safety Code § 11489 et seq. shall only be used for purposes allowed by law, but in no case shall a peace officer’s employment or salary depend upon the level of seizures or forfeitures he/she achieves (Health and Safety Code § 11469).

606.8 FORFEITURE REVIEWER
The Chief of Police will appoint an officer as the forfeiture reviewer. Prior to assuming duties, or as soon as practicable thereafter, the forfeiture reviewer should attend a department-approved course on asset forfeiture.

The responsibilities of the forfeiture reviewer include:

(a) Remaining familiar with forfeiture laws, particularly Health and Safety Code § 11469 et seq. and Penal Code § 186.2 et seq. and the forfeiture policies of the forfeiture counsel.

(g) Ensuring that officers who may be involved in asset forfeiture receive training in the proper use of the seizure forms and the forfeiture process. The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or Department Directives. The training should cover this policy and address any relevant statutory changes and court decisions.

(h) Reviewing each asset forfeiture case to ensure that:

1. Written documentation of the seizure and the items seized is in the case file.
2. Independent legal review of the circumstances and propriety of the seizure is made in a timely manner.

The team is also responsible for assisting investigators with gang related investigations as necessary. The gang unit although not primarily responsible for investigations may be assigned an investigation at the direction of the S.E.T. Sergeant.

609.5  GANG PROFILE CRITERIA
(a) A street gang is a group of three or more persons, whether formal or informal, who have a common identifying sign, symbol, or name, and whose members individually or collectively engage in or have engaged in criminal activity creating an atmosphere of fear and intimidation within the community. The following Criteria shall determine if an incident is gang related:

1. When an incident occurs wherein the participants, suspects or victims are identified gang members or affiliates.
2. When a reliable informant identifies an incident as gang activity.
3. When an informant of previously untested reliability identifies an incident as gang activity and it is corroborated by other circumstances or independent information.

(b) When an incident does not necessarily meet the above criteria but conduct is consistent with street gang criminal conduct, it may be considered gang related. Indicators of street gang involvement may be based on the suspect's description, method of operation, or other evidence that strongly indicates that gang members were involved in the incident.

(c) It is the policy of the Chino Police Department to identify gang members based on the following criteria. Any one of the following five criteria may be sufficient to establish gang membership:

1. When an individual admits membership to a gang.
2. When a reliable informant identifies an individual as a gang member.
3. When a non-reliable informant identifies an individual as gang member and it is corroborated by independent information.
4. When an individual resides in and frequents a particular gang's area and conforms to their style of dress, use of hand signs, symbols or tattoos, and maintains ongoing relationships with known gang members.

(Note: association itself is not sufficient to determine a gang associate and additional criteria must be present. If no other criteria is present, the subject may be documented on an FI card as an affiliate).
5. When an individual has been arrested more than once in the company of identified gang members for offenses, which are consistent with usual gang activity. Note: When there are strong indications that an individual has a close relationship with a gang, but does not fit the above criteria, he/she may be identified as a gang-affiliate.

609.6 FIELD PHOTOGRAPHS
Officers assigned to the Gang Unit will be primarily responsible for the photographing of gang members. The photographing of identified gang members will be governed by the rule of law concerning lawful detentions, arrests, or consent.

609.7 RETENTION OF FIELD INTERVIEW INFORMATION/ PHOTO
Once a supervisor or gang expert has established that an individual meets the criteria as a gang member, the entry of that person into a specific gang file, placement of that individual's photo into a gang file, and entry into Regional databases should be completed. Once entered into a file or system, these gang photos may also be retained for a longer period (e.g. five years) than more general field photos.

609.8 REVIEW PROCEDURE
Any person who has been FI'd or photographed resulting from a gang contact, may request a non-binding review of that F.I., contact, or photograph, by submitting a written request within thirty (30) days of the contact to the Department. The Lieutenant with oversight of the gang unit or his designee will arrange to meet with the individual at the Police Facility and hear the reasons why the requestor believes that he/she is not a gang member or affiliate gang member. The Lieutenant with oversight of the gang unit or his designee will interview the Officers who are alleging the gang identification and then make a determination as to the status of the requestor. This is not intended to be an evidentiary proceeding and the department is under no obligation to disclose the reason for either sustaining the gang allegation or removing it. If the gang contact is not sustained the information will be purged and the requestor notified. If the information is sustained the requestor will not be notified. The individual requestor is not entitled to legal representation during this process. In the case of juveniles, a parent or legal guardian will be allowed to attend the review. All information obtained will be entered into the file, including the request for review and the justification for denial of the request.

609.9 NOTIFICATION TO PARENT OR GUARDIAN/ APPEAL PROCESS
Except where such notification would prejudice a criminal investigation, reasonable efforts shall be made to notify a juvenile's parent or legal guardian, inclusive of the juvenile within 30 days of the designation, when the juvenile's name is added to the active or associate gang member
file, inclusive of a shared gang database, pursuant to Penal Code 186.34 (enacted 1-1-2014). In any case, such notification shall be made when an investigation would no longer be prejudiced. The Lieutenant with oversight of the gang unit or his designee should cause the parent or guardian to be advised of the date, time, location, and circumstances under which the juvenile's name was entered into the gang files. The date, time, person notified, and Officer making such notification shall be indicated in the subject's file.

609.10.1 SUBJECT IDENTIFICATION FILE

A file of active and associate gang members, filed using interior folders, organized alphabetically by gang name and then alphabetically within each gang by subject's name. These folders shall contain:

(a) Names
(b) Aliases
(c) Monikers
(d) Addresses
(e) Other relevant identifying information
(f) Dates of police contact
(g) Identification of Officer(s) making entries or serving STEP(186.22 PC) documents

609.10.2 MONIKER FILE

A file of active and associate gang member monikers contained within interior folders, arranged alphabetically by moniker. Each folder shall also include the subject's true name and sufficient identifying data to permit positive cross-filing with the Subject Identification file.

609.10.3 VEHICLE FILE

A file of vehicles used by active and associate gang members contained within interior folders, grouped alphabetically by gang first, and secondly, alphabetically by make. Sub-grouping by
model, year, color, and other identifying characteristics may also be made. Folders shall be cross-filed to active and associate gang members in the Subject Identification File.

Note: The Officers assigned to the Gang Unit shall ensure that accurate and legible files are maintained.

609.11 REVIEW AND PURGING OF FILES
Subject identification files shall be reviewed biannually to ensure they are up-to-date and within the guidelines established by the Chino Police Department Criminal Intelligence Policy. Each subject identification file having no entry indicating police contact for the proceeding five (5) year period shall be purged from the file and disposed of in accordance with department guidelines.

Exception: In the event there is a valid reason to retain the file, an explanation for doing so shall be entered into the file and with the concurrence and approval signature of the Officer in charge may be held for an additional year. Files, which are retained beyond the five-year period, shall be reviewed annually thereafter to re-evaluate the status.
Eyewitness Identification

610.1 PURPOSE AND SCOPE
This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (Penal Code § 859.7).

610.1.1 DEFINITIONS
Definitions related to the policy include:

**Eyewitness identification process** - Any field identification, live lineup or photographic identification.

**Field identification** - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

**Live lineup** - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

**Photographic lineup** - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

610.2 POLICY
The Chino Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

610.3 INTERPRETIVE SERVICES
Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

610.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM
The Detective Bureau supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

(a) The date, time and location of the eyewitness identification procedure.

(b) The name and identifying information of the witness.
(c) The name of the person administering the identification procedure.
(d) If applicable, the names of all of the individuals present during the identification procedure.
(e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
(f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
(g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
(h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
(i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
(j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
(k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

610.5 EYEWITNESS IDENTIFICATION
Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures (Penal Code § 859.7).

610.6 DOCUMENTATION
A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.
Eyewitness Identification

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

610.6.1 DOCUMENTATION RELATED TO RECORDINGS
The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

610.6.2 DOCUMENTATION RELATED TO BLIND ADMINISTRATION
If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

610.7 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS
When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness (Penal Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

610.7.1 OTHER SAFEGUARDS
Witnesses should be asked for suspect descriptions as close in time to the incident as possible and before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that that may validate or invalidate an eyewitness’ identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

610.8 FIELD IDENTIFICATION CONSIDERATIONS
Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be
used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

(a) Obtain a complete description of the suspect from the witness.

(b) Assess whether a witness should be included in a field identification process by considering:
   1. The length of time the witness observed the suspect.
   2. The distance between the witness and the suspect.
   3. Whether the witness could view the suspect’s face.
   4. The quality of the lighting when the suspect was observed by the witness.
   5. Whether there were distracting noises or activity during the observation.
   6. Any other circumstances affecting the witness’s opportunity to observe the suspect.
   7. The length of time that has elapsed since the witness observed the suspect.

(c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.

(d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.

(e) The person who is the subject of the show-up should not be shown to the same witness more than once.

(f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.

(g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.

(h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.
Facial Recognition

611.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the use of Facial Recognition (FR) software by the Chino Police Department.

The Chino Police Department considers the results, if any, of a facial recognition search to be advisory in nature as an investigative lead only. Facial recognition search results are not considered positive identification of a subject and do not on their own establish probable cause without further investigation. Any possible connection or involvement of the subject(s) to the investigation must be determined through further investigative methods.

611.2 DEFINITIONS
Facial Recognition (FR) software compares patterns within the field of computer vision. Such approaches do not rely upon intrinsic models of what a face is, how it should appear, or what it may represent. In other words, the matching is not based on biological or anatomical models of what a face—or the features that make up a face—look like. The patterns used in FR algorithms do not correlate to obvious anatomical features such as the eyes, nose or mouth in a one-to-one manner, although they are affected by these features.

Candidate Images—The possible results of a facial recognition search. When facial recognition software compares a probe image against the images contained in a repository, the result is a list of most likely candidate images that were determined by the software to be sufficiently similar to or most likely resemble the probe image to warrant further analysis. A candidate image is an investigative lead only and does not establish probable cause to obtain an arrest warrant without further investigation.

Facial Recognition Software/Technology—Third-party software that uses specific proprietary algorithms to compare facial features from one specific picture—a probe image—to many others (one-to-many) that are stored in an image repository to determine most likely candidates for further investigation.

Investigative Lead—Any information which could potentially aid in the successful resolution of an investigation, but does not imply positive identification of a subject or that the subject is guilty of a criminal act.

One-to-Many Face Image Comparison—The process whereby a probe image from one subject is compared with the features of reference images contained in an image repository, generally resulting in a list of most likely candidate images.

Unsolved Image File—A lawfully obtained probe image of an unknown suspect may be added by authorized law enforcement users to an unsolved image file pursuant to an authorized criminal investigation and if a search has produced no candidates and the subject remains unknown. Images in an unsolved image file are periodically compared with the known images in an image repository.
Facial Recognition

Valid Law Enforcement Purpose— FR is to be used for information/intelligence gathering, development, or collection, use, retention, or sharing that furthers the authorized functions and activities of a law enforcement agency, which may include the prevention of crime, ensuring the safety of the public, protection of public or private structures and property, furthering officer safety, while adhering to law and agency policy designed to protect the public.

611.3 POLICY
Facial recognition technology involves the ability to examine and compare distinguishing characteristics of a human face through the use of biometric algorithms contained within a software application. This technology can be a valuable investigative tool to detect and prevent criminal activity, reduce an imminent threat to health or safety, and help in the identification of persons unable to identify themselves or deceased persons. The Chino Police Department has established access and use of a facial recognition software system to support investigative efforts. The software will be treated as any other investigative lead and should never be used as a sole guarantee or for probable cause to arrest.

This policy will provide the Chino Police Department personnel with guidelines and principles for the collection, access, use, dissemination, retention, and purging of images and related information applicable to the implementation of a facial recognition (FR) program. This policy will ensure that all FR uses are consistent with authorized purposes while not violating the privacy, civil rights, and civil liberties of individuals. This facial recognition policy assists the Chino Police Department and its personnel in:

· Increasing public safety and improving security.
· Minimizing the threat and risk of injury to the public.
· Minimizing the threat and risk of physical injury or financial liability to law enforcement and others responsible for public protection, safety, or health.
· Minimizing the potential risks to individual privacy, civil rights, civil liberties, and other legally protected interests.
· Protecting the integrity of criminal investigatory and justice system processes.
· Minimizing the threat and risk of damage to real or personal property.
· Fostering trust by strengthening transparency, oversight, and accountability.
· Making the most effective use of public resources.

611.4 USE OF FACIAL RECOGNITION
All deployments of the facial recognition system are for official use only and are law enforcement sensitive. The provisions of this policy are provided to support the following authorized uses of facial recognition information.
Facial Recognition

- A reasonable suspicion that an identifiable individual has committed a criminal offense or is involved in or planning criminal conduct or activity that presents a threat to any individual or the community.
- An active or ongoing criminal investigation.
- To mitigate an imminent threat to health or safety of the community.
- To assist in the identification of a person who lacks the capacity or is otherwise unable to identify themselves (such as an incapacitated, deceased, or otherwise at-risk person).
- To investigate and/or corroborate tips and leads.
- For a person who an officer reasonably believes is concealing his or her true identity and has a reasonable suspicion the individual has committed a misdemeanor or felony crime other than concealing his or her identity.
- For persons who lack the capacity or are otherwise unable to identify themselves and who are a danger to themselves or others.

611.5 FACIAL RECOGNITION ACCESS
Authorized access to a facial recognition system will be granted only to personnel whose positions and job duties require such access and who have successfully completed the required training. Personnel will be provided individual usernames and passwords to the facial recognition system that are not transferrable, must not be shared, and must be kept confidential.

611.6 PROHIBITED USE
The Chino Police Department will prohibit access to and use of the facial recognition system, including dissemination of facial recognition search results, for the following purposes:
- Non-law enforcement (including but not limited to personal purposes).
- Any purpose that violates the U.S. Constitution or laws of the United States, including the protections of the First, Fourth, and Fourteenth Amendments.
- Prohibiting or deterring lawful individual exercise of other rights, such as freedom of association, implied by and secured by the U.S. Constitution or any other constitutionally protected right or attribute.
- Any other access, use, disclosure, or retention that would violate applicable law, regulation, or policy.

The Chino Police Department will not connect the facial recognition system to any interface that performs live video surveillance, including surveillance cameras, drone footage, and body-worn cameras (California Assembly Bill 1215).
611.7 FACIAL RECOGNITION ADMINISTRATOR
Primary responsibility for the operation of the Chino Police Department’s facial recognition program and system, operations, and the coordination of personnel; the receiving, seeking, retention, evaluation, data quality, use, purging, sharing, disclosure, or dissemination of information; and the management is assigned to the Criminal Investigations Bureau (CIB), Commander or their designee.

The CIB Commander will be responsible for the following responsibilities:

· Managing the facial recognition program to ensure compliance with applicable laws, regulations, standards, and policy.

· Acting as the authorizing official for individual access to facial recognition information.

· Ensuring that user accounts and authorities granted to personnel are maintained in a current and secure “need-to-know” status.

· Ensuring that random audits of user compliance with system requirements and the entity’s facial recognition policy and applicable law are conducted and documented.

· Ensuring and documenting that personnel meet all prerequisites stated in this policy prior to being authorized to use the facial recognition system.

611.8 FACIAL RECOGNITION SERVICES
The Chino Police Department will contract with facial recognition software service companies to provide software and system development services for the department’s facial recognition system.

The Chino Police Department will perform facial recognition searches utilizing mug-shot images, also known as booking photos. The booking photos are lawfully obtained from known offenders when they are arrested and booked by law enforcement.

The Chino Police Department will contract only with commercial facial recognition companies that provide assurances that their methods for collecting, receiving, accessing, disseminating, retaining, and purging face recognition information comply with applicable local, state, tribal, territorial, and federal laws, statutes, regulations, and policies and that these methods are not based on unfair or deceptive information collection practices.

611.9 INVESTIGATIVE LEADS
The Chino Police Department considers the results, if any, of a facial recognition search to be advisory in nature as an investigative lead only. Facial recognition search results are not considered positive identification of a subject and do not, on their own, establish probable cause without further investigation. Any possible connection or involvement of the subject(s) to the investigation must be determined through further investigative methods.

Investigative leads will need to be vetted with supervisory oversight. Personnel will need to establish their own probable cause before making an arrest. In any case where facial recognition software was used as an investigative lead, the employee’s supervisor will review the case in
Facial Recognition

order to ensure the AFR was used as an investigative lead and not solely to establish probable cause for an arrest.

611.10 TRAINING
Before access to the facial recognition system is authorized, personnel must receive familiarization training and acknowledge the applicable policies and procedures. Members will receive department-approved training for those authorized to use or access the facial recognition software system.

611.11 USER AUDIT
The Chino Police Department’s Professional Standards Bureau will maintain an audit report of requested, accessed, searched, or disseminated automated facial recognition information.
Chapter 7 - Equipment
Department Owned and Personal Property

700.1 PURPOSE AND SCOPE
Department employees are expected to properly care for department property assigned or entrusted to them. Employees may also suffer occasional loss or damage to personal or department property while performing their assigned duty. Certain procedures are required depending on the loss and ownership of the item.

700.2 CARE OF DEPARTMENTAL PROPERTY
Employees shall be responsible for the safekeeping, serviceable condition, proper care, use and replacement of department property assigned or entrusted to them. An employee’s intentional or negligent abuse or misuse of department property may lead to discipline including, but not limited to the cost of repair or replacement.

(a) Employees shall promptly report through their chain of command, any loss, damage to, or unserviceable condition of any department issued property or equipment assigned for their use.

(b) The use of damaged or unserviceable department property should be discontinued as soon as practical and replaced with comparable Department property as soon as available and following notice to a supervisor.

(c) Except when otherwise directed by competent authority or required by exigent circumstances, department property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.

(d) Department property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without proper authority.

(e) In the event that any Department property becomes damaged or unserviceable, no employee shall attempt to repair the property without prior approval of a supervisor.

700.3 FILING CLAIMS FOR PERSONAL PROPERTY
Claims for reimbursement for damage or loss of personal property must be made on the proper form. This form is submitted to the employee’s immediate supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor shall direct a memo to the appropriate Lieutenant, which shall include the results of his/her investigation and whether the employee followed proper procedures. The supervisor’s report shall address whether reasonable care was taken to prevent the loss or damage.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police or his/her designee who will then forward the claim to the Department Management Analyst.
Department Owned and Personal Property

The Department will not replace or repair luxurious or overly expensive items (jewelry, exotic equipment, etc.) that are not reasonably required as a part of work.

