Create Your Own Passport

Supplies

- passport template
- crayons, colored pencils, or markers
- pencil
- scissors
- stapler or glue

Instructions

1. Print out the passport template.
2. Using your pencil, fill in the blanks on the passport template.
3. Use your crayons, colored pencils, or markers to color the passport any way you’d like!
4. Cut out the passport and either glue or staple the sides together to make a book.
5. When you travel the world virtually, draw or write the name of the country you visited!