700.3.1 REPORTING REQUIREMENT
A verbal report shall be made to the employee's immediate supervisor as soon as circumstances permit.

A written report shall be submitted before the employee goes off duty or within the time frame directed by the supervisor to whom the verbal report is made.

700.4 LOSS OR DAMAGE OF PROPERTY OF ANOTHER
Officers and other employees intentionally or unintentionally may cause damage to the real or personal property of another while performing their duties. Any employee who damages or causes to be damaged any real or personal property of another while performing any law enforcement functions, regardless of jurisdiction, shall report it as provided below.

The employee shall submit a written report before going off duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor's written report, shall promptly be forwarded to the appropriate Division Commander.
Personal Communication Devices

702.1 PURPOSE AND SCOPE
The purpose of this policy is to establish guidelines for the use of department-issued mobile phones and personal communication devices, and the on-duty use of such devices personally-owned by personnel.

Because of technical advances and varying manufacturer nomenclature, this policy will generically refer to all Personal Communication Devices (PCD) as such, but is intended to include all mobile phones, Personal Digital Assistants (PDA), and other such wireless two-way communication and/or portable Internet access devices.

702.1.1 PRIVACY POLICY
Any employee utilizing any computer, internet service, phone service or other wireless service provided by or funded by the Department expressly acknowledges and agrees that the use of such service, whether for business or personal use, shall remove any expectation of privacy the employee, sender and recipient of any communication utilizing such service might otherwise have, including as to the content of any such communication. The Department also expressly reserves the right to access and audit any and all communications (including content) sent, received and/or stored using such service.

702.2 DEPARTMENTALLY ISSUED PCD
Depending on an employee’s assignment and needs of the position, the Department may, at its discretion, issue a PCD. Such devices shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without reason.

702.2.1 INDIVIDUALLY OWNED PCD
Employees may carry their own PCD while on duty subject to the following conditions:

(a) Carrying an individually-owned personal communication device is optional.

(b) The device shall be purchased, used and maintained at the employee’s expense.

702.2.2 USE OF PERSONAL COMMUNICATION DEVICES
PCDs may be used by employees to effectively communicate with other personnel during those situations where the use of the radio is either impractical or not feasible. PCDs however, should not be used to replace regular radio communications.

(a) Hands free devices designed to facilitate communications on PCDs will not be worn by personnel where they may be seen by members of the public.

(b) Vehicle mounted hands free devices are permitted.

(c) PCD’s may not be used to conduct personal business while on duty except when brief personal calls may be warranted by the circumstances (e.g. inform family of extended
Personal Communication Devices

hours. While employee’s may use individually owned PCD’s for personal business during authorized breaks, such usage should be limited as much as practical to areas where the call will not be seen or heard by members of the public, or where such use would create a potential distraction in the workplace.

While the use of departmentally issued PCDs and personally owned PCDs while on duty is limited to official business only, it is recognized that circumstances may occasionally warrant brief personal communications on such devices (e.g. inform family of extended hours). Extended or frequent use of departmentally issued PCDs or personally owned PCDs while on duty for personal use may be subject to discipline and employees may be responsible for reimbursing the Department for any charges incurred as a result of personal use.

702.2.3 USE WHILE DRIVING
The use of a PCD while driving can cause unnecessary distractions and presents a negative image to the public. Officers operating emergency vehicles should restrict phone use while driving to matters of an urgent nature and should, where practical, stop the vehicle at an appropriate location to complete their call. Officers shall not drive an emergency vehicle while using a PCD to write, send or read a text based communication.

Except in the case of an emergency employees who are operating non-emergency vehicles shall not use cellular phones or other personal communication devices while driving unless the telephone is specifically designed and configured to allow hands-free listening and talking (Vehicle Code 23123 (a)). Such use should be restricted to business related calls or calls of an urgent nature.

702.2.4 OFFICIAL USE
The use of personal communication devices, inclusive of hands free devices, may be appropriate in the following situations:

(a) Barricaded suspects.
(b) Hostage situations
(c) Mobile Command Post.
(d) Catastrophic disasters, such as plane crashes, earthquakes, floods, etc.
(e) Major political/community events.
(f) Investigative stakeouts where regular phone usage is not practical.
(g) Emergency contact with outside agency or outside agency field unit equipped with PCDs.
(h) When immediate communication is needed and the use of the radio is not appropriate and other means are not readily available.
(i) For the use of an approved application that aids the employee in the performance of their duties.
Personal Communication Devices

702.2.5 APPROVED APPLICATIONS
Department issued PCDs may have the ability to download applications. Only applications that have the prior approval of the Chief of Police or the Chief's designee may be installed on a Department issued PCD. Employees who identify applications that may be useful for official business should submit a request to their Bureau Commander who will bring the request to Command Staff for approval.

702.2.6 REQUIRED USE
Due to the increasing presence of public safety applications, an employee will carry their Department issued PCD while on-duty as directed by their supervisor. All employees who are required to carry their Department issued PCD on-duty will ensure that the PCD is placed in a charger at the end of watch or as needed to ensure that the PCD is fully charged at the beginning of their shift.

Employees who are required to carry a Department Issued PCD on duty will ensure that it is carried in such a manner as to prevent it's loss or damage. It is understood that field personnel may engage in enforcement or other activities that may cause the PCD to become damaged. An employee who is required to carry a Department issued PCD on duty will be found to have taken appropriate steps to protect the PCD by using the Department approved holster or securing the PCD in a shirt or load bearing vest pocket. The Department will pay reasonable costs to purchase needed belt holsters or otherwise modify uniforms and / or load bearing vests to accommodate the Department issued PCD.

702.2.7 PROHIBITED CONNECTIONS BETWEEN DEPARTMENT ISSUED AND PERSONAL PCDS
Employees are not authorized to enable family sharing or add personal e-mail accounts to Department Issued PCDs. If personal items are downloaded or shared on a Department Issued PCD they will be subject to deletion without notice. Employees shall not log out of the Department Issued PCD Apple ID account or change the Apple ID account assigned to the Department Issued PCD in any manner.

702.3 SECURITY OF DEPARTMENT ISSUED PCD
Department issued PCDs may contain information, software and applications of a confidential nature. As such each employee who has been issued a PCD is responsible for the security of the Department issued PCD. The use of an employee's Department issued PCD by someone other than a Department employee is strictly prohibited. Violation of this policy may subject the employee to discipline up to and including termination.

702.3.1 REPORTING OF LOST DEPARTMENT ISSUED PCD
Any employee who loses or misplaces a Department Issued PCD is required to immediately and without any delay, notify their supervisor or the on-duty Watch Commander so that the PCD can be deactivated.
702.3.2 RETURN OF DEPARTMENT ISSUED PCD

In the event that an employee is asked to return their Department Issued PCD, they will return the PCD and all Department Issued PCD accessories to the Training Unit. The Training Unit will document the return of the PCD and PCD accessories and then return the PCD to IT staff.
Vehicle Maintenance

704.1 PURPOSE AND SCOPE
Employees are responsible for assisting in maintaining Department vehicles so that they are properly equipped, properly maintained, properly refueled and present a clean appearance.

704.2 DEFECTIVE VEHICLES
When a department vehicle becomes inoperative or in need of repair that affects the safety of the vehicle, that vehicle shall be removed from service for repair. Proper documentation shall be promptly completed by the employee who first becomes aware of the defective condition, describing the correction needed. The paperwork shall be promptly forwarded to vehicle maintenance for repair.

704.2.1 DAMAGE INSPECTION
All personnel will inspect the vehicles that are assigned to them prior to their use. The inspection will be conducted to insure that the vehicle has no new damage, has adequate fluid levels, and is in a condition that is suitable for safe operation. If any damage is found, a supervisor should be notified immediately. In addition, any repairs that are needed will be reported using the appropriate form.

All vehicle damage shall be logged in the "Vehicle Damage Book(s)."

If, while operating a City vehicle, damage is incurred to the vehicle (alignment, undercarriage, etc.), it will be the driver's responsibility to immediately:

(a) Notify a supervisor

(b) Write the most applicable report, traffic collision, incident report etc.

At the end of an Officer's shift, the Unit will be left for the on-coming shift in a clean and serviceable manner.

Requests for repairs or service shall be submitted on an "equipment repair" request form. The repair or service requested should be described in detail.

704.2.2 REMOVAL OF WEAPONS
All firearms, weapons and control devices shall be removed from a vehicle and properly secured in the department armory prior to the vehicle being released for maintenance, service or repair.

704.2.3 SEVERE USE
Vehicles operated under severe-use conditions, which include operations for which the vehicle is not designed or that exceed the manufacturer’s parameters, should be removed from service and subjected to a safety inspection as soon as practicable. Such conditions may include rough roadway or off-road driving, hard or extended braking, pursuits or prolonged high-speed operation.
Vehicle Maintenance

704.2.4 DAMAGE OR POOR PERFORMANCE
Vehicles that may have been damaged, or perform poorly shall be removed from service for inspections and repairs as soon as practicable.

704.3 VEHICLE EQUIPMENT
Certain items shall be maintained in all department vehicles for emergency purposes and to perform routine duties.

704.3.1 PATROL VEHICLES
Officers shall inspect the patrol vehicle at the beginning of the shift and ensure that the following equipment, at a minimum, is present in the vehicle:

- 20 Emergency road flares
- 1 Roll Crime Scene Barricade Tape
- 1 First aid kit, CPR mask
- 1 Blanket
- 1 Blood-borne pathogen kit, Incl. protective gloves
- 1 Sharps container
- 1 Rolatape
- 1 Fire Extinguisher
- 6 Traffic Cones
- 1 AED

704.3.2 UNMARKED VEHICLES
An employee driving unmarked department vehicles shall ensure that the minimum following equipment is present in the vehicle:

- 20 Emergency road flares
- 1 Roll Crime Scene Barricade Tape
- 1 First aid kit, CPR mask
- 1 Blanket
- 1 Blood-borne pathogen kit, Incl. protective gloves
- 1 Fire Extinguisher

704.4 VEHICLE REFUELING
Absent emergency conditions or supervisor approval, officers driving patrol vehicles shall refuel the vehicle at the end of their shift. Vehicles shall only be refueled at authorized locations.
Vehicle Maintenance

704.5 WASHING OF VEHICLES
All units shall be kept clean at all times and weather conditions permitting, shall be washed as necessary to enhance their appearance.

Officers in patrol shall obtain clearance from the dispatcher before responding to the car wash. Only one marked unit should be at the car wash at the same time unless otherwise approved by a supervisor.

Employees using a vehicle shall remove any trash or debris at the end of their shift. Confidential material should be placed in a designated receptacle provided for the shredding of this matter.

704.6 PROFESSIONAL STAFF EMPLOYEE USE

The agreement states that the vehicle shall only be used for work-related purposes and shall not be used for personal errands, or transports, unless special circumstances exist and the Chief of Police gives authorization. The agreement also requires the employee to be responsible for the vehicle's care and maintenance.

The assignment of vehicles is at the discretion of the Chief of Police. Assigned vehicles may be changed at any time and/or permission to take home a vehicle may be withdrawn at any time.

706.3.1 VEHICLES SUBJECT TO INSPECTION

The supervisor shall complete the City's property damage form.

Any damage to a vehicle that was not caused by a traffic collision shall be immediately reported to a supervisor during the shift in which the damage was discovered.

An administrative investigation will be conducted to determine if there is any vehicle abuse or misuse. If it is determined that misuse or abuse was a result of negligent conduct or operation, appropriate disciplinary action may result.

706.7.1 ACCESSORIES AND/OR MODIFICATIONS
No modifications, additions or removal of any equipment or accessories shall be made to the vehicle without written permission from the Division Commander.

706.8 TOLL ROAD USAGE
Law enforcement vehicles are not routinely exempted from incurring toll road charges. Pursuant to the non-revenue policy of the toll roads, law enforcement agencies responding to an emergency or incident on the toll roads, while on duty, are exempt from paying the toll. Commuting, or returning to the City after an emergency does not qualify for this exemption and personnel using City owned vehicles are subject to the toll charge. To avoid unnecessary toll road violation charges, all employees operating a City owned vehicle upon the toll road shall adhere to the following:
Vehicle Use

Crime Analysis

800.1 PURPOSE AND SCOPE
Crime analysis should provide currently useful information to aid operational personnel in meeting their tactical crime control and prevention objectives by identifying and analyzing methods of operation of individual criminals, providing crime pattern recognition, and providing analysis of data from field interrogations and arrests. Crime analysis can be useful to the Department's long range planning efforts by providing estimates of future crime trends and assisting in the identification of enforcement priorities.

800.2 DATA SOURCES
Crime analysis data is extracted from many sources including, but not limited to:

- Temporal factors
- Victim and target descriptors
- Suspect descriptors
- Suspect vehicle descriptors
- Modus operandi factors

Information that is relevant to the operational and tactical plans of specific line units should be sent directly to them. Information relevant to the development of the Department's strategic plans should be provided to the appropriate staff units. When information pertains to tactical and strategic plans, it should be provided to all affected units.
Communications Center

This policy establishes guidelines for the basic functions of the Communications Center. It addresses the immediate information needs of the Department in the course of its normal daily activities and during emergencies.

802.2 POLICY

   3. Assignment of emergency response.

802.5 CALL HANDLING
This Department provides members of the public with access to the 9-1-1 system for a single emergency telephone number.

When a call for services is received, the dispatcher will reasonably and quickly attempt to determine whether the call is an emergency or non-emergency, and shall quickly ascertain the call type, location and priority by asking four key questions:

- Where?
- What?
- When?
- Who?

If the dispatcher determines that the caller has a hearing and/or speech impairment or disability, he/she shall immediately initiate a connection with the individual via available TDD/TTY equipment or Telephone Relay Service (TRS), as mandated by the Americans with Disabilities Act (ADA).

If the dispatcher determines that the caller is a limited English proficiency (LEP) individual, the dispatcher should quickly determine whether sufficient information can be obtained to initiate an appropriate response. If language assistance is still needed, the language is known
and a language-appropriate authorized interpreter is available in the Communications Center, the dispatcher should immediately connect the LEP caller to the authorized interpreter.

If no authorized interpreter is available or the dispatcher is unable to identify the caller’s language, the dispatcher will contact the contracted telephonic interpretation service and establish a three-party call connecting the dispatcher, the LEP individual and the interpreter.

Dispatchers should be courteous, patient and respectful when dealing with the public.

802.5.1 EMERGENCY CALLS
A call is considered an emergency when there is an immediate or potential threat to life or serious property damage, and the timely arrival of public safety assistance is of the utmost importance. A person reporting an emergency should not be placed on hold until the dispatcher has obtained all necessary information to ensure the safety of the responding department members and affected individuals.

Emergency calls should be dispatched immediately. The Watch Commander shall be notified of pending emergency calls for service when department members are unavailable for dispatch.

802.5.2 NON-EMERGENCY CALLS
A call is considered a non-emergency call when there is no immediate or potential threat to life or property. A person reporting a non-emergency may be placed on hold, if necessary, to allow the dispatcher to handle a higher priority or emergency call.

The reporting person should be advised if there will be a delay in the dispatcher returning to the telephone line or when there will be a delay in the response for service.

802.6 RADIO COMMUNICATIONS
The police radio system is for official use only, to be used by dispatchers to communicate with department members in the field. Chino Police Department radio operations shall be conducted in accordance with Federal Communications Commission (FCC) procedures and requirements.

802.6.2 RADIO IDENTIFICATION
Radio call signs are assigned to department members based on factors such as duty assignment, uniformed patrol assignment and/or member identification number. Dispatchers shall identify themselves on the radio with the appropriate station name or number, and identify the department member by his/her call sign. Members should use their call signs when initiating communication with the dispatcher. The use of the call sign allows for a brief pause so that the dispatcher can acknowledge the appropriate department member. Members initiating communication with other law enforcement or support agencies shall use their entire radio call sign, which includes the department station name or number.

802.7 DOCUMENTATION
It shall be the responsibility of the Communications Center to document all relevant information on calls for service or self-initiated activity. With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 90 days. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when
sufficient identifying information is available. Property not held for any other purpose and not claimed within 90 days after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction. If such property is not sold at auction or otherwise lawfully claimed, it may thereafter be destroyed (Civil Code § 2080.6). A signature of the person receiving the property shall be recorded on the original property form. After release of all property entered on the property control card, the card shall be forwarded to the Records Unit for filing with the case. If some items of property have not been released, the property card will remain with the Evidence Unit. Upon release, the proper entry shall be documented in the Property Log.

Under no circumstances shall any firearm, magazine, or ammunition be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice that conforms to the provisions of Penal Code § 33865.

The Evidence Unit Supervisor should also make reasonable efforts to determine whether the person is the subject of any court order preventing the person from possessing a firearm and, if so, the firearm should not be released to the person while the order is in effect.

The Department is not required to retain any firearm, magazine, or ammunition longer than 180 days after notice has been provided to the owner that such items are available for return. At the expiration of such period, the firearm, magazine, or ammunition may be processed for disposal in accordance with applicable law (Penal Code § 33875).

804.6.6 DISPUTED CLAIMS TO PROPERTY
Occasionally more than one party may claim an interest in property being held by the Department, and the legal rights of the parties cannot be clearly established. Such property shall not be released until one party has obtained a valid court order or other undisputed right to the involved property.

All parties should be advised that their claims are civil and in extreme situations, legal counsel for the Department may wish to file an interpleader to resolve the disputed claim (Code of Civil Procedure § 386(b)).

804.6.7 CONTROL OF NARCOTICS AND DANGEROUS DRUGS
The Evidence Unit will be responsible for the storage, control, and destruction of all narcotics and dangerous drugs coming into the custody of this department, including paraphernalia as described in Health & Safety Code § 11364.

804.6.8 RELEASE OF FIREARMS IN GUN VIOLENCE RESTRAINING ORDER MATTERS
Firearms and ammunition that were taken into temporary custody or surrendered pursuant to a gun violence restraining order shall be returned to the restrained person upon the expiration of the order and in accordance with the requirements of Penal Code § 33850 et seq. (Penal Code § 18120).
If the restrained person who owns the firearms or ammunition does not wish to have the firearm or ammunition returned, he/she is entitled to sell or transfer title to a licensed dealer, provided that the firearms or ammunition are legal to own or possess and the restrained person has right to title of the firearms or ammunition (Penal Code § 18120).

If a person other than the restrained person claims title to the firearms or ammunition surrendered pursuant to Penal Code § 18120 and the Chino Police Department determines him/her to be the lawful owner, the firearms or ammunition shall be returned in accordance with the requirements of Penal Code § 33850 et seq. (Penal Code § 18120).

Firearms and ammunition that are not claimed are subject to the requirements of Penal Code § 34000.

804.6.9 RELEASE OF FIREARMS, MAGAZINES, AND AMMUNITION
The Department shall not return any firearm, magazine, or ammunition taken into custody to any individual unless all requirements of Penal Code § 33855 are met.

804.7 DISPOSITION OF PROPERTY
All property not held for evidence in a pending criminal investigation or proceeding, and held for six months or longer where the owner has not been located or fails to claim the property, may be disposed of in compliance with existing laws upon receipt of proper authorization for disposal. The Evidence Technician shall request a disposition or status on all property which has been held in excess of 120 days, and for which no disposition has been received from a supervisor or detective.

804.7.1 EXCEPTIONAL DISPOSITIONS
The following types of property shall be destroyed or disposed of in the manner, and at the time prescribed by law, unless a different disposition is ordered by a court of competent jurisdiction:

- Weapons declared by law to be nuisances (Penal Code § 29300; Penal Code § 18010; Penal Code § 32750)
- Animals, birds, and related equipment that have been ordered forfeited by the court (Penal Code § 599a)

- Sexual assault evidence (Penal Code § 680)
804.7.2 UNCLAIMED MONEY
If found or seized money is no longer required as evidence and remains unclaimed after three years, the Department shall cause a notice to be published each week for a period of two consecutive weeks in a local newspaper of general circulation (Government Code § 50050). Such notice shall state the amount of money, the fund in which it is held and that the money will become the property of the agency on a designated date not less than 45 days and not more than 60 days after the first publication (Government Code § 50051).

Any individual item with a value of less than $15.00, or any amount if the depositor/owner's name is unknown, which remains unclaimed for a year or by order of the court, may be transferred to the general fund without the necessity of public notice (Government Code § 50055).

If the money remains unclaimed as of the date designated in the published notice, the money will become the property of this department to fund official law enforcement operations. Money representing restitution collected on behalf of victims shall either be deposited into the Restitution Fund or used for purposes of victim services.

804.7.3 RETENTION OF BIOLOGICAL EVIDENCE
The Evidence Unit Supervisor shall ensure that no biological evidence held by the Department is destroyed without adequate notification to the following persons, when applicable:

(a) The defendant
(b) The defendant’s attorney
(c) The appropriate prosecutor and Attorney General
(d) Any sexual assault victim
(e) The Criminal Investigations Division supervisor

Biological evidence shall be retained for either a minimum period that has been established by law (Penal Code § 1417.9) or that has been established by the Evidence Unit Supervisor, or until the expiration of any imposed sentence that is related to the evidence, whichever time period is greater. Following the retention period, notifications should be made by certified mail and should inform the recipient that the evidence will be destroyed after a date specified in the notice unless a motion seeking an order to retain the sample is filed and served on the Department within 180 days of the date of the notification. A record of all certified mail receipts shall be retained in the appropriate file. Any objection to, or motion regarding, the destruction of the biological evidence should be retained in the appropriate file and a copy forwarded to the Criminal Investigations Division supervisor.

Biological evidence related to a homicide shall be retained indefinitely and may only be destroyed with the written approval of the Chief of Police and the head of the applicable prosecutor’s office.

Biological evidence or other crime scene evidence from an unsolved sexual assault should not be disposed of prior to expiration of the statute of limitations and shall be retained as required in Penal Code § 680. Even after expiration of an applicable statute of limitations, the Criminal Investigations Division supervisor should be consulted and the sexual assault victim shall be
notified at least 60 days prior to the disposal (Penal Code § 680). Reasons for not analyzing biological evidence shall be documented in writing (Penal Code § 680.3).

804.8 INSPECTIONS OF THE EVIDENCE ROOM

(a) On a monthly basis, the supervisor of the evidence custodian shall make an inspection of the evidence storage facilities and practices to ensure adherence to appropriate policies and procedures.

(b) Unannounced inspections of evidence storage areas shall be conducted annually as directed by the Chief of Police.

(c) An annual audit of evidence held by the Department shall be conducted by a Division Commander (as appointed by the Chief of Police) not routinely or directly connected with evidence control.

(d) Whenever a change is made in personnel who have access to the evidence room, an inventory of all evidence/property shall be made by an individual not associated to the property room or function to ensure that records are correct and all evidence property is accounted for.
Records Unit

806.1 PURPOSE AND SCOPE
This policy establishes the guidelines for the operational functions of the Chino Police Department Records Unit. The policy addresses department file access and internal requests for case reports.

806.1.1 NUMERICAL FILING SYSTEM
Case reports are filed numerically within the Records Unit by Records Unit personnel.

Reports are numbered commencing with the last two digits of the current year followed by a sequential number beginning with 00001 starting at midnight on the first day of January of each year. As an example, case number YY-00001 would be the first new case beginning January 1 of a new year.

806.2 POLICY
It is the policy of the Chino Police Department to maintain department records securely, professionally, and efficiently.

806.3 DETERMINATION OF FACTUAL INNOCENCE
In any case where a person has been arrested by officers of the Chino Police Department and no accusatory pleading has been filed, the person arrested may petition the Department to destroy the related arrest records. Petitions should be forwarded to the Administration Supervisor. The Administration Supervisor should promptly contact the prosecuting attorney and request a written opinion as to whether the petitioner is factually innocent of the charges (Penal Code § 851.8). Factual innocence means the accused person did not commit the crime.

Upon receipt of a written opinion from the prosecuting attorney affirming factual innocence, the Administration Supervisor should forward the petition to the Detective Bureau Supervisor and the City Attorney for review. After such review and consultation with the City Attorney, the Detective Bureau Supervisor and the Administration Supervisor shall decide whether a finding of factual innocence is appropriate.

Upon determination that a finding of factual innocence is appropriate, the Administration Supervisor shall ensure that the arrest record and petition are sealed for later destruction and the required notifications are made to the California DOJ and other law enforcement agencies (Penal Code § 851.8).

The Administration Supervisor should respond to a petition with the Department’s decision within 45 days of receipt. Responses should include only the decision of the Department, not an explanation of the analysis leading to the decision.
806.4 FILE ACCESS AND SECURITY
The security of files in the Records Unit must be a high priority and shall be maintained as mandated by state or federal law. All case reports including but not limited to initial, supplemental, follow-up, evidence, and any other reports related to a police department case, including field interview (FI) cards, criminal history records, and publicly accessible logs, shall be maintained in a secure area within the Records Unit, accessible only by authorized members of the Records Unit. Access to case reports or files when Records Unit staff is not available may be obtained through the Watch Commander.

The Records Unit will also maintain a secure file for case reports deemed by the Chief of Police as sensitive or otherwise requiring extraordinary access restrictions.

806.5 ORIGINAL CASE REPORTS
Generally, original case reports shall not be removed from the Records Unit. Should an original case report be needed for any reason, the requesting department member shall first obtain authorization from the Records Supervisor. All original case reports removed from the Records Unit shall be recorded on a designated report check-out log, which shall be the only authorized manner by which an original case report may be removed from the Records Unit.

All original case reports to be removed from the Records Unit shall be photocopied and the photocopy retained in the file location of the original case report until the original is returned to the Records Unit. The photocopied report shall be shredded upon return of the original report to the file.

806.6 CONFIDENTIALITY
Records Unit staff has access to information that may be confidential or sensitive in nature. Records Unit staff shall not access, view, or distribute, or allow anyone else to access, view, or distribute any record, file, or report, whether in hard copy or electronic file format, or any other confidential, protected, or sensitive information except in accordance with the Records Maintenance and Release and Protected Information policies and the Records Unit procedure manual.

806.7 ARREST WITHOUT FILING OF ACCUSATORY PLEADING
The Operations Division Commander should ensure a process is in place for when an individual is arrested and released and no accusatory pleading is filed so that the following occurs (Penal Code § 849.5; Penal Code § 851.6):

(a) The individual is issued a certificate describing the action as a detention.
(b) All references to an arrest are deleted from the arrest records of the Department and the record reflects only a detention.
(c) The California DOJ is notified.
Restoration of Firearm Serial Numbers

808.1 PURPOSE AND SCOPE
The primary purpose for restoring firearm serial numbers is to determine the prior owners or origin of the item from which the number has been recovered. Thus, property can be returned to rightful owners or investigations can be initiated to curb illegal trade of contraband firearms. The purpose of this plan is to develop standards, methodologies, and safety protocols for the recovery of obliterated serial numbers from firearms and other objects using procedures that are accepted as industry standards in the forensic community. All personnel who are involved in the restoration of serial numbers will observe the following guidelines. This policy complies with Penal Code § 11108.9.

808.2 PROCEDURE
Any firearm coming into the possession of the Chino Police Department as evidence, found property, etc., where the serial numbers have been removed or obliterated will be processed in the following manner:

808.2.1 PRELIMINARY FIREARM EXAMINATION
(a) Always keep the muzzle pointed in a safe direction. Be sure the firearm is in an unloaded condition. This includes removal of the ammunition source (e.g., the detachable magazine, contents of the tubular magazine) as well as the chamber contents.

(b) If the firearm is corroded shut or in a condition that would preclude inspection of the chamber contents, treat the firearm as if it is loaded. Make immediate arrangements for a firearms examiner or other qualified examiner to render the firearm safe.

(c) Accurately record/document the condition of the gun when received. Note the positions of the various components such as the safeties, cylinder, magazine, slide, hammer, etc. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.

(d) If the firearm is to be processed for fingerprints or trace evidence, process before the serial number restoration is attempted. First record/document important aspects such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.

808.2.2 PROPERTY BOOKING PROCEDURE
Any employee taking possession of a firearm with removed/obliterated serial numbers shall book the firearm into property following standard procedures. The employee booking the firearm shall indicate on the property form that serial numbers have been removed or obliterated.
808.2.3 OFFICER RESPONSIBILITY
The Evidence Technician receiving a firearm when the serial numbers have been removed or obliterated shall arrange for the firearm to be transported to the crime lab for restoration and maintain the chain of evidence.

808.2.4 DOCUMENTATION
Case reports are prepared in order to document the chain of custody and the initial examination and handling of evidence from the time it is received/collected until it is released.

This report must include a record of the manner in which and/or from whom the firearm was received. This may appear on the request form or property form depending on the type of evidence.

808.2.5 FIREARM TRACE
After the serial number has been restored (or partially restored) by the criminalistics laboratory, the Evidence Technician will complete a Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Tracing Center (NTC) Obliterated Serial Number Trace Request Form (ATF 3312.1-OBL) and forward the form to the NTC in Falling Waters, West Virginia or enter the data into the ATF eTrace system.

808.3 BULLET AND CASING IDENTIFICATION
Exemplar bullets and cartridge cases from the firearm, depending upon acceptance criteria and protocol, may be submitted to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) National Integrated Ballistic Information Network (NIBIN) which uses the Integrated Ballistic Identification System (IBIS) technology to search the national database and compare with ballistic evidence recovered from other crime scenes.
Records Maintenance and Release

810.1 PURPOSE AND SCOPE
This policy provides guidance on the maintenance and release of department records. Protected information is separately covered in the Protected Information Policy.

810.2 POLICY
The Chino Police Department is committed to providing public access to records in a manner that is consistent with the California Public Records Act (Government Code § 6250 et seq.).

810.2.1 PROCESSING OF REQUESTS
Any member of the public, including the media and elected officials, may access unrestricted records of this department by submitting a written and signed request for each record sought and paying any associated fees (Government Code § 6253).

The processing of requests is subject to the following limitations:

(a) The employee processing the request shall determine if the requested record is available and, if so, whether the record is exempt from disclosure. Either the requested record or the reason for non-disclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Chief of Police or the authorized designee. If an extension is authorized, the Department shall provide written notice of the extension to the requesting party (Government Code § 6253(c)).

(b) In accordance with the Public Records Act, the Department is not required to create records that do not otherwise exist in order to accommodate a request under the Act.

Requests by elected officials for records that are not open to public inspection should be referred to the Division Commander for a determination as to whether the records will be released.

810.3 CUSTODIAN OF RECORDS RESPONSIBILITIES
The Chief of Police shall designate a Custodian of Records. The responsibilities of the Custodian of Records include but are not limited to:

(a) Managing the records management system for the Department, including the retention, archiving, release, and destruction of department public records.

(b) Maintaining and updating the department records retention schedule including:
   1. Identifying the minimum length of time the Department must keep records.
   2. Identifying the department division responsible for the original record.
Establishing rules regarding the inspection and copying of department public records as reasonably necessary for the protection of such records (Government Code § 6253).

Identifying records or portions of records that are confidential under state or federal law and not open for inspection or copying.

Establishing rules regarding the processing of subpoenas for the production of records.

Ensuring a current schedule of fees for public records as allowed by law is available (Government Code § 6253).

Determining how the department’s website may be used to post public records in accordance with Government Code § 6253.

Ensuring that all department current standards, policies, practices, operating procedures, and education and training materials are posted on the department website in accordance with Penal Code § 13650.

Ensuring that public records posted on the Department website meet the requirements of Government Code § 6253.10 including but not limited to posting in an open format where a record may be retrieved, downloaded, indexed, and searched by a commonly used internet search application.

Ensuring that a list and description, when applicable, of enterprise systems (as defined by Government Code § 6270.5) is publicly available upon request and posted in a prominent location on the Department’s website.

810.3.1 GENERAL CASE AND CRIME REPORTS

Reports containing any of the items listed below will not be released:

(a) **Victim information** - Victims of crimes who have requested that their identifying information be kept confidential, victims who are minors and victims of certain offenses (e.g., sex crimes, Penal Code § 293) shall not be made public. (e) **Deceased juvenile crime victims** - The Code of Civil Procedure § 130 limits the dissemination of autopsy and private medical information concerning a murdered child by allowing families to request that the autopsy report of the victim be sealed from public inspection. Such requests shall be honored, with the exceptions that allow dissemination of those reports to law enforcement agents, prosecutors, defendants or civil litigants under state and federal discovery laws (Code of Civil Procedure §130).

810.3.2 ARREST REPORTS
Arrestee information shall be subject to release in the same manner as information contained in other reports as set forth above.

In addition to the restrictions stated above, all requests from criminal defendants and their authorized representatives (including attorneys) shall be referred to the District Attorney, City Attorney or the courts pursuant to Penal Code § 1054.5.

810.3.6 DOMESTIC VIOLENCE REPORTS
Victims of domestic violence or their representative shall be provided, without charge, one copy of all domestic violence incident report face sheets, one copy of all domestic violence incident reports, or both, pursuant to the requirements and time frames of Family Code § 6228.

810.4 PROCESSING REQUESTS FOR PUBLIC RECORDS
Any department member who receives a request for any record shall route the request to the Custodian of Records or the authorized designee.

810.4.1 REQUESTS FOR RECORDS
Any member of the public, including the media and elected officials, may access unrestricted records of this department, during regular business hours by submitting a written and signed request that reasonably describes each record sought and paying any associated fees (Government Code § 6253).

The processing of requests for any record is subject to the following (Government Code § 6253):

(a) The Department is not required to create records that do not exist.

(b) Victims of an incident or their authorized representative shall not be required to show proof of legal presence in the United States to obtain department records or information. If identification is required, a current driver’s license or identification card issued by any state in the United States, a current passport issued by the United States or a foreign government with which the United States has a diplomatic relationship or current Matricula Consular card is acceptable (Government Code § 6254.30).

(c) Either the requested record or the reason for non-disclosure will be provided promptly, but no later than 10 days from the date of request, unless unusual circumstances preclude doing so. If more time is needed, an extension of up to 14 additional days may be authorized by the Custodian of Records or the authorized designee. If an extension is authorized, the Department shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.

1. When the request does not reasonably describe the records sought, the Custodian of Records shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request including providing assistance for overcoming any practical basis for denying access to the records or information. The Custodian of Records shall also assist in describing the information technology and physical location in which the record exists (Government Code § 6253.1).

2. If the record requested is available on the department website, the requester may be directed to the location on the website where the record is posted. If the
requester is unable to access or reproduce the record, a copy of the record shall be promptly provided.

(d) Upon request, a record shall be provided in an electronic format utilized by the Department. Records shall not be provided only in electronic format unless specifically requested (Government Code § 6253.9).

(e) When a record contains material with release restrictions and material that is not subject to release restrictions, the restricted material shall be redacted and the unrestricted material released.

1. A copy of the redacted release should be maintained in the case file for proof of what was actually released and as a place to document the reasons for the redactions. (f) If a record request is denied in whole or part, the requester shall be provided a written response that includes the statutory exemption for withholding the record or facts that the public interest served by nondisclosure outweighs the interest served by disclosure (Government Code § 6255). 810.5 RELEASE RESTRICTIONS
Examples of release restrictions include:

(a) Personal identifying information, including an individual’s photograph; Social Security and driver identification numbers; name, address, and telephone number; and medical or disability information that is contained in any driver license record, motor vehicle record, or any department record including traffic collision reports, are restricted except as authorized by the Department, and only when such use or disclosure is permitted or required by law to carry out a legitimate law enforcement purpose (18 USC § 2721; 18 USC § 2722).

810.6 SUBPOENAS AND DISCOVERY REQUESTS

Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Custodian of Records for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the District Attorney, City Attorney or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

810.7 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS

Video and audio recordings related to critical incidents shall be released upon a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 6254(f)(4)).

which the use of force by an officer against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 6254(f)(4)).

The Custodian of Records should work as appropriate with the Chief of Police or the Professional Standards Unit supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

810.7.1 DELAY OF RELEASE
Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed as follows if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source:

(a) Disclosure may be delayed up to 45 days from the date the Department knew or reasonably should have known about the incident.

(b) Delay of disclosure may continue after the initial 45 days and up to one year if the Department demonstrates that disclosure would substantially interfere with the investigation.

(c) Any delay of disclosure longer than one year must be supported by clear and convincing evidence that disclosure would substantially interfere with the investigation (Government Code § 6254(f)(4)).

810.7.2 NOTICE OF DELAY OF RELEASE
When there is justification to delay disclosure of a recording, the Custodian of Records shall provide written notice to the requester as follows (Government Code § 6254(f)(4)):

(a) During the initial 45 days, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.

(b) When delay is continued after the initial 45 days, the Custodian of Records shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Custodian of Records should work with the Chief of Police in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

810.7.3 REDACTION
If the Custodian of Records, in consultation with the Chief of Police or authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Department should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere
with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 6254(f)(4)).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Custodian of Records shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 6254(f)(4)).

810.7.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE
If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Department may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 6254(f)(4)):

(a) The person in the recording whose privacy is to be protected, or his/her authorized representative.

(b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.

(c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Department determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 6254(f)(4)).

The Department may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 6254(f)(4)(A)).
Protected Information

812.1 PURPOSE AND SCOPE
The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the Chino Police Department. This policy addresses the protected information that is used in the day-to-day operation of the Department and not the public records information covered in the Records Maintenance and Release Policy.

812.1.1 DEFINITIONS
Definitions related to this policy include:

Protected information - Any information or data that is collected, stored or accessed by members of the Chino Police Department and is subject to any access or release restrictions imposed by law, regulation, order or use agreement. This includes all information contained in federal, state or local law enforcement databases that is not accessible to the public.

812.2 POLICY
Members of the Chino Police Department will adhere to all applicable laws, orders, regulations, use agreements and training related to the access, use, dissemination and release of protected information.

812.3 RESPONSIBILITIES
The Chief of Police shall select a member of the Department to coordinate the use of protected information.

The responsibilities of this position include, but are not limited to:

(a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, National Law Enforcement Telecommunications System (NLETS), Department of Motor Vehicle (DMV) records and California Law Enforcement Telecommunications System (CLETS).

(b) Developing, disseminating and maintaining procedures that adopt or comply with the U.S. Department of Justice’s current Criminal Justice Information Services (CJIS) Security Policy.

(c) Developing, disseminating and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release and security of protected information.

(d) Developing procedures to ensure training and certification requirements are met.

(e) Resolving specific questions that arise regarding authorized recipients of protected information.

(f) Ensuring security practices and procedures are in place to comply with requirements applicable to protected information.
812.4 ACCESS TO PROTECTED INFORMATION
Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Chino Police Department policy or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

812.4.1 PENALTIES FOR MISUSE OF RECORDS
It is a misdemeanor to furnish, buy, receive or possess Department of Justice criminal history information without authorization by law (Penal Code § 11143).

Authorized persons or agencies violating state regulations regarding the security of Criminal Offender Record Information (CORI) maintained by the California Department of Justice may lose direct access to CORI (11 CCR 702).

812.4.2 RELEASE OF CORI
Only the persons listed below are authorized to release CORI. Each authorized person releasing CORI is responsible to ensure that each request granted appears legitimate and that the requester is an authorized recipient with a right and need to know.

(a) Records Supervisor
(b) Full-time employees of the Records Unit
(c) Personnel specifically designated in writing by Division Commander

812.4.3 RELEASE OF CORI TO FIELD PERSONNEL
Personnel shall not have access to CORI until a background investigation has been completed and approved.

CORI shall not generally be transmitted by radio, cellular phone, or through computer terminals to field personnel or vehicles except in cases where circumstances reasonably indicate that the immediate safety of the officer or the public are at significant risk. Examples of situations where the transmission of summary criminal history information would be justified include a hostage situation or an armed suspect however a routine investigation or traffic enforcement stop would not be sufficient justification.

Nothing in this procedure is intended to prohibit broadcasting warrant information concerning wanted persons.
**812.5 RELEASE OR DISSEMION OF PROTECTED INFORMATION**

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Supervisor for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Records Unit to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

**812.5.1 REVIEW OF CRIMINAL OFFENDER RECORD**

Individuals requesting to review their own California criminal history information shall be referred to the Department of Justice (Penal Code § 11121).

Individuals shall be allowed to review their arrest or conviction record on file with the Department after complying with all legal requirements regarding authority and procedures in Penal Code § 11120 through Penal Code § 11127 (Penal Code § 13321).

**812.5.2 TRANSMISSION GUIDELINES**

Protected information, such as restricted Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should not be transmitted via unencrypted radio. When circumstances reasonably indicate that the immediate safety of officers, other department members, or the public is at risk, only summary information may be transmitted.

In cases where the transmission of protected information, such as Personally Identifiable Information, is necessary to accomplish a legitimate law enforcement purpose, and utilization of an encrypted radio channel is infeasible, a MCT or department-issued cellular telephone should be utilized when practicable. If neither are available, unencrypted radio transmissions shall be subject to the following:

- Elements of protected information should be broken up into multiple transmissions, to minimally separate an individual’s combined last name and any identifying number associated with the individual, from either first name or first initial.
- Additional information regarding the individual, including date of birth, home address, or physical descriptors, should be relayed in separate transmissions.

Nothing in this policy is intended to prohibit broadcasting warrant information.

**812.6 SECURITY OF PROTECTED INFORMATION**

The Chief of Police will select a member of the Department to oversee the security of protected information.

The responsibilities of this position include, but are not limited to:
(a) Developing and maintaining security practices, procedures and training.
(b) Ensuring federal and state compliance with the CJIS Security Policy and the requirements of any state or local criminal history records systems.
(c) Establishing procedures to provide for the preparation, prevention, detection, analysis and containment of security incidents including computer attacks.
(d) Tracking, documenting and reporting all breach of security incidents to the Chief of Police and appropriate authorities.

812.6.1 MEMBER RESPONSIBILITIES
Members accessing or receiving protected information shall ensure the information is not accessed or received by persons who are not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk; in or on an unattended vehicle; in an unlocked desk drawer or file cabinet; on an unattended computer terminal).

812.7 TRAINING
All members authorized to access or release protected information shall complete a training program that complies with any protected information system requirements and identifies authorized access and use of protected information, as well as its proper handling and dissemination.

812.7.1 COMPUTER TERMINAL SECURITY
Computer terminal equipment capable of providing access to automated criminal offender record information is located in the Records Unit, the Communications Center, Traffic Unit and Criminal Investigations Bureau to preclude access by unauthorized persons.

No employee shall be authorized to operate computer terminal equipment with access to CORI until the operator has completed the appropriate training.

812.7.2 DESTRUCTION OF CORI
When any document providing CORI has served the purpose for which it was obtained, it shall be destroyed by shredding.

Each employee shall be responsible for destroying the CORI documents they receive.

812.7.3 CUSTODIAN OF CRIMINAL RECORDS
The Records Supervisor, unless otherwise directed by the Administration Division Commander, shall be the Department’s official Custodian of Criminal Records. The Custodian of Criminal Records shall be responsible for the security, storage, dissemination and destruction of criminal records, and will serve as a primary contact for the California Department of Justice for any related issues. The Administration Division Commander may appoint other department employees to the
role of Custodian of Criminal Records, who will share the same responsibilities regarding criminal records.

The Administration will ensure that he/she makes the appropriate applications and notifications to the California Department of Justice regarding the Department’s Custodian of Criminal Record appointments, per the requirements of Penal Code § 11102.2.

This subsection is not intended to interfere with any other employee acting as a custodian of records for other statutory purposes but is narrowly tailored to address issues of criminal history records.

812.8 TRAINING PROGRAM
All personnel authorized to process or release CORI shall be required to complete a training program prescribed by the agency's CLETS coordinator. The Training Unit shall coordinate the course to provide training in the proper use, control, and dissemination of CORI.

812.9 PENALTIES FOR MISUSE OF RECORDS
Penal Code §§ 11140 and 11144 make it a misdemeanor to furnish, buy, receive, or possess Department of Justice rap sheets without authorization by a court, statute, or case law.

Title 11, California Administrative Code § 702 provides that authorized persons or agencies violating the Regulations Regarding the Security of Criminal Offender Record Information in California may lose direct access to CORI maintained by the California Department of Justice.

Divulging the content of any criminal record to anyone other than authorized personnel is a violation of Policy Manual § 340.3.7(a).

Employees who obtain, or attempt to obtain, information from the department files other than that to which they are entitled in accordance with their official duties is a violation of Policy Manual § 340.3.7(a).

812.10 CALIFORNIA RELIGIOUS FREEDOM ACT
Members shall not release personal information from any agency database for the purpose of investigation or enforcement of any program compiling data on individuals based on religious belief, practice, affiliation, national origin or ethnicity (Government Code § 8310.3).
Computers and Digital Evidence

814.1 PURPOSE AND SCOPE
This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

814.2 SEIZING COMPUTERS AND RELATED EVIDENCE
Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

(a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
(b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
(c) If the computer is off, do not turn it on.
(d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
   1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
   2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).
(e) Label each item with case number, evidence sheet number, and item number.
(f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
(g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
(h) At minimum, officers should document the following in related reports:
   1. Where the computer was located and whether or not it was in operation.
   2. Who was using it at the time.
   3. Who claimed ownership.
4. If it can be determined, how it was being used.

(i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

814.2.1 BUSINESS OR NETWORKED COMPUTERS
If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

814.2.2 FORENSIC EXAMINATION OF COMPUTERS
If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

(a) Copy of report(s) involving the computer, including the Evidence/Property sheet.

(b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.

(c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).

(d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

814.3 SEIZING DIGITAL STORAGE MEDIA
Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

(a) If the media has a write-protection tab or switch, it should be activated.

(b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Evidence Unit to copy the contents to an appropriate form of storage media.

(c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
Computers and Digital Evidence

(d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.

(e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

814.4 SEIZING PCDS
Personal communication devices such as cell phones, PDA's or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

(a) Officers who do not possess adequate knowledge should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.

(b) Do not turn the device on or off. The device should be placed in an appropriate container to prevent the device from sending or receiving information from its host network.

(c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

814.5 DIGITAL EVIDENCE RECORDED BY OFFICERS
Officers handling and submitting recorded and digitally stored evidence from digital cameras and/or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

814.5.1 COLLECTION OF DIGITAL EVIDENCE
Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

814.5.2 DOWNLOADING OF DIGITAL FILES
Digital information such as video or photo files recorded on devices using internal memory must be downloaded to storage media.

814.5.3 PRESERVATION OF DIGITAL EVIDENCE

(a) Only designated personnel are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.
Computers and Digital Evidence

(b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.

(c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.
Collection And Processing Of Digital Images

815.1 PURPOSE AND SCOPE
This policy will establish guidelines for the collection, examination, processing, storage, retrieval, control and dissemination of digital evidence generated internally.

This policy shall not apply to digital images related to training, community relations or historical documentation. The designated administrator will approve personnel for access to the system. He/She will provide login and password access to the DIMS website. He/She will also set access parameters for all DIMS users.
815.3 EQUIPMENT USE
Digital evidence shall only be collected/captured with approved Chino Police Department equipment.

The use of personal camera equipment for official use is discouraged and should only be employed when a Department camera is unavailable and if approved by a supervisor.

Media cards with any personal photos should be erased before use in documenting any crime/collision scene or evidence. When media cards are downloaded into the evidence management system, the media card will be erased and any personal photos will not be saved.

Media cards will not be taken home or removed from the police department without first being downloaded into the DIMS station. Digital images on media cards are to be treated as evidence and are not to be taken home. It is recommended that if personal cameras are used, the employee has dedicated storage media at work for department use.

The use of cell phone cameras is discouraged and should only be used when authorized equipment is otherwise unavailable. Cell phones cameras found to be used to capture images relating to any scene documentation will be confiscated and booked into the Chino Police Department Evidence Unit, when such images cannot be downloaded from the cell phone camera.

Individuals will be responsible for maintaining their own equipment, including making sure the cameras’ date and time stamp are correct before photographing any scenes or incidents.

815.4 CHAIN OF CUSTODY
After digital evidence has been captured/collected, storage media should be downloaded at one of the designated DIMS download sites.

With the exception of training, community relations and/or historical documentation photos, no images from a camera may be deleted, copied, transferred, emailed, or printed prior to downloading into the digital information management system.

All digital evidence captured/collected by Chino Police Department personnel will be stored on the DIMS database with appropriate information that may include the case number, case type, location and the name of the person who collected/captured the evidence.

All digital evidence shall be downloaded to the DIMS database as soon as practical, but no longer than the end of shift after an incident without the approval of a supervisor.

If emergency circumstances exist and with supervisor approval, images can be archived to an alternate approved media type. The images will be downloaded into the system as soon as possible.

815.5 STORAGE OF DIGITAL EVIDENCE
Digital evidence captured/collected will reside in the main Digital Information Management System (DIMS).
Once digital images are downloaded, DIMS will automatically make backup copies of each original image. An original unalterable digital image will always be archived on the DIMS database.

- **Images captured with a digital camera are original images and equivalent to a negative in film based photography.** All images captured with a digital camera must be handled as film. Digital images may not be deleted in the field. This includes any blank images, mistakes, etc. No image may be deleted from the card once it is taken.

Archived photographic and other digital files will be maintained by designated personnel and under controlled access. Access to the DIMS database will be restricted to designated personnel.

### 815.6 ACCESS TO DIGITAL IMAGES

All digital images captured/collected by Chino Police Department personnel will be stored in a manner that provides a secure environment yet allows for accessibility when the evidence is needed.

Approved personnel will have use of the DIMS webpage to access digital files.

- The DIMS webpage allows designated personnel access to photo and video files. The user may view or listen to only those files for which he/she has been granted access.

- Sensitive and classified digital evidence will be downloaded into secured files by the person capturing/collecting the evidence. - Retaliation by other detainees or prisoners or staff for reporting sexual abuse or sexual harassment
- Staff neglect or violation of responsibilities that may have contributed to sexual abuse or sexual harassment

During intake the Department shall notify all detainees and prisoners of the zero-tolerance policy regarding sexual abuse and sexual harassment, and of at least one way to report abuse or harassment to a public or private entity that is not part of the Department and that is able to receive and immediately forward detainee or prisoner reports of sexual abuse and sexual harassment to agency officials. This allows the detainee or prisoner to remain anonymous (28 CFR 115.132; 28 CFR 115.151).

903.4.1 MEMBER RESPONSIBILITIES
Department members shall accept reports from detainees, prisoners and third parties and shall promptly document all reports (28 CFR 115.151; 15 CCR 1029).

All members shall report immediately to the Watch Commander any knowledge, suspicion, or information regarding:
(a) An incident of sexual abuse or sexual harassment that occurs in the Temporary Holding Facility.
(b) Retaliation against detainees or the member who reports any such incident.
(c) Any neglect or violation of responsibilities on the part of any department member that may have contributed to an incident or retaliation (28 CFR 115.161).

No member shall reveal any information related to a sexual abuse report to anyone other than to the extent necessary to make treatment and investigation decisions.

903.4.2 WATCH COMMANDER RESPONSIBILITIES
The Watch Commander shall report to the department’s designated investigators all allegations of sexual abuse, harassment, retaliation, neglect or violations leading to sexual abuse, harassment or retaliation. This includes third-party and anonymous reports (28 CFR 115.161).

If the alleged victim is under the age of 18 or considered a vulnerable adult, the Watch Commander shall also report the allegation as required under mandatory reporting laws and department policy.

Upon receiving an allegation that a detainee or prisoner was sexually abused while confined at another facility, the Watch Commander shall notify the head of the facility or the appropriate office of the agency where the alleged abuse occurred. The notification shall be made as soon as possible but no later than 72 hours after receiving the allegation. The Watch Commander shall document such notification (28 CFR 115.163).

If an alleged detainee or prisoner victim is transferred from the Temporary Holding Facility to a jail, prison or medical facility, the Department shall, as permitted by law, inform the receiving facility of the incident and the prisoner’s potential need for medical or social services, unless the prisoner requests otherwise (28 CFR 115.165).

903.5 INVESTIGATIONS
The Department shall promptly, thoroughly and objectively investigate all allegations, including third-party and anonymous reports, of sexual abuse or sexual harassment. Only investigators who have received department-approved special training shall conduct sexual abuse investigations (28 CFR 115.171).

903.5.1 FIRST RESPONDERS
The first officer to respond to a report of sexual abuse or sexual assault shall (28 CFR 115.164):

(a) Separate the parties.
(b) Establish a crime scene to preserve and protect any evidence. Identify and secure witnesses until steps can be taken to collect any evidence.
(c) If the abuse occurred within a time period that still allows for the collection of physical evidence, request that the alleged victim not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking or eating.
(d) If the abuse occurred within a time period that still allows for the collection of physical evidence, ensure that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking or eating.

If the first responder is not an officer the responder shall request that the alleged victim not take any actions that could destroy physical evidence and should then notify a law enforcement staff member (28 CFR 115.164).

903.5.2 INVESTIGATOR RESPONSIBILITIES
Investigators shall (28 CFR 115.171):

(a) Gather and preserve direct and circumstantial evidence, including any available physical and biological evidence and any available electronic monitoring data.

(b) Interview alleged victims, suspects and witnesses.

(c) Review any prior complaints and reports of sexual abuse involving the suspect.

(d) Conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.

(e) Assess the credibility of the alleged victim, suspect or witness on an individual basis and not by the person’s status as a detainee or a member of the Chino Police Department.

(f) Document in written reports a description of physical, testimonial, documentary and other evidence, the reasoning behind any credibility assessments, and investigative facts and findings.

(g) Refer allegations of conduct that may be criminal to the District Attorney for possible prosecution, including any time there is probable cause to believe a detainee or prisoner sexually abused another detainee or prisoner in the Temporary Holding Facility (28 CFR 115.178).

(h) Cooperate with outside investigators and remain informed about the progress of any outside investigation.

903.5.3 ADMINISTRATIVE INVESTIGATIONS
Administrative investigations shall include an effort to determine whether staff actions or failures to act contributed to the abuse. The departure of the alleged abuser or victim from the employment or control of this department shall not be used as a basis for terminating an investigation (28 CFR 115.171).

903.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS
No detainee or prisoner who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

Detainee or prisoner victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment. Treatment services shall be provided to the victim without financial cost and
regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

903.5.5 CONCLUSIONS AND FINDINGS
All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the City Manager. The Chief of Police or City Manager shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member’s disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with detainees or prisoners and reported to any relevant licensing bodies (28 CFR 115.177). The Chief of Police shall take appropriate remedial measures and consider whether to prohibit further contact with detainees or prisoners by a contractor or volunteer.

903.6 RETALIATION PROHIBITED
All detainees, prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Watch Commander or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for detainee or prisoner victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for detainees, prisoners or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The Watch Commander or the authorized designee shall identify a staff member to monitor the conduct and treatment of detainees, prisoners or members who have reported sexual abuse and of detainees or prisoners who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of detainees or prisoners, such monitoring shall also include periodic status checks.

903.7 REVIEWS AND AUDITS
903.7.1 INCIDENT REVIEWS
An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of the conclusion of the investigation. The review team shall include upper-level management officials and seek input from line supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):

(a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect or respond to sexual abuse.

(b) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender or intersex identification, status or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility.

(c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.

(d) Assess the adequacy of staffing levels in that area during different shifts.

(e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The report shall be submitted to the Chief of Police and the PREA Coordinator. The Chief of Police or the authorized designee shall implement the recommendations for improvement or shall document the reasons for not doing so (28 CFR 115.186).

903.7.2 DATA REVIEWS
The facility shall conduct an annual review of collected and aggregated incident-based sexual abuse data. The review should include, as needed, data from incident-based documents, including reports, investigation files and sexual abuse incident reviews (28 CFR 115.187).

The purpose of these reviews is to assess and improve the effectiveness of sexual abuse prevention, detection and response policies, practices and training. An annual report shall be prepared that includes (28 CFR 115.188):

(a) Identification of any potential problem areas.

(b) Identification of any corrective actions taken.

(c) Recommendations for any additional corrective actions.

(d) A comparison of the current year’s data and corrective actions with those from prior years.

(e) An assessment of the Department’s progress in addressing sexual abuse.

The report shall be approved by the Chief of Police and made readily available to the public through the department website or, if it does not have one, through other means. Material may be
redacted from the reports when publication would present a clear and specific threat to the safety and security of the Temporary Holding Facility. However, the nature of the redacted material shall be indicated.

All aggregated sexual abuse data from Chino Police Department facilities and private facilities with which it contracts shall be made readily available to the public at least annually through the department website or, if it does not have one, through other means. Before making aggregated sexual abuse data publicly available, all personal identifiers shall be removed (28 CFR 115.189).

903.8 RECORDS
The Department shall retain all written reports from administrative and criminal investigations pursuant to this policy for as long as the alleged abuser is held or employed by the Department, plus five years (28 CFR 115.171).

All other data collected pursuant to this policy shall be securely retained for at least 10 years after the date of the initial collection unless federal, state or local law requires otherwise (28 CFR 115.189).

903.9 TRAINING
All employees, volunteers and contractors who may have contact with detainees or prisoners shall receive department-approved training on the prevention and detection of sexual abuse and sexual harassment within this facility. The Training Sergeant shall be responsible for developing and administering this training as appropriate, covering at a minimum (28 CFR 115.131):

- The Department’s zero-tolerance policy and the right of detainees and prisoners to be free from sexual abuse and sexual harassment, and from retaliation for reporting sexual abuse or harassment.
- The dynamics of sexual abuse and harassment in confinement settings, including which detainees and prisoners are most vulnerable.
- The right of detainees, prisoners and staff members to be free from sexual abuse and sexual harassment, and from retaliation for reporting sexual abuse or harassment.
- Detecting and responding to signs of threatened and actual abuse.
- Communicating effectively and professionally with all detainees and prisoners.
- Compliance with relevant laws related to mandatory reporting of sexual abuse to outside authorities.

Investigators assigned to sexual abuse investigations shall also receive training in conducting such investigations in confinement settings. Training should include (28 CFR 115.134):

- Techniques for interviewing sexual abuse victims.
- Proper use of Miranda and Garrity warnings.
- Sexual abuse evidence collection in confinement settings.
Prison Rape Elimination

- Criteria and evidence required to substantiate a case for administrative action or prosecution referral.

The Training Sergeant shall maintain documentation that employees, volunteers, contractors and investigators have completed required training and that they understand the training. This understanding shall be documented through individual signature or electronic verification.

All current employees and volunteers who may have contact with detainees or prisoners shall be trained within one year of the effective date of the PREA standards. The agency shall provide annual refresher information to all such employees and volunteers to ensure that they understand the current sexual abuse and sexual harassment policies and procedures.
Chapter 10 - Personnel
Recruitment and Selection

1000.1 PURPOSE AND SCOPE
This policy provides a framework for employee recruiting efforts and identifying job-related standards for the selection process. This policy supplements the rules that govern employment practices for the Chino Police Department and that are promulgated and maintained by the Department of Human Resources.

1000.2 APPLICANT QUALIFICATIONS
Candidates for job openings will be selected based on merit, ability, competence and experience. All peace officer candidates must meet the minimum standards described in California Government Code § 1031 in addition to the employment standards established by this department.

1000.3 STANDARDS
Employment standards shall be established for each job classification and shall include minimally, the special training, abilities, knowledge and skills required to perform the duties of the job in a satisfactory manner. The Chino Department of Human Resources maintains standards for all positions.

The California Commission on Peace Officer Standards and Training (POST) developed a Job Dimensions list, which are used as a professional standard in background investigations.
Evaluation of Employees

1002.1 PURPOSE AND SCOPE
The Department’s employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

1002.2 POLICY
It is the policy of the City that regular reports be made as to the efficiency, competency, conduct and merit of employees. To this end, it is the responsibility of the City Manager, Department Directors and their subordinate supervisors to ensure that these ratings are made. It is the responsibility of the Personnel Officer to provide and prescribe the forms and procedures to be used in the performance reports and to assist in the training of supervisory personnel.

1002.3 EVALUATION FREQUENCY
(a) Probationary Employees: Reports shall be prepared for probationary employees at times deemed appropriate by the respective Department Directors, provided, however, that a report shall be prepared within the 30 day period preceding expiration of a probationary period. Reports shall be prepared:

1. At the end of initial 6th month of employment.
2. When recommending salary step advancement.
3. At the end of 1st year of employment.
4. When recommending end of, or extension of, probationary periods.

(b) Non-probationary Employees: A report for a non-probationary employee shall be prepared annually within 30 calendar days prior to such employee’s anniversary date. Evaluations are required:

1. When recommending salary step advancement.
2. Annually for employees on the top step.
3. 6-month increments for a period of 18 months for entry level Police Officers.

(c) A report of performance may be made during any quarter period of the employee’s anniversary year at the discretion of the Department Director, or at the employee’s own request. Any employee who has received an overall rating of "Unsatisfactory" or "Below Standard" shall be reported on again 3 months from receiving such rating and again 3 months subsequent to that.
1002.4 RESPONSIBILITY AND AUTHORITY TO MAKE REPORTS
The Department Director shall prepare reports of performance. However, the preparation of such reports may be delegated to subordinate supervisory employees who are most familiar with the work of the employees to be reported on, provided that the Department Director shall review and approve all performance reports of personnel under his jurisdiction.

1002.5 REVIEW WITH EMPLOYEES
It is acknowledged that one of the prime benefits of a performance rating system is that it can bring together the employee's work and ways in which it may be improved. Therefore, each performance report shall be thoroughly discussed with the employee with this view in mind. The employee shall sign the report to acknowledge such discussion of its contents. Such signature shall not necessarily mean the employee agrees with the contents.

1002.6 DISTRIBUTION OF REPORTS
Reports shall be prepared in duplicate. After review and approval by the Department Director, one copy shall be transmitted to the Personnel Officer to be made part of the employee's official Personnel File.

1002.6.1 DISCRIMINATORY HARASSMENT FORM
At the time of each employee's annual evaluation, the reviewing supervisor shall require the employee to read the City and Department harassment and discrimination policies. Following such policy review, the supervisor shall provide the employee a form to be completed and returned by the employee certifying the following:

(a) That the employee understands the harassment and discrimination policies.
(b) Whether any questions the employee has have been sufficiently addressed.
(c) That the employee knows how and where to report harassment policy violations.
(d) Whether the employee has been the subject of, or witness to, any conduct that violates the discrimination or harassment policy which has not been previously reported.

The completed form should be returned to the supervisor (or other authorized individual if the employee is uncomfortable returning the form to the presenting supervisor) within one week.

The employee's completed answers shall be attached to the evaluation. If the employee has expressed any questions or concerns, the receiving supervisor or other authorized individual shall insure that appropriate follow up action is taken.

1002.7 EFFECTS OF UNSATISFACTORY OR BELOW STANDARD RATINGS
Any employee who receives an overall rating of "Unsatisfactory" or "Below Standard" will not be eligible to participate in any promotional examination until a satisfactory rating is established. Any employee who receives an overall "Unsatisfactory" rating will not be considered for any merit increase until a satisfactory rating is established. The same shall apply for any employee upon receipt of a second consecutive overall "Below Standard" rating. If an employee receives one
overall "Below Standard" rating and, subsequently, is granted a merit increase, such increase shall be withdrawn if the employee’s next report of performance is rated "Unsatisfactory" or "Below Standard." In any case, where an employee is rated "Unsatisfactory" on two consecutive occasions, further disciplinary actions shall be taken by the Department Director as provided in City Rules.

1002.8 FOLLOW-UP REPORTS
As provided in City Rules, additional reports concerning the performance of any employee who has received an overall "Unsatisfactory" or "Below Standards" rating shall be prepared at 3 month intervals for non-management employees, and 4 month intervals for management employees. If, in the opinion of the Department Director, the employee improves to the extent that the restoration of any merit increase previously withheld under provisions of City Rules is justified, the Department Director shall so recommend to the Personnel Officer. With approval of the Personnel Officer, such restoration shall be made and shall be effective on a subsequent beginning date of a pay period specified in the recommendation of the Department Director.
Specialty/Ancillary Assignment Selection

1004.1 PURPOSE AND SCOPE
The purpose of this policy is to establish required and desirable qualifications for specialty and ancillary assignments within the ranks of the Chino Police Department.

1004.1.1 PERMANENCY OF ASSIGNMENTS
Employees may be appointed to Specialty Assignments as their primary duty assignment. (For the purpose of this policy, Specialty Assignments are separate and distinct from Ancillary and/or Secondary Duty Assignments.) There is no promotion, probationary period, permanency, or seniority connected to a Specialty Assignment position. Specialty Assignment positions exist within most bureaus of the Department including, but not limited to, School Resource Officers, Background Investigations, Traffic Services, Criminal Investigations, Training, and the Special Enforcement Team (SET). Assignment to these positions are made and withdrawn at the sole discretion of the Chief of Police or his/her designee. No employee holds any property interest in a Specialty Assignment, whether or not additional pay or other conditions, which may be construed to be a benefit(s), are afforded to the employee by virtue of placement in said Specialty Assignment. No employee holds the right to maintain a Specialty Assignment and may be removed with no notice and/or no right of appeal, either administrative or through any other jurisdiction. When it is deemed that a vacancy will occur in a Specialty Assignment position, the respective Division Commander or designee will issue a memorandum listing the qualifications for the assignment and requesting those employees who are interested and meet the qualifications to submit a Memorandum of Interest. Once an appointment has been made for the vacant Specialty Assignment Position(s), no list will be established. Qualifications and any other selection criteria are subject to change as directed by or required under federal or state law, or other applicable regulatory laws, resolutions, or Department policies. No aspect of this selection process is subject to administrative or civil review, and no employee shall be entitled to a representative during any meeting or review process provided for herein. As a condition precedent to any appointment described herein, the employee shall waive any Government Code Section 3304b rights or other administrative or civil method of contesting either a failure to be selected or a decision to remove an employee from any Specialty Assignment.

1004.2 MINIMUM QUALIFICATIONS FOR SPECIALTY ASSIGNMENT CONSIDERATION
Any interested employees must be off of “new hire” probation by the filing deadline. Have one (1) year continuous service with the Department. Exception:

If an employee leaves the Department after having served more than one year continuously, and thereafter returns within six (6) months, he/she shall be eligible for a Specialty Assignment. An employee must have a minimum of a "Meets Standards Evaluation" prior to the application filing deadline. Exception:

All or part of the minimum qualifications may be waived at the discretion of the Chief of Police if it is determined that none of the interested employees meet those qualifications.
Specialty/Ancillary Assignment Selection

1004.2.1 APPLICATION PROCEDURE
Employees who meet the minimum qualifications may submit a Memorandum of Interest to their immediate supervisor. "Immediate Supervisor" is defined as their current supervisor. A separate Memorandum of Interest must be submitted for each position sought.

1004.3 SUPERVISOR RESPONSIBILITY
The immediate supervisor will ensure the minimum qualifications have been met. Once this is complete, the supervisor will send the Memorandum, via Chain of Command to the respective Division Commander.

1004.4 COMMAND STAFF REVIEW
After the filing deadline, all employees who meet the minimum qualifications will be presented for consideration to Command Staff. The employee's immediate Lieutenant or their designee will seek feedback from other members of the organization in regards to the employee's ability and qualifications for the specific Specialty Assignment. The Lieutenant or their designee will then present the employee to the rest of Command Staff for discussion and consideration. Those candidates will then be invited to an oral interview with the unit supervisor, bureau commander and a selected third party panel member. If no qualified candidates are recommended by Command Staff then the Chief of Police has the discretion to appoint whomever they feel will be best suited for the assignment.

1004.5 APPOINTMENT PROCESS
Based on the recommendations from Command Staff, in consultation with the related Bureau Staff, will select a person to recommend for the position.

The Division Commander will then confer with the Chief of Police, who will make an appointment to the specialty Assignment.

1004.6 ANCILLARY ASSIGNMENTS
Employees may be assigned to Ancillary Assignments, also known as secondary duty assignments, in addition to their primary duty assignment. There is no promotion, period of probation, permanency, or seniority connected to any Ancillary Assignment. Ancillary Assignments shall be made or revoked at the discretion of the Chief of Police. Ancillary Assignments within the police department are assignments such as, but not limited to the Field Training Officer (FTO) program, S.W.A.T. Reporting of Employee Convictions

1010.1 PURPOSE AND SCOPE
Convictions of certain offenses may restrict or prohibit an employee’s ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Department of any past and current criminal convictions.

1010.2 DOMESTIC VIOLENCE CONVICTIONS, OUTSTANDING WARRANTS AND RESTRAINING ORDERS
California and federal law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1010.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS
Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty or nolo contendre plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee’s ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member’s ability to possess a firearm.

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with law enforcement duties and the public trust.

1010.4 REPORTING PROCEDURE
All members of this department and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest, outstanding warrant or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired
Reporting of Employee Convictions

officers) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order or becomes the subject of an outstanding warrant.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member on his/her own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1010.5 PROCEDURE FOR RELIEF
Pursuant to Penal Code § 29855, a peace officer may petition the court for permission to carry a firearm following a conviction under state law. Federal law, however, does not provide for any such similar judicial relief and the granting of a state court petition under Penal Code § 29855 will not relieve one of the restrictions imposed by federal law. Therefore, relief for any employee falling under the restrictions imposed by federal law may only be obtained by expungement of the conviction. Each employee shall seek relief from firearm restrictions on their own time and through their own resources.

Pursuant to Family Code § 6389(h), an individual may petition the court for an exemption to any restraining order, which would thereafter permit the individual to carry a firearm as a part of their employment. Relief from any domestic violence or other restriction shall also be pursued through the employee’s own resources and on the employee’s own time.

Pending satisfactory proof of relief from any legal restriction imposed on an employee’s duties, the employee may be placed on administrative leave, reassigned or disciplined. The Department may, but is not required to return an employee to any assignment, reinstate any employee or reverse any pending or imposed discipline upon presentation of satisfactory proof of relief from any legal restriction set forth in this policy.

1010.5.1 NOTIFICATION REQUIREMENTS
The Administration Supervisor shall submit within 30 days of final disposition a notice to the Commission on Peace Officer Standards and Training (POST) of a felony conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this department or any former peace officer if this department was responsible for the investigation (11 CCR 1003).

The Administration Supervisor shall submit within 30 days a notice to POST of any appointment, termination, reinstatement, name change, or status change regarding any peace officer, reserve peace officer, public safety dispatcher, and records supervisor employed by this department (11 CCR 1003).
Drug- and Alcohol-Free Workplace

1012.1 PURPOSE AND SCOPE
The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace.

1012.2 POLICY
It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

1012.2.1 PURCHASE OR POSSESSION OF DRUGS OR ALCOHOL ON-DUTY
Department employees shall not purchase or possess alcohol or other controlled substances on City property, at work, or while on-duty except in the performance of a special assignment as described in this policy.

Department employees shall not illegally manufacture any alcohol or drugs while on-duty, on City property or at any other time.

1012.2.2 USE OF PRESCRIBED MEDICATIONS
Any employee who is required to take any medication with side effects which might impair his/her ability to fully and safely perform all requirements of the position shall report the need for such medication to the immediate supervisor prior to commencing any on-duty status. No employee shall be permitted to work or drive a department-owned or department-leased vehicle while taking such potentially impairing medication without a written release from his/her physician.

Possession of medical marijuana or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

1012.3 GENERAL GUIDELINES
Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Watch Commander or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/she shall be immediately removed and released from work (see Work Restrictions in this policy).

1012.3.1 USE OF MEDICATIONS
Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to his/her immediate supervisor prior to commencing any on-duty status.
**Drug- and Alcohol-Free Workplace**

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair his/her abilities, without a written release from his/her physician.

**1012.3.2 USE OF MARIJUANA**

Possession of marijuana, including medical marijuana, or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

**1012.4 MEMBER RESPONSIBILITIES**

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

**1012.5 EMPLOYEE ASSISTANCE PROGRAM**

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

**1012.5.1 ADDITIONAL SCREENING TESTS FOR OFFICERS**

The Department may request an employee to submit to a screening test if the employee:

(a) Is a law enforcement officer and, during the performance of his/her duties, discharges a firearm other than by accident.

(b) During the performance of his/her duties, drives a motor vehicle in such a manner as to cause bodily injury to him/herself or another person or substantial damage to property.

**1012.5.2 SCREENING TEST REFUSAL**

An employee is subject to disciplinary action if he/she:
Drug- and Alcohol-Free Workplace

(a) Fails or refuses to submit to a screening test as requested.

(b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested by his/her appointing authority, that he/she took the controlled substance as directed, pursuant to a current and lawful prescription issued in his/her name.

1012.6 WORK RESTRICTIONS
If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1012.7 REQUESTING SCREENING TESTS
The supervisor may request an employee to submit to a screening test under the following circumstances:

(a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing his/her ability to perform duties safely and efficiently.

(b) The employee discharges a firearm, other than by accident, in the performance of his/her duties.

(c) During the performance of his/her duties, the employee drives a motor vehicle and becomes involved in an incident that results in bodily injury to him/herself or another person, or substantial damage to property.

1012.7.1 SUPERVISOR RESPONSIBILITY
The supervisor shall prepare a written record documenting the specific facts that led to the decision to request the test, and shall inform the employee in writing of the following:

(a) The test will be given to detect either alcohol or drugs, or both.

(b) The result of the test is not admissible in any criminal proceeding against the employee.

(c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1012.7.2 SCREENING TEST REFUSAL
An employee may be subject to disciplinary action if he/she:

(a) Fails or refuses to submit to a screening test as requested.
Drug- and Alcohol-Free Workplace

(b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that he/she took the controlled substance as directed, pursuant to a current and lawful prescription issued in his/her name.

(c) Violates any provisions of this policy.

1012.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT
No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1012.9 CONFIDENTIALITY
The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately from the employee’s other personnel files.
Sick Leave

1014.1 PURPOSE AND SCOPE
This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the City personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

1014.2 POLICY
It is the policy of the Chino Police Department to provide eligible employees with a sick leave benefit.

1014.3 USE OF SICK LEAVE
Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see Outside Employment Policy).

Qualified appointments should be scheduled during a member’s non-working hours when it is reasonable to do so.

1014.3.1 NOTIFICATION
All members should notify the Watch Commander or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Department with no less than 30 days' notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.
Sick Leave

1014.4 EXTENDED ABSENCE
Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider’s statement for an absence of three or fewer days after the first three days of paid sick leave are used in a 12-month period.

1014.5 SUPERVISOR RESPONSIBILITIES
The responsibilities of supervisors include, but are not limited to:

(a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.

(b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Department of Human Resources as appropriate.

(c) Addressing absences and sick leave use in the member’s performance evaluation when excessive or unusual use has:

1. Negatively affected the member’s performance or ability to complete assigned duties.

2. Negatively affected department operations.

(d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.

(e) Referring eligible members to an available employee assistance program when appropriate.

1014.6 REQUIRED NOTICES
The Director of Human Resources shall ensure:

(a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.

(b) A poster is displayed in a conspicuous place for employees to review that contains information on paid sick leave as provided in Labor Code § 247.
Communicable Diseases

1016.1 PURPOSE AND SCOPE
This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

1016.1.1 DEFINITIONS
Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

Exposure - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member’s position at the Chino Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1016.2 POLICY
The Chino Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1016.3 EXPOSURE CONTROL OFFICER
The Exposure Control Officer (ECO) shall develop an exposure control plan that includes:

(a) Exposure-prevention and decontamination procedures.

(b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.

(c) The provision that department members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member’s position and risk of exposure.

(d) Evaluation of persons in custody for any exposure risk and measures to separate them (15 CCR 1051; 15 CCR 1207).

(e) Compliance with all relevant laws or regulations related to communicable diseases, including:

1. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).

2. Bloodborne pathogen mandates including (8 CCR 5193):
   (a) Sharps injury log.
Communicable Diseases

(b) Needleless systems and sharps injury protection.

3. Airborne transmissible disease mandates including (8 CCR 5199):
   (a) Engineering and work practice controls related to airborne transmissible diseases.
   (b) Distribution of appropriate personal protective equipment to minimize exposure to airborne disease.

4. Promptly notifying the county health officer regarding member exposures (Penal Code § 7510).

5. Establishing procedures to ensure that members request exposure notification from health facilities when transporting a person that may have a communicable disease and that the member is notified of any exposure as required by Health and Safety Code § 1797.188.

6. Informing members of the provisions of Health and Safety Code § 1797.188 (exposure to communicable diseases and notification).

(f) Provisions for acting as the designated officer liaison with health care facilities regarding communicable disease or condition exposure notification. The designated officer should coordinate with other department members to fulfill the role when not available. The designated officer shall ensure that the name, title and telephone number of the designated officer is posted on the Department website (Health and Safety Code § 1797.188).

The ECO should also act as the liaison with the Division of Occupational Safety and Health (Cal/OSHA) and may request voluntary compliance inspections. The ECO shall annually review and update the exposure control plan and review implementation of the plan (8 CCR 5193).

1016.4 EXPOSURE PREVENTION AND MITIGATION

1016.4.1 GENERAL PRECAUTIONS
All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (8 CCR 5193):

(a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area or department vehicles, as applicable.

(b) Wearing department-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.

(c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.

(d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.

(e) Using an appropriate barrier device when providing CPR.
Communicable Diseases

(f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.

(g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.

1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.

(h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.

(i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.

(j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

1016.4.2 IMMUNIZATIONS
Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

1016.5 POST EXPOSURE

1016.5.1 INITIAL POST-EXPOSURE STEPS
Members who experience an exposure or suspected exposure shall:

(a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).

(b) Obtain medical attention as appropriate.

(c) Notify a supervisor as soon as practicable.

1016.5.2 REPORTING REQUIREMENTS
The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (8 CCR 5193):

(a) Name and Social Security number of the member exposed

(b) Date and time of the incident

(c) Location of the incident

(d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)

(e) Work being done during exposure

(f) How the incident occurred or was caused
Communicable Diseases

(g) PPE in use at the time of the incident

(h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

1016.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT
Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

(a) Whether the member has been informed of the results of the evaluation.

(b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1016.5.4 COUNSELING
The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (8 CCR 5193).

1016.5.5 SOURCE TESTING
Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member’s supervisor to ensure testing is sought.

Source testing may be achieved by:

(a) Obtaining consent from the individual.

(b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.

(c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).

(d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status
Communicable Diseases

of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

(e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1016.6 CONFIDENTIALITY OF REPORTS
Medical information shall remain in confidential files and shall not be disclosed to anyone without the member’s written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

1016.7 TRAINING
All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (8 CCR 5193):

(a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.

(b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.

(c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.
Smoking and Tobacco Use

1018.1 PURPOSE AND SCOPE
This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Chino Police Department facilities or vehicles.

For the purposes of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

1018.2 POLICY
The Chino Police Department recognizes that tobacco use is a health risk and can be offensive to others.

Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings and vehicles, and as is further outlined in this policy (Government Code § 7597; Labor Code § 6404.5).

1018.3 SMOKING AND TOBACCO USE
Smoking and tobacco use by members is prohibited anytime members are in public view representing the Chino Police Department.

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes or uses any tobacco product inside City facilities and vehicles.

1018.4 ADDITIONAL PROHIBITIONS
No person shall use tobacco products within 20 feet of a main entrance, exit or operable window of any public building (including any department facility), or buildings on the campuses of the University of California, California State University and California community colleges, whether present for training, enforcement or any other purpose (Government Code § 7596 et seq.).

1018.4.1 NOTICE
The Chief of Police or the authorized designee should ensure that proper signage is posted at each entrance to the Department facility (Labor Code § 6404.5).
Personnel Complaints

1020.1 PURPOSE AND SCOPE
This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Chino Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1020.2 POLICY
The Chino Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

1020.2.1 COMPLAINT DOCUMENTATION
Formal complaints of alleged misconduct shall be documented by a supervisor on a personnel complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

A supervisor may elect to document informal complaints as a supervisor or Watch Commander log entry.

When a Personnel Complaint form is completed in person, the complainant should legibly write a detailed narrative of his/her complaint. If circumstances indicate that this is not feasible, the complaint may be dictated to the receiving supervisor. In an effort to ensure accuracy in any complaint, it is recommended that a recorded statement be obtained from the reporting party. A refusal by a party to be recorded shall not alone be grounds to refuse to accept a complaint. Whether handwritten or dictated, the complainant's signature should be obtained at the conclusion of the statement. The complainant should be provided with a copy of his/her own original complaint per Penal Code § 832.7.

1020.3 PERSONNEL COMPLAINTS
Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be
considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

1020.3.1 COMPLAINT CLASSIFICATIONS
Personnel complaints shall be classified in one of the following categories:

**Informal** - A matter in which the Watch Commander is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

**Formal** - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Professional Standards Unit, depending on the seriousness and complexity of the investigation.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Professional Standards Unit, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

1020.3.2 SOURCES OF COMPLAINTS
The following applies to the source of complaints:

(a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.

(b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.

(c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.

(d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.

(e) Tort claims and lawsuits may generate a personnel complaint.

1020.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1020.4.1 COMPLAINT FORMS
Personnel complaint forms will be maintained in the Records Unit and is accessible through the department website. Forms may also be available at other City facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1020.4.2 ACCEPTANCE
All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall
obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

A complainant shall be provided with a copy of his/her statement at the time it is filed with the Department (Penal Code § 832.7).

1020.4.3 AVAILABILITY OF WRITTEN PROCEDURES
The Department shall make available to the public a written description of the investigation procedures for complaints (Penal Code § 832.5).

1020.5 DOCUMENTATION
Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee.

1020.6 ADMINISTRATIVE INVESTIGATIONS
Allegations of misconduct will be administratively investigated as follows.

1020.6.1 SUPERVISOR RESPONSIBILITIES
In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

(a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.

1. The original complaint form will be directed to the Watch Commander of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.

2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Division Commander or the Chief of Police, who will initiate appropriate action.
Personnel Complaints

(b) Responding to all complainants in a courteous and professional manner.
(c) Resolving those personnel complaints that can be resolved immediately.
   1. Follow-up contact with the complainant should be made within 24 hours of the
      Department receiving the complaint.
   2. If the matter is resolved and no further action is required, the supervisor will
      note the resolution on a complaint form and forward the form to the Watch
      Commander.
(d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious
    nature, the Watch Commander and the Chief of Police are notified via the chain of
    command as soon as practicable.
(e) Promptly contacting the Department of Human Resources and the Watch Commander
    for direction regarding their roles in addressing a complaint that relates to sexual,
    racial, ethnic or other forms of prohibited harassment or discrimination.
(f) Forwarding unresolved personnel complaints to the Watch Commander, who will
    determine whether to contact the complainant or assign the complaint for investigation.
(g) Informing the complainant of the investigator’s name and the complaint number within
    three days after assignment.
(h) Investigating a complaint as follows:
   1. Making reasonable efforts to obtain names, addresses and telephone numbers
      of witnesses.
   2. When appropriate, ensuring immediate medical attention is provided and
      photographs of alleged injuries and accessible uninjured areas are taken.
(i) Ensuring that the procedural rights of the accused member are followed (Government
    Code § 3303 et seq.).
(j) Ensuring interviews of the complainant are generally conducted during reasonable
    hours.

1020.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES
Whether conducted by a supervisor or a member of the Professional Standards Unit, the following
applies to members covered by the Public Safety Officers Procedural Bill of Rights Act (POBR)
(Government Code § 3303):

(a) Interviews of an accused member shall be conducted during reasonable hours and
    preferably when the member is on-duty. If the member is off-duty, he/she shall be
    compensated.
(b) Unless waived by the member, interviews of an accused member shall be at the Chino
    Police Department or other reasonable and appropriate place.
(c) No more than two interviewers should ask questions of an accused member.
(d) Prior to any interview, a member shall be informed of the nature of the investigation, the
    name, rank and command of the officer in charge of the investigation, the interviewing
    officers and all other persons to be present during the interview.
Personnel Complaints

(e) All interviews shall be for a reasonable period and the member’s personal needs should be accommodated.

(f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers.

(g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.

1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a Lybarger advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).

2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

(h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.

(i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual’s statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

(j) All members shall provide complete and truthful responses to questions posed during interviews.

(k) No member may be requested or compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any officer solely because the officer has been placed on a prosecutor’s Brady list or the name of the officer may otherwise be subject to disclosure pursuant to Brady v. Maryland. However, an investigation may be based on the underlying acts or omissions for which the officer has been placed on a Brady list or may otherwise be subject to disclosure pursuant to Brady v. Maryland (Government Code § 3305.5).

1020.6.3 ADMINISTRATIVE INVESTIGATION FORMAT
Formal investigations of personnel complaints shall be thorough, complete and essentially follow this format:
Introduction - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

1020.6.4 DISPOSITIONS
Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded (Penal Code § 832.8).

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - A final determination by an investigating agency, commission, board, hearing officer, or arbitrator, as applicable, following an investigation and opportunity for an administrative appeal pursuant to Government Code § 3304 and Government Code § 3304.5 that the actions of an officer were found to violate law or department policy (Penal Code § 832.8).

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1020.6.5 COMPLETION OF INVESTIGATIONS
Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.
1020.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS
The member conducting the investigation should provide the complainant with periodic updates
on the status of the investigation, as appropriate.

1020.7 ADMINISTRATIVE SEARCHES
Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be
searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such
as obtaining a needed report, radio or other document or equipment.

Lockers and storage spaces may only be administratively searched in the member's presence,
with the member's consent, with a valid search warrant or where the member has been given
reasonable notice that the search will take place (Government Code § 3309).

1020.7.1 DISCLOSURE OF FINANCIAL INFORMATION
An employee may be compelled to disclose personal financial information under the following
circumstances (Government Code § 3308):

(a) Pursuant to a state law or proper legal process

(b) Information exists that tends to indicate a conflict of interest with official duties

(c) If the employee is assigned to or being considered for a special assignment with a
    potential for bribes or other improper inducements

1020.8 ADMINISTRATIVE LEAVE
When a complaint of misconduct is of a serious nature, or when circumstances indicate that
allowing the accused to continue to work would adversely affect the mission of the Department,
the Chief of Police or the authorized designee may temporarily assign an accused employee to
administrative leave. Any employee placed on administrative leave:

(a) May be required to relinquish any department badge, identification, assigned weapons
    and any other department equipment.

(b) Shall be required to continue to comply with all policies and lawful orders of a
    supervisor.

(c) May be temporarily reassigned to a different shift, generally a normal business-hours
    shift, during the investigation. The employee may be required to remain available for
    contact at all times during such shift, and will report as ordered.

1020.9 CRIMINAL INVESTIGATION
Where a member is accused of potential criminal conduct, a separate supervisor or investigator
shall be assigned to investigate the criminal allegations apart from any administrative investigation.
Any separate administrative investigation may parallel a criminal investigation.
The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of his/her constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

The Chino Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

1020.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES
Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review the report and include his/her comments in writing before forwarding the report. The Chief of Police may accept or modify any classification or recommendation for disciplinary action.

1020.10.1 DIVISION COMMANDER RESPONSIBILITIES
Upon receipt of any completed personnel investigation, the Division Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Division Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Division Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Division Commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1020.10.2 CHIEF OF POLICE RESPONSIBILITIES
Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Division Commander for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a pre-disciplinary procedural due process hearing (Skelly) by providing written notice of the charges, proposed action and reasons for the proposed action. Written notice shall be provided within one year from the date of discovery of the misconduct (Government Code § 3304(d)). The Chief of Police shall also provide the member with:
(a) Access to all of the materials considered by the Chief of Police in recommending the proposed discipline.

(b) An opportunity to respond orally or in writing to the Chief of Police within five days of receiving the notice.

1. Upon a showing of good cause by the member, the Chief of Police may grant a reasonable extension of time for the member to respond.

2. If the member elects to respond orally, the presentation may be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

1020.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT
The Chief of Police or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

1020.10.4 NOTICE REQUIREMENTS
The disposition of any civilian’s complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

1020.11 PRE-DISCIPLINE EMPLOYEE RESPONSE
The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

(a) The response is not intended to be an adversarial or formal hearing.

(b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.

(c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.

(d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
(e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

1020.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE
In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

1020.13 POST-DISCIPLINE APPEAL RIGHTS
Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, Memorandum of Understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that an officer has been placed on a Brady list or is otherwise subject to Brady restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such Brady evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

1020.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS
At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief of Police or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief of Police shall be final.

1020.15 RETENTION OF PERSONNEL INVESTIGATION FILES
All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.
Seat Belts

1022.1 PURPOSE AND SCOPE
This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles (Vehicle Code § 27315.5).

1022.1.1 DEFINITIONS
Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1022.2 WEARING OF SAFETY RESTRAINTS
All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1022.3 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES
Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1022.4 INOPERABLE SEAT BELTS
Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1022.5 POLICY
It is the policy of the Chino Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.
Seat Belts

1022.6 TRANSPORTING CHILDREN
Children under the age of 8 shall be transported in compliance with California’s child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer’s design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

1022.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS
Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer’s operator requirements for safe use.

1022.8 VEHICLE AIRBAGS
In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.
Body Armor

1024.1 PURPOSE AND SCOPE
The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1024.2 POLICY
It is the policy of the Chino Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1024.2.1 USE OF SOFT BODY ARMOR-EXEMPTIONS
Employees are exempt from this policy under the following conditions:

(a) Officers assigned to an office performing administrative duties. However, body armor shall be worn when leaving the building, if in uniform

(b) When a licensed physician provides documentation that the employee should not wear body armor due to a medical condition. Such documentation does not need to provide specific details as to the condition. The documentation shall indicate whether or not the exemption exists on a temporary or permanent basis. It shall be the employee's responsibility to notify his/her supervisor when such medical condition no longer exists. At the discretion of the employee's Division Commander, current documentation of a medical condition may be requested on an annual basis

(c) In situations that would compromise the employee's identity or detection (requires supervisor approval and will be determined on a case by case basis)

(d) Employees assigned in a light duty capacity

(e) When in uniform but attending a non-enforcement related special function such as funerals, peace officer memorials, etc.

1024.3 ISSUANCE OF BODY ARMOR
The Administration supervisor shall ensure that body armor is issued to all officers when the officer begins service at the Chino Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Administration supervisor shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1024.3.1 USE OF SOFT BODY ARMOR
Generally, the use of body armor is required subject to the following:

(a) Officers shall only wear agency-approved body armor.
Body Armor

(b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.

(c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.

(d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.

(e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1024.3.2 INSPECTIONS OF BODY ARMOR
Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

1024.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR
Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer’s care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer’s recommended replacement schedule.

1024.4 RANGEMASTER RESPONSIBILITIES
The Range Manager should:

(a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.

(b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
Body Armor

(c) Provide training that educates officers about the safety benefits of wearing body armor.

   2. Any member response shall be attached to and retained with the original adverse comment (Government Code § 3306).
   3. If a member refuses to initial or sign an adverse comment, at least one supervisor should note the date and time of such refusal on the original comment and the member should sign or initial the noted refusal. Such a refusal, however, shall
not be deemed insubordination, nor shall it prohibit the entry of the adverse comment into the member's file (Government Code § 3305).

The Division file may contain supervisor comments, notes, notices to correct and other materials that are intended to serve as a foundation for the completion of timely performance evaluations.

All materials intended for this interim file shall be provided to the employee prior to being placed in the file in accordance with Government Code § 3305 and Government Code § 3306.

1026.5 TRAINING FILE
An individual training file shall be maintained by the Training Sergeant for each member. Training files will contain records of all training; original or photocopies of available certificates, transcripts, diplomas and other documentation; and education and firearms qualifications. Training records may also be created and stored remotely, either manually or automatically (e.g., Daily Training Bulletin (DTB) records).

(a) The involved member is responsible for providing the Training Sergeant or immediate supervisor with evidence of completed training/education in a timely manner.

(b) The Training Sergeant or supervisor shall ensure that copies of such training records are placed in the member’s training file.

(a) Not sustained

(b) Unfounded

(c) Exonerated

Investigation files arising out of civilian’s complaints shall be maintained pursuant to the established records retention schedule and for a period of at least five years. Investigations that
resulted in other than a sustained finding may not be used by the Department to adversely affect an employee’s career (Penal Code § 832.5).

Investigation files arising out of internally generated complaints shall be maintained pursuant to the established records retention schedule and for at least two years (Government Code § 26202; Government Code § 34090).

1026.7 MEDICAL FILE
A medical file shall be maintained separately from all other personnel records and shall contain all documents relating to the member’s medical condition and history, including but not limited to:

(a) Materials relating to a medical leave of absence, including leave under the Family and Medical Leave Act (FMLA).

(b) Documents relating to workers’ compensation claims or the receipt of short- or long-term disability benefits.

(d) Medical release forms, doctor’s slips and attendance records that reveal a member’s medical condition.

(e) Any other documents or materials that reveal the member’s medical history or medical condition, including past, present or future anticipated mental, psychological or physical limitations.

1026.8 SECURITY
Personnel records should be maintained in a secured location and locked either in a cabinet or access-controlled room. Personnel records maintained in an electronic format should have adequate password protection.

Personnel records are subject to disclosure only as provided in this policy, the Records Maintenance and Release Policy or according to applicable discovery procedures.

Nothing in this policy is intended to preclude review of personnel records by the City Manager, City Attorney or other attorneys or representatives of the City in connection with official business.

1026.8.1 REQUESTS FOR DISCLOSURE
Any member receiving a request for a personnel record shall promptly notify the Custodian of Records or other person charged with the maintenance of such records.

Upon receipt of any such request, the responsible person shall notify the affected member as soon as practicable that such a request has been made (Evidence Code § 1043).

The responsible person shall further ensure that an appropriate response to the request is made in a timely manner, consistent with applicable law. In many cases, this may require assistance of available legal counsel.
Personnel Records

All requests for disclosure that result in access to a member’s personnel records shall be logged in the corresponding file.

1026.8.2 RELEASE OF PERSONNEL INFORMATION
Personnel records shall not be disclosed except as allowed by law (Penal Code § 832.7; Evidence Code § 1043) (See also Records Maintenance and Release Policy).

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this department may be guilty of a misdemeanor (Penal Code § 146e).

The Department may release any factual information concerning a disciplinary investigation if the member who is the subject of the investigation (or the member's representative) publicly makes a statement that is published in the media and that the member (or representative) knows to be false. The disclosure of such information, if any, shall be limited to facts that refute any such false statement (Penal Code § 832.7).

1026.9 BRADY MATERIAL IN PERSONNEL FILES
The purpose of this section is to establish a procedure for releasing potentially exculpatory information (so-called Brady material) contained within confidential peace officer personnel files.

1026.9.1 DEFINITIONS

Brady Material - In the Brady v. Maryland decision (373 U.S. 83 (1963)) the United States Supreme Court held that the prosecution has an affirmative duty to disclose to the defendant evidence which is both favorable and material to the guilt and/or punishment of the defendant.

The Prosecution - Refers to the District Attorney and all investigative agencies involved in the criminal prosecution of a defendant, including this department.

Penal Code § 1054.1 - California law also establishes a criminal defendant's right to access potentially exculpatory evidence.

1026.9.2 RELEASE OF PERSONNEL FILES TO DISTRICT ATTORNEY
Pursuant to Penal Code § 832.7(a), the only time the District Attorney (Attorney General or Grand Jury) is entitled to access confidential peace officer personnel files without filing a so-called Pitchess motion (Evidence Code § 1043 et seq.) is when they are investigating the conduct of an officer or this department. Such access shall not be considered a waiver of the confidentiality of the information contained in these files.

Absent a specific investigation of identified officer(s) or a specific investigation of this department (or the consent of an involved officer), no confidential information from any officer's personnel file shall be released to the District Attorney or Grand Jury without full compliance with the Pitchess process. The prosecution of a criminal defendant is not considered an investigation of any involved officer.
Personnel Records

Should an officer's credibility or other issues related to an officer's personnel file arise in the context of an officer acting as a witness for the prosecution, access to that officer's personnel file by either the District Attorney or the criminal defendant shall be limited to that which is authorized by the process set forth in Evidence Code § 1043, et seq.

1026.9.3 PROCEDURE
If an officer is a material witness in a criminal case, a person or persons designated by the Chief of Police may examine the subject officer's personnel file to determine whether there are Brady materials contained therein (e.g., evidence which is both favorable and material to the guilt and/or punishment of the defendant). If Brady material is located, the following procedure shall apply:

(a) In the event that a Pitchess motion has not already been filed by the criminal defendant or other party, the District Attorney shall be notified of the potential presence of Brady material in the officer's personnel file

(b) The District Attorney should be instructed to file a Pitchess motion in order to initiate an in camera review by the court

(c) As with any Pitchess motion, and prior to any review of the files by the court, subject officer(s) shall be notified in writing that a Pitchess motion has been filed

(d) The responsible Custodian of Records shall accompany all relevant personnel files during any in camera inspection and address any issues or questions raised by the court in determining whether or not any material contained in the file is both material and favorable to the criminal defendant

(e) If the court determines that there is relevant Brady material contained in the file(s), only that material ordered released will be copied and released to the parties filing the Pitchess motion

1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the Court limiting the use of such materials to the involved case and requiring the return of all copies upon completion of the case.

1026.10 RELEASE OF PERSONNEL RECORDS AND RECORDS RELATED TO CERTAIN INCIDENTS, COMPLAINTS, AND INVESTIGATIONS OF OFFICERS
Personnel records and records related to certain incidents, complaints, and investigations of officers shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

The Custodian of Records should work as appropriate with the Chief of Police or the Professional Standards Unit supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(2)):

- All investigation reports.
Photographic, audio, and video evidence.

- Transcripts or recordings of interviews.
- Autopsy reports.

All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against an officer in connection with an incident, or whether the officer’s action was consistent with law and department policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.

- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the Skelly or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(7) or other law, the following records shall be made available for public inspection upon request (Penal Code § 832.7):

(a) Records relating to the report, investigation, or findings of:
   1. The discharge of a firearm at another person by an officer.
   2. The use of force against a person resulting in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) by an officer.

(b) Records relating to an incident where a sustained finding (see the Personnel Complaints Policy) was made by the department or oversight agency regarding:
   1. An officer engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).
   2. Dishonesty of an officer relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another officer, including but not limited to any sustained finding of perjury, false statements, filing false reports, destruction, falsifying, or concealing of evidence.

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(3)).

When an investigation involves multiple officers, the Department shall not release information about allegations of misconduct or the analysis or disposition of an investigation of an officer unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(4) against the officer. However, factual information about the action of the officer during an incident or the statements of an officer shall be released if the statements are relevant to a sustained finding of the qualified allegation against another officer that is subject to release (Penal Code § 832.7(b)(4)).
1026.10.1 REDACTION
The Custodian of Records, in consultation with the Chief of Police or authorized designee, shall redact the following portions of records made available for release (Penal Code § 832.7(b)(5)):

(a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of officers

(b) Information that would compromise the anonymity of complainants and witnesses

(c) Confidential medical, financial, or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about misconduct and serious use of force

(d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the officer or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(6)).

1026.10.2 DELAY OF RELEASE
Unless otherwise directed by the Chief of Police, the Custodian of Records should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of records relating to the discharge of a firearm or use of force resulting in death or in great bodily injury due to any of the following conditions (Penal Code § 832.7):

(a) Active criminal investigations

1. Disclosure may be delayed 60 days from the date the use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.

2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against an officer or against someone other than an officer who used the force.

(b) Filed criminal charges

1. When charges are filed related to an incident where force was used, disclosure may be delayed until a verdict on those charges is returned at trial or, if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.

(c) Administrative investigations

1. Disclosure may be delayed until whichever occurs later:

   (a) There is a determination from the investigation whether the use of force violated law or department policy, but no longer than 180 days after the date of the department’s discovery of the use of force or allegation of use of force
(b) Thirty days after the close of any criminal investigation related to the officer’s use of force

1026.10.3 NOTICE OF DELAY OF RECORDS
When there is justification for delay of disclosure of records relating to the discharge of a firearm or use of force resulting in death or in great bodily injury during an active criminal investigation, the Custodian of Records shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

(a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.

(b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.

1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:

   (a) When the criminal proceeding is against someone other than an officer and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the Department must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about use of serious force by officers.

In cases where an action to compel disclosure is brought pursuant to Government Code § 6258, the Department may justify delay by filing an application to seal the basis for withholding if disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(7)).

1026.11 MEMBER ACCESS TO HIS/HER OWN PERSONNEL RECORDS
Any member may request access to his/her own personnel records during the normal business hours of those responsible for maintaining such files. Any member seeking the removal of any item from his/her personnel records shall file a written request to the Chief of Police through the chain of command. The Department shall remove any such item if appropriate, or within 30 days provide the member with a written explanation of why the contested item will not be removed. If the contested item is not removed from the file, the member’s request and the written response from the Department shall be retained with the contested item in the member’s corresponding personnel record (Government Code § 3306.5).

Members may be restricted from accessing files containing any of the following information:
(a) An ongoing internal affairs investigation to the extent that it could jeopardize or compromise the investigation pending final disposition or notice to the member of the intent to discipline.

(b) Confidential portions of internal affairs files that have not been sustained against the member.

(c) Criminal investigations involving the member.

(d) Letters of reference concerning employment/appointment, licensing or issuance of permits regarding the member.

(e) Any portion of a test document, except the cumulative total test score for either a section of the test document or for the entire test document.

(f) Materials used by the Department for staff management planning, including judgments or recommendations concerning future salary increases and other wage treatments, management bonus plans, promotions and job assignments or other comments or ratings used for department planning purposes.

(g) Information of a personal nature about a person other than the member if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy.

(h) Records relevant to any other pending claim between the Department and the member that may be discovered in a judicial proceeding.

1026.12 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

(a) During the preparation of each member’s performance evaluation, all personnel complaints and disciplinary actions should be reviewed to determine the relevancy, if any, to progressive discipline, training and career development. Each supervisor responsible for completing the member’s performance evaluation should determine whether any prior sustained disciplinary file should be retained beyond the required period for reasons other than pending litigation or other ongoing legal proceedings.

(b) If a supervisor determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Chief of Police.

(c) If, in the opinion of the Chief of Police, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.

(b) The examining physician or therapist will provide the Department with a report indicating that the employee is either fit for duty or, if not, listing any functional limitations which limit the employee’s ability to perform job duties (Civil Code § 56.10(c)(8)(A)). Except in very limited circumstances members should have a minimum of 8 hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve to off-duty status any member who has exceeded the above guidelines.

Meal Periods and Breaks

1034.1 PURPOSE AND SCOPE
This policy regarding meals and breaks, insofar as possible shall conform to the policy governing all similarly classified City employees that has been established by the applicable Memorandum of Understanding or by the City Manager.

Sworn employees, Police Service Officers and dispatchers shall remain on duty subject to call during meal breaks. All other employees are not on call during meal breaks unless directed otherwise by a supervisor.

Uniformed patrol and traffic officers shall request clearance from the Communications Center prior to taking a meal period. Employees subject to call shall take their breaks within two miles of the City limits unless on assignment outside of the City.

The time spent for the meal period shall not exceed the authorized time allowed.

1034.1.2 20 MINUTE BREAKS
The frequency and duration of break periods have been established for each classification. Supervisors shall determine the number of employees authorized to take breaks at the same time. No breaks shall be taken during the first or last hour of an employee’s shift unless approved by a supervisor.

Lactation Break Policy

1035.1 PURPOSE AND SCOPE
The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee’s infant child (Labor Code § 1034).

1035.2 POLICY
It is the policy of this department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant child (29 USC § 207; Labor Code § 1030).

1035.3 LACTATION BREAK TIME
A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the employee’s regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030). Employees desiring to take a lactation break shall notify the Communications Center or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1035.4 PRIVATE LOCATION
The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee’s work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207; Labor Code § 1031).

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.
1035.5 STORAGE OF EXPRESSED MILK
Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

1035.5.1 STATE REQUIREMENTS
Employees have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Employees who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).

1037.2 USE OF BUNK ROOMS
The bunk rooms may be used by employees in the following situations.

a) Insufficient time to return home for rest prior to returning to duty or appearing in court.

b) Emergency or Unusual Occurrences which preclude the employee from leaving the station to return home.

c) Extended ongoing investigations which require the employee to be at the station for extended periods of time (usually beyond 16 hours).

d) Field personnel whom a supervisor has determined are too fatigued to continue working.

e) For rest periods, with supervisor approval.

1037.3 PROHIBITED CONDUCT
Bunk rooms shall not be used on a regular basis by employees wishing to avoid commuting. No employee will use the bunk room as a residence or store personal belongings in the bunk room. Bunk rooms are intended to be places of rest; as such noise should be kept to a minimum.

There will be separate bunk rooms for male and female employees. Employees of opposite genders will not share the same bunk room. With the exception of sleeping, all conduct which would otherwise be prohibited on duty, is prohibited while off duty and utilizing a bunk room. Violations of this policy may result in discipline.

Overtime Compensation Requests

1038.1 PURPOSE AND SCOPE
It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

1038.1.1 DEPARTMENT POLICY
Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

The individual employee, if eligible, may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed the number of hours provided for within their classification.

1038.2 REQUEST FOR OVERTIME PAYMENT FORMS
Employees shall submit all overtime payment request forms for verification to their immediate supervisor who will then forward them to Payroll as soon as practical. Failure to submit a request for overtime payment in a timely manner may result in a denial of compensation.

1038.2.1 EMPLOYEES RESPONSIBILITY
Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Watch Commander. Employees submitting overtime cards for on-call pay when off duty shall submit cards to their Unit Supervisor the first day after returning for work.

1038.2.2 SUPERVISORS RESPONSIBILITY
The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the supervisor has verified the overtime was worked, the overtime payment request form is forwarded to Payroll.

1038.3 ACCOUNTING FOR OVERTIME WORKED
Employees are to record the actual time worked in an overtime status. In some cases, the Memorandum of Understanding provides that a minimum number of hours will be paid, (e.g., 2 hours for Court, Range, Call Back, or 3 hours for K9 and Investigator call outs). The supervisor will enter the actual time worked.
1038.3.1  ACCOUNTING FOR PORTIONS OF AN HOUR
When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<table>

1038.3.2  VARIATION IN TIME REPORTED
Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other officer, the Watch Commander or other approving supervisor may require each employee to include the reason for the variation.
Outside Employment

1040.1 PURPOSE AND SCOPE
In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

1040.1.1 DEFINITIONS

For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

Outside Overtime - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1040.2 OBTAINING APPROVAL
No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which the permit is approved. Any employee seeking to renew a permit shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

1040.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT
If an employee's Outside Employment Application is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Chief of Police within ten days of the date of denial.
If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in City Personnel Rules.

1040.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS
Any outside employment permit may be revoked or suspended under the following circumstances:

(a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his or her discretion, revoke any previously approved outside employment permit(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit

(b) Suspension or revocation of a previously approved outside employment permit may be included as a term or condition of sustained discipline

(c) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked

(d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status

1040.3 PROHIBITED OUTSIDE EMPLOYMENT
Consistent with the provisions of Government Code § 1126, the Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

(a) Involves the employee’s use of departmental time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage

(b) Involves the employee’s receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department

(c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department

(d) Involves time demands that would render performance of the employee's duties for this department less efficient
Outside Employment

1040.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT
Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside extra duty overtime assignments will be assigned, monitored and paid through the Department.

(a) The applicant will be required to enter into an indemnification agreement prior to approval.

(b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.

(c) Should such a request be approved, any employee working outside overtime shall be subject to the following conditions:
   1. The officer(s) shall wear the departmental uniform/identification.
   2. The officer(s) shall be subject to the rules and regulations of this department.
   3. No officer may engage in such outside employment during or at the site of a strike, lockout, picket, or other physical demonstration of a labor dispute.
   4. Compensation for such approved outside security services shall be pursuant to normal overtime procedures.
   5. Outside security services shall not be subject to the collective bargaining process.
   6. No officer may engage in outside employment as a peace officer for any other public agency without prior written authorization of the Chief of Police.

1040.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE
Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

Outside Employment

1040.4 DEPARTMENT RESOURCES
Employees are prohibited from using any department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

1040.4.1 REVIEW OF FINANCIAL RECORDS
Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest pursuant to Government Code § 3308. Prior to providing written approval for an outside employment position, the Department may request that an officer provide his or her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his or her personal financial records for review/audit. If the employee elects not to provide the requested records, his or her off-duty work permit may be revoked pursuant to Policy Manual § 1040.2.2(c).

1040.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS
If an employee terminates his or her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

1040.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY
Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Chief of Police whether such outside employment should continue.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

Criteria for revoking the outside employment permit include, but are not limited to, the following:
Outside Employment

(a) The outside employment is medically detrimental to the total recovery of the disabled member, as indicated by the City's professional medical advisors.

(b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty member.

(c) The employee's failure to make timely notice of their intentions to their supervisor.

When the disabled member returns to full duty with the Chino Police Department, a request (in writing) may be made to the Chief of Police to restore the permit.

1042.4.1 EMPLOYEE TO REPORT INITIAL CONTACTS
When an employee sustains work-related injuries caused by another person and is then approached by such person or an agent, insurance company, or attorney and offered a settlement of claims, that employee shall take no action other than to make a written report of this contact to his/her supervisor as soon as possible. Nepotism and Conflicting Relationships

1050.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure equal opportunity and effective employment practices by avoiding actual or perceived favoritism, discrimination or actual or potential conflicts of interest by or between members of this department. These employment practices include: recruiting, testing, hiring, compensation, assignment, use of facilities, access to training opportunities, supervision, performance appraisal, discipline and workplace safety and security.

1050.1.1 DEFINITIONS

Personal Relationship - Includes marriage, cohabitation, dating, or any other intimate relationship beyond mere friendship.

Business Relationship - Serving as an employee, independent contractor, compensated consultant, owner, board member, shareholder, or investor in an outside business, company, partnership, corporation, venture, or other transaction where the Department employee's annual interest, compensation, investment, or obligation is greater than $250.

Subordinate - An employee who is subject to the temporary or ongoing direct or indirect authority of a supervisor.

1050.2 RESTRICTED DUTIES AND ASSIGNMENTS
While the Department will not prohibit personal or business relationships between employees, the following reasonable restrictions shall apply (Government Code § 12940(a)).

The City has determined that a business purpose exists to dictate that the employment of relatives within City departments is prohibited in order to promote supervision, safety, security, morale and efficiency when such employment would result in any of the following:

(a) A negative impact upon the ability of a supervisor to effectively and efficiently perform his/her duties with a related individual;

(b) Both employees having job duties which result in the performance of shared duties on the same or related work assignments;

(c) Both employees are under the jurisdiction of the same immediate supervisor;
Nepotism and Conflicting Relationships

(d) The work involves potential conflicts of interest or other hazards greater for married couples or relatives than for unrelated persons.

The City retains the right to refuse to place one spouse or other relative under the direct supervision of the other spouse or relative where there is a potential for creating adverse impact on supervision, safety, security or morale.

If circumstances require that such a supervisor/subordinate relationship exists temporarily, the supervisor shall make every reasonable effort to defer matters involving the involved employee to an uninvolved supervisor.

The City retains the right to refuse to place both spouses or other relatives in the same department, division or facility where such has the potential for creating adverse impact on supervision, safety, security, or morale or involves potential conflicts of interest.

In order to implement such policies and where the above circumstances exist and mandate that two spouses or other relatives shall not work in a prohibited relationship, the City will attempt to transfer one spouse or other relative to a similar classified position in another City department. Although the wishes of the involved parties as to which spouse or other relative is to be transferred will be given consideration by the City, the controlling factor in determining who is to be transferred shall be made by the City in order to obtain the best operation and efficiency of the City. If any such transfer results in a reduction of salary or compensation, the same shall not be considered disciplinary in nature and shall not be the subject of any form of administrative or civil appeal.

In lieu of transfer from one department to another, or in situations where no classification exists to which a spouse or other relative can be transferred, married or other related employees may continue to be employed within the same City department subject to the approval by the Department Director and the City Manager. However, any such reporting to the same supervisor, being supervised by each other, working the same shift at the same work site or otherwise becoming involved in a work environment having the potential for adverse impact on supervision, safety, security, or morale will be avoided.

If continuing employment of the two spouses or other relatives cannot be accommodated consistent with the City’s interest in promotion of safety, security, morale and efficiency, then the City retains the sole discretion to separate one spouse or other relative from City employment. Absent resignation by one affected spouse or other relative, the less senior of the involved spouses or other relative will be subject to termination and it will not constitute discipline or punitive action and will not be subject to any administrative or civil appeal.

Employees are prohibited from participating in, contributing to, or recommending promotions, assignments, performance evaluations, transfers or other personnel decisions affecting an employee who is a relative, or with whom they are involved in a personal or business relationship.

Whenever possible, FTO’s and other trainers will not be assigned to train relatives. FTO’s and other trainers are prohibited from entering into or maintaining personal or business relationships.
with any employee they are assigned to train until such time as the training has been successfully completed and the employee is off probation.

In order to avoid actual or perceived conflicts of interest, members of this department shall refrain from developing or maintaining personal or financial relationships with victims, witnesses or other individuals during the course of or as a direct result of any official contact.

Except as required in the performance of official duties or, in the case of immediate relatives, employees shall not develop or maintain personal or financial relationships with any individual(s) who they know or reasonably should know are under criminal investigation, convicted felons, parolees, fugitives, registered sex offenders, or who engage in serious violations of state or federal laws.

1050.2.1 EMPLOYEES RESPONSIBILITY
Prior to entering into any personal or business relationship or other circumstance which the employee knows or reasonably should know could create a conflict of interest or other violation of this policy, employees shall promptly notify his/her uninvolved, next highest level of supervisor.

Whenever any employee is placed in circumstances which would require the employee to take enforcement action or provide other official information or services to any relative or other individual(s) with whom the employee is involved in a personal or business relationship, the employee shall promptly notify his/her uninvolved, immediate supervisor. In the event that no uninvolved supervisor is immediately available, the employee shall promptly notify dispatch to have another uninvolved employee either relieve the involved employee or minimally remain present to witness the action.

1050.2.2 SUPERVISORS RESPONSIBILITY
Upon being notified of or becoming aware of any circumstance(s) which could result in or constitute an actual or potential violation of this policy, a supervisor shall take all reasonable steps to mitigate or avoid such violations whenever possible. Supervisors shall also promptly notify the Chief of Police of such actual or potential violations through the chain of command.

1056.1 PURPOSE AND SCOPE
Performance History Audits are collections of data designed to assist supervisors evaluating the performance of their employees. Performance History Audits can help identify commendable performance as well as early recognition of training needs and other potential issues. - An officer's ability to detect crime.

Any such written comment will be attached to the related performance indicator in such a way as to be readily noticed by supervisors reviewing a Performance History Audit Report.

1056.7 DATA ANALYSIS AND ACTION
Upon receipt, the Division Commander will review each Performance History Audit Report and determine whether it should be provided to an officer's immediate supervisor for further consideration. The officer's immediate supervisor will carefully review the Performance History Audit Report with the officer to assess any potential trends or other issues which may warrant informal counseling, additional training or a recommendation for other action, including discipline. The officer shall date and sign the Performance History Audit Report and may be provided a copy of the report upon request.

If a supervisor determines that an officer's performance warrants action beyond informal counseling, the supervisor shall advise the Division Commander of such recommendation. If the Division Commander concurs with the recommendation of the supervisor, he/she shall take steps to initiate the appropriate action.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1058.1.1 APPLICABILITY
This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video, and other file-sharing sites.

1058.2 POLICY
Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Chino Police Department will carefully balance the individual employee’s rights against the Department’s needs and interests when exercising a reasonable degree of control over its employees’ speech and expression.

1058.3 SAFETY
Employees should consider carefully the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of the Chino Police Department employees, such as posting personal information in a public forum, can result in compromising an employee’s home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee’s family, or associates.

Examples of the type of information that could reasonably be expected to compromise safety include:
• Disclosing a photograph and name or address of an officer who is working undercover.
• Disclosing the address of a fellow officer.
• Otherwise disclosing where another officer can be located off-duty.

1058.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT
To meet the department’s safety, performance and public-trust needs, the following are prohibited unless the speech is otherwise protected (for example, an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, on a matter of public concern):

(a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Chino Police Department or its employees.

(b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Chino Police Department and tends to compromise or damage the mission, function, reputation or professionalism of the Chino Police Department or its employees. Examples may include:
   1. Statements that indicate disregard for the law or the state or U.S. Constitution.
   2. Expression that demonstrates support for criminal activity.
   3. Participating in sexually explicit photographs or videos for compensation or distribution.

(c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example, posting statements or expressions to a website that glorify or endorse dishonesty, unlawful discrimination or illegal behavior.

(d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example, a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.

(e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Chino Police Department.

(f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.

(g) Accessing websites for non-authorized purposes, or use of any personal communication device, game device or media device, whether personally or department-owned, for personal purposes while on-duty, except in the following circumstances:
1. When brief personal communication may be warranted by the circumstances (e.g., inform family of extended hours).

2. During authorized breaks such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1058.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS
While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the Chino Police Department or identify themselves in any way that could be reasonably perceived as representing the Chino Police Department in order to do any of the following, unless specifically authorized by the Chief of Police (Government Code § 3206; Government Code § 3302):

(a) Endorse, support, oppose or contradict any political campaign or initiative.

(b) Endorse, support, oppose or contradict any social issue, cause or religion.

(c) Endorse, support or oppose any product, service, company or other commercial entity.

(d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or on any website.

Additionally, when it can reasonably be construed that an employee, acting in his/her individual capacity or through an outside group or organization (e.g., bargaining group or officer associations), is affiliated with this department, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Chino Police Department.

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty.

However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1058.5 PRIVACY EXPECTATION
Employees forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any internet site (e.g., Facebook) that is accessed,
transmitted, received, or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

The Department shall not require an employee to disclose a personal user name or password for accessing personal social media or to open a personal social website; however, the Department may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

1058.6 SOCIAL MEDIA TEAM
Purpose and Scope

The purpose of this social media program policy is to establish guidelines for external communications for the City of Chino Police Department via its social media accounts.

The Chino Police Department’s goal is to enhance its connection with the community through its online presence and the use of social media by developing Police Department specific social media accounts and online content. This will be done in partnership with the City of Chino’s Administration Department and Public Information Office.

When utilized effectively, social media can be beneficial to our Law Enforcement Mission in many ways including:

- **Investigations:** To disseminate information on missing persons, wanted persons, or to locate evidence or witnesses to a crime.
- **Community Outreach:** To promote community programs and activities such as Neighborhood Watch, Citizen Academy, Youth Academy and Police Association events.
- **Recruitment:** To highlight career opportunities for both professional and sworn staff in order to increase the candidate pool in conjunction with the recruitment website.
- **Community Education:** To distribute crime prevention and emergency preparedness tips and bring awareness to the public on crime trends.
- **Time Sensitive Issues:** To communicate relevant and timely information to the public through press releases, community messages, advisories or alerts.

This policy shall establish the department’s official position on social media activities, as well as the use, administration, oversight and maintenance of the department’s social media channels. This policy shall not be limited to any single type of social media channel, as technologies change on a frequent basis.

Definitions

The following terms may be used in this policy:
Employee Speech, Expression and Social Networking

- Page: The specific portion of a social media website where content is displayed.
- Post: Content an individual shares on a social media site or the act of publishing content on a site.
- Social Media: A category of Internet-based resources that integrate user-generated content and user participation. This includes, but is not limited to, social networking sites (Facebook), microblogging sites (Twitter), and photo or video sharing sites (YouTube).
- Social Media Channel: A social media website or network; such as Facebook.
- SMP: Social Media Program.
- SMT: Social Media Team.

Social Media Team

The social media program shall be administered by the Social Media Team, under the direct control of the Chief of Police, or his/her designee. The Social Media Team shall also work in conjunction with the City’s Administration Department and Public Information Office.

The SMT will consist of a manager, supervisor, and selected members of the department. Selection to the team will be made or revoked at the discretion of the Chief of Police or his/her designee.

The SMT will be responsible for all aspects of the program, to include:

- Research, testing and evaluation of current and new technologies.
- Design, development and implementation of all web related content, such as the department’s website and social media channels.
- Collaborate and review all written materials used or issued by department members to insure uniformity and consistency.
- Create, modify and update the department’s social media policy.
- Act as a liaison between the department and business owners, residents, community leaders, and educational institutions for community relations type issues.
- Publish information including but not limited to: crime prevention tips, departmental news, press-releases, photographs, and videos.
- Consult and train department members on the safe use of social media in law enforcement.

Assignment to the SMT shall be an ancillary assignment. Members of the SMT are not required to manage the department’s social media channels during their off-duty time. Social media channels, as with anything on the worldwide web, are available and in operation 24 hours a day, every day. Thus, spontaneous publishing of comments, questions, concerns or complaints can be posted on the department’s social media channels by the public at any time. Since there is no set schedule of
Employee Speech, Expression and Social Networking

SMT members, the aforementioned posts will be addressed by the SMT as soon as is reasonable and practical to do so by the SMT members. Information posted which constitutes an emergency, shall be handled in accordance with the subsequent section related to emergency response situations.

Online Conduct

All SMT members shall be aware that their conduct and speech, whether online or offline, in-person, over the phone or through word of mouth, could affect the mission of the department. The department does not discourage a SMT member from engaging in private social media activities and conversations, however, members are reminded to use their expertise, sound judgement, common sense and professionalism when engaging in private social media.

It is anticipated that all SMT members’ online “friends” may know they are a member of the Chino Police Department. Therefore, any and all online activity shall be under scrutiny. Members shall use the following points as a guideline for their conduct online:

- Adhere to the Law Enforcement Code of Ethics (COE). Prior to publishing, determine whether the content is appropriate or not. If it is outside the COE, then it shall not be posted on either personal or the department’s social media channels.

- Be professional. Team members are responsible for anything he/she posts which could tarnish the Department’s, the City’s, or a co-worker’s image.

- Protect our image. The department’s image is important, both online and offline. If a member of the SMT becomes aware of a media item shedding a negative or positive light on the department, they shall ensure it is made known to the entire team. In the event of a negative comment, steps may need to be taken to address the item.

- Do not debate. For negative, condescending or agitated posts, use techniques which ensure a professional image is maintained, if addressing the individual is necessary. Often, public supporters will defend the department and quell any issues, without the need for a SMT member to respond.

- Be cognizant of your personal as well as professional posts. There is a high potential that people whom SMT members have developed friendships with may also be “friends” to the department’s social media channels. When publishing information on private social media channels, the SMT members need to be cognizant of any thought, idea or statement which is counter to the department, the city or their profession as they may have a negative impact upon the SMT and its objectives.

Failure to follow these guidelines could result in the removal from the SMT. Additionally personnel may refer to the Department policy regarding personal social media use.

Design and Development
There shall be uniformity and consistency in all aspects of the department’s social media channels. Online pages, written documents, brochures, stickers, banners, etc., shall follow the guidelines dictated by the policies, procedures and SMT.

Content shall be written in a similar manner. The style, tone and definitions shall remain the same across all social media channels. When writing content, members of the SMT must be cognizant who they are writing for, and how that audience speaks and reads.

All content shall adhere to applicable department policies, state, and federal laws. Content is subject to public records laws. Although in most cases the content distributed by the department is meant to be permanent, removal from department social media channels shall be in accordance with applicable retention schedules and archiving regulations.

In the event a legal request has been made for content used on a department social media channel, the Public Records Act request procedure must be followed.

We recognize there are design differences in all social media channels with regards to text and image limitations, therefore in those circumstances posts may vary.

Content Disclaimers, Terms of Service and Privacy Policy

If allowed, all social media channels shall have an introductory statement which shall:

- Briefly introduce the department.
- Clearly define the department’s goals with social media use.
- Establish any disclaimers and/or terms of conditions.
- Include a contact email for the Social Media Team.

When possible, all social media channels shall link to the department’s official website, and vice-a-versa.

All social media channels used by the department shall be approved by the Chief of Police or his/her designee.

In regards to disclaimers and terms of conditions, there shall be statements placed on the social media channels clearly indicating that:

- The particular social media channel exists for people having an interest in the Chino Police Department.
- The social media channel exists to provide information and a platform for people to interact with the department.
- Posting anything on the particular social media channel constitutes acceptance of the terms of service.
- Social media does not replace 9-1-1 for emergency services. In case of an emergency, or if police assistance is needed, the person is to dial 911; a posting on the social media channel will not render immediate assistance.
Employee Speech, Expression and Social Networking

• In the event a person posts information related to a crime, he/she may be placing themselves in a position of becoming a witness and subject to being subpoenaed to court.

• “Friending” or “Liking” the Chino Police Department, or an officer or employee of the department, by a visitor to the particular social media channel does not indicate an endorsement of that person's actions or comments.

• Comments posted by others are not to be considered the opinion of the department; nor does the department endorse any third-party comments.

• The department shall reserve the right to remove and/or block anyone who posts inappropriate material as determined in accordance with the terms of use and by the Chief of Police.

• The department does not allow posting of photos or videos by anyone other than designated SMT members of the department.

• The department welcomes a person's right to express his/her opinion and encourages individuals posting to keep comments related to content on the particular social media channel's page. The page is not a public forum, but rather a chance to engage with our community and share information.

• The department reserves the right to remove any comments that are inappropriate or offensive, including comments that:
  ◦ Defame, abuse, harass, stalk, threaten or violate the legal rights of others.
  ◦ Include racism, hatred, slander, threats, obscenity, violence, vulgarity.
  ◦ Spam or advertisements.
  ◦ Have personal information about another person or that violate a person's privacy.
  ◦ Include copyrighted material that belongs to another person.
  ◦ Contain links to inappropriate websites.

Allowable Content

Only members of the SMT shall have the “open” authorization to post content on the world-wide web, on behalf of the department. The following guidelines shall be adhered to, when applicable and/or practical:

• The SMT shall not create their own press releases based off of information they receive, either in writing or verbally, unless it was received through official procedures. All press releases released by the SMT shall be done so after receiving an approved written press release from an authorized supervisor.
Employee Speech, Expression and Social Networking

- All written comments, articles, posts, videos, photos, or virtual actions (i.e., “like,” “poke,” “unfriend,” etc.) may be done by members of the SMT, providing the item or activity does not tarnish the city, department or profession’s image, the item will not pose a safety threat to those mentioned or depicted, and the item serves a legitimate purpose.

- If there is ever any question as to whether an item meets the standards specified above, the SMT member shall immediately stop and seek the counsel of the Social Media Team supervisor or manager.

- The SMT shall not make any official comments or statements regarding the guilt or innocence of any suspect or arrestee, or pending prosecutions, unless making such statements is being directly requested by the department’s administration.

- Members of the SMT shall not distribute any confidential information, reports, photos, or videos of an active investigation, unless authorized by the Chief of Police and/or his/her designee.

- All copyright, trademark, and service mark restrictions in posting materials to all social media channels and print materials shall be observed.

Content that may be considered sensitive, confidential or controversial shall be approved prior to posting through the chain of command by the Chief of Police or his/her designee.

Equipment

The SMT should use department owned electronic devices to manage the department’s social media channels. However, SMT members may choose to use their own personal electronic devices if they desire.

Training

Social media technologies, channels, procedures and cultures are constantly changing. These changes affect how other key entities tied to social media operate. Providing there are funds available, members of the SMT should attend training seminars, classes or events for the purposes of updating their knowledge of web-based technologies and social media applications.

Response to Emergency Situations

Occasionally, information will be obtained through social media channels which will require an immediate response, such as:

- Suicidal or despondent person.
- Crime tip or lead involving an active investigation.
- Threats of any kind.
Employee Speech, Expression and Social Networking

In the event a situation arises which requires immediate attention, notification should be made to the on-duty watch commander. The SMT member who is available, and preferably on-duty, should then be assigned to assist with the situation. Other SMT members may also assist the primary SMT member if needed.

Response to EOC Activations

Due to the fact that social media has become the primary source of media communications, in the event of a major emergency, the SMT may be asked to respond to the EOC to assist with managing and monitoring social media related to that incident.

1058.7 TRAINING

Subject to available resources, the Department should provide training regarding employee speech and the use of social networking to all members of the Department.
